Persian Cats - Ulrike Müller 1990
The most extensive line of basic pet information and training guides on the market, Complete Pet Owner's Manuals are written by experts, and

profusely illustrated with full-color photos and instructive, high-quality line art. These books are written in clear, direct language that will appeal to ordinary cat owners, but they also contain information that even experienced breeders and trainers will find enlightening. Each manual has been individually written by an experienced breeder, veterinarian, or qualified expert. Individual titles focus on many of the most popular cat breeds, as well as that favorite, the common house cat.

Korat Cats. Korat Cat Owners Manual. Korat Cat Care, Personality, Grooming, Health, Training, Costs and Feeding All Included - Robert Ronderdale 2015-01-08

The Korat cat is not only one of the oldest natural domestic cat breeds; it is also a very unique breed. One prominent thing about the breed is certainly its appearance. Unlike most cat breeds whose heads are wedge-shaped, that of a Korat cat is heart-shaped. Indeed, most proud Korat cat owners point out that the Korat

is the only cat with three hearts; one visible when the cat is viewed from the front, the other visible when the cat's head is viewed from above and the actual heart inside the cat's body. The other unique thing about Korat cat is its coat. A pure-bred Korat cat has a single coat with short hair that is very easy to groom. The hair is however unusual. All pre-bred Korats have hair in the same colour; silver-tipped blue. The Korat also happens to be one of the very few natural cat breeds whose traditional characteristics and behaviour have not been altered in any way through breeding programs. The uniqueness in this breed is one of reasons why many homeowners, families and cat lovers decide to buy the Korat cat. In addition to its uniqueness, the cat also has a very good character and temperament, which makes it one of the best indoor cats anyone can have at home as a pet. It is indeed not surprising that the breed's popularity that has remained low over the years is fast rising right across the world. I happen to

have had parents who were very fond of cats, to a point where they kept different cat breeds at any given time. Our home was similar to a cattery. The experience of living with such diverse cat breeds, as I now realize, was very beneficial. Not only did I become fond of cats, I have gone a step further and ventured into breeding and showing cats. Covered in this book: - General information - What to know before you buy - Bringing your cat home - Feeding - Grooming - Health - Breeding - The aging cat - Costs - General tips and advice ... and much more

Tonkinese Cats. Tonkinese Cat Owner's Manual. Tonkinese Cat Care, Personality, Grooming, Health, Training, Costs and Feeding All Included. - Elliott Lang 2014-08-27

Everything you need to know about keeping the Tonkinese Cat as a pet. This is another very informative book by Elliott Lang. As an animal lover, he enjoys writing animal books and advising others how to take care of their animals

to give them a happy home. Tonkinese Cats care, personality, grooming, health, training, costs and feeding all included. The book is written in an easy to read and understandable style. In a straight forward, no nonsense fashion, Elliott Lang covers all aspects of keeping Tonkinese Cat as pets, a must have guide for anybody passionate about Tonkinese Cats. This is probably the most loving, attention-seeking and entertaining cat you can have at home as a pet. It is not surprising that the breed is a favourite of many home owners and cat lovers. The Tonkinese breed is one breed of cat with many clubs established by Tonkinese cat owners across the world. Elliott Lang says: I have always been in the company of animals. That is the one thing I am most thankful for. My lovely pets have always been around to provide unconditional affection and love when I needed it the most. My father was instrumental in making me grow fond of animals. He always kept me around animals. My family have always been hands on with the

pets in the household. Whether it was bathing, feeding or taking care of these animals, my family ensured that the animals got the best of everything. These animals were the centre of all our activities. There was not a single day that did not begin with a discussion about these pets. What to feed them? How to take care of a cat or dog that is ailing? What is the most nutritious thing to feed them? These were common dinner table conversations while I was growing up. So, needless to say, I have had a lot of practical training with respect to taking care of different breeds of animals. Today, I am in a very privileged place where I can share this information with pet lovers across the globe. I would have never been able to provide you with so much comprehensive information without the knowledge that I gained from my father, my family and of course my beloved cats.

**Turkish Angora Cats Owner's Manual.
Turkish Angora Cats Care, Personality,
Grooming, Health and Feeding.** - Henry

Hoverstone 2014-07-18

I never had the chance to deal with animals until my little sister brought home a stray cat. I didn't know at the time but found out afterwards that it was a Turkish Angora cat. My biggest thanks goes to my sister as it was her who introduced me to the world of animals and more specifically, the world of cats. Hereby, I am sharing some insights and thoughts about my experience when taking care of cats. I have become a true cat lover and I have had over 15 cats as pets. I hope this book teaches you how to take good care of your cat - whatever breeds they are. I know, every single breed differs on behavior, characteristics, feeding, personality - but they all require attention and care. A Turkish Angora is royalty in many parts of the world. In this book, you will find some information about the history as well as the care of the Turkish Angora. Feeding patterns are important but which foods are best to give your cat, is it fish or meat? What allergies are susceptible with this cat breed?

Your questions about grooming will be answered as well as any questions you might have about personality, behavior, training, travelling, daily care, etc.. This book is full of sound advice and tips to keep your cat happy.

