**Christian Justice** - Norman L. Robinson 1922

*The Christian Writer's Market Guide 2013* - Jerry B. Jenkins 2013  
Presents information about publishers, periodicals, agencies, contests, and print-on-demand options, in a book that explains how to publish in the Christian literature marketplace.

**Family Values and the Rise of the Christian Right** - Seth Dowland 2015-12-17

Family Values and the Rise of the Christian Right chronicles how the family values agenda became so powerful in American political life and why it appealed to conservative evangelical Christians.

*La Teología Mujerista: A Christian Minister Examines the Mujerista Theology of Ada María Isasi-Díaz* - Gary Edwin Loy 2009-01-08

Mujerista theology has been in existence for at least twodecades. It has come about because there is a perceivedneed for a theology that addressed the needs of LatinAmerican women. Yet mujerista theology, as with anyother theology, has problems. This book examines thoseproblems from a conservative Christian perspective andoffers the reader some things to ponder when thinkingabout mujerista theology and its consequences. This bookassists readers in gaining a more open yet cautiousunderstanding of mujerista theology, its place at the tableof contemporary and feminist theology, and its challengesand consequences for the Church of Jesus Christ andChristian theology in the 21st century.

**The Christian Gospel** - Leroy Vassell 2011-09-28

**The Christian Household, Etc** - George Sumner WEAVER 1854

**The Christian Household** - George Sumner Weaver 1854

**Short comments on every chapter of the holy Bible** - Religious Tract Society 1838

*A History of the Christian Church: From the Earliest Times to A.D. 461* - F. J. Foakes-Jackson 2005-12-01

In spite of long truces and temporary agreements, Christianity and the State had become two rival powers striving for the mastery of the world, and until the close of the final contest under Diocletian there could be no real peace between them. The Church was herself fully prepared for the struggle. During the first century of her existence she had perfected her organization, and her leaders, the bishops, had obtained unquestioned authority. -from "The Conquest of Heathenism by Christianity: A.D. 161-A.D. 313" With equal measures of reverence and erudition, this classic 1891 history of Christianity offers a succinct survey of the Church, from its pre-Christian foundations in Israel through its ascendancy to an absolute force for cultural and religious power during the Dark Ages. In crisp, readable prose, Foakes-Jackson, a respected and prolific Biblical scholar, discusses: -how Jewish synagogues forged the path to churches - the rise of the family of Herod -the societal impact of Jesus during his lifetime -the work of the apostles in the decades after the Crucifixion - clashes between the Roman government and the Church -the origins and principles of Gnosticism -Christian thought in the early centuries of the Church -the organization of the Church -the influence of Constantine - and much more. Also available from Cosimo Classics: Foakes-Jackson's A Brief Biblical History: Old Testament. British theologian FREDERICK JOHN FOAKES-JACKSON (1855-1941) was a fellow of Jesus College, Cambridge, and a professor of Christian institutions at New York City's Union Theological Seminary. Among his many works are An Introduction to the History of Christianity, A.D. 590-1314 (1921), Josephus and the Jews: The Religion and History of the Jews as Explained by Flavius Josephus (1930), and Peter: Prince of Apostles: A Study in the History and Tradition of Christianity (1927).

**Reminiscences of Early Methodism in Indiana** - John C. Smith 1879

*The First Book of Moses, Called Genesis* - 1999

Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible.

**ESV Fire Bible** - Hendrickson Publishers 2014-06

Believers the world over are "on fire" to deepen their relationship with Jesus Christ; they want to tap into the Holy Spirit as the source of divine power for advancing the work of the church and fulfilling their personal lives. The Fire Bible is just what you need to be guided toward the Christ-centered, Spirit-led life for which your soul thirsts. Its notes and commentary are authoritative and trustworthy, yet written in language that any reader can easily understand. Originally conceived as a tool to help Pentecostal pastors and lay leaders preach, teach, and reach others with the gospel, this study Bible is now available in the English Standard Version. It includes extensive notes, background articles on key issues, and authoritative commentary, along with dozens of other unique features. Learn how the spiritual empowerment that was bestowed upon the faithful at Pentecost is available today, as God's gift to modern followers of Jesus. This unparalleled Scripture study resource will greatly benefit anyone interested in living the Christian life to the fullest.

