Straight Talk on Spiritual Power - Bill Hull 2002-07-01

Every church wants to experience the fullness of God, but many feel discomfort and confusion when the question of gifts of the Holy Spirit is raised. What does it mean to move in the power of the Holy Spirit? Isn't the issue of gifts of the Spirit divisive to evangelical churches? *Straight Talk on Spiritual Power* begins with Bill Hull's own theological journey from being a student at a charismatic university to a cessationist to a pastor with a moderate position affirming the full ministry of the Holy Spirit in the church today. Using Jesus as the ultimate model, Hull searches the Scriptures and finds a consistent

balance between the Word of God and the power of the Spirit. He shares the gradual change in his own church as it grew to experience the gospel with power, the Holy Spirit, and deep conviction. Conscious of the fears and confusion often surrounding this topic, Hull carefully looks at topics such as speaking in tongues, baptism in the Holy Spirit, healing, prophecy, and miracles, and offers thorough scriptural as well as practical instruction.

Discipleship that Fits - Bobby Harrington 2016-02-09

For far too long, the church has tried to make disciples using a one-size-fits-all approach. Some churches advocate 1-on-1 discipling, others try getting everyone into a small group, while still others training through mission trips or service projects. Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching. But does one size really fit everyone? Based on careful biblical study and years of experience making disciples in the local church, Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives. In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context. *Discipleship That Fits* shows you the five key ways discipleship occurs. It looks at how Jesus made disciples and how disciples were formed in the early church. Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ: Public Relationships: The church gathering corporately for worship Social Relationships: Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships: Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships: Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship: Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories, Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it, how the early church practiced it, and how

churches are discipling people today.

Gospel Allegiance - Matthew W. Bates 2019-09-17

Is faith in Jesus enough for salvation? Perhaps, says Matthew Bates, but we're missing pieces of the gospel. The biblical gospel can never change. Yet our understanding of the gospel must change. The church needs an allegiance shift. Popular pastoral resources on the gospel are causing widespread confusion. Bates shows that the biblical gospel is different, fuller, and more beautiful than we have been led to believe. He explains that saving faith doesn't come through trust in Jesus's death on the cross alone but through allegiance to Christ the king. There is only one true gospel and one required response: allegiance. Bates ignited conversation with his successful and influential book *Salvation by Allegiance Alone*. Here he goes deeper while making his acclaimed teaching on salvation more accessible and experiential for believers who want to better understand and share the gospel. *Gospel Allegiance* includes a guide for further conversation, making it ideal for church groups, pastors, leaders, and students.

Following Jesus through the Gospels, Hull outlines Christ's methods in training his twelve disciples. He then presents a biblical pattern that emulates Christ's model for reaching the lost and establishing new converts to Christianity. Hull takes you through four growth phases: evangelizing, establishing, equipping, and leading. By following these phases patiently and lovingly, you will be able to cultivate consistent disciples who remain in Christ, are obedient, bear spiritual fruit, and glorify God."--

Jesus Christ, Disciplemaker - Bill Hull
2004-02-01

Thomas doubted. Peter denied. Matthew had a shady past. And most of Jesus' disciples had trouble understanding his true message and mission at times. How did Jesus take lowly fishermen and tax collectors and turn them into some of the most influential men that ever lived? And how can modern church leaders empower regular church members to meet their potential as servants of God? In *Jesus Christ, Disciplemaker*, Hull outlines Christ's methods in training his twelve disciples and presents a biblical pattern that emulates Christ's model for reaching the lost. By taking readers through four growth phases--evangelizing, establishing, equipping, and leading--Hull shows how these principles can be adapted for any discipler. *Jesus Christ, Disciplemaker* is the perfect resource for pastors and church leaders who want to learn how to help others grow in God's service.

