Praying the Psalms, Second Edition - Walter Brueggemann 2007-05

In this thoroughly revised edition of a classic in spirituality, Walter Brueggemann guides the reader into a thoughtful and moving encounter with the Psalms. This new edition includes a revised text, new notes, and new bibliography. "The movement and meeting of God with us is indeed a speech-event in which new humanness is evoked among us. Being attentive to language means cultivating the candid imagination to bring our own experience to the Psalms and permitting it to be disciplined by the speech of the Psalms. And, conversely, it means letting the Psalms address us and having that language reshape our sensitivities and fill our minds with new pictures and images that may redirect our lives." --from Chapter 3 "I am so glad to see this second edition of *Praying the Psalms*. In it Walter Brueggemann reveals the ways in which the Psalms teach the mother tongue of biblical speech by inviting us to the risk of daring candor with God. The contemporary church in North America regularly suffers collective amnesia in the face of the languages of techno-speak, market share and sentimental cliché that shape the world we inhabit. *Praying the Psalms* offers a surprising antidote to this chronic forgetfulness. It invites us to recover our ancient memory and true identity by learning again to pray the

Psalms. I know of no better book for introducing a congregation to the Psalms than this one." -- Edwin Searcy, Pastor, University Hill Congregation, United Church of Canada, Vancouver, BC "'The Psalms just don't speak to me.' Anyone who has ever felt this way should read Brueggemann's book. . . . He shows how these ancient prayers can lead us from the disorientation of our chaotic lives into a reorientation of transformation. His treatment of both the post-Holocaust Christian use of these very Jewish prayers and the troublesome call for vengeance is most timely. This book shows how the Psalms can indeed speak to us." --Dianne Bergant, CSA author of *Preaching the New Lectionary* . . . Brueggemann pushes me and other readers to recognize the full gamut of passions reflected in the Psalms: joy and exultation but also disappointment, sorrow, anger, resentment, even the desire for vengeance. . . . I am grateful to Brueggemann for making me more alert to what the Psalms are saying about our common human relation to God and more honest about my own feelings as I pray the Psalms every day as part of the Liturgy of the Hours." --Joseph A. Bracken, SJ coauthor of *Self-Emptying Love in a Global Context* "Few persons have so lived in and with the Psalms as Walter Brueggemann. Here he takes us into their depths, which are so clearly the depths of our human existence. The piety of the Psalms is strong medicine. Brueggemann bids us take it

for the cure of our souls." --Patrick D. Miller author of *Interpreting the Psalms and They Cried to the Lord* Walter Brueggemann is William Marcellus McPheeters Professor of Old Testament Emeritus at Columbia Theological Seminary, Decatur, Georgia. He is the author of numerous works including *Theology of the Old Testament*, *Inscribing the Text*, *Prophetic Imagination*, and *David's Truth*.

You're Already Amazing - Holley Gerth
2012-03-01

Women feel enormous pressure to be perfect. To have the perfect body, to be a perfect woman, to have the perfect career, and to have the perfect attitude. All the time. Under all that pressure and all those expectations are women carrying burdens they were never meant to carry and suppressing the dreams they were always meant to live. In *You're Already Amazing*, popular blogger and cofounder of (in)courage helps women understand and embrace the fact that they don't need to do more, be more, and have more--because they're already amazing just the way God created them to be. As a licensed counselor and certified life coach, Holley knows what readers need to hear. Like a heart-to-heart talk over coffee, reading this joy-filled book encourages women to forget the lies and expectations the world feeds them, instead believing that God made them for a purpose and that he loves them right now, at this moment, and always. Holley takes readers on a journey of the heart to discover their strengths and embrace all God created them to be.

Teaching What Really Happened - James W. Loewen
2018-09-07

"Should be in the hands of every history teacher in the country."— Howard Zinn James Loewen has revised *Teaching What Really Happened*, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retellings of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled "Truth" that addresses how traditional and social media can distort current events and the historical record. Helping students understand what really

happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: An up-to-date assessment of the potential and pitfalls of U.S. and world history education. Information to help teachers expect, and get, good performance from students of all racial, ethnic, and socioeconomic backgrounds. Strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography. Ideas from teachers across the country who are empowering students by teaching what really happened. Specific chapters dedicated to five content topics usually taught poorly in today's schools.