Features: Themefinders track 12 major themes of the Pentecostal tradition 16 full-color maps More than 70 articles explaining historical and theological aspects of major topics Study notes for key verses Book introductions Subject index Center-column cross references Concordance In-text maps and charts One-year reading plan Presentation page Ribbon marker on flexisoft editions

**Women's Rights and the Bible** - Richard H. Hiers 2012-05-03

In this volume, Richard Hiers challenges the popular assumption that the Bible has a low view of women and that biblical law either ignores women or requires them to be subject and subservient to men. He does so by identifying and carefully examining hundreds of biblical texts and allowing them to speak for themselves. Among the findings: - that biblical tradition generally represents women positively, as strong and independent persons; - that no text represents wives as subject to their husbands and that no biblical law requires such subjection; - that biblical laws provide many protections for women's rights and interests--in several instances, rights equal to those enjoyed by men. The book focuses particularly on the Old Testament and Old Testament law, and argues that Old Testament laws and their underlying values provide important resources for Christian ethics and social policy today. *Book of Christian discipline of the Religious of friends, extr. from documents issued under the sanction of the yearly meeting held in London, from its first institution* - Society of friends London yearly meeting 1883

*Christian and Lyric Tradition in Victorian Women's Poetry* - F. Elizabeth Gray 2009-09-10

Women in the Victorian period were acknowledged to be the "religious sex," but their relationship to the doctrines, practices, and hierarchies of Christianity was both highly circumscribed, which has been well documented, and complexly creative, which has not. Gray visits the importance of the literature of Christian devotion to women's creative lives through an examination of the varied ways in which Victorian women reproduced and recreated traditional Christian texts in their own poetic texts. Investigating how women poets redeployed the discourse of Christianity to uncover the multiple voices of the scriptures, to expand identity and gender constructions, and to question traditional narratives and processes of authorization, Gray contends that women found in religious poetry unexpected, liberating possibilities. Taking into account multiple voices, from the best-known female poets of the day to some of the most obscure, this study provides a comprehensive account of Victorian women's religious poetic creativity, and argues that this body of work helped shape the development of the lyric in the Victorian

period.

Abortion Policy and Christian Social Ethics in the United States - Mako A. Nagasawa 2021-01-06

Today's Christian pro-life movement has misplaced its priorities. The issue of abortion is more complex than the movement often appreciates. For a start, Scripture is less clear about the moral weight of the fetus than we often think. In fact, early Christians took different positions on abortion because they also relied on different scientific sources about the unborn. Furthermore, Christian conservatives today do not acknowledge that in American history, as today, Christian stances on abortion were motivated by other political fears: White Protestant Americans developed different state laws on abortion to accomplish anti-immigrant goals in the North, but anti-black racism in the South. That messiness impacts U.S. constitutional law, including *Roe v. Wade*. Meanwhile, Scripture commissions God's people to confront socio-economic factors that push abortion rates higher: male privilege and the disempowerment of women; the high cost of child raising; the causes of birth defects; the desire to care narrowly for just "my children"; mistaken views about contraception and "the culture wars"; and most of all, poverty. This book incorporates biblical studies, church history, science, social science, history, and public policy to argue that we must not approach abortion policy primarily from a criminal justice standpoint, as modern conservatives do, but from a broad social and economic standpoint meant to benefit and bless all children.

*Christian Offices Crystall Glasse. In three bookes. First written in Latine, by ... Saint Ambrose ... Whereunto is added his conviction of Symmachus the Gentile ... Translated into English by R. Humfrey - 1637*

**How to Build a Christian Business** - Michael A.C. Maynard  
2012-10-23

In an age where information is a commodity and financial freedom a much sought after desire, this book provides both to a subset of society. Targeted at but not exclusively towards the Christian Community it fuses biblical scriptures and principles with the practical requirements needed to build a business. Giving the reader the essential tools to build a God pleasing and sustainable business in a tough economic climate. The desire for financial freedom is just one of many reasons why people start a business, but at the core of this desire is trust or lack of. We no longer trust the system, our employers or the government to provide for us, or our future, we want control back. In order to gain control we need knowledge, information and guidance. This book provides that much needed help, providing its reader with the correct information to start their journey to personal autonomy. Covering areas such as vision, planning, dominating the market, and using their Faith for progression. It fuses practical advice and tips with biblical revelations accompanied by God's scriptures.