Making Disciples in the Twenty-First

Century Church - Joel Comiskey 2013-12-02

We know that the goal of the Christian life is to glorify God and to enjoy him forever. While this

is God's ultimate plan, does he have a particular purpose for the cell-based church? I've been wrestling with this question for the past twenty-two years. This question confronts me every time I coach a pastor or pastors. In preparation for coaching, I ask myself, "What is my principal objective in helping this pastor?" "Where am I guiding this church?" "What am I trying to do?" I've come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples. Christ's last command to his disciples was for them to repeat the process and to reproduce new disciples. But how were they supposed to do that? This book answers these questions. The early church followed Christ's pattern by making disciples through the house churches that periodically celebrated together in public worship. In 2 Timothy 2:1-2, Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women. Even though the term "disciple" is later replaced by words such as "brothers," "sisters," "Christians," and "saints," the concept remains the same. We in North America and the Western world often project our own cultural bias into Christ's great commission (Matthew 28:18-20). Most discipleship books, in fact, assume that discipleship is an individualistic endeavor--between me and God. And yes, there is an important individual aspect (e.g., personal devotions, etc.). Yet in Matthew 28, Jesus was talking to a group of disciples. He wanted them to follow his example by making disciples in a group. Jesus molded twelve disciples in a group and then sent them house to house. So how does the cell church make disciples? In this book, I show how the cell (small group) works together with the cell system to make disciples who make disciples. In the cell, a potential disciple is transformed through community, priesthood of all believers, group evangelism, and team multiplication. In the cell, potential disciples are formed through learning how to love one another, exercising their gifts, evangelizing together as a group, and then sent forth as teams to start new groups. Discipleship is a group process in the New Testament, and God is calling his church to re-emphasize this truth. The cell system ensures each leader has a coach and that training (equipping track) happens. Then the cells gather

together to worship and grow through the teaching of God's Word. All three aspects are essential to form disciples. Training is needed because disciples won't learn all they need to know in the cell. Coaching ensures that each leader is cared for and receives shepherding. The celebration service brings the cells together to hear God's Word, worship, and receive fresh vision. The goal of the two-wing cell church is to make disciples who make disciples. The cell church today makes disciples by following the early church pattern of cell and celebration.

Recommendations: I've read all of Joel Comiskey's books, but *Making Disciples in the Twenty-First Century Church* is his best work yet. In this book Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth, but "making disciples who make disciples." He also helps us understand why that is best done in a cell or small group context, and gives us great insight about how to make that happen. I'm looking forward to having all of our Pastors, Coaches, and Cell Leaders and Members read this book in the near future. Dennis Watson Lead Pastor, Celebration Church of New Orleans ____

I am so excited about Joel Comiskey's new book, *Making Disciples in the Twenty-First Century Church*. When I'm asked what makes a cell church thrive, I always say, "discipleship." Thank you, Joel, for unpacking discipleship; not just as an endeavor for individuals, but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth. I pray this book won't only be read, but lived out as we were made to make disciples. Jimmy Seibert Senior Pastor, Antioch Community Church President and Founder, Antioch Ministries International ____

I really like that Joel asked the Why question before the How question. He even takes on the What question which is just as important. The interest in discipleship is greater now than anytime in the last fifty years. I fear however that we are using the same words but are not speaking the same language. I recommend this work, I cheer Joel on, he joins many of us who are masters of the obvious. It seems so obvious that our purpose is to be disciples and make disciples. I cheer him on because he goes beyond the What and Why and does address the How. This will help any

person who reads it and I pray that there will be many. Bill Hull, Author of *Jesus Christ Disciple Maker*, Disciple Making Pastor, Disciple Making Church, and *The Complete Book of Discipleship*, Adjunct Faculty at Talbot School of Theology, Biola University __

The history of the cell church movement in Brazil has many names of great man of God. Joel Comiskey certainly is one of them. We see how over the years his understanding of the New Testament Church has deepened. Again Joel surprises us with this jewel. He covers many aspects of cell church life, showing us how discipleship relates to the broader scope of it, and how to shape followers of Jesus. He takes us to the heart of the matter of the cell church as he states it: "The purpose of cell ministry is making disciples who make disciples." Excellent book. The movement in Brazil, certainly, will be blessed through this book. Enjoy it. Robert Michael Lay Cell Church Ministry in Brazil Pioneer in the cell movement in Brazil, and publisher of Joel's books __

