Creating a Cash Cow in Kenya - Nat Robinson 2015-12-24

"What started as an eight-month assignment turned into a six-year adventure and the creation of a social business to help Kenya's farmers lift themselves out of poverty. The social business, Juhudi Kilimo, provides microloans to enable smallholder farmers to buy productive assets, such as cows, tools and so on. Since its foundation in 2009, Juhudi Kilimo has provided over 50,000 loans worth \$30 million and financed the purchase of 23,100 cows by some of Kenya's poorest farmers. In its six years Juhudi managed to rack up an impressive list of international investors The Rockefeller Foundation, The Ford Foundation, Acumen Fund, Soros Economic Development Fund, Grameen Foundation, Deutsche Bank and Kiva.org. The company also won a Charles Schwab Social Entrepreneur of the Year Award and part of CIO Magazine's top 100 list. The challenges faced by the company in its early years reveal a dark underbelly of investor greed, corruption and the deep multicultural misunderstandings that can lead to conflicts. The company was driven by a young entrepreneur from the US, who admits he had no idea what he was doing but learned along the way. The lessons he presents here can help guide those starting new ventures or trying to defy the odds with a new social business in East Africa. The business stories are intertwined with his adventures, racing camels, running from rhinos and much more."--Summary from Amazon.

The Great Shark Hunt - Hunter S. Thompson 2011-09-06

The first volume in Hunter S. Thompson's bestselling Gonzo Papers offers brilliant commentary and outrageous humor, in his signature style. Originally published in 1979, the first volume of the bestselling "Gonzo Papers" is now back in print. The Great Shark Hunt is Dr. Hunter S.

Thompson's largest and, arguably, most important work, covering Nixon to napalm, Las Vegas to Watergate, Carter to cocaine. These essays offer brilliant commentary and outrageous humor, in signature Thompson

style. Ranging in date from the National Observer days to the era of Rolling Stone, The Great Shark Hunt offers myriad, highly charged entries, including the first Hunter S. Thompson piece to be dubbed

"gonzo"—"The Kentucky Derby Is Decadent and Depraved," which appeared in Scanlan's Monthly in 1970. From this essay a new

journalistic movement sprang which would change the shape of American letters. Thompson's razor-sharp insight and crystal clarity capture the crazy, hypocritical, degenerate, and redeeming aspects of

the explosive and colorful '60s and '70s.

Statements on Standards for Accounting and Review Services -

AICPA 2016-11-07

The Accounting and Review Services Committee (ARSC) has issued Statement on Standards for Accounting and Review Services No. 21, Statements on Standards for Accounting and Review Services:

Clarification and Recodification. The issuance of SSARS No. 21 represents a major milestone in the ARSC's project to clarify and revise the standards for reviews, compilations, and engagements to prepare financial statements. To assist readers to easily locate information, a detailed table of contents is provided at the beginning of the SSARS. This statement recodifies and supersedes all outstanding SSARSs through No. 20, except SSARS No. 14, Compilation of Pro Forma Financial Information. SSARS No. 21 is effective for reviews, compilations, and engagements to prepare financial statements for periods ending on or after December 15, 2015 but early implementation is permitted. This statement is a standalone SSARS and is not a codification of all clarified SSARSs. This statement has been codified in AICPA Professional Standards, which contains a complete codification of Statements on Standards for Accounting and Review Services. Practitioners are advised to use the codified version of this SSARS as they prepare to evaluate and update their methodologies, and prepare for changes precipitated by the clarity project.

Wiley Practitioner's Guide to GAAS 2017 - Joanne M. Flood 2017-02-14

The clearest, easiest-to-use guide to understanding all the clarified standards, including the new attestation standards—fully updated! This comprehensive guide to understanding Generally Accepted Auditing Standards (GAAS) is not just about auditing. It addresses the toughest part of an accountant's job—identifying, interpreting, and applying the many audit, attest, review, compilation, and preparation standards relevant to a particular engagement. Wiley Practitioner's Guide to GAAS 2017 offers a clear and accessible distillation of the official language of

GAAS, Statements on Standards for Attestation Engagements (SSAEs), and Statements on Standards for Accounting and Review Services (SSARSs)—as well as advice on exactly how to remain fully compliant with each. Wiley Practitioner's Guide to GAAS 2017 is organized according to the logical arrangement of the clarified standards, presenting each section individually, and explaining how it is related to the engagement process. Guidance is offered on the entire process, in the form of practice notes, checklists, questionnaires, and real-world examples, illustrating how the fundamental requirements of each section are applied. Other key features include: A brief identification of each auditing, SSAE, and SSARS section, with effective dates and tips on how to apply it Highlights of new requirements in the clarified attestation standards Concise listing and descriptions of each section's specific mandates, including definitions Easy-to-read capsule summary of interpretations, plus selected technical alerts Helpful techniques for remaining compliant with each standard New in GAAS 2017: In 2016, the AICPA's Auditing Standards Board completed a major stage of its clarity project and issued SSAE No. 18. The new guidance is effective for reports dated May 1, 2017. SSAE No. 18 replaces the attestation standards, introducing major new requirements that will change practice. In this transition year, guidance on the extant attestation standards is also included. Wiley Practitioner's Guide to GAAS 2017 is completely updated to reflect all the clarified standards and provide valuable implementation information.