**The Women of Turkey and Their Folk-lore: The Christian women. Introductory chapters on The ethnography of Turkey; and Folk-conceptions of nature, by J. S. Stuart-Glennie** - Lucy Mary Jane Garnett 1890

**God, Gender and the Bible** - Deborah Sawyer 2005-06-29

Deborah Sawyer discusses this crucial yet unresolved question in the context of contemporary and postmodern ideas about gender and power, based on fresh examination of a number of texts from Hebrew and Christian scripture. Such texts offer striking parallels to contemporary gender theories (particularly those of Luce Irigaray and Judith Butler), which have unravelled given notions of power and constructed identity. Through the study of gender in terms of its application by biblical writers as a theological strategy, we can observe how these writers use female characters to undermine human masculinity, through their 'higher' intention to elevate the biblical God. *God Gender and the Bible* demonstrates that both maleness and femaleness are constructed in the light of divine omnipotence. Unlike many approaches to the Bible that offer hegemonist interpretations, such as those that are explicitly Christian or Jewish, or liberationist or feminist, this enlightening and readable study sustains and works with the inconsistencies evident in biblical literature.

A Christian Directory, Or, A Body of Practical Divinity and Cases of Conscience: Christian politics, (or duties to our rulers and neighbours - Richard Baxter 1825

**The Christian Writer's Market Guide 2014** - Jerry B. Jenkins  
2014-01-31

For more than 25 years, The Christian Writer's Market Guide has been

the most comprehensive and highly recommended resource available for Christian writers, agents, editors, publishers, publicists, and writing teachers. In addition to providing a wealth of tips and ideas for publishing in the Christian industry, The Christian Writer's Market Guide also includes up-to-date information on hundreds of book publishers, periodicals, agents, conferences, contests, editorial services niche markets, self-publishing services, and more. This is the ultimate reference tool for the aspiring Christian writer.

**Women and Christian Origins** - Ross Shepard Kraemer 1999-02-11

This new collection of fourteen integrated, original essays by prominent scholars and experienced teachers provides a comprehensive and accessible entree to current research on women and the origins of Christianity. Engaging for both the interested reader and the specialist in religion, *Women and Christian Origins* is sensitive to feminist theory and attentive to distinctions between the (re)construction of women's history in early Christian churches and ancient constructions of gender difference

*Evangelical Christian Women* - Julie Ingersoll 2003-12

*Evangelical Christian Women* draws on two years of ethnographic research nationwide to shed new light on the gender conflict faced by women in evangelical Christianity. Julie Ingersoll goes beyond previous attempts to find avenues of empowerment for fundamentalist women to offer a more nuanced look at the challenges they face when they occupy positions of leadership which violate traditional gender norms. She looks where other studies do not—at women who, while remaining entrenched in and committed to evangelical Christianity, are also resisting accepted gender roles. *Evangelical Christian Women* offers a look at conservative women who challenge gender norms within their religious traditions, the fallout they experience as part of the ensuing conflict, and the significance of the conflict over gender for the development and character of culture. In the face of a growing number of scholarly studies of conservative religious women that argue that submission is somehow “really” empowerment, this book seeks to get at the other side of the story; to document and explore the experiences of the women caught in the middle of the conservative Christian culture war over gender.

On the Other Side of the Garden of Eden - Virginia Ruth Fugate  
2015-04-11

This book is a straight forward, non-apologetic presentation of biblical truths about God's design for womankind and the most important human relationship in most women's life-marriage. *On the Other Side of the Garden of Eden* provides an uncompromising look at how a wife should complement her unique man. Its message is based solely on what God's Word teaches about the subject. The previous two editions of this book have been used in thousands of women's Bible studies since 1992. Even though it was designed specifically for women, it has also been increasingly used in couples' classes to strengthen marriages. Husbands, who attend these classes, tend to become more understanding about the complexities of their wife's role and her need for their leadership. This new, third edition has now been expanded to integrate many illustrations given in Virginia's sequel, *Victorious Women*. Those examples testified about the miraculous results wives experienced in their marriages after applying biblical principles they learned in the previous editions. This edition of *On the Other Side of the Garden of Eden* only differs from the previous two by the addition of those examples. At times, it may appear that the information given in this book is one-sided because it does not deal with how a husband should act. Contrastingly, it reveals how a wife can live her life to the glory of God, even if her husband never functions as God's Word declares he should. This third edition of the first and second editions of *On the Other Side of the Garden* incorporates much of the information contained in Virginia's sequel, *Victorious Women*. Illustrations were provided in that book based on real-life examples of women who had applied God's principles taught in the previous editions. These illustrations will encourage even the most apprehensive woman that she too can benefit from obedience to God's Word; if not here on earth, in eternity. The manuscript is laid out in three sections. Section one states the principles of Christian womanhood solely from the Bible's perspective. It establishes the fact that God created the woman and designed her for His specific purposes. By carefully exploring the Scriptures as it relates to His plan, a woman will clearly discover what it reveals about her uniqueness, importance, responsibilities, and privileges. The second section alerts Christian women to the consistent and intentional attacks against biblical womanhood in America over the past fifty plus years. It then carefully documents the sources of this anti-biblical position. Finally, Section three describes applications for practical living. This section expounds on the biblical foundations