Complete Cat Care Manual - Bruce Fogle

2006-04-17

Covering everything cat owners need to know, this practical guide to looking after the most popular pet in the United States is the perfect reference for any cat lover. The Complete Cat Care Manual provides detailed information on the day-to-day care of kittens and adult cats, including feeding, training, handling, exercising, essential equipment, and grooming. Detailed chapters outline the reasons behind behavioral problems, such as eating houseplants and

scratching furniture, and provide tips for changing unacceptable behavior. Health problems are completely detailed with anatomical diagrams, diagnostic charts, and illustrations that identify symptoms and treatments. Step-by-step instructions teach all the techniques needed to nurse a sick animal or administer emergency first aid. Hundreds of remarkable color photographs, specially commissioned for this book, detail every aspect of a cat's life. The material is based on extensive research. Dr. Bruce Fogle, a leading specialist in pet behavior, has observed hundreds of cats during his years as a veterinary surgeon. He identifies how cats communicate through posture, body language, facial expressions, "speaking" (meowing and hissing), and rituals like rubbing, swatting, and grooming. He discusses the differences between learned behavior and instinctual action, the importance of a cat's sensory perceptions like smell, touch, and sound—and when a cat's eccentricities are

due to genetics or are merely a matter of individual temperament. Endorsed by the American Society for the Prevention of Cruelty to Animals.

Your Cat: The Owner's Manual - Dr. Marty

Becker 2012-05-01

Dr. Marty Becker has become known as "America's Veterinarian" because of his educational and entertaining shows and columns. For more than ten years, Dr. Becker has been the popular veterinary contributor to ABC-TV's Good Morning America and is now a member of Core Team Oz on Dr. Mehmet Oz's show. Dr. Becker will help owners solve problems and enhance their bond with their cats through a tip-filled book on everything from finding the right cat to preventing health problems and bad behavior. He will start owners off on the right foot, whether they buy a kitten or adopt an older cat, showing them how to solve the most annoying behavior and cat-care problems--from scratching furniture to not using the litter-box. (Surprising fact: did you know that black cats shed more than light-colored cats?) And he advises owners how to make their own

cat toys, and how to save money on medication, both traditional and alternative.

The Pixie Bob Cat Owner's Manual. Pixie Bob Cats Facts and Information. Care, Personality, Grooming, Health and Feeding All Included. - Elliott Lang 2014-05-17

Everything you need to know about keeping a Pixie Bob cat as a pet. This is another very informative book by Elliott Lang. As an animal lover, he enjoys writing animal books and advising others how to take care for their animals to give them a happy home. Pixie Bob Cats Facts and Information. Care, personality, grooming, health and feeding all included. The book is written in an easy to read and understandable style. In a straight forward, no nonsense fashion, Elliott Lang covers all aspects of keeping Pixie Bob cats as pets. Elliott Lang says: I have always been in the company of animals. My father was instrumental in making

me grow fond of animals. He always kept me around animals. My family, too, has always been hands on with the pets in the household. Our animals were the centre of all our activities. There was not a single day that did not begin with a discussion about our pets. What to feed them? How to take care of a cat or dog that is ailing? What is the most nutritious thing to feed them? These were common dinner table conversations whilst I was growing up. So, needless to say, I have had a lot of practical training and experience with respect to taking care of different breeds of animals. Today, I am in a very privileged place where I can share this information with pet lovers across the globe. I would have never been able to provide you with so much comprehensive information without the knowledge that I gained from my father, my family and of course my beloved cats. For those who have children in their homes, the Pixie Bob cat is a great option for their homes. This cat is as gentle as a deer and is the perfect companion

for those who like to have a pet to share their day with. The Pixie Bob cat can be leash trained and taught tricks like fetching. He can be highly playful one second and extremely laid back the other. Today, it is one of the most preferred breeds in the world. I, too, have been lucky to have owned a lovely Pixie Bob beauty. I hope you find this book informative and useful.

Grooming Manual for the Dog and Cat - Sue Dallas 2013-05-06

One of the responsibilities of every dog or cat owner is that of coat care. There are many and varied coat types and there is a vast difference between the time it takes to groom a Doberman and an Old English Sheepdog, a Siamese and a Persian cat. This book provides much needed guidance for groomers, breeders and owners. It will be invaluable for those taking the City and Guilds 775 Grooming exam and animal care students of all levels. Step by step grooming/clipping techniques are described for the more popular breeds of dog and cat and in

each case the technique is illustrated with photographic sequences. The book also includes allied subjects such as skin care, commonly found skin parasites and basic first aid and handling.

The Complete Guide to Adopting a Cat -

Laura Cassiday 2021-12

The Hardcover edition is printed in Full Color! Certified cat behavior consultant Laura Cassiday used her extensive experience working at the Maryland SPCA to help her write the definitive guidebook for anyone who has recently adopted (or is considering adopting) a new cat. Using

input and interviews from over 40 shelter and rescue organization experts, this book covers every topic and question a new cat owner will need to know to successfully integrate their new cat into their home and life. Topics covered include: Choosing the correct cat for your home and lifestyle What to do if you've found a stray cat or kittens Becoming a cat foster parent Bringing your new cat home: supplies, safe spaces, and introductions Cat nutrition Grooming and shedding Cat health care Troubleshooting problems Litter Boxes Issues Destructive Scratching Biting and Aggression Fear and Anxiety Nuisance Behaviors (Counter Surfing, Excessive Meowing, and More) Carrier Training Giving Medication Playtime and enrichment Senior Cat care So you've decided to adopt a cat. Easy, right? You just go to the closest shelter, pick out the cute, fluffy orange one, and live happily ever after. Although this is exactly what goes through the minds of many would-be cat adopters, picking out your new

best friend can be a little more complicated. I mean, if you get a kitten, you're looking at a 15-20 year commitment. I once had one of my cats live to be 27! And what happens if they don't like your other pets? Or your kids? Even worse, what if they stop using their litter box? And how often do cats even need to go to the vet, anyway? Even for impulsive people like myself, you have to at least put a little bit of thought into it. That's where this book comes in. It's a comprehensive guide to all things cat adoption. If you don't know where to start, this is a good place. If you've just brought your new kitty home and have questions, we'll cover that too. Even if you've already had a cat for a while, you're guaranteed to learn something new. So

grab your catnip and feather wand, and let's get started!
