Holiday Gift Guide

Recommended by Rachael Ray
as the perfect holiday gift

Featured in InStyle's Holiday
Gift Guide Juno Valentine's
favorite shoes don't light up.

They don't have wheels. They
are, to be perfectly honest, the
tiniest bit boring. But they're
still her favorite muddy-puddle-
jumping, everyday-is-an-
adventure shoes. One day,

when they go missing, Juno
discovers something amazing:
a magical room filled with
every kind of shoe she could
possibly imagine! Juno
embarks on an epic journey
through time and space,
stepping into the shoes of
female icons from Frida Kahlo
and Cleopatra to Lady Gaga
and Serena Williams. Each pair
of shoes Juno tries brings a
brand new adventure—and a
step towards understanding
that her very own shoes might
be the best shoes of all.

The Prairie Homestead

Cookbook - Jill Winger

2019-04-02

Jill Winger, creator of the award-winning blog The Prairie Homestead, introduces her debut The Prairie Homestead Cookbook, including 100+ delicious, wholesome recipes made with fresh ingredients to bring the flavors and spirit of homestead cooking to any kitchen table. With a foreword by bestselling author Joel Salatin The Pioneer Woman Cooks meets 100 Days of Real Food, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming

ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious for all ages. "Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming stories of her unique adventure into homesteading. These recipes are ones I know I will be using regularly in my kitchen." - Eve Kilcher These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares 17 bonus recipes

Downloaded from
verdaddigital.com on by

for homemade sauces, salt rubs, sour cream, and the like—staples that many people are surprised to learn you can make yourself. Beyond these recipes, *The Prairie Homestead Cookbook* shares the tools and tips Jill has learned from life on the homestead, like how to churn your own butter, feed a family on a budget, and experience all the fulfilling satisfaction of a DIY lifestyle.

Little House Living - Merissa A. Alink 2021-02-23

The immensely popular blogger behind Little House Living provides a timeless and "heartwarming guide to modern homesteading" (BookPage) that will inspire you to live your life simply and

frugally—perfect for fans of The Pioneer Woman and The Hands-On Home. Shortly after getting married, Merissa Alink and her husband found themselves with nothing in their pantry but a package of spaghetti and some breadcrumbs. Their life had seemingly hit rock bottom, and it was only after a touching act of charity that they were able to get back on their feet again. Inspired by this gesture of kindness as well as the beloved Little House on the Prairie books, Merissa was determined to live an entirely made-from-scratch life, and as a result, she rescued her household budget—saving thousands of dollars a year. Now, she reveals the powerful and moving lessons she's learned after years of homesteading, homemaking, and cooking from scratch. Filled with charm, practical advice, and gorgeous full-color photographs, Merissa shares everything from tips on budgeting to natural, easy-to-make recipes for taco seasoning mix, sunscreen, lemon poppy hand scrub,

furniture polish, and much more. Inviting and charming, Little House Living is the epitome of heartland warmth and prairie inspiration.

Make It Up - Marie Rayma
2016-12-27

Ever think of making your own beauty products -- handmade, high performance, healthy alternatives to just about every chemical laden product you currently put on your face and body? It's easier than you think! In *Make It Up* author Marie Rayma shares the recipes she has developed through years of trial, error, and testing to come up with the very best. This is real makeup and skincare: bright lipsticks, quality mineral powders, long-wearing eyeliners, and masks and cleansers that yield results. Rayma walks you through natural ingredients available online or at health food stores. These awesome oils, butters, clays, and minerals will replace the petroleum products, artificial colors, and lab-created mystery fragrances that have untold effects on our bodies. Products

can be tailored for individual needs -- from swapping out ingredients not suitable for sensitive skin to whipping up the perfect colors suited for any complexion. With easy-to-follow instruction, *Make It Up* provides more than 40 essential cosmetics and skin care projects so you can make just what you want, when you need it.

avid DIYers and beginning garment sewists looking to try something new.

The Great Fitness

Experiment - Charlotte Hilton Andersen 2011

A Huffington Post writer describes the results of an intriguing experiment, wherein she tried a different workout regimen each month for a year to find out what works, what doesn't and what is just plain bizarre, in a book that looks at such routines as Cross Fit Training, the Action Hero Workout, Going Vegan, Double Cardio and more. Original.

