New Cambridge Advanced English Student's Book - Leo Jones 1998-09-10

New Cambridge Advanced English is the revised and updated edition of the popular Cambridge Advanced English. The course has been completely redesigned in full colour and its stimulating reading and listening extracts have been supplemented with new authentic reading texts and interviews. Theme units, providing practice in spoken and written fluency, alternate with language units which develop accuracy in

grammar, vocabulary, functions and pronunciation. In addition, New Cambridge Advanced English now contains exam-style exercises designed specifically to prepare candidates for the Cambridge CAE exam. The approach to the exam is low-key, however, with guidance and notes on exam-style exercises given in the Teacher's Book only. When used in conjunction with CAE Practice Tests, New Cambridge Advanced English makes the ideal preparation for the exam, and is especially suitable for mixed classes of exam candidates and non-candidates.

Race, Recognition and Retribution in Contemporary Youth Justice - Esmorie Miller 2022-01-31

Race, Recognition and Retribution in Contemporary Youth Justice provides a cross-national, sociohistorical investigation of the legacy of racial discrimination, which informs contemporary youth justice practice, in Canada and England. The book links racial disparities in

youth justice, especially exclusion from ideologies of care and notions of future citizenship, with historical practices of exclusion. Despite the logic of care, found in both rehabilitative and retributive forms of youth justice, Black inner-city youth remain excluded from lenience and social welfare considerations. This exclusion reflects a historical legacy of racial discrimination apparent in the harsher sanctions levied against Black, innercity youth. In exploring race's role in this arrangement, the book asks: To what extent were Black youth excluded from historic considerations of the lenience and social care, built into the logic of youth justice in England and Canada? To what extent are the disproportionately high incarceration rates, for Black, inner-city youth in the contemporary system, a reflection of a historic exclusion from considerations of lenience and social care? How might contemporary justice efforts be reoriented to explicitly prioritize considerations of lenience

and social care ahead of penalty for Black, inner-city youth? Examining the entrenched structural continuities of racial discrimination, the book draws on archival and interview data, with interviewees including professionals who work with inner-city youth. In concert with the archival and interview data, the book offers the Intractability, Malleability I/M thesis, an integrated social theoretical logic with the capacity to expand the customary analytical scope for understanding the contemporary entrenched normalization of racialized youth as punishable. The aim is to advance a historicized account, exploring youth's positioning as constitutive of a continuity of racialized peoples', in general, and youth's, in particular, historic exclusion from the benefits of modern rights, including lenience and care. The I/M logic takes its analytical currency from a combined critical race theory (CRT) and recognition theory. The book argues that a truly progressive era of youth justice necessitates cultivating policy and

practice which explicitly prioritizes considerations of lenience and social care, ahead of reliance on penalty. This multidisciplinary book is valuable reading for academics and students researching criminology, sociology, politics, anthropology, critical race studies, and history. It will also appeal to practitioners in the field of youth justice, policymakers, and third-sector organizations.

Crime and Punishment - Fyodor Dostoyevsky
1992

Jessie Coulson's translation provides the text for the Third Edition of this acclaimed Norton Critical Edition.

Touchstone Level 4 Student's Book A -
Michael McCarthy 2014-01-09

Commercial West - 1926

The Cambridge CAE Course Self-Study Student's Book - Mary Spratt 2000-09-28

This popular CAE course has been revised

according to the December 1999 specifications.

Crime, Punishment, and Policing in China -
Børge Bakken 2005

Crime has long been a silent partner in China's march to modernization, just as law and order has become increasingly important in legitimizing the Chinese regime. This groundbreaking volume offers the first systematic exploration of the social, economic, political, legal, and practical parameters of crime and control, locating them within a broader milieu of turbulent development and transition. A multidisciplinary group of leading scholars draw on a rich body of empirical data and rare archival research to develop a theoretical, comparative, and historical context for understanding contemporary Chinese crime, policing, and punishment. All those interested in modern and contemporary Chinese politics, law, and society, as well as in comparative criminology and law, will find this work an invaluable resource. Visit our website for sample

chapters!