In his tremendously helpful new book, *Making Disciples in the Twenty-First Century Church*, Joel Comiskey cuts directly to the core purpose of cell ministry, which is "making disciples who make disciples." Then he tells us how to do it through the Cell-Based Church. Like Joel's other books *Making Disciples in the Twenty-First Century Church* is solidly biblical, highly practical, wonderfully accessible and is grounded in Joel's vast research and experience. Great job Joel! For more than twenty years Joel Comiskey has served the cell church movement. He has helped scores of congregations move from being traditional churches to communities where edification and harvest occurs. Twenty years! Now he combines two decades of observation as his capacity as a researcher. He has scoured many books to assemble wise counsel for us. His discussion of how community varies from culture to culture is indeed penetrating. As I read through the pages I mentally noted specific Christian workers who need to read these pages. Thanks, Joel, for the way you allow the King to speak through you to enlarge His Kingdom on earth! Ralph

Neighbour, Jr, key pioneer of the cell church movement. ____ "Joel Comiskey continues to deepen our understanding of the cell-based church. In Making Disciples we are equipped to carry out the Great Commission at maximum capacity. Get ready to have your vision for ministry strengthened and expanded!" Andrew S. Mason, Small Groups Pastor Thrive Church, Elk Grove, CA Founder, SmallGroupChurches.com ____ As one of the world's leading experts on cell-based churches, Joel Comiskey is well placed to show how New Testament-style disciple making works. His decades of experience in fields of ministry all over the world confirm that every-member ministry and personal investment in disciples are God's pathway to true maturity and expansion of the kingdom of God. This well-written book deserves attention from every serious Christian! Dennis McCallum, Author, Organic Discipleship [The Disciple-Making Pastor](#) - Bill Hull 2007-10-01

Christ commanded the church to make disciples, to produce people who love and obey God, bear fruit, and live with joy. The crisis at the heart of the church is that we often pay lip service to making disciples, but we seldom put much effort behind doing it. For the pastor who is ready to put words into action, [The Disciple-Making Pastor](#) offers the inspiration and practical know-how to do so. Bill Hull shows pastors the obstacles they will face, what disciples really look like, the pastor's role in producing them, and the practices that lead to positive change. He also offers a six-step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church.

Disciples Obey - Edward N. Gross 2016-01-26 Ed Gross makes quite a claim, "Disciples Obey," and becomes rude in a Jesus-kind-of-way in his subtitle, "How Christians unknowingly rebel against Jesus." It is fair to say that the American gospel teaches that one can become a Christian, go to heaven and not follow Jesus. We have disconnected obedience from faith, producing a default gospel that is eating the life out of our churches. (Bill Hull - Author of "The Disciple Making Church" & "The Complete Book of Discipleship," etc.) As an Army Infantry Officer, father of five, workplace manager, sports teams'

leader & umpire, I always expected those under my supervision to obey me. Ed reminds us, in this timely book, that Jesus is no different. He said, "Those who have my commandments and keep them are those who love me." May you hear from Jesus in this book, and simply OBEY Him so that you can experience, with all His disciples, the powerful presence of the risen Christ in your lives. (Gene McGee - Coordinator of Men's Ministries-CityNetMinistries-Philadelphia, PA) "Like wilderness wandering Israel, tested by God, many congregations in America are led by pastors and comprised of people, quick to complain, easy to compromise, confused by our culture's decay, and cynical about survival into the next generation. The hopelessness and the grief of the Holy Spirit are palpable. And yet the remedy, the transformation, the new dawn is a heartbeat away, and contained in this modest, startling book. In the tradition of the reformers both Catholic and Protestant, Ed Gross presents the clear call of Jesus, "Follow me." His prose is frank, knowledgeable, tested and wise. Most of all, Disciples Obey, is prophetic and therefore saturated with urgency and love. Read this book. And get on with the life, the joy, God wants for you! (Rev. Brewster Hastings, St. Anne's Church, Abington, PA) Edward N. Gross (DMis-Trinity Evangelical Divinity School) is Director of the Discipleship Team of CityNet Ministries. [The Disciple Maker's Handbook](#) - Bobby Harrington 2017-02-07

