Politics in India - Rajni Kothari 1970

Acclaimed to be by far the most sophisticated general study on Indian politics. Politics in India unfolds, here with insight and acumen and the vastness and confusion of the Indian political scene is elaborately discussed. This book is the first comprehensive treatment of the Indian political system examined from different vantage points and drawing together the contribution of various disciplines into a common framework.

Transparent Lobbying and Democracy - Šárka Laboutková 2020-02-04

"The authors come up with some innovative tools, namely the "Catalogue of transparent lobbying". They look at and evaluate the impact on both key stakeholders (lobbyists and targets of lobbying), monitoring of lobbying activities and sanctioning for breaches of rules. This tool holds out benchmarking capacity of sound framework for understanding of lobbying in the context of democracy, legitimacy of decision-making and accountability."David Ondráčka, member of global Board of Transparency International, head of Transparency International, Czech Republic "Transparent Lobbying and Democracy provides a comprehensive view into the phenomenon of lobbying... As a well-established scientist specializing in democracy, civil society and the public sphere, I see it as a useful and enriching contribution to the debate on lobbying, its necessary transparency and its role in the democratization process. This book has the potential to reach an international audience of experts and interested lay persons, and both complement and compete with publications on similar issues."Karel B. Müller, University of Economics in Prague, Czech Republic This book deals with the current, as yet unsolved, problem of transparency of lobbying. In the current theories and prevalent models that deal with lobbying activities, there is no reflection of the degree of transparency of lobbying, mainly due to the unclear distinction between corruption, lobbying in general, and transparent lobbying. This book provides a perspective on transparency in lobbying in a comprehensive and structured manner. It delivers an interdisciplinary approach to the topic and creates a methodology for assessing the transparency of lobbying, its role in the democratization process and a methodology for evaluating the main consequences of transparency. The new approach is applied to assess lobbying regulations in the countries of Central Eastern Europe and shows a method for how lobbying in other regions of the world may also be assessed.

The Economy Compendium for IAS Prelims General Studies CSAT Paper 1, UPSC & State PSC 2nd Edition - Disha Experts 2017-07-10

UPSC (IAS) GENERAL STUDIES 1 WITH SOLVED QUESTIONS - MR. MANIRAM SHARMA 2021-06-05

The present work is an attempt to ease out the much stressed preparation of UPSC Civil services Examination. The Book is authored by Mr. Maniram Sharma, covering three topics of General Studies 1 viz. Post Independence consolidation and reorganisation, Indian Society and Effects of Globalisation. The present trends of the Mains GS papers require comprehensive understanding of the topics with detailed elaboration because each question demands different aspects of the same topic. With the same issue in mind, every topic has detailed elaboration dwelling on varied aspects. Besides, to ease the preparation, ten solved questions have been appended to give a cursory glance as to how approach the questions in diverse perspective. The contents of the e-book are regularly updated with newer dimensions to cope up with the requirement of IAS examination.

Considerations on Representative Government - John Stuart Mill 1861

This book contains Mill's arguments in favor of a representative form of government, which was in Mill's view the ideal form a government should take. Mill thought that the best government was whatever kind would contribute to the most happiness in a society, both on an individual and an overall level. Democracy in particular creates the most overall happiness because, in Mill's thinking, it encourages individuals to participate in society. By taking active and intelligent interest in social issues, individuals develop their natural "human sympathies," learn to consider the common good, and are able to enjoy the benefits of working together with others. These types of social feelings of well-being--so important to utilitarians like Mill--simply aren't possible under other forms of government.

Challenge and Strategy - Rajiv Sikri 2009-07-02

The book examines India's current and looming foreign policy challenges from a strategic and policy-oriented perspective. It analyzes the long-term factors and trends that should determine the country's foreign policy formulation. The author urges a reappraisal of India's approach if it is to become a major player in the complex and rapidly evolving 21st century world. *Challenge and Strategy: Rethinking India's Foreign Policy* focuses on India's immediate and strategic neighbourhood. It also looks at important issues like energy security, economic diplomacy, the interaction between defence and diplomacy, and foreign policy institutions. A unique feature of the book is that it combines the perspectives of a historian, a diplomat and a scholar. With many new out-of-the-box ideas and policy suggestions, it makes a valuable contribution to the ongoing debate on foreign policy within India's strategic community. This lucid and succinct book is a must-read for policy-makers, diplomats and foreign policy analysts. The corporate and business community too will find it professionally relevant. It is also an important knowledge resource for students of Indian politics, international relations, and defence and strategic studies, and others who are interested in India's foreign policy.