Touchstone Level 4 Student's Book - Michael
McCarthy 2014-01-09

Touchstone, together with Viewpoint, is a six-level English program based on research from the Cambridge English Corpus. Touchstone uses a corpus-informed syllabus ensuring students are learning the language that people really use. Activities include a strong focus on inductive learning, personalized practice, and encouraging learner autonomy. Each Student's Book contains approximately 90 hours of material across 12

topic-based units - with additional grammar and pronunciation practice added for the Second Edition. Student's Book, Level 4 is at the intermediate CEFR level (B1-B2).

Words Count - Laraine E. Flemming 2014-01-06
WORDS COUNT teaches key vocabulary terms based on the premise that individuals learn best by seeing words repeatedly in different contexts-not through rote memorization. These vocabulary terms appear in increasing levels of difficulty throughout the text, and have been carefully selected to highlight essential words that college students will frequently encounter in their readings. Extensive practice opportunities appear in each chapter, in addition to end-of-unit tests. Crime, Punishment, and Responsibility -

Rowan Cruft 2011-07-14

For many years, Antony Duff has been one of the

world's foremost philosophers of criminal law. This volume collects essays by leading criminal law theorists to explore the principal themes in his work. In a response to the essays, Duff clarifies and develops his position on central problems in criminal law theory. Some of the essays concentrate on the topic of criminalization. That is, they examine what forms of conduct (including attempts, offensiveness, and negligence) can aptly qualify as criminal offences, and what principled limits, if any, should be placed on the reach of the criminal law. Several of the other essays assess the thesis that punishment is justifiable as a form of communication between offenders and their community. Those essays examine the presuppositions (about the nature and function of community, and about the moral structure of atonement) that must be embraced if communication is to be a primary role for punishment. The remaining essays examine the nature and limits of responsibility in the law, as

they engage with philosophical debates over 'moral luck' by investigating the ways in which the law can legitimately hold people responsible for events that were not within their control. These chapters tie the first and third parts of the book together, as they explore the relationship between the principles that determine a person's responsibility and the principles that determine which types of actions can appropriately be criminalized. Finally, Duff responds with comments that seek to defend and clarify his views while also acknowledging the correctness of some of the critics' objections.

Legacies of the International Criminal Tribunal for the Former Yugoslavia - Carsten Stahn 2020-06-10

The International Criminal Tribunal for the former Yugoslavia (ICTY) is one of the pioneering experiments in international criminal justice. It has left a rich legal, institutional, and non-judicial legacy. This edited collection provides a broad perspective on the contribution of the

tribunal to law, memory, and justice. It explores some of the accomplishments, challenges, and critiques of the ICTY, including its less visible legacies. The book analyses different sites of legacy: the expressive function of the tribunal, its contribution to the framing of facts, events, and narratives of the conflict in the former Yugoslavia, and investigative and experiential legacies. It also explores lesser known aspects of legal practice (such as defence investigative ethics, judgment drafting, contempt cases against journalists, interpretation and translation), outreach, approaches to punishment and sentencing, the tribunals' impact on domestic legal systems, and ongoing debates over impact and societal reception. The volume combines voices from inside the tribunal with external perspectives to elaborate the rich history of the ICTY, which continues to be written to this day.

Cambridge Vocabulary for IELTS Advanced Band 6.5+ Without Answers - Pauline Cullen

2012-01-26

All the vocabulary you need for IELTS success! Cambridge Vocabulary for IELTS Advanced focuses on moving students to 6.5 and beyond by working on vocabulary-building strategies necessary for success at advanced levels. The Audio CD contains the listening and pronunciation exercises from each unit. The material is suitable for self-study or homework tasks, and may also be used in class with the teacher.

Reading, Writing, and Errant Subjects in Inquisitorial Spain - Ryan Prendergast
2016-03-23

Reading, Writing, and Errant Subjects in Inquisitorial Spain explores the conception and production of early modern Spanish literary texts in the context of the inquisitorial socio-cultural environment of the sixteenth and seventeenth centuries. Author Ryan Prendergast analyzes instances of how the elaborate censorial system and the threat of punishment that both the Inquisition and the Crown

