We have the funds for clydesdales 2018 12 x 12 inch monthly square wall calendar animals horses multilingual edition and numerous book collections from fictions to scientific research in any way. among them is this clydesdales 2018 12 x 12 inch monthly square wall calendar animals horses multilingual edition that can be your partner.

A Good Horse - Jane Smiley 2010-10-26

When eighth grader Abby Lovitt looks out at those pure-gold rolling hills, she knows there's no place she'd rather be than her family's ranch—even with all the hard work of tending to nine horses. But some chores are no work at all, like grooming young Jack. At eight months, his rough foal coat has shed out, leaving a smooth, rich silk, like chocolate. As for Black George, such a good horse, it turns out he's a natural jumper. When he and Abby clear four feet easy as pie, heads start to turn at the ring—buyers' heads—and Abby knows Daddy won't turn down a good offer. Then a letter arrives from a private investigator, and suddenly Abby stands to lose not one horse but two. The letter states that Jack's mare may have been sold to the Lovitts as stolen goods. A mystery unfolds, more surprising than Abby could ever expect. Will she lose her beloved Jack to his rightful owners? Pulitzer Prize winner Jane Smiley raises horses of her own, and her affection and expertise shine through in this inviting horse novel for young readers, set in 1960s California horse country and featuring characters from *The Georges* and *the Jewels*.

The Magnificent Book of Horses - Weldon Owen 2021-06-08

One Hundred and Four Horses - Mandy Retzlaff 2013-10-08

There is little in this world that a family cannot endure, if endure they must. For we all have it within us to lose everything, absolutely everything, and still find strength in the most simple, beautiful things. Pat and Mandy Retzlaff lived a hard but satisfying farming life in Zimbabwe. Working all hours of the day on their sprawling ranch and raising three boisterous children, they savored the beauty of the veld and the diverse wildlife that grazed the meadows outside their dining room window. After their children, the couple's true pride and joy were their horses. But in early 2001, the Retzlaffs' lives were thrown into turmoil when armed members of President Robert Mugabe's War Veterans' Association began invading the farmlands owned by white Zimbabweans and violently reclaiming the land. Under the threat of death, the family was forced to flee, leaving behind a lifetime's possessions and becoming exiles in the only country they had ever called home. As other families across the country fled, they left behind not only their homes but dozens of horses. Devoted animal lovers, Pat and Mandy—now essentially homeless themselves—vowed to save these horses: Shere Khan, the queen of the herd; Tequila, the escape artist forever breaking free and trying to walk back to his original home; Grey, the silver gelding and leader; Princess, the temperamental mare; and the numerous others they rescued along the way. *One Hundred and Four Horses* is a love story and an epic tale of survival and unbreakable bonds—those that hold us to land and family, but also those between man and the most majestic of animals, the horse.

Album of Horses - Marguerite Henry 2015-11-17

This majestic collection of horses from Newbery Medalist Marguerite Henry is strikingly illustrated and makes a great gift for horse lovers of all ages. How did the Morgan horse get its name? What are the

differences between a Belgian and a Clydesdale? Why are the Byerly Turk, Darley Arabian, and Godolphin Arabian so important? Find the answers to these and many other intriguing questions in Marguerite Henry's *Album of Horses*. The award-winning author of *Misty of Chincoteague* and *King of the Wind* describes in vivid detail the hardworking Shire, the elegant Lipizzan, the spirited Mustang, and many more, and each description is paired with a full-color illustration by Wesley Dennis. This collection from Newbery Award-winning author Marguerite Henry features the original text and illustrations in a gorgeous collectible hardcover edition and is destined to be a favorite for years to come.

Bob Langrish's World of Horses - 2018-10-02

Bob Langrish's World of Horses is the culminating collection of a master photographer who has traveled six continents in search of the most compelling horses in their native habitats. From the Mongolian steppe to the South African desert, barrier islands to city streets, Langrish has recorded the lives and activities of these majestic and beloved animals. His images capture the grace and soul of horses in all shapes and sizes. Brisk, lively text by Olympic gold medalist Jane Holderness-Roddam accompanies each photo, relating the story of how horse behaviors and traits vary by habitat, as well as the behind-the-scenes details of Langrish's adventures. Dramatic, poignant, and personal, Langrish's photos are a testament to the ancient and abiding horse-human relationship.

Yoga Dogs - Dan Borris 2011-03-01

Learn how to sit, stay, and roll over with this fully illustrated, "delightful" guide to yoga starring man's best friend (Shutterbug magazine). Inspired by a friend's mastiff who would imitate his master's morning yoga routine, photographer Dan Borris created Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don't worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. "A fresh and highly entertaining visual treat," Yoga Dogs is perfect for any yogi of the two or four-legged variety (Shutterbug magazine).

