Great Novels of E. M. Forster - E. M. Forster
2014-06-17

A renaissance of E. M. Forster is certainly under way. The success of the many films based upon his novels demonstrates Forster's appeal to the

modern audience and his aptitude for entertaining a mass quantity of readers over several decades. Four of his best novels are brought together here in one volume: Where Angels Fear to Tread The Longest Journey A Room with a View Howards End "E. M. Forster's characters are the most lifelike we have had

since Jane Austen laid down the pen.”—Virginia Woolf “[Forster] does not hesitate to kill off a character right after introducing him with a careful description which leads us to anticipate a larger role.”—Louis Auchincloss “The shapeliness of his prose and his plotting still satisfies. The width remains piercing and seamlessly painless.”—the New York Times “There is no questioning or resisting the charm of Mr. Forster. *The Longest Journey* steadily attains beauty.”—Saturday Review Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books

on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Longest Journey - Edward Morgan Forster
1907

The Longest Journey (1907) follows the young Rickie Elliot's journey to maturity. Orphaned and lame as a child, Rickie was teased at boarding school and finds Cambridge to be a kind of paradise. He is not an intellectual, but is deeply affected by art and poetry, and is accepted within a philosophical circle of students. His new sense of belonging is challenged when he is visited by old friends from home.

E. M. Forster - Wendy Moffat 2010-06-07

Based on exclusive access to E. M. Forster's previously restricted diaries this scrupulously researched and sensitively written biography is the first to put the fact that he was homosexual back at the heart of his story.

The Humanistic Heritage - Daniel R. Schwarz
1986

Daniel R. Schwarz defines the theory and method of Anglo-American novel criticism in terms of principles he calls humanistic formalism. Because Anglo-American criticism has tended to sacrifice theory for method and philosophic inquiry for close analyses of the text, the theoretical assumptions of novel criticism have been neglected. Yet, based on a coherent but heterogeneous aesthetic, it has produced a body of impressive analyses of the English novel. The author shows that, beginning with James and Lubbock, critics as diverse as Forster, Leavis, Watt, Van Ghent, Kettle, and Kermode share common assumptions. Schwarz defines the common humanistic assumption of this criticism, and one might define his perspective as that of a progressive traditionalist. While the book is a spirited defense of Anglo-American criticism, Schwarz seeks to contribute to a dialogue between Anglo-American humanistic criticism and the ideas proposed by structuralism, Marxism, and deconstruction.

How Fiction Works - James Wood 2008-07-22
A book-length essay by the forefront literary critic takes readers on a philosophical tour of the art of the novel, in a wide-ranging piece that explores such topics as the definition of style, the connection between realism and real life, and the qualities that make a story. By the author of *The Irresponsible Self*.

Lord of the Flies - William Golding 2003-12-16
Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Is Life Like This? - John Dufresne 2011-02-08
The author presents a six-month program, arranged by week, to complete a first draft of a novel.

E. M. Forster - Mary Lago 1995-02-12

Forster's literary career is assessed in relation to works that mark its phases: his suburban novels, the Indian novel, the BBC talks, and first and last, his short fiction. This study traces evidences of his keen awareness of political and social undercurrents as discovered in the works: the importance of personal relations, culture as a precious heritage, and the creative artist as definer of cultural values and encourager of those who should preserve them.

Twenty-first-century Readings of E.M. Forster's Maurice - Emma Sutton 2020

This is the first book focused on Forster's *Maurice* and its legacies in modern and contemporary fiction, film and new media. Ground-breaking essays by leading scholars offer new readings by exploring overlooked contexts including: feminism and the 'social purity' movement; anti-Fascism; religion and allegory; and early twentieth-century contestations over body-soul relation.

The Cambridge Companion to E. M. Forster - David Bradshaw 2007-04-12

A collection of essays on the life and work of E. M. Forster.

Where Angels Fear to Tread Illustrated - E M Forster 2020-11-21

"Where Angels Fear to Tread (1905) is a novel by E. M. Forster. The title comes from a line in Alexander Pope's *An Essay on Criticism*: "'For fools rush in where angels fear to tread'". In 1991 it was made into a film by Charles Sturridge, starring Rupert Graves, Giovanni Guidelli, Helen Mirren, Helena Bonham Carter, and Judy Davis.[1] A ten-part radio adaptation of the novel was broadcast on BBC Radio 4.[2] An opera based on the novel by Mark Weiser was premiered at the Peabody Institute of Music in 1999, and received its professional premiere at Opera San Jose in 2015"

A Passage to India - E. M. Forster 2020-05-04
The story revolves around four characters: Dr. Aziz, his British friend Mr. Cyril Fielding, Mrs.