[The Innovation Formula](#) - Dr. Amantha Imber 2016-02-19

A practical guide to innovation strategies based on fact, not feeling The Innovation Formula delivers strategies for building a culture where innovation can thrive, based on actual scientific research. Author Amantha Imber holds a PhD in organisational psychology, and has been called upon by a multinational roster of forward-thinking companies—such as Google, Disney, LEGO and Virgin—to improve innovation

at all levels. In this book, she shares her strategies and helps you tap into a substantial body of scientific research to help further innovative practice within your own company. For example, rewarding failed innovations can actually be a critical aspect of building an innovation culture. It's rarely done, but it fosters creative thought by signaling to people that failure is tolerated and is a necessary ingredient in the pursuit of innovation. This kind of practical, easily implemented strategy is the lynchpin of cultural change. This guide shares fourteen separate, yet interconnected strategies for improving your company's innovation culture, and provides illustrative examples of real-world companies who are putting these plans into action. Business innovation guides tend to focus on how one company does it. But it's not your company, and just because it worked for Google or Apple doesn't mean that it's right for you. This book is different; these techniques are

*Downloaded from
verdaddigital.com on by
guest*

based on science, not gut feeling, and can apply to any organisation, at any level. Delve into the science behind successful culture shift For best results, reward innovation, whether or not it succeeds Learn the critical elements that foster organisation-wide creativity Implement practical strategies based on evidence, not anecdotes Fostering a culture of innovation means making your company a safe space for new ideas. Over 95% of business leaders surveyed get it wrong, because intuition cannot compete with data. The Innovation Formula gives you a science-based framework for turning your organisation into one where innovation survives and thrives.

Essential Oil Safety - E-Book - Robert Tisserand 2013-12-02
The second edition of this book is virtually a new book. It is the only comprehensive text on the safety of essential oils and the first review of essential oil/drug interactions and provides detailed essential oil constituent data not found in any other text. Much of the

existing text has been re-written, and 80% of the text is completely new. There are 400 comprehensive essential oil profiles and almost 4000 references. There are new chapters on the respiratory system, the cardiovascular system, the urinary system, the digestive system and the nervous system. For each essential oil there is a full breakdown of constituents, and a clear categorization of hazards and risks, with recommended maximum doses and concentrations. There are also 206 Constituent Profiles. There is considerable discussion of carcinogens, the human relevance of some of the animal data, the validity of treating an essential oil as if it was a single chemical, and the arbitrary nature of uncertainty factors. There is a critique of current regulations.

Work Wife - Erica Cerulo
2019-03-05

Get inspired by the women who discovered that working with your best friend can be the secret to professional success—and maybe even the

Downloaded from
verdaddigital.com on by
guest

future of business—from the co-founders of the website *Of a Kind*. “Read this, then plot your own work-wife-driven empire.”—*Glamour* When Erica Cerulo and Claire Mazur met in college in 2002, they bonded instantly. Fast-forward to 2010, when they founded the popular fashion and design website *Of a Kind*. Now, in their first book, Cerulo and Mazur bring to light the unique power of female friendship to fuel successful businesses. Drawing on their own experiences, as well as the stories of other thriving “work wives,” they highlight the ways in which vulnerability, openness, and compassion—qualities central to so many women’s relationships—lend themselves to professional accomplishment and innovation. Featuring interviews with work wives such as Amanda Hesser and Merrill Stubbs of the influential food community site *Food52*, Ann Friedman, Aminatou Sow, and Gina Delvac of the hit podcast *Call Your Girlfriend*, and Misty May-Treanor and Kerri Walsh Jennings of

Olympic volleyball fame, *Work Wife* addresses a range of topics vital to successful partnerships, such as being co-bosses, tackling disagreements, dealing with money, and accommodating motherhood. Demonstrating how female partnerships in the office are productive, progressive, and empowering, Cerulo and Mazur offer an invaluable roadmap for a feminist reimaging of the workplace. Fun, enlightening, and informative, *Work Wife* is a celebration of female friendship and collaboration, proving that it's not just feasible but fruitful to mix BFFs with business. Praise for *Work Wife* “Is the old adage ‘Friends and business don’t mix’ true? Not according to college friends Cerulo and Mazur, who translated their love of fashion and desire to support emerging fashion designers into a successful business, the e-commerce site *Of a Kind*. . . . By exploring topics such as setting expectations, defining roles, dividing responsibility, dealing

with finances, and addressing disputes, they deftly demonstrate how female friendships produce empowering business partnerships. . . . This insightful, engaging work is an essential guidebook for friends considering a business collaboration.”—Library Journal (starred review)

