**Warman's Coins & Paper Money** - Arlyn G. Sieber 2011-10-21

Interest in coin collecting and paper money is at an all-time high, thanks in part to the new designs of modern U.S. coins and currency, the increasing market value of precious metals, and the great investment coin collecting has been in recent years. Recent reports estimate that there are over 1 million serious coin collectors in the U.S. And the U.S. Mint estimates that nearly 150 million people have collected the 50 State Quarters. The bestselling Warman's Coins & Paper Money, now in its 5th edition, is the most comprehensive, colorful, informative, and thorough identification and price guide of its kind. It covers everything from the evolution of U.S. coins and currency to the latest in minted coinage. Big, bold and informative, this invaluable tool is a must-have for collectors of all levels, whether they are children or adults, novice or experienced veterans. But this book doesn't stop at U.S. coins and currency. It also features a panoramic and full-color view of coins and currency from Canada, Mexico, and Europe. About the Author A veteran numismatist by trade and passion, Arlyn G. Sieber is a freelance writer and editor. A former editor of Numismatic News and Coin Prices magazine, Sieber was a 25-year employee for Krause Publications. His previous numismatic book credits as a writer, editor or contributor include the first two editions of North American Coins & Prices, Warman's Companion World Coins & Currency, 2nd Edition, Warman's World Coins Field Guide, Instant Coin Collector, and Gold Rush. Sieber has also contributed to The Numismatist, the ANA's official journal. Sieber is a 25-year member of the ANA and the Central States Numismatic Society.

**Silver Coin Pricing Guide, 1800-2000** - Donald Owen Case 2011-09-01

This is a guide for people who buy and sell silver coins—on eBay, on other Internet websites, at coin shows or coin stores, or elsewhere. It is intended for those who buy or sell coins based on their investment value, rather than their design or scarcity. This book displays the bullion value of silver coins for every world nation and year of origin between 1800 and 2000. An alphabetical listings of countries and denominations (and sometimes a simple addition), shows the base value of any common silver coin. This is vital information, because many current coin guides have not recalculated bullion values, and continue to estimate coin value based on silver prices from a time when it was worth only a fraction of today's value.

Canadian Reference Sources - Mary E. Bond 1996

In parallel columns of French and English, lists over 4,000 reference works and books on history and the humanities, breaking down the large divisions by subject, genre, type of document, and province or territory. Includes titles of national, provincial, territorial, or regional interest in every subject area when

available. The entries describe the core focus of the book, its range of interest, scholarly paraphernalia, and any editions in the other Canadian language. The humanities headings are arts, language and linguistics, literature, performing arts, philosophy, and religion. Indexed by name, title, and French and English subject. **Half Sick of Shadows** - Laura Sebastian 2021-07-06

"Laura Sebastian is the next Madeline Miller. . . . a fierce, fresh, lyrical tale that will enthrall until the last page."--Kate Quinn, New York Times bestselling author of The Huntress A Popsugar Best Summer Read of 2021 A Bibliolifestyle Most Anticipated Summer 2021 Sci-fi and Fantasy Book "Magical, haunting, unique--I haven't been so excited about an Arthur book since I read The Once and Future King ."--Tamora Pierce, #1 New York Times bestselling author The Lady of Shalott reclaims her story in this bold feminist reimagining of the Arthurian myth from the New York Times bestselling author of Ash Princess. Everyone knows the legend. Of Arthur, destined to be a king. Of the beautiful Guinevere, who will betray him with his most loyal knight, Lancelot. Of the bitter sorceress, Morgana, who will turn against them all. But Elaine alone carries the burden of knowing what is to come--for Elaine of Shalott is cursed to see the future. On the mystical isle of Avalon, Elaine runs free and learns of the ancient prophecies surrounding her and her friends--countless possibilities, almost all of them tragic. When their future comes to claim them, Elaine, Guinevere, Lancelot, and Morgana accompany Arthur to take his throne in stifling Camelot, where magic is outlawed, the rules of society chain them, and enemies are everywhere. Yet the most dangerous threats may come from within their own circle. As visions are fulfilled and an inevitable fate closes in, Elaine must decide how far she will go to change destiny--and what she is willing to sacrifice along the way.