Moore, and Miss Adela Quested. During a trip to the fictitious Marabar Caves (modeled on the Barabar Caves of Bihar), Adela thinks she finds herself alone with Dr. Aziz in one of the caves (when in fact he is in an entirely different cave), and subsequently panics and flees; it is assumed that Dr. Aziz has attempted to assault her. Aziz's trial, and its run-up and aftermath, bring to a boil the common racial tensions and prejudices between Indians and the British who rule India. *Howards End (with Audio & Text)* - E. M. Forster 2021-08-31

Howards End is a novel by E. M. Forster, first published in 1910, about social conventions, codes of conduct and relationships in turn-of-the-century England. *Howards End* is considered by many to be Forster's masterpiece. *Howards End* tackles social conventions of the Edwardian era. The story focuses on three families in England at the beginning of the 20th century: the Wilcoxes, rich capitalists with a fortune made in the colonies; the half-German Schlegel siblings

(Margaret, Helen, and Tibby), whose cultural pursuits have much in common with the Bloomsbury Group; and the Basts, an impoverished young couple from a lower-class background. The idealistic, intelligent Schlegel sisters seek to help the struggling Basts and to rid the Wilcoxes of some of their deep-seated social and economic prejudices.

The Art of Fiction - John Gardner 2010-08-18

This classic guide, from the renowned novelist and professor, has helped transform generations of aspiring writers into masterful writers—and will continue to do so for many years to come.

John Gardner was almost as famous as a teacher of creative writing as he was for his own works.

In this practical, instructive handbook, based on the courses and seminars that he gave, he explains, simply and cogently, the principles and techniques of good writing. Gardner's lessons, exemplified with detailed excerpts from classic works of literature, sweep across a complete range of topics—from the nature of aesthetics to the shape of a refined sentence. Written with passion, precision, and a deep respect for the art of writing, Gardner's book serves by turns as a

critic, mentor, and friend. Anyone who has ever thought of taking the step from reader to writer should begin here.

A Christmas Carol - Charles Dickens 2012

Aspects of the Novel - E. M. Forster
2010-07-01

The renowned British novelist's "casual and wittily acute guidance" on reading—and writing—great fiction (Harper's). Renowned for such classics as *A Room with a View*, *Howards End*, and *A Passage to India*, E. M. Forster was one of Britain's—and the world's—most distinguished fiction writers, a frequent nominee for the Nobel Prize in Literature. In this collection of lectures delivered at Trinity College, Cambridge, in 1927, he takes a wide-

ranging look at English-language novels—with specific examples from such masters as Dickens and Austen—discussing the elements they all have in common. Using a witty, informal tone and drawing as well on his extensive readings in French and Russian literature, Forster discusses his ideas in reference to such figures as Tolstoy, Dostoevsky, and Proust; explains the difference between “flat” and “round” characters and between plot and story; and ultimately provides an “admirable and delightful” education for anyone who appreciates the art of a good book (The New York Times).

Aspects of Bloomsbury - S. Rosenbaum
1998-06-10

Much of the widespread interest in the Bloomsbury Group over the past quarter-century has been biographical, yet without the Group's works there would be little interest in their lives. The studies in literary and intellectual history and collected in this volume are chiefly concerned with these works. Subjects covered in

the eight essays include an analysis of the philosophical assumption of Virginia Woolf's fiction, an assessment of J M Keynes's account of D H Lawrence's reactions to Cambridge, discussions of the literary backgrounds of E M Forster's *Aspects of the Novel* and Virginia Woolf's *A Room of One's Own* , a consideration of the Woolfs' work as printers and publishers, and a history of Ludwig Wittgenstein's relations with the Bloomsbury Group.

Neem Dreams - Inez Baranay 2014-10-25
Set in southern India in the mid 1990s. Four strangers are on quests related to India's neem tree. Meenakshi runs a village-based women's project. Pandora is an eco scientist looking for a story. Jade wants natural products for a New York store. Andy hopes to find a cure for HiV/AIDS. The neem has been used since ancient times for household, medicinal and agricultural purposes and now is the centre of the clash between tradition and modernisation. When first published in India in 2003 Neem

Dreams was widely acclaimed for the accuracy of observation and the pitch perfect depiction of the various characters.