Many people believe that discipleship is important, but they need help. In fact, the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus. Is it any wonder that they have a difficult time knowing how to disciple others? If making disciples of Jesus is the greatest cause on earth, how should we equip people to do it? This handbook is a practical guide for how to embrace the discipleship lifestyle - being a disciple of Jesus

and how to make other disciples of Jesus. With contributions from pastors and teachers like Francis Chan, Jeff Vanderstelt, Bill Hull, Jim Putman, KP Yohannan, and Robert Coleman, the authors present seven elements that are necessary for disciple making to occur: Jesus—the original disciple maker and centerpiece of discipleship. Holy Spirit—fuels the disciple-making process.

Intentionality—making disciples utilizing a strategy and a roadmap. Relationships—creating a loving, genuine connection with others who trust and follow Jesus. Bible—using the Word of God as the manual for making disciples.

Journey—forging a traceable growth story from a new birth to spiritual parenthood.

Multiply—reproducing the discipleship process so that the disciple becomes a disciple maker.

Whether you are a parent who wants to disciple your children, a small group leader who wants to disciple those in your group, or a church leader who wants to disciple future leaders, the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations. In addition, there are questions provided in each section to help you think through how to apply the material to your disciple making efforts.

Disciples Are Made Not Born - Walter A. Henrichsen 2011-09-01

"Make Disciples." Jesus' command is clear. But what is a disciple? And how are we to "make" them? Based on decades of experience, this book explains and illustrates the process of disciple-making that Jesus taught and modeled. First published in 1974, its practical, biblical approach has revolutionized the ministry of hundreds of thousands of Christians as they learned how to multiply themselves in the lives of others. Disciple-making is challenging, to be sure. But as we are faithful to Christ's Great Commission, we'll experience the fulfillment that comes from being faithful to the life mission to which God has called us.

The Christian Leader - Bill Hull 2016-05-31

What if everything you've heard about leadership is wrong? Secular models of leadership rooted in pragmatic success dominate Christian leadership in the West. It makes our work impersonal and exploitive. And, at worst, it serves the leader rather than those the leader

leads. We need a different style of leadership—one patterned after Jesus. We need to learn to influence others out of our character, for that is what Jesus did. The Christian Leader is not about improving your church, your work, or your family; it is about changing how you lead. It does more than teach you how to modify your behavior; it shows you how to change the sources of your behavior—your motives and reasons for being a Christian leader. In the end, as everything you know and believe about Christian leadership is transformed, it will lead to transformation in those you lead and serve.

Rediscovering Discipleship - Robby Gallaty 2015-10-20

Discipleship is the buzzword today. Many believers are contemplating in a fresh way what it means to take the Great Commission seriously. Rediscovering Discipleship takes the guesswork out of Christian maturity. Based on insights gained from a decade of personally making disciples, author and pastor Robby Gallaty tackles the two hindrances that keep believers from getting involved in making disciples: ignorance and uncertainty. Since many believers have never been personally disciple, they have no model to guide them in discipling others. Their ignorance of the process fuels their uncertainty, which leaves them crippled from the start. With simple principles that are easy to apply, Rediscovering Discipleship provides readers with the tools to follow the Great Commission—to go and actually make disciples who multiply and make disciples. Gallaty begins with a brief historical overview of the discipleship ministries of influential theologians, preachers, and pastors from years past, and then identifies roadblocks that hinder believers from becoming disciples before offering a step-by-step process for readers to immediately get started on the path to effective disciple making.