deployed did not deter all writers from incorporating, confronting, and critiquing legally sanctioned practices and the exercise of institutional power designed to induce conformity and maintain orthodoxy. The book maps out how texts from different literary genres scrutinize varying facets of inquisitorial discourse and represent the influence of the Inquisition on early modern Spanish subjects, including authors and readers. Because of its incorporation of inquisitorial scenes and practices as well as its integration of numerous literary genres, *Don Quixote* serves as the book's principal literary resource. The author also examines the Moorish novel/ *la novela morisca* with special attention to the question of the religious and cultural Others, in particular the Muslim subject; the Picaresque novel/*la novela picaresca*, focusing on the issues of confession and punishment; and theatrical representations and dramatic texts, which deal with the public performance of ideology. The texts, which had

differing levels of contact with censorial processes ranging from complete prohibition to no censorship, incorporate the issues of control, intolerance, and resistance. Through his close readings of Golden Age texts, Prendergast investigates the strategies that literary characters, many of them represented as legally or socially errant subjects, utilize to negotiate the limits that authorities and society attempt to impose on them, and demonstrates the pervasive nature of the inquisitorial specter in sixteenth- and seventeenth-century Spanish cultural production.

American English File 3e Level 4 Student

Book - Christina Latham-Koenig 2020-07-28

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for

successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language

assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

American English in Mind Level 3 Teacher's Edition - Brian Hart 2011-09-19

American English in Mind is an integrated, four-skills course for beginner to advanced teenage learners of American English. Cambridge Learner's Dictionary with CD-ROM - Cambridge University Press 2004-01-29

This new edition fully updated to include new words (e.g. SARS, road map, fair trade). 35,000 simple definitions on a clear, attractive page with colour headwords and thousands of example sentences. Usage notes based on the Cambridge Learner Corpus, developed in partnership with Cambridge ESOL. The new easy-to-use CD-ROM includes British and American pronunciations for every word. QUICKfind lets you look up words in the dictionary while reading electronic documents, such as web pages. SUPERwrite gives you the tools you need (e.g. verb endings, collocation information) for writing, and the unique SMART thesaurus turns the dictionary into a thesaurus at the click of a button. New interactive exercises help you prepare for exams. Copy and paste features as well as advanced search options give teachers a wealth of information for

preparing lessons and exercises.

Crime and Punishment in the England of Shakespeare and Milton, 1570-1640 - John

W. Weatherford 2001-04-20

Crime has been present in all cultures and societies, since the beginning of time. This work focuses on the punishments common in England around the time of Shakespeare and Milton, presenting descriptions of more than fifty criminal cases. Information comes from narratives printed for the popular news media at the time of the event. Details of everyday life in England and facts about the English legal environment of the era are brought to light. Also revealed through the narratives are issues present in society today--i. e., the status of women, poverty, and corruption. Individual cases are discussed under chapters devoted to specific types of crimes.

New Cambridge Advanced English Teacher's Book - Leo Jones 1998-09-10

New Cambridge Advanced English places a

strong emphasis on vocabulary, collocation and idiom. It includes CAE exam-style exercises but is suitable both for exam and non-exam candidates. This is a third edition, differing from the second edition by only one minor change in a reading passage.

Unlocking Speaking and Listening - Pam Hodson 2006

The teaching of speaking and listening has again been identified as central to children's learning and literacy development, yet it is an area in which teachers have little confidence. This book aims to address a recognized need by tackling key issues surrounding speaking and listening with rigour, depth and a strong focus on research. The contributors offer practical advice on teaching speaking and listening creatively from the Foundation Stage through Key Stages One and Two. It also covers significant inter-related areas: drama and storytelling ICT EAL gifted and talented pupils SEN. Written by expert contributors from Brunel University, this

book is a vital resource to help both trainee and practising primary teachers understand and promote the importance of speaking and listening as an effective tool for learning across the primary curriculum.

Face2face Upper Intermediate Student's Book with DVD-ROM - Chris Redston
2013-01-31

face2face Second edition is the flexible, easy-to-teach, 6-level course (A1 to C1) for busy teachers who want to get their adult and young adult learners to communicate with confidence. face2face Second edition is informed by Cambridge English Corpus and its vocabulary syllabus has been mapped to the English Vocabulary Profile, meaning students learn the language they really need at each CEFR level. The course improves students' listening skills by drawing their attention to the elements of spoken English that are difficult to understand. The free DVD-ROM in the Upper Intermediate Student's Book includes consolidation activities

and electronic portfolio for learners to track their progress with customisable tests and grammar and vocabulary reference sections.
