Fundamentals of Human Resource

Management - Raymond Noe 2010-10-04

Overview: Fundamentals of Human Resource Management, by Noe, Hollenbeck, Gerhart and Wright is specifically written to provide a complete introduction to human resource management for the general business manager. This book is the most engaging, focused and applied HRM text on the market.

Human Resource Management - Gary Dessler 2015-10

For courses in Management. Modern Human Resources: Technology, Social Media, and Management Human Resource Management provides readers with the daily tools and skills they need to function as successful managers--in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms such as LinkedIn and cloud computing. The Fifteenth Edition focuses on the positive impacts technology has had on the HR field. The ability to vet potential employees on the Internet shifts more HR responsibilities to managers, leaving HR departments with more time to carry out strategic, long-term endeavors for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares readers with everything they need to be successful managers and HR personnel in

the 21st century. Also Available with MyManagementLab® This title is available with MyManagementLab--an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. NOTE: You are purchasing a standalone product; MyManagementLab does not come packaged with this content. With this book, You'll learn how to effectively and efficiently: Individually manage each employee, starting on his or her first day. Manage a multi-generational workforce. Appraise job performance. Coach and counsel. Provide equitable pay, benefits, and total rewards strategies. Identify legal pitfalls and stay out of court. *The Essential HR Handbook* is the one HR guide every manager needs on his or her desk!

Human Resources Management in Canada - Gary Dessler 1998

Managing Human Resources - Luis R. Gomez-

Mejia 1995

This book centers on business decision-making and managerial problem-solving, consistent with today's best practices' Human Resource Management Practice and Research. Real-life cases and a global focus will hold readers' interest as this book imparts valuable information about the dynamic field of human resources. Expanded coverage of international human resource issues governs this edition of the popular book; it also covers the management of work flows, job analysis, equal opportunity and the legal environment, diversity, recruitment and selection of employees, downsizing and outplacement, performance management and appraisal, workforce training, career development, compensation management, rewards and performance, employee benefits, employee relations, employee rights and discipline, organized labor, and workplace safety and health. The reference resource for human resource directors, managers, and small business owners, as well as others in leadership positions.

Human Resource Management - Gary Dessler 2011

Impact of Diversity on Organization and Career Development - Hughes, Clarethia 2014-11-30

Today's workforce represents individuals of various backgrounds and experiences. The influence of such individuals is becoming an important component in the workplace and researchers continue to explore the challenges of understanding the connection between employee profiles and the overall success of a company. Impact of Diversity on Organization and Career Development brings together a reflective discussion on the previous approaches and strategies of companies in relation to the paradigm shift in workplace equity of today's workforce. By examining both old and new strategies, the research included in this publication will present a unique approach for future company enhancement and employee success. This publication is an essential reference source for researchers, practitioners, managers, and students interested in the effects of multicultural representation on both a company and its employees through professional

growth and advancement.

Essentials of International Human Resource Management - David C. Thomas 2013-06-28
Essentials of International Human Resource Management: Managing People Globally, by David C. Thomas and Mila B. Lazarova, provides concise coverage of key HRM concepts, balancing comparative approaches and US and non-US schools of thought. Not limited to the multinational firm, this book reflects the most current knowledge in the field and considers all types of organizations embedded in the global context. Chapter-opening vignettes (short cases) exemplify the chapter's core topics and show readers how chapter content can be applied. Extensive references make it easy for readers to explore concepts in more depth.

Ethical and Social Perspectives on Global Business Interaction in Emerging Markets -

Al-Shammari, Minwir 2016-02-10

Societal demands, needs, and perspectives of ethical and socially responsible behavior within business environments are a driving force for corporate self-regulation. As such, executives must consistently work to understand the current definition of ethical business behavior and strive to meet the expectations of the cultures and communities they serve. *Ethical and Social Perspectives on Global Business Interaction in Emerging Markets* compiles current research relating to business ethics within developing markets around the world. This timely publication features research on topics essential to remaining competitive in the modern global marketplace, such as corporate social responsibility, corporate governance, consumer behavior understanding, and ethical leadership, and how all of these components attribute to the decision making process in business environments. Business executives and managers, graduate-level students, and academics will find this publication to be essential to their research, professional, and educational needs.

Assessment Center Perspectives for Talent Management Strategies - George C. Thornton III 2014-11-27

Written by three leading scholars with vast experience in the science and practice of assessment centers (ACs), this is the first volume to comprehensively integrate variations of the assessment center method with alternative talent management strategies. A useful reference guide, it examines the many ways in which organizations can apply the assessment center method to achieve their talent management goals. It provides balanced and in-depth coverage of theory, research, and practice pertaining to the dimension-, task-, and multifaceted-perspectives on the AC method. Ideal for researchers, practitioners, and students alike, and well suited for courses in testing and measurement, personnel selection, HR planning and staffing, training and development, and organizational change, *Assessment Center Perspectives for Talent Management Strategies* is a complete and up-to-date account of the assessment center method.

