[That Summer](#) - Jennifer Weiner 2021-05-11

INSTANT NEW YORK TIMES BESTSELLER "Weiner, the undisputed boss of the beach read, is back with another stunner." —The New York Times "That Summer Is Your *IDEAL* Beach Read." —Cosmopolitan Named a Most Anticipated Book of Spring 2021 by Marie Claire, Bustle, Good Morning America, CNN,

PopSugar, Good Housekeeping, Frolic, Country Living, and Working Mother Named a Notable Work of Fiction by The Washington Post From the #1 New York Times bestselling author of Big Summer comes another deliciously twisty novel of intrigue, secrets, and the transformative power of female friendship. Daisy Shoemaker can't sleep. With a thriving cooking business, full schedule of volunteer work, and a beautiful home in the Philadelphia suburbs, she should be content. But her teenage daughter can be a handful, her husband can be distant, her work can feel trivial, and she has lots of acquaintances, but no real friends. Still, Daisy knows she's got it good. So why is she up all night? While Daisy tries to identify the root of her dissatisfaction, she's also receiving misdirected emails meant for a woman named Diana Starling, whose email address is just one punctuation mark away from her own. While Daisy's driving carpools, Diana is chairing meetings. While Daisy's making dinner, Diana's making plans to reorganize corporations. Diana's glamorous, sophisticated, single-lady life is miles away from Daisy's simpler existence. When an apology leads to an invitation, the two women meet and become friends. But, as they get closer, we learn that their connection was not completely accidental. Who IS this other woman, and what does she want with Daisy? From the manicured Main Line of Philadelphia to the wild landscape of the Outer Cape, written with Jennifer Weiner's signature wit and sharp observations, That Summer is a story about surviving our pasts, confronting our futures, and the sustaining bonds of friendship.

Between the Cheeks - Rachel Kramer Bussel 2013-03-05

In popular culture, anal sex is often thought of as strictly a female receptive act—receptive to a penis, that is. Truth is, there's a wide range of anal pleasure to be had for people of all genders. In Between the Cheeks, that range is explored, savored, enjoyed. Each element of preparation, from fantasy and anticipation to tension, humiliation, curiosity and sheer delight, is drawn out, while all kinds of touch get their due. I hope these stories excite, arouse and encourage you to explore anal eroticism—talking and fantasizing about it, as well as engaging in it, with whatever body parts and sex toys (and plenty of lube!) you desire.

Butt Boys - Barry Lowe 2014

Sex, drugs, and insatiable bottoms. Who doesn't love a good bottom boy? The men in these stories are