“Engaging and thoughtful, Work Wife champions strong relationships, healthy attitudes, and pragmatic decision-making—an excellent primer for women interested in creating their own opportunities.”—Booklist (starred review)

Professional Troublemaker - Luvvie Ajayi Jones 2021-03-02
INSTANT NEW YORK TIMES BESTSELLER From the New York Times bestselling author of I'm Judging You, a hilarious and transformational book about how to tackle fear--that everlasting hater--and audaciously step into lives, careers, and legacies that go beyond even our wildest dreams Luvvie Ajayi Jones is known for her trademark wit,

warmth, and perpetual truth-telling. But even she's been challenged by the enemy of progress known as fear. She was once afraid to call herself a writer, and nearly skipped out on doing a TED talk that changed her life because of imposter syndrome. As she shares in Professional Troublemaker, she's not alone. We're all afraid. We're afraid of asking for what we want because we're afraid of hearing "no." We're afraid of being different, of being too much or not enough. We're afraid of leaving behind the known for the unknown. But in order to do the things that will truly, meaningfully change our lives, we have to become professional troublemakers: people who are committed to not letting fear talk them out of the things they need to do or say to live free. With humor and honesty, and guided by the influence of her professional troublemaking Nigerian grandmother, Funmilayo Faloyin, Luvvie walks us through what we must get right within ourselves before

Downloaded from
verdaddigital.com on by
guest

we can do the things that scare us; how to use our voice for a greater good; and how to put movement to the voice we've been silencing--because truth-telling is a muscle. The point is not to be fearless, but to know we are afraid and charge forward regardless. It is to recognize that the things we must do are more significant than our fears. This book is about how to live boldly in spite of all the reasons we have to cower. Let's go!

Cosmetic Formulation -

Heather A.E. Benson

2019-04-05

Winning with Social Media - Michelle Sherman 2016-10-07

Litigation is about winning. It's not like a game of horseshoes, where coming close is good enough. Placing second is not something that gets and keeps clients. Now flash forward to the social media era of Facebook, Twitter, Instagram, Snapchat—and the list could go on and on, with new sites

Downloaded from verdaddigital.com on by guest

springing up and gaining traction all the time. Social media—once the stomping grounds of a youthful, tech-savvy generation—is a phenomenon with an incredible impact in the legal arena. The oversharing that happens on social networking sites can make or break a case—and what's more, the online landscape is ever changing, ever morphing and evolving, nearly at the lightning speed of technology itself. It may sound like a brave new world out there (and it is), but the good news is that you can quickly get up to speed and have a desktop guide at your fingertips. And, once you become comfortable with social media, you're going to be pleasantly surprised by how much helpful evidence can be found on social networking sites. That's where *Winning with Social Media* comes in. In this new book by attorney Michelle Sherman, you'll discover how this modern form of evidence plays a key role in cases ranging from divorce and child custody to wrongful

termination, from narcotics trafficking to invasion of privacy, from breach of contract to intellectual property, from DUI to professional malpractice. You'll learn how to:

- conduct informal discovery for getting social media discovery from the opposition
- execute personal service through social media when all else fails
- lay a rock-solid foundation to get online posts admitted into evidence
- overcome objections in discovery and at trial
- authenticate "ownership" of social media accounts and the incriminating posts made to them
- keep your clients from sinking their case through "loose lips" on social media
- use and monitor social media posts— not just from the parties, but witnesses, jurors, and even the judge—from start to finish in your case

What you won't come away with, Sherman advises, is any reassurance that you can ignore social media in your litigation matters. Lawyers who do or who dismiss its relevance do so at their clients' peril. In

Downloaded from
verdaddigital.com *on by*

Skin Deep - Bee Shapiro
2017-09-12

The New York Times beauty writer gets the world's most photographed people to share their intimate rituals in "the utmost authority on all things beauty" (Bobbi Brown). *Skin Deep* explores the surprising role that beauty plays in the lives of everyone from ballet dancers to musicians, models to powerful entrepreneurs. Beauty writer Bee Shapiro reveals the secrets of more than forty beauty icons, including their daily skin care regimens, opinions on makeup, hair care, diet and exercise, and the way beauty has evolved for each person over the course of his or her life. You'll learn how Kylie Jenner

gets Instagram-ready; the preferred face mask of supermodel Natalia Vodianova; what beauty staples Olympian Allyson Felix uses off the track; and exactly what makes Martha Stewart's skin-care regimen cost \$2,000. Including ten new subjects, alongside favorites like Gwyneth Paltrow, Priyanka Chopra, and Anna Kendrick, plus sidebars and photography, *Skin Deep* takes an intriguing look at contemporary beauty, not only through entertaining celebrity interviews, but with in-depth guidance from experts like Christophe Robin and Patrick Ta.