The Longest Journey Illustrated - E M Forster
2021-05

The Longest Journey is a bildungsroman by E. M. Forster, first published in 1907. It is the second of Forster's six published novels, following *Where Angels Fear to Tread* (1905) and preceding *A Room With A View* (1908) and *Howards End* (1910). It has a reputation for being the least known of Forster's novels, but was also the author's personal favourite and one of his most autobiographical. It is the only one of Forster's novels not to have received a film or television adaptation.

Penguin Classics Aspects of the Novel - E M Forster 2005-08-30

E.M. Forster's *Aspects of the Novel* is an innovative and effusive treatise on a literary form that, at the time of publication, had only recently begun to enjoy serious academic

consideration. This Penguin Classics edition is edited with an introduction by Oliver Stallybrass, and features a new preface by Frank Kermode. First given as a series of lectures at Cambridge University, *Aspects of the Novel* is Forster's analysis of this great literary form. Here he rejects the 'pseudoscholarship' of historical criticism - 'that great demon of chronology' - that considers writers in terms of the period in which they wrote and instead asks us to imagine the great novelists working together in a single room. He discusses aspects of people, plot, fantasy and rhythm, making illuminating comparisons between novelists such as Proust and James, Dickens and Thackeray, Eliot and Dostoyevsky - the features shared by their books and the ways in which they differ. Written in a wonderfully engaging and conversational manner, this penetrating work of criticism is full of Forster's habitual irreverence, wit and wisdom. In his new introduction, Frank Kermode discusses the ways in which Forster's

perspective as a novelist inspired his lectures. This edition also includes the original introduction by Oliver Stallybrass, a chronology, further reading and appendices. E. M. Forster (1879-1970) was a noted English author and critic and a member of the Bloomsbury group. His first novel, *Where Angels Fear To Tread* appeared in 1905. *The Longest Journey* appeared in 1907, followed by *A Room With A View* (1908), based partly on the material from extended holidays in Italy with his mother. *Howards End* (1910) was a story that centered on an English country house and dealt with the clash between two families, one interested in art and literature, the other only in business. *Maurice* was revised several times during his life, and finally published posthumously in 1971. If you enjoyed *Aspects of the Novel*, you might like Forster's *A Room with a View*, also available in Penguin Classics. *Howards End* - Alistair M. Duckworth 1992
In *Howards End*, E. M. Forster describes

Edwardian England not as a golden afternoon of Empire, but as a time of conflict between nations, parties, classes, and the sexes. Forster's England is one in which a peaceful rural past encounters a frenzied urban present, the countryside is threatened by urban encroachment and pollution, intellectuals quarrel with businessmen, art vies with sport as a recreational activity, cultural tastes collide with popular tastes, entrenched male power ignores or suppresses emerging female aspirations, and laissez-faire economic attitudes are harmful to the poor and underprivileged. Such conflicts, as Alistair Duckworth demonstrates, pervade the novel's episodes, settings, conversations, and commentaries. On the publication of *Howards End* in 1910 Forster was recognized as a major Edwardian novelist. Forster's subtle characterizations, narrative ironies, perfectly pitched dialogues, and evocative treatment of place established him in the great tradition of the English novel of

manners. Living in a fragmented society, Forster brought new depth to that tradition; he engaged the divisive issues of his time by presenting them as human encounters in domestic contexts. His perspective was that of a liberal humanist--in *Howards End* he obviously favors the progressive attitudes of the Schlegel women to the Social Darwinist behavior of the Wilcox men. As a realist, however, he reveals not only the relative powerlessness of benevolent intellectuals to bring about social improvement, but also their financial complicity in the system they oppose. In its critique of "commerce" and "culture" in a swiftly changing world, and in its searching exploration of sexual roles, *Howards End* has remarkable relevance to the present. Rather than arguing that Forster brings the novel's oppositions together to form an aesthetic whole and provide a satisfying political solution to the problems of his time, Duckworth values *Howards End* for its formal diversity, multiple discourses, intertextual echoes and allusions,

and range of topics and themes. He combines a close reading of Forster's text with relevant biographical considerations and comparisons of Forster's techniques with those of significant predecessors such as Jane Austen and contemporaries such as Joseph Conrad and D. H. Lawrence. He also devotes a chapter to the critical reception of *Howards End* from 1910 to the present. In showing how *Howards End* is open-ended and dialogical in nature, Duckworth explains the novel's continuing interest for different sorts and generations of readers and makes a valuable and distinctive contribution to Forster studies.

Pleasing Myself - Frank Kermode 2013-08-20
Sir Frank Kermode is acknowledged as one of the greatest critics of our time, renowned for the wit humanity and good sense of his writing. *Pleasing Myself* brings together the very best of his shorter pieces, on topics ranging from Donne and Yeats to modern art and money.