better than good...they're totally insatiable, they simply can't get enough of what keeps them happy. Whether it's the guy who misses his stop on the last train of the night and ends up with three hunky workman repairing the tracks, a bottom who falls, literally, at the feet of three hot workers putting in a speed hump outside his door, a sex shop worker who goes to the aid of his favorite porn star bottom, a straight boy who bets his ass on a sure thing in a card game, a top man who finds his real calling at a private sex club, or the lead singer in a Korean boy band, these boys give new meaning to Entry at the Rear. Excerpt: I'm such a fuckwit. How else would you explain my predicament? The facts speak for themselves; it's two o'clock in the morning, it's the middle of winter, and I'm pissed off my brain - at least I think I'm pissed because it could be drugs - wearing nothing but a T-shirt, and jeans, with bare feet. I lost my sneakers somewhere during the night. Where am I? Your guess is as good as mine. Godknowswhereville, attempting to hitch a ride outa here. The whole thing is my own fault. There, I freely admit it. Are you laughing yet? Why are gay men so fuckin' boring? They'd rather sit around discussing the latest Lady Gaga clip or gay rights for Antarctic penguins than get down to the nitty gritty. Where are the real men? Gay guys who like it rough and ready at the click of their fingers, who want nothing better than to ram a moderately hot just-past-twink-years bottom like me? I spent the night bored off my brain at a gay pub where a group of gay swingers thought they were on to a good thing by inviting me on a date. Better that they had just thrown me on the ground and had their way with me. A fuckin' date! Do I look like someone who wants to go on a date? Fuck me. My filthy mouth always gets me into trouble. I'm too direct. There, I managed to restrain myself. I was gonna put the F word before at least three or four more of those words in those couple of sentences but I've learned too much of a foul mouth and you sound like one of those wussy porn movies where the actors sprout bad dialogue while looking as bored as I'd felt all fuckin' night. After the pub almost sent me catatonic I headed to a disco where the music almost burst my ear drums and the only action in the Men's was of the snorting or injecting kind and I don't mean injecting in my ass. Somewhere between when I'd paid to go into the disco and leaving the leather den, I lost my wallet - or else it'd been lifted by some skanky fag - and I no longer had taxi fare home. Proof enough that I must have been in a bad way, it took me some time to realize I'd left my shoes inside the leather den but when I went back the door was closed and no amount of banging got me an answer. Plus for the first fuckin' time in living memory the weather bureau got it right and the cold front had moved in: a bitterly cold wind that froze my balls off. Only thing in its favor was it made my nipples hard as icicles. Problem was, no one was sucking. My lack of mates, the sort who'd allow me to sleep on their living room floor let alone share their bed, sank any chance of a warm place to kip. I guess I must have looked the worse for wear because guys were giving me a wide berth as I walked up the street. In frustration, I shouted at one pissy bunch who giggled like high school girls at the fact I had no shoes. "Have I got two fuckin' heads or something?" No cash for a cab meant sleeping in a park or a shop doorway for the night. I glanced up at the clock on top of the gay pub on the corner. Shit! If I hurried, I might just make the subway. Last train was due to leave in about fifteen minutes. I'd have to jump the turnstiles but that wouldn't be the first time.

Civilization and Its Discontents - Sigmund Freud 2018-12-29

Civilization and Its Discontents is considered Freud's most brilliant work. In it he states his views on the broad question of man's place in the world. It has been praised, dissected, lambasted, interpreted, and reinterpreted. Originally published in 1930, it seeks to answer several questions fundamental to human society and its organization—What influences led to the creation of civilization? Why and how did it come to be? What determines civilization's trajectory? This process, argues Freud, is an inherent quality of civilization that instills perpetual feelings of discontent in its citizens. Freud's theme is that what works for civilization doesn't necessarily work for man. Man, by nature aggressive and egotistical, seeks self-satisfaction.

Out of Darkness - Ashley Hope Pérez 2015-09-01

A 2016 Michael L. Printz Honoree "This is East Texas, and there's lines. Lines you cross, lines you don't cross. That clear?" New London, Texas. 1937. Naomi Vargas and Wash Fuller know about the lines in East Texas as well as anyone. They know the signs that mark them. They know the people who enforce them. But sometimes the attraction between two people is so powerful it breaks through even the most entrenched color lines. And the consequences can be explosive. Ashley Hope Pérez takes the facts of the 1937 New London school explosion—the worst school disaster in American history—as a backdrop for a riveting novel about segregation, love, family, and the forces that destroy people.

This is War, Baby - K Webster 2016-02-29

My life had a plan. Until he invaded it and stole it all away. My captor took me and I became a pawn. His strategy changed and he sent me away to WAR, because money is everything in this world. In my WAR, though, I found peace. I couldn't help but find love where I least expected it, with a man who lived a battle every day of his life ...all inside his head. But then my captor came back for me. Yet, this time, battle lines

had been drawn and I was protected. So we thought. Even though my WAR was raging, my captor would fight to the death. The good guys always win, right? Not always. All's fair in love and WAR, right? Not this time. Warning: This is War, Baby is a dark romance. A really dark one. So dark you're going to wish you had a flashlight to see yourself to the end and someone to hold your hand. Human trafficking, dubious consent, and strong sexual themes that could trigger emotional distress are found in this story. This story is NOT for everyone.

[Punk 57](#) - Penelope Douglas 2016-10-18

From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something.