The Making of a Disciple - Kenneth Frederick 2001

Peter was a man "subject to like passions as we are." His life is a study in contrasts -- resolutely defending the Lord one moment, vehemently denying Him the next. But despite Peter's inconsistencies, Christ molded him into one of the godliest disciples who ever lived. In this study of discipleship, Ken Frederick draws relevant truths from the life of Peter to help us

understand how to disciple other Christians. Although we will never walk on water, we will all experience the same type of struggles, victories, and "growing pains" in the Christian life. This book offers practical advice on how to disciple fellow brothers and sisters in Christ. - Back cover.

The Cost of Cheap Grace - Bill Hull 2020-01-07

What is a Christian? At the most basic level, a Christian is a disciple of Jesus Christ. And yet many Christians today couldn't tell you what a disciple of Jesus Christ is, or would even think of themselves as disciples. And yet in the Great Commission, Jesus specifically called us to make disciples. Everything else is secondary. The Cost of Cheap Grace is an extended, sweeping, bold, and bracing call to repentance for where we've let secondary things subvert our commitment to discipleship, and a compelling vision for discipleship as the basis of the gospel in all its world-changing, subversive power.

But evangelism can be difficult--even intimidating. With all the evangelism resources available, where should you turn to find advice on how to share the Good News with others? Robert E. Coleman says the answers aren't found in TV evangelism, easy-evangelism guidebooks, or the latest marketing techniques. Rather, he looks to the Bible, to the ultimate example found in Jesus Christ. For more than forty years this classic, biblical look at evangelism has challenged and instructed over three million readers. [The Great Omission](#) - Dallas Willard 2006-06-13

The last command Jesus gave the church before he ascended to heaven was the Great Commission, the call for Christians to "make disciples of all the nations." But Christians have responded by making "Christians," not "disciples." This, according to brilliant scholar and renowned Christian thinker Dallas Willard, has been the church's Great Omission. "The word disciple occurs 269 times in the New Testament," writes Willard. "Christian is found three times and was first introduced to refer precisely to disciples of Jesus. . . . The New

Testament is a book about disciples, by disciples, and for disciples of Jesus Christ. But the point is not merely verbal. What is more important is that the kind of life we see in the earliest church is that of a special type of person. All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it. The disciple of Jesus is not the deluxe or heavy-duty model of the Christian -- especially padded, textured, streamlined, and empowered for the fast lane on the straight and narrow way. He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God." Willard boldly challenges the thought that we can be Christians without being disciples, or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity -- being active disciples of Jesus Christ. Willard shows us that in the school of life, we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship -- an active, concrete, 24/7 life with Jesus.

DiscipleShift - Jim Putman 2013-04-23

Question: What is the God-given purpose of the local church? Answer: Relational discipleship. DiscipleShift walks you through five key "shifts" that churches must make to refocus on the fundamental biblical mission of discipleship. These intentional changes will attract the world and empower your church members to be salt and light in their communities. Over the last thirty years, many influential church leaders and church planters in America have adopted various models for reaching unchurched people. While many of these approaches have merit, something

is still missing, something even more fundamental to the mission of the church: discipleship. Making disciples—helping people to trust and follow Jesus—is the church's God-given mandate. Devoted disciples attract people outside the church because of the change others see in their Christ-like lives. And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non-believers. Through biblical and professional insights, Jim Putman and Bobby Harrington discuss the transformational effectiveness of making disciples and just how to do so, in practical terms. You'll learn: The specific roles of a disciple-making pastor. The components of person-to-person discipleship. How each ministry in your church leads to discipleship. How to implement discipleship in your church. Disciple-making leaders will not produce perfect churches, but they will create effective churches.

Conversion and Discipleship - Bill Hull
2016-01-12

Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it. The end result is that the disciple becomes the kind of person who naturally does what Jesus did. How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship. Our doctrines of grace and salvation, in some cases, actually prevent us from creating an expectation that we are to be disciples of Jesus. A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus. Being a follower is seen as an optional add-on, not a requirement. It is a choice, not a demand. Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ. In this ground-breaking new book, pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus. He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion—answering the call to follow Jesus—and discipleship—living like the one we claim to follow.