14000 + Objective Questions - General Studies - Manohar Pandey 2018-04-20

Arihant has come up with a revised edition of a compendium of over 14000 questions which will significantly improve the knowledge of aspiring students by providing them with ready and reliable practice material for General Studies. The book has been designed for the aspirants preparing for IAS (CSAT), State PCS, CDS, NDA and other competitive examinations. The revised edition of this question bank focuses on Indian History & Culture, India & World Geography (Env & Eco), Indian Polity, Indian Economy, General Science, Science & Technology, General Knowledge and Current Affairs. The book contains the collection of over 14000 questions covering General Studies. The History section covers ancient, medieval and modern history whereas the Geography section covers world geography, Indian geography and environment & ecology. The General Science section covers Physics, Chemistry, Biology and Science & Technology. The questions covered in the book contain answers side by side to help aspirants evaluate themselves after attempting a certain number of questions. Also the questions asked in recent years' General Studies examinations have been provided in the book with authentic and detailed solutions to help aspirants get an insight into the recent examination pattern and the types of questions asked therein. Each chapter in the book contains a variety of questions according to the latest pattern Assertion-Reason, Matching, Multi-Statements, Arrangements, Pairing, etc. Also more than 500 questions based on Current Affairs have been provided in the book to give an additional advantage to the aspirants. As the book contains ample number of objective questions which have been designed for students of various competitive examinations, it for sure will act as the best preparation material for general studies for UPSC (CSAT), State PCS, CDS, NDA, etc.

Kautilya's Arthashastra - Kau?alya 2009-01-01

Kautilya, also known as Chanakya, is India's most illustrious political economist of all time. He regarded economic activity as the driving force behind the functioning of any political dispensation. In fact, he went to the extent of saying that revenue should take priority over the army because sustaining the army was possible out of a well-managed revenue system. Kautilya advocated limiting the taxation power of the State, having low rates of taxation, maintaining a gradual increase in taxation and most importantly devising a tax structure that ensured compliance. He strongly encouraged foreign trade, basing it on the premise that for a successful trade contract to be established, it had to be beneficial to all. He emphasised State control and investment in land, water and mining. Kautilya was a true statesman who bridged the gap between experience and vision. For Kautilya, good governance was paramount. He suggested built-in checks and balances in systems and procedures for the containment of malpractices. Many postulates of Kautilya's philosophy of political economy are applicable to contemporary times.

International Watercourses Law for the 21st Century - Surya P.Subedi 2016-12-05

This edited volume presents a comprehensive and comparative view of the law of international watercourses with special reference to the issues facing the Ganges River basin. It provides an analysis of the development of international waterways law and outlines the essentials of the UN Convention on non-navigational uses of international watercourses. Focusing on relations between the three riparian states of the River Ganges and the potential for cooperation, the volume also examines the domestic legal regimes of the area and the political dimension to the issues of sharing the waters of the river. The work presents a comparative picture with an analysis of developments in the Rhine and Mekong basins, comparing developments in the legal regimes of these areas with the experience of South Asia. Presenting an up-to-date analysis of the current law and pointing the direction for future developments, this collection will be a valuable resource for academics, researchers and policy makers working in this area.

A Comprehensive History of Assam - S. L. Baruah 1995-01-01

Illustrations: Few Maps Description: This work is the first analytical and comprehensive account of the civilization of Assam from earliest to the present times. Its object is to acquaint the readers with the forces and factors moulding the society and culture of Assam through the ages. It analyses the salient features of Assamese civilization giving proper weightage to the contributions made by different tribes or ethnic groups of both the hills and the plains as well as by the followers of different faiths towards its growth and development. The work is divided into four parts. Part I gives a brief idea of the present state of Assam. It also discusses the source materials as well as the pre-history and the proto-history of the land. Part II deals with the ancient period beginning with the legendary kings till the dismemberment of the ancient kingdom of Pragjyotisha or Kamarupa in the close of the twelfth century AD. Part III treats the history of the medieval period from the rise of different tribal states on the ruins of the ancient kingdom till the fall of the Ahom monarchy in 1826. Part IV deals with the modern period covering the history of the British rule upto the attainment of the country's independence in 1947. It also contains a chapter dealing briefly with the events after independence. The authoress has made full use of all available sources, published and unpublished, preserved in different libraries within and outside the state. Attempt has been made to make the information up-to-date with proper notes and references and the treatment clear and precise. The work also contains a bibliography, glossary and index.

Pax Indica - Shashi Tharoor 2013-06-15

In this lively, informative and insightful book, Shashi Tharoor brilliantly demonstrates how Indian diplomacy has come of age and forecasts where it will need to focus in the new millennium. He surveys India's major international relationships in detail, evokes the country's soft power and offers his thoughts on a new 'grand strategy' for the nation, arguing that India must move beyond non-alignment to multi-alignment. Stimulating, reflective, elegantly written and passionately engaged, Pax Indica is another substantial achievement from one of the finest Indian authors of our times.