presented in section one and applies them to the woman's real life. The On the Other Side of the Garden has been affectionately called, "A Christian woman's basic boot camp," and "The best book I ever cried through." But, it has helped save many marriages and families." [A Sociological History of Christian Worship](#) - Martin D. Stringer 2005-07-14

A 2000 year history of Christian worship in its social contexts around the globe combining sociological theory, social history and the latest developments in the study of liturgy. The focus of this book sets it apart from existing studies which tend to offer textual or theological approaches to worship.

[Disruptive Christian Ethics](#) - Traci C. West 2006-01-16

This book brings to the fore the difficult realities of racism and the sexual violation of women. Traci West argues for a liberative method of Christian social ethics in which the discussion begins not with generic philosophical concepts but in the concrete realities of the lives of the socially and economically marginalized.

[The British Christian Women's Movement](#) - Jenny Dagggers 2018-05-08

This title was first published in 2002. This book presents a timely study of a neglected British Christian women's movement. Jenny Dagggers charts the inception of the movement in the exciting times of the post-sixties decades, amid new currents generated in the British denominational churches, and the wider current of Women's Liberation. Focusing on Christian women's concern with the position of women in the church, this book identifies a core Christian women's theology which affirms a (rehabilitated) 'new Eve in Christ', and so contrasts with a concurrent paradigm shift taking shape in North American feminist theology. Dagggers argues that this divergence is primarily due to the effect of the prolonged Church of England women's ordination debate upon the ethos of the British Christian women's movement.

[A Woman After God's Own Heart Large Print](#) - Elizabeth George 2019-12-03

Change Your Priorities to Change Your Life and Your Home Now in easy-to-read 18-point font! You will experience peace, order, and joy when you follow God's guidelines for every area of your life, and best of all, you will become a woman after His heart! [How to Find a Good, Christian Man](#) - Harold D. Edmunds 2016-06-24

How to Find a Good, Christian Man is a self-help book for women. Today many women are making poor choices when it comes to finding a man. Poor choices often lead to heartache and pain. The choice of a marriage mate is one of the most important choices that a woman can make. What steps can a woman take to choose a good man? Most women want a man who is faithful, loving, and kind. Where can women find such men? What can a woman do to attract a man? What techniques can a woman use to discern if a man is right for her? How can a woman tell a Christian man from a worldly man? What should a woman do to prepare herself for a relationship? How should a woman behave once she is in a relationship? What should a woman expect from a man? How should Christians behave while they are dating? Are you tired of dating the wrong men? Have you been hurt by men in the past? Are you willing to try something new in order to find a good man? Can you assert yourself in order to find a mature man? Would you like help in finding the right man for you? All these questions will be answered in How to Find a Good, Christian Man. You will find many helpful suggestions in the book. Harold D. Edmunds gives women a step-by-step guide to finding a good, Christian man. Christian men are different than other men because they live by the high standards set down in God's word the Bible. Edmunds has written a simple, straightforward guide to finding an excellent companion. The suggestions given are easy to follow and will lead to success. Do you want a good, Christian man?