Human Resources Management in Canada, Thirteenth Canadian Edition, Loose Leaf

Hermann F. Schwind 2019

Social Issues in the Workplace: Breakthroughs in Research and Practice - Management

Association, Information Resources 2017-11-30

Corporations have a social responsibility to assist in the overall well-being of their employees through the compliance of moral business standards and practices. However, many societies still face serious issues related to unethical business practices. *Social Issues in the Workplace: Breakthroughs in Research and Practice* is a comprehensive reference source for the latest scholarly material on the components and impacts of social issues on the workplace. Highlighting a range of pertinent topics such as business communication, psychological health, and work-life balance, this multi-volume book is ideally designed for managers, professionals, researchers, students, and academics interested in social issues in the workplace.

Essentials of Public Health Management - Fallon Jr 2011-05-04

Written for both professionals and students, *Essentials of Public Health Management* is a practical, nontheoretical reference that will prepare the reader for the hands-on management and daily operations of a complex public health department or agency.

Human Resource Management - Barry Gerhart 2019-03-04

Steen/Noe Fifth Canadian Edition has been written to make HR more accessible to students, more reflective of their situation, and more about them. Today, every manager is "in HR", and every employee is actively engaged in the process of HRM, regardless of whether they aspire to be a manager or an HR professional. Students will experience HRM every day of their working lives, from how they are perceived by recruiters to completing a performance appraisal, to being promoted or fired. When students ask "What's In It For Me?", the *Fifth Canadian Edition* will show them just how relevant HRM is to them as people, employees and eventually managers. This easy to read and

relevant 11 chapter human resource management text is ideal for a one-semester course. Steen/Noe balances theory with practical application and rich examples that support the need for foundational HRM, thought leadership and applied insight necessary to perform and thrive in organizations today.

Management of Human Resources - Gary Dessler 2014-02-28

Dessler: Preparing today's students to be tomorrow's HR Professionals Management of Human Resources: The Essentials, Fourth Canadian Edition, brings both human resources and non-human resources students into the current and comprehensive discussion on the ways in which human resources are among the most important assets in organizations today. Cross-Cultural Performance Management - Mahmoud Moussa 2022

The book's foundations informing its content are anchored to evidence-based primary data, which was collected in the Thailand context utilising interview and case study techniques. The data has been internationally scrutinized by our peers to validate its truthfulness and integrity. In this way, our book sheds reliable and valid new understandings on the complex relationship between performance management and the effects of culture. Dr Mahmoud Moussa is a lecturer/tutor and researcher at the College of Business and Law, School of Management at RMIT University and Holmes Institute, Melbourne, Australia. Dr Thomas M Doumani,

leadership/cross-cultural management industry practitioner, 40-year career, plus latterly, researcher/lecturer/tutor at RMIT University 10-year career. Professor McMurray is Professor of Management/HRM and Innovation at Flinders University, South Australia. She is an international award-winning professor with over 360 publications and recipient of major grants. Dr Muenjohn is a researcher and educator at RMIT University, Australia. His research has been achieved through various research collaborations in the Asia-Pacific region. Dr Ling Dengs research focuses on cross-cultural management, international business and migrant entrepreneurship. She was also a practitioner of cross-cultural management for years.

Human Resource Management - Dessler Gary 2011

Human Resource Management - Gary Dessler 2000

Human Resource Management provides readers with a complete, comprehensive review of essential personnel management concepts and techniques in a highly readable and understandable form. Coverage emphasizes essential themes throughout the book, including the building of better, faster, more competitive organizations through HRM; practical applications that help all managers deal with their personnel-related responsibilities; and technology and HR. Specific topics include the strategic role of human resource management; equal opportunity and the law; job analysis; personnel planning and recruiting; employee testing and selection; interviewing candidates; training and developing employees; managing organizational renewal; appraising performance; managing careers and fair treatment; establishing pay plans; pay-for-performance and financial incentives; benefits and services; labor relations and collective bargaining; employee safety and health; managing human resources in an international business; human resources information systems and technology. For practicing Human Resource Managers as well as any business managers who deal with human resource/personnel issues.

Human Resources Management and Ethics - Ronald R. Sims 2021-01-01

Human Resources Management and Ethics:

Responsibilities, Actions, Issues, and Experiences, explores and provides an in-depth look at the responsibilities, actions, issues and experiences related to HRM and ethics for individual employees, organizations and the broader society. Like other departments in the broader organization HRM professionals will need to increasingly demonstrate how they contribute to an organization's ethical orientation and overall performance or success. While the ethical challenges, trends, and issues impacting employees, organizations and HRM professionals will continue to change over the years (consider the recent ethical challenges related cybersecurity and data breaches) the bottom-line of organization success is the clear reality that doing the right thing or institutionalizing an ethical culture or character is just as important to various stakeholders. The chapters in this book provide an updated, current and future look at the relationship between HRM and ethics and across various sectors or organizations (i.e. public, private, not-for-profit, academic, etc.). That is, this book discusses the ever evolving role of HRM professionals to include discussion of how the profession continues to take on more responsibility for developing and institutionalizing an ethical culture in their organizations, industries and the broader society. The book also contributes to the need for ongoing dialogue, discussion or insights offered by HRM experts on what HRM professionals and their organizations can do in the face of ethical expectations, challenges and scandals. In the end, the book is intended to increase our understanding of the ethical responsibilities, actions, issues and experiences that arise both within HRM and in HRM's interactions with individuals and organizations.