Alec - William di Canzio 2021-07-06

William di Canzio's *Alec*, inspired by Maurice, E. M. Forster's secret novel of a happy same-sex love affair, tells the story of Alec Scudder, the gamekeeper Maurice Hall falls in love with in Forster's classic, published only after the author's death. Di Canzio follows their story past the end of Maurice to the front lines of battle in World War I and beyond. Forster, who tried to write an epilogue about the future of his characters, was stymied by the radical change that the Great War brought to their world. With the hindsight of a century, di Canzio imagines a future for them and a past for Alec—a young villager possessed of remarkable passion and self-knowledge. Alec continues Forster's project of telling stories that are part of "a great unrecorded history." Di Canzio's debut novel is a love story of epic proportions, at once classic and boldly new.

E. M. Forster as Critic - Rukun Advani
2016-08-19

This title, first published in 1984, is a study of E. M. Forster as a liberal-humanist thinker and socio-literary critic. Advani discusses Forster's ideas on man, society, politics, religion, art, aesthetics, fiction and literary criticism. The author examines why Forster was impelled from fiction towards socio-literary criticism and propaganda for art within the political and cultural context of post-Great War Britain. The book argues for Forster's continuing importance as much more than a skilful novelist. It will be of

interest to students of English cultural history, literary theory and criticism, and the work of E. M. Forster.

A Great Unrecorded History - Wendy Moffat
2010-05-11

A REVELATORY LOOK AT THE INTIMATE LIFE OF THE GREAT AUTHOR—AND HOW IT SHAPED HIS MOST BE LOVED WORKS With the posthumous publication of his long-suppressed novel Maurice in 1970, E. M. Forster came out as a homosexual— though that revelation made barely a ripple in his literary reputation. As Wendy Moffat persuasively argues in *A Great Unrecorded History*, Forster's homosexuality was the central fact of his life. Between Wilde's imprisonment and the Stonewall riots, Forster led a long, strange, and imaginative life as a gay man. He preserved a vast archive of his private life—a history of gay experience he believed would find its audience in a happier time. *A Great Unrecorded History* is a biography of the heart. Moffat's decade of

detective work—including first-time interviews with Forster's friends—has resulted in the first book to integrate Forster's public and private lives. Seeing his life through the lens of his sexuality offers us a radically new view—revealing his astuteness as a social critic, his political bravery, and his prophetic vision of gay intimacy. *A Great Unrecorded History* invites us to see Forster— and modern gay history—from a completely new angle.

A ROOM WITH A VIEW & HOWARDS END -
E. M. Forster 2018-11-02

A Room with a View - When Lucy Honeychurch embarks on a journey of a lifetime to Italy, little does she know that she would fall for the reckless man George, with whom she and co-traveller had exchanged the room with in Florence. In spite of her self-denial about her growing attraction to George Lucy knows in her

heart that she cannot marry another man, let alone Cecil Vyse, who is not only downright obnoxious but also overbearing. This book is a classic romance which has also been adapted into a highly successful movie featuring Helena Bonham Carter, Julian Sands, Maggie Smith and Daniel Day-Lewis. *Howards End* - The story revolves around three families in England at the beginning of the 20th century: the Wilcoxes, rich capitalists with a fortune made in the colonies; the half-German Schlegel siblings (Margaret, Helen, and Tibby), whose cultural pursuits have much in common with the Bloomsbury Group; and the Basts, an impoverished young couple from a lower-class background. As fate would have it, their lives are going to be intertwined in such a manner that the secret passions and flying tempers would bring each of the family to the verge of ruin. Can they survive this vortex or will they be ruined forever?

[The Penguin Dictionary of Literary Terms and Literary Theory](#) - J. A. Cuddon 2015-09-01

'An indispensable work of reference' *Times Literary Supplement* *The Penguin Dictionary of Literary Terms and Literary Theory* is firmly established as a key work of reference in the complex and varied field of literary criticism. Now in its fifth edition, it remains the most comprehensive and accessible work of its kind, and is invaluable for students, teachers and general readers alike. - Gives definitions of technical terms (hamartia, iamb, zeugma) and critical jargon (aporia, binary opposition, intertextuality) - Explores literary movements (neoclassicism, romanticism, vorticism) and schools of literary theory - Covers genres (elegy, fabliau, pastoral) and literary forms (haiku, ottava rima, sonnet)