[The History and Anatomy of Auctorial Self-criticism in the European Middle Ages](#) - Anita Obermeier 1999

This study outlines the history and anatomy of the European apology tradition from the sixth century BCE to 1500 for the first time. The study examines the vernacular and Latin tales, lyrics, epics, and prose compositions of Arabic, English, French, German, Greek, Icelandic, Italian, Spanish, and Welsh authors. Three different strands of the

apology tradition can be proposed. The first and most pervasive strand features apologies to pagan deities and-later-to God. The second most important strand contains literary apologies made to an earthly audience, usually of women. A third strand occurs more rarely and contains apologies for varying literary offenses that are directed to a more general audience. The medieval theory of language privileges an imitation of the Christian master narrative and a hierarchical medieval view of authorship. These notions express a medieval philosophical concern about language and its role, and therefore the role of the author, in cosmic history. Despite the fact that women apologize for different purposes and reasons, their examples illustrate, on yet another level, the antifeminist subtext inherent in the entire apology tradition. Overall, the apology tradition characterized by interauctoriality, intertextuality, and intratextuality, enables self-critical authors to refer not only backward but also-primarily-forward, making the medieval apology a progressive strategy that engenders new literature. This study would be relevant to all medievalists, especially those interested in literature and the history of ideas.

[Oaks in Office](#) - Ralph Drollinger 2018-03-28

Oaks in Office is a collection of 52 biblical essays on crucial policy issues as viewed through the lens of God's Word. Written specifically with the Christian public servant in mind, Ralph Drollinger has compiled these biblical essays for the purposes of: Maturing the inner person Providing a steady diet of sound biblical doctrine Using regular Bible study to develop critical discernment to guide and sustain through battles over controversial and trendy issues With the strength of the mighty oak tree, Drollinger's collection of essays in Oaks in Office will anchor Christian public servants in truth and righteousness, enabling them to stand resolute and unwavering through storms of political debate. With Scriptural Truth and God's precepts rooted in their hearts, they will be more fully able to create public policy and lead in the way that God has always intended for them.

[A Christian Exploration of Women's Bodies and Rebirth in Shin Buddhism](#) - Kristin Johnston Lagen 2020-10-05

Jōdo Shinshū Buddhism inherited many negative doctrines around women's bodies, which in some early Buddhist texts were presented as an obstacle to rebirth, and a hindrance to awakening in general. Beginning with an examination of these doctrines, the book explores Shin teachings and texts, as well as the Japanese context in which they developed, with a focus on women and rebirth in Amida's Pure Land. These doctrines are then compared to similar doctrines in Christianity and used to suggestion fruitful avenues of Christian theological reflection.

[THE CHRISTIAN'S PENNY MAGAZINE](#) - the christians 1836

[A Select Library of Nicene and Post-Nicene Fathers of the Christian Church](#) - 1894

[The Christian Work and the Evangelist](#) - 1906

[A Select Library of Nicene and Post-Nicene Fathers of the Christian Church: Sulpitius Severus. Vincent of Lerins. John Cassian, 1894](#) - Philip Schaff 1894

[Disciplines of a Godly Woman](#) - Barbara Hughes 2006

Hughes helps women to scrutinize their lives and tells their poignant stories with faithful reminders to develop the godly character they desire. (Women's Issues)

[Christian Workers' Commentary on the Old and New Testaments](#) - James Martin Gray 1915

Arranged in sections with questions for use at family alters and in adult Bible classes. Containing homiletic and expository suggestions for young preachers.

[Jewish and Christian Women in the Ancient Mediterranean](#) - Sara Parks 2021-12-30

This engaging and accessible textbook provides an introduction to the study of ancient Jewish and Christian women in their Hellenistic and Roman contexts. This is the first textbook dedicated to introducing women's religious roles in Judaism and Christianity in a way that is accessible to undergraduates from all disciplines. The textbook provides brief, contextualising overviews that then allow for deeper explorations of specific topics in women's religion, including leadership, domestic ritual, women as readers and writers of scripture, and as innovators in their traditions. Using select examples from ancient sources, the textbook provides teachers and students with the raw tools to begin their

own exploration of ancient religion. An introductory chapter provides an outline of common hermeneutics or "lenses" through which scholars approach the texts and artefacts of Judaism and Christianity in antiquity. The textbook also features a glossary of key terms, a list of further readings and discussion questions for each topic, and activities for classroom use. In short, the book is designed to be a complete, classroom-ready toolbox for teachers who may have never taught this

subject as well as for those already familiar with it. *Jewish and Christian Women in the Ancient Mediterranean* is intended for use in undergraduate classrooms, its target audience undergraduate students and their instructors, although Masters students may also find the book useful. In addition, the book is accessible and lively enough that religious communities' study groups and interested laypersons could employ the book for their own education.