Human Resource Management - Robert L. Mathis 2004

This market-leading text takes a pragmatic approach emphasizing the strategic role of human resources. Comprehensive, research-based coverage includes all major topics identified on the Human Resource Certification Institutes Content Outline. Coverage includes a global chapter, expanded coverage of diversity, new material on performance management, and current hot topics such as self-directed work

teams, shamrock organization, broadbanding, competency-based pay systems, job security, violence in the workplace, and how organizational commitment affects production, quality, and service.

Cases on Management and Organizational Behavior in an Arab Context - Khoury, Grace C. 2014-01-31

"This book provides a presentation of teaching cases emphasizing the positive and negative experiences on a variety of management topics, focusing on organizational behavior and leadership in Arab countries and the impact of culture in management and behavior"--Provided by publisher.

Fundamentals of Human Resource Management - Gary Dessler 2018-01-04

Research Anthology on Human Resource Practices for the Modern Workforce - Management Association, Information Resources 2021-12-30

Human resource departments have been a crucial part of business practices for decades and particularly in modern times as professionals deal with multigenerational workers, diversity initiatives, and global health and economic crises. There is a necessity for human resource departments to change as well to adapt to new societal perspectives, technology, and business practices. It is important for human resource managers to keep up to date with all emerging human resource practices in order to support successful and productive organizations. The Research Anthology on Human Resource Practices for the Modern Workforce presents a dynamic and diverse collection of global practices for human resource departments. This anthology discusses the emerging practices as well as modern technologies and initiatives that affect the way human resources must be conducted. Covering topics such as machine learning, organizational culture, and social entrepreneurship, this book is an excellent resource for human resource employees, managers, CEOs, employees, business students and professors, researchers, and academicians.

Personnel Management - Gary Dessler 1978

Human Resource Management - Robert L. Mathis 2010-08-19

Put the authoritative resource for human resource management into the hands of your students with Mathis/Jackson's HUMAN RESOURCE MANAGEMENT, Thirteenth Edition. The best-selling HR text worldwide, this text

offers the most current look at HR and its impact on today's organizations with new or thoroughly updated cases and more than 90 percent of the book's examples from 2006 and beyond.

Whether your students are future or currently practicing HR professionals, this text is a trusted resource in preparing for today's HR professional examinations. Updated strong academic coverage, including the latest 2009 HRCI outline, ensures this edition addresses all major topics for professional examinations (PHR, SPHR) given by the Human Resource Certification Institute (SHRM). The latest HR research, meaningful discussions, and a wealth of new and proven learning features in every chapter demonstrate how HR impacts organizational strategy. Reorganized and streamlined topics in this significant revision deliver a presentation that flows smoothly with an appropriate blend of theory and practice. Students examine emerging trends in technology, globalization, and HR Metrics as they see, first-hand, how current events shape the study and practice of HR today. A complete package of teaching and learning resources, including new CourseMate online learning tools, helps you most effectively prepare today's aspiring professionals for career and future HR success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

International Human Resource Management - Peter Dowling 2013

Dowling et al is a rare instance of a textbook that has developed alongside the field - helping to shape what it is today - and remains the market leading IHRM textbook worldwide. The international author team have ensured this edition is even more international than its predecessors, whilst also remaining close to curriculum developments. New edition changes include a streamlined chapter structure and a new chapter on the cultural context of IHRM. The focus on expatriates has been balanced with a stronger global management emphasis throughout. The content also reflects the current economic climate, including greater coverage of turbulence for IHRM and issues of employee separation. There is also expanded coverage of business ethics, outsourcing, emerging markets

and small medium enterprises. In addition the new edition includes a wealth of case study material and class discussion material. A fully tailored CourseMate and Instructor's website will also be available to adopters. MARKET: Dowling et al is a core textbook for "International HRM" modules (IHRM) as taught at intermediate and postgraduate levels on all HRM programmes and the majority of broad-based business programmes. It is also used on some "International Management" modules. This textbook is autopackaged with CourseMate. CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the printed

textbook and the textbook-specific website. CourseMate includes an integrated eBook and interactive teaching and learning tools including quizzes, flashcards, videos, and more and an EngagementTracker, a first-of-its-kind tool that monitors student engagement in the course. *A Framework for Human Resource Management* - Gary Dessler 2012-07