The Book of M - Peng Shepherd
2018-06-05
Brad Thor's Summer 2018 Fiction Pick for THE TODAY SHOW! "Eerie, dark, and compelling, [The Book of M] will not disappoint lovers of *The Passage* (2010) and *Station Eleven* (2014)." --

Booklist WHAT WOULD YOU GIVE UP TO REMEMBER? Set in a dangerous near future world, *The Book of M* tells the captivating story of a group of ordinary people caught in an extraordinary catastrophe who risk everything to save the ones they love. It is a sweeping debut that illuminates the power that memories have not only on the heart, but on the world itself. One afternoon at an outdoor market in India, a man's shadow disappears—an occurrence science cannot explain. He is only the first. The phenomenon spreads like a plague, and while those afflicted gain a strange new power, it comes at a horrible price: the loss of all their memories. Ory and his wife Max have escaped the Forgetting so far by hiding in an abandoned hotel deep in the woods. Their new life feels almost normal, until one day Max's shadow disappears too. Knowing that the more she forgets, the more dangerous she will become to Ory, Max runs away. But Ory refuses to give up the time they have left together. Desperate to find Max before her memory disappears completely, he follows her trail across a perilous, unrecognizable world, braving the threat of roaming bandits, the call to a new war being waged on the ruins of the capital, and the rise of a sinister cult that worships the shadowless. As they journey, each searches for answers: for Ory, about love, about survival, about hope; and for Max, about a new force growing in the south that may hold the cure. Like *The Passage* and *Station Eleven*, this haunting, thought-provoking, and beautiful novel explores fundamental questions of memory, connection, and what it means to be human in a world turned upside down.

Lesser Feasts and Fasts 2018 - 2019-12-01

Lesser Feasts and Fasts has not been updated since 2006. This new edition, adopted at the 79th General Convention (resolution A065), fills that need. Biographies and collects associated with those included within the volume have been updated; a deliberate effort has been made to more closely balance the men and women represented within its pages.

Honest to God Preaching - Brent A. Strawn 2021-12-07

Old Testament scholar and interpreter Brent A. Strawn focuses on the importance of honesty in preaching, especially around three challenging Old Testament themes: sin, suffering, and violence. He makes the case that preaching honestly is critical in the church today. Without honesty regarding these topics, there is no way forward to reconciliation, health, and recovery. Further, it is imperative for today's preachers to deal with the questions of faith arising from these themes in the biblical text itself. In addition to key scripture passages, he turns to several contemporary authors and works as dialogue partners on the three themes. Asserting that keeping secrets can lead to a kind of sickness, Strawn uses texts from the Pentateuch and the Psalms to model honesty about sin, without which there can be no reconciliation, and honesty about suffering, without which there can be no healing. He also looks at the book of Joshua and various psalms to model honesty about violence, which can serve as a way to contain, limit, and ultimately transcend violence. Strawn frames these themes

specifically for working preachers, so they can create sermons that speak to these thorny themes with depth and clarity.

The Showing Forth of Christ - John Donne 1964

Holy Women, Holy Men - Church Publishing, 2010

Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of Lesser Feasts and Fasts and authorized by the 2009 General Convention. All commemorations in Lesser Feasts and Fasts have been retained, and many new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and "in-church" activities by contributions well beyond the workings of institutional agendas. These almost daily commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical

propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle.