Be Your Own Makeup Artist
- Natalie Setareh 2019-06-28
You DESERVE to know how to wear makeup. Period. This 60+ page manual contains everything you need to know to become your own makeup artist. That doesn't mean you have to wear makeup everyday. You don't even have to wear a lot of makeup when you choose to. However, knowing how to wear makeup for those special occasions of your life is such an

The Girl's Guide - Melissa Kirsch 2015-04-07

A colossal cheat sheet for your post-college years, answering all the needs of the modern woman—from mastering money to placating overly anxious parents, from social media etiquette to the pleasure and

pain of dating (and why it's not a cliché to love yourself first). A perfect combination of tried-and-true advice and been-there tips, it's a one-stop resource that includes how to clean up your digital reputation, info on finding an apartment you can afford and actually want to live in, and why you should exercise the delicate art of defriending. Plus the fundamentals, from health (mental and physical) to spirituality to ethics to fashion, all delivered in Melissa Kirsch's fresh, personal, funny voice—as if your best friend were giving you the best and smartest advice in the world.

Is You Okay? - GloZell Green 2016-06-07

A fun, inspiring memoir from “the Queen of YouTube” about her journey from anonymity in Florida to massive popularity on the Internet, filled with the unlikeliest of stories that are as poignant as they are hilarious “Is you okay? Is you good? Cuz I want to know!” Eager to entertain, dedicated to making people laugh, comedian and video superstar GloZell Green

is game for any challenge, no matter how silly, gross, or absurd. Her crazy video stunts have propelled her into the ranks of legendary funny ladies such as Ellen DeGeneres, Whoopi Goldberg, Tina Fey, Carol Burnett, Lucille Ball, and Phyllis Diller—and made her an inspiring icon for a new generation. With this funny and liberating book, GloZell uses the stories from her winding journey to unbelievable success to help her fans and young women everywhere navigate the obstacles we all face in life, while helping them find the greatness unique to each of them, inside and out. Is You Okay? speaks truth about the elements of life we wrestle with every day—empowerment, love, body image, school, work, family, relationships, failure, success. GloZell introduces some of her most outlandish, funny, and unforgettable video challenges and uses each to explore a serious yet common hurdle. Sharing formative stories and insights from her own life, she encourages young women to learn to love their

body, break free of their shell, and carve out their own identity. Making the connection between hilarious physical challenges and meaningful personal challenges, GloZell shows that we're all in this together.

"Everything isn't just gonna be okay. It doesn't just have to be good," she reminds us. "It can be great (even with a spoonful of pepper in your mouth)."

My Darling Lemon Thyme - Emma Galloway 2015-11-10
Vegetarian, gluten-free meals, small bites, and sweets to feed the whole family Think eating real food and pleasing all the palates in a busy family with young kids is impossible? My Darling Lemon Thyme's Emma Galloway inspires you to think again. Now available for the first time in the US, popular special diets blogger Emma Galloway's family cookbook, My Darling Lemon Thyme, is a collection of 100 recipes that reflect the philosophy that natural, whole food should be flavorful, fun, and easy to prepare. Beyond just recipes, we savor Emma's stories about

life with a young, energetic family too. Meant for anyone who loves great food that is also good for you, these delightfully fresh recipes are 100% vegetarian and gluten-free—icing on the (naturally sweetened) cake. You'll find foods your grandparents would recognize, not the food-like products humankind has developed to make our lives easier but which seem to make us ever more unhealthy. Beyond any labels, this book is less about eliminating and more about embracing food as it's supposed to be: whole and unadulterated, fresh from the earth, prepared with minimal

fuss, and eaten in a way that nourishes our bodies. Emma's personal belief is that everyone can benefit from eating less wheat, meat, and dairy in their diet. But her recipes are not just for those with food intolerances or allergies or for vegetarians. The recipes are for everyone who wants to enjoy a better life and celebrate nutritious, wholesome, real cooking. Quite simply, *My Darling Lemon Thyme* offers us another way of eating, living, and being in the world, and in the kitchen. Extensive pantry-stocking instructions and a glossary are included.