A Room with a View - E. M. Forster 2000-08-01
E.M. Forster's beloved novel of forbidden love, culture clash, and the confines of Edwardian society Visiting Florence with her prim and proper cousin Charlotte as a chaperone, Lucy Honeychurch meets the unconventional, lower-

class Mr. Emerson and his son, George. Upon her return to England, Lucy becomes engaged to the supercilious Cecil Vyse, but she finds herself increasingly torn between the expectations of the world in which she moves and the passionate yearnings of her heart. More than a love story, *A Room with a View* (1908) is a penetrating social comedy and a brilliant study of contrasts - in values, social class, and cultural perspectives - and the ingenuity of fate. In her illuminating introduction, Forster biographer Wendy Moffat delves into the little-known details of his life before and during the writing of *A Room with a View*, and explores the way the enigmatic author's queer eye found comedy in the clash between English manners and the unsettling modern world, encouraging his reader to recognize and overcome their prejudice through humor. This edition also contains new suggestions for further reading by Moffat and explanatory notes by Malcolm Bradbury. For more than seventy years, Penguin has been the

leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Hill of Devi - E. M. Forster 2015-09-02
An essential companion to *A Passage to India*, a collection of the author's own letters that read like "a close personal friend has shared his impressions" (Kirkus Reviews). In 1912, a young E. M. Forster traveled to India to serve as a secretary to the Maharajah of Dewas, a small Indian state. He was elevated to the rank of a minor noble, and eventually given the state's highest honor, the Tukoji Rao III gold medal. This brief episode in Forster's life became the basis for his masterpiece, *A Passage to India*. In

the letters included in *The Hill of Devi*, he shares his personal journey of discovering his beloved India for the first time. Forster paints a vivid, intimate picture of Dewas State—a strange, bewildering, and enchanting slice of pre-independence India. In this collection, Forster shares insight into the lives of Indian royalty and accounts of the stark contrast between their excesses and the poverty he encounters. From letters that set the scene for Forster’s lifelong friendship with the Maharaja, to an essay on the Maharaja himself and Forster’s experiences as the Maharaja’s personal secretary, *The Hill of Devi* is a fascinating chronicle of the author’s experience in the land he called “the oddest corner of the world outside Alice in Wonderland.”

The World of E. M. Forster - E. M. Forster and the World - Krzysztof Fordoński 2021-06-11
Half a century after his demise, and over a century after the publication of his first novel *Where Angels Fear to Tread* in 1905, E. M.

Forster still remains within the scope of interest of readers and critics. His life and his works continue to stir emotions and raise questions concerning humanity, nationality, and world culture(s). However, the opinions vary as to the continuation of the interest in the writer and his works. Some see him and his novels as old-fashioned, while others, like Zadie Smith, find Forster inspiring and the ‘muddled’ protagonists of his books fascinating. Is the interest in this writer to continue, or is it doomed to gradual oblivion? What is there in his life and his stories that can make new generations want to reach out for his works and writings? To understand the place of the writer in the present world, one must look back to the beginnings of Forster’s career, as well as to the times in which he lived, commented on, and created in. This book discusses the presence and legacy of Forster in English literature and social history. Its double title reflects the duality of its content, with the book exploring Forster’s own works as well as

the position of Forster and his oeuvre and the values he stood for within British and world culture(s). The book offers, therefore, a variety of new interpretations of a selection of well-known and culturally established works of the writer viewed against the findings of contemporary perspectives. It demonstrates how Forster's novel, short stories, and non-fictional writings interfuse, affect, and re-shape the literary pieces of other writers.

Selected Stories - E. M. Forster 2001-03-01

Although he is best known for his novels-several of which have been made into popular movies-E.M. Forster also published stories. This volume, which collects those stories published during Forster's lifetime, provides an opportunity for readers to discover these less familiar works. Rich in irony and alive with sharp observations on the surprises life holds, the stories often feature violent events, discomfiting coincidences, and other disruptive happenings that throw the characters' perceptions and

beliefs off balance. In their keen Introduction, David Leavitt and Mark Mitchell discuss Forster's place in both the short-story tradition and in the tradition of gay literature. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. A Room with a View Illustrated - E M Forster
2021-02-17

"A Room with a View is a 1908 novel by English writer E. M. Forster, about a young woman in the restrained culture of Edwardian era England. Set in Italy and England, the story is both a romance and a humorous critique of English society at the beginning of the 20th century. Merchant Ivory produced an award-winning film adaptation in 1985. The Modern Library ranked A Room with a View 79th on its list of the 100 best English-language novels of the 20th century (1998)."