Chanting the Psalms - Cynthia Bourgeault 2006-11-14

Chanting the psalms, or psalmody, is an ancient practice of vital importance in the Christian spiritual tradition. Today many think of it as a discipline that belongs only in monasteries—but psalmody is a spiritual treasure that is available to anyone who prays. You don't need to be musical or a monk to do it, and it can be enjoyed in church liturgical worship, in groups, or even individually as part of a personal rule of prayer. Cynthia Bourgeault brings the practice into the twenty-first century, providing a history of Christian psalmody as well as an appreciation of its place in contemplative practice today. And she teaches you how to do it as you chant along with her on the accompanying CD in which she demonstrates the basic techniques and easy melodies that anyone can learn. "Even if you can't read music," Cynthia says, "or if somewhere along the way you've absorbed the message that your voice is no good or you can't sing on pitch, I'll still hope to show you that chanting the psalms is accessible to nearly everyone."

A Soldiers Strength from the Psalms - Sharon L. Patterson 2007-06

God's Library - Brent Nongbri 2018-08-21

A provocative book from a highly original scholar, challenging much of what we know about early Christian manuscripts. In this bold and groundbreaking book, Brent Nongbri provides an up-to-date introduction to the major collections of early Christian manuscripts and demonstrates that much of what we thought we knew about these books and fragments is mistaken. While biblical scholars have expended much effort in their study of the texts contained within our earliest Christian manuscripts, there has been a surprising lack of interest in thinking about these books as material objects with individual, unique histories. We have too often ignored the ways that the antiquities market obscures our knowledge of the origins of these manuscripts. Through painstaking archival research and detailed studies of our most important collections of early Christian manuscripts, Nongbri vividly shows how the earliest Christian books are more than just carriers of texts or samples of handwriting. They are three-dimensional archaeological artifacts with fascinating stories to tell, if we're willing to listen.

Hold on to Hope - Christian Art Publishers
2018-08-19

Yes, my soul, find rest in God; my hope comes from Him. Truly He is my rock and my salvation; He is my fortress, I will not be shaken. Psalm 62:5-6 The Psalms are filled with hope. The writers of the Psalms have cried out to God in times of deep trouble and have lifted their voices in blessing in times of deliverance. Hold on to Hope embraces the wonderful and wonder-filled psalms and uses them to breathe life into your days. When it feels like you are weighted down by cares and concerns, hold on to hope because the God of all strength and comfort will carry you through.

Anything - Jennie Allen 2015-06-09

What if you promised God you would do anything . . . and he took you up on it? Anything is a prayer of surrender that will move you to stop chasing happiness and start living a surrendered life that matters. If you've ever felt lonely, lost, or like there must be more to life than constantly keeping up with the Joneses, then this book is for you. Previously caught in the dizzying haze of worldly happiness and empty pursuits, Jennie had had enough. She and her husband Zac prayed a courageous prayer of surrender: "God, we will do anything. Anything." They went on to begin living out the adventure God had written for them. This revised edition is updated throughout to include a new introduction and an in-depth Bible study component for those who have been wanting to lead a study on this topic. Join Jennie on an adventure to discover your anything, including: Factors that inhibit us from living a life of surrender to God What praying "Anything" really means What your life might look like having prayed it Jennie Allen shares the biblical truth that our lives are not meant to be safe and

comfortable, but radical and profound. Discover how little worldly pursuits mean until you know the God who's truly worth giving up everything for. And when you do. . . everything will change. Anything is also available in Spanish, Lo que me pidas.

The Shield of Psalmic Prayer - Donald Sheehan 2020-06-20

In this posthumous collection of poet and teacher Donald Sheehan's reflections on Psalms and psalmic prayer, culled from his journals and teaching notes, you will find two quite different kinds of writing working in tandem: poetic and personal journaling by a man of faith, a scholar, a linguist, and, in the deepest sense, a teacher; alongside scholarly linguistic and poetic analysis by a man steeped in poetry who thought like a poet. "In the spiritual life, two things are essential: what we do, and how we do it. In this wonderful collection of the late Donald Sheehan's thoughts on the Psalms, we see both. He takes us into what the Psalms are in depth-the Word of God. He also demonstrates, time and again, how those depths shape his life and the world in which he lives. Thus, we are given two things: the Word of God and a life in which the Word has given shape. It is a path we all should walk." -Fr. Stephen Freeman