Valuing Professional Practices and Licenses - Ronald L. Brown 2013-12-19

For anyone representing lawyers, doctors, and other professionals or their spouses, one of the thorniest problems in divorce cases continues to be assessing the worth of the professional practice. Valuing Professional Practices and Licenses has been used nationwide as the essential practice guide in this area of matrimonial law. Over 45 chapters newly revised by a team of savvy matrimonial practitioners offer complete and current information on the valuation of professional practices, degrees, and licenses. There is also coverage of difficult topics such as merger, double dipping, celebrity goodwill, and how to best represent clients in these complex cases. Plus, the updated Fourth Edition has been

expanded and revised, with new chapters on key topics such as the difficulties of representing lawyers in divorces, the various factors included in the sale of a law practice relevant to valuation for divorce litigation, the effective use of financial experts, and the bankruptcy aspects of awards of professional assets. With Valuing Professional Practices and Licenses' legal analysis and expert commentary, valuation Examples & Explanations, sample reports, checklists and forms to use for discovery, and sample question-and-answer sequences, you'll be fully prepared to represent your professional clients efficiently and successfully.

The Complete Married With Children Book: TV's Dysfunctional Family Phenomenon - Denise Noe 2017-08-13

Married . . . with Children premiered on Fox TV in 1987 and updated the Don Ameche and Frances Langford radio comedy series, The Bickersons, and Jackie Gleason's TV classic, The Honeymooners, with a raunchy, cutting-edge slant that focused on a lovable yet laughable family headed by endearingly flawed Al (Ed O'Neill), his housework-hating wife, sexy daughter, and randy son. For 11 seasons, the brilliant team of talent put the funk in dysfunctional. Rediscover the exhilarating humor and intellectual excitement in Denise Noe's first book. She delves behind-the-scenes with Michael Moyer, Ron Leavitt, Ed O'Neill, Katey Sagal, Christina Applegate, David Faustino, David Garrison, Amanda Bearse, E. E. Bell, and Ritch Shydrer. You'll be fascinated by the story of how two rogue writers created a deliberately off-the-wall program; how it almost got derailed before production began; how a controversy could have plucked the series off the air but ended up injecting a much needed shot in the arm; how a reality-based show occasionally—and courageously—ventured into comedy with a fantasy, horror, and/or science fiction spin. Critical Race Theory - Kimberlé Crenshaw 1995

In the past few years, a new generation of progressive intellectuals has dramatically transformed how law, race, and racial power are understood and discussed in America. Questioning the old assumptions of both liberals and conservatives with respect to the goals and the means of traditional civil rights reform, critical race theorists have presented new paradigms for understanding racial injustice and new ways of seeing the links between race, gender, sexual orientation, and class. This reader, edited by the principal founders and leading theoreticians of the critical race theory movement, gathers together for the first time the movement's most important essays.

How to Read a Paper - Trisha Greenhalgh 2010-11-18

How to Read a Paper describes the different types of clinical research reporting, and explains how to critically appraise the publications. The book provides the tools to find and evaluate the literature, and implement the findings in an evidence-based, patient-centered way. Written for anyone in the health care professions who has little or no knowledge of evidence-based medicine, it provides a clear understanding of the concepts and how to put them into practice at the basic, clinical level. Changes for the 4th edition The fourth edition will include two new chapters on important developments in health care research and delivery, but otherwise retains its original style, size, and scope. New chapter on quality improvement - describing papers on quality improvement projects using ebm methods; this will extend the readership to non clinical health care professionals working in hospitals and family practice, and to nurse specialists and practice nurses working in this field New chapter on complex interventions - how to set up research projects involving both qualitative and quantitative methodology (known as mixed methods) Thorough revision and updating of existing chapters and references New illustrations - diagrammatic representations of ebm concepts

Government Auditing Standards - 2018 Revision - United States

Government Accountability Office 2019-03-24

Audits provide essential accountability and transparency over government programs. Given the current challenges facing governments and their programs, the oversight provided through auditing is more critical than ever. Government auditing provides the objective analysis and information needed to make the decisions necessary to help create a better future. The professional standards presented in this 2018 revision of Government Auditing Standards (known as the Yellow Book) provide a framework for performing high-quality audit work with competence, integrity, objectivity, and independence to provide accountability and to help improve government operations and services. These standards, commonly referred to as generally accepted government auditing standards (GAGAS), provide the foundation for government auditors to lead by example in the areas of independence, transparency, accountability, and quality through the audit process. This revision contains major changes from, and supersedes, the 2011 revision.