Know Better to Do Better - Denny Emerson 2019-02-01

With horses, we don't get a "do-over button," as much as we'd sometimes like one. We have to live with the choices we make, even when-looking back-we know there might have been a better way to communicate, a different way to teach a new lesson, or another means to reach the desired end. In this smart, honest book chock full of valuable takeaways, gold medalist and renowned rider and coach Denny Emerson uses stories of the standout horses from his own riding career, which spans almost 70 years, to detail some of the things he wishes he'd known "then" that he knows now. With a candid willingness to share mistakes he's made over the years and clearly articulated ideas on how others can avoid them, he commits himself and those reading to finding more conscientious ways to ride, train, and work with horses. From basics like aids and equipment to more specialized subjects, such as rider fitness, emotional control, and how to determine what success with your horse really means, riders of all skill levels can gain valuable, hard-won knowledge from his bite-size lessons in life and horsemanship. Perhaps most importantly, Emerson insists that it is never, ever too late to change-for the good of the horse and for the good of oneself.

Happiness Is a Horse - Christiane Slawik 2008

Being able to find joy in someone else's joy is the secret of happiness. This is why there are so many happy horse lovers! If you keep, handle, and train horses according to their nature, and approach them with open eyes and ears as well as an open heart, they communicate very clearly that they feel happy. From the ten-year-old girl to the riding master, they all have something in common: the happiness they are given by these wonderful animals. In this thoughtful and touching book, professional horse photographer Christiane Slawik gathers her own thoughts, and those of her horse-loving friends, about the happiness they feel and share when they are with horses. Slawik's gorgeous photography showcases the beauty, power, and sensitivity of horses, making this a moving tribute to their many gifts.

Annual Report of the Secretary of War - United States. War Department 1890

The Clydesdale - Mary Bromilow 2018-06-07

The Clydesdale has its origin in the working horses of Lanarkshire in the early 19th century, and over the last 200 years have been exported from Scotland all over the world. Having survived near extinction at the hands of mechanisation in the middle of the 20th century, today they are to be found in increasing numbers as team - and single - draught horses, working the land, or as popular riding horses, lending them a whole new image. In this book, Mary Bromilow puts this iconic Scottish breed into context in relation to its development, social history and popular culture both in the UK and abroad. She also shows how the Clydesdale has made an extraordinary comeback supported by an international band of passionate enthusiasts who promote the breed tirelessly at local, national and international level. This is an expanded and fully revised edition of the book, first published by Argyll Publishing in 2011.

The Horses Rejoice - Lynn Mann 2019-08-09

Horse Pasture Management - Paul H. Sharpe 2018-11-09

Horse Pasture Management begins with coverage of the structure, function and nutritional value of plants, continuing into identification of pasture plants. Management of soil and plants in a pasture is covered next, followed by horse grazing behavior, feed choices of horses, management of grazing horses, and how to calculate how many horses should be grazing relative to land size. Management of hay and silage are included, since year-round grazing is not possible on many horse farms. A number of chapters deal with interactions of a horse farm with the environment and other living things. As an aid in good pasture management, one chapter explains construction and use of fencing and watering systems. Contributions are rounded out with a chapter

explaining how the University of Kentucky helps horse farm managers develop their pasture management programs. The purpose of the book is to help people provide a better life for horses Provides the basic principles of pasture management for those involved in equine-related fields and study Covers a variety of strategies for managing the behavior, grouping, environmental, and feeding needs of grazing horses to ensure high levels of welfare and health Includes information on environmental best practices, plant and soil assessment, and wildlife concerns Explains pasture-related diseases and toxic plants to be avoided Includes links to useful resources and existing extension programs

The National Live-stock Journal - 1876

Heads Up, Horses! - Sibley Miller 2015-02-03

The Wind Dancers—Kona, Brisa, Sumatra, and Sirocco—are back with four more full-color illustrated titles sure to delight the imaginations of horse-loving little girls everywhere. The four Wind Dancers are a team—they're family. That is, until Kona, the leader of the quartet, who might just be a little competitive, decides to break up the foursome for a soccer game with the real-life horses, because winning at all costs is what matters. Or does it?

Big Book of Horses to Color - John Green 2006-11-01

Colorists and horse lovers of all ages will treasure this splendid tribute to horses of the world. Illustrator John Green, a specialist in realistic depictions of animals, excels at drawing horses. This collection of his best equine images features draft animals as well as sporting creatures — thoroughbreds, mavericks, coach horses, show horses, polo ponies, and many other magnificent steeds. Informative captions offer accurate background information on each image.

Horses! (Animal Planet Chapter Books #5) - Animal Planet
