**The Basics of Public Budgeting and Financial Management** - Charles E. Menifield  
2013-08-16

The Basics of Public Budgeting and Financial Management brings budgetary theory and practice together, filling the void between the two that has existed in the field of budgeting and public finance. This book bridges the gap by providing the reader with applications and exercises that reinforce budgetary theory. Students are given the opportunity to learn various concepts and skills necessary to succeed in the field and the exercises provided in each chapter require application of what is learned. Specifically, students will be exposed to basic budget and finance concepts, public revenue, financial management, risk assessment, cost benefit analysis, and so on. This handbook also provides great tools that allow the user to visually display budgets and other analysis. Students will gain the solid foundation needed to begin work in a budget office. Features of this second edition include enhanced data and optional in-class assignments. For ancillary materials, please contact the author at [menifieldc@missouri.edu](mailto:menifieldc@missouri.edu).

*Leadership Lessons-Straight from the Heart* - Dr M S Phogat 2016-01-12

This is the story of transformation of a territory named Victoria Europe. It was a dead territory and was not performing for the last 28 years. It is all about the turnaround strategy adopted by Vikram. The territory was totally transformed during a tenure of four years, where the total

business increased four times, advances increased twelve times, profit increased approximately 10 times, market share doubled, Staff salary revised twice and more than doubled. Banks image improved a lot and the bank became the bank of first choice. People started saying in the market that if you want fast, go to Bobby, if you want good advice, go to Bobbys CEO, if you want hassle free loan, go to Bobby. It explains the process from the start. How he involved his staff, how the team was motivated and how he created passion among his team members. It tells about the family background of Vikram, his personal life in childhood, economic position of the family, agriculture processes being adopted by his father during his childhood. His working in the bank at various levels; from very junior position to Chief Executive of a foreign territory . SWOT analysis done before devising his strategy; Image building strategy, marketing strategy, motivation and morale boosting strategy, Net working and liaisoning with high profile people, arranging various functions, press conferences, inviting and managing the visits of top executives from Head office, reporting of performance and interpretation of data. It is a practical guide to learn various management tips. Learning from the chapter have been given in bullet points before each chapter as points to ponder.
