Five Doubts - Mary Caponegro 1998

Within these fictional meditations on Antiquity, the Renaissance, and contemporary life, she creates a tension between spirituality and materiality, between nature and culture, leveling artifice to blood and bone, as the first stage of a complex metamorphosis.

Performance and Popular Music - Ian Inglis 2017-07-05

Since the emergence of rock'n'roll in the early 1950s, there have been a number of live musical performances that were not only memorable in themselves, but became hugely influential in the way they shaped the subsequent trajectory and development of popular music. Each, in its own way, introduced new styles, confronted existing practices, shifted accepted definitions, and provided templates for others to follow.

Performance and Popular Music explores these processes by focusing on some of the specific occasions when such transformations occurred. An international array of scholars reveal that it is through the (often disruptive) dynamics of performance - and the interaction between performer and audience - that patterns of musical change and innovation

can best be recognised. Through multi-disciplinary analyses which consider the history, place and time of each event, the performances are located within their social and professional contexts, and their immediate and long-term musical consequences considered. From the Beatles and Bob Dylan to Michael Jackson and Madonna, from Woodstock and Monterey to Altamont and Live Aid, this book provides an indispensable assessment of the importance of live performance in the practice of popular music, and an essential guide to some of the key moments in its history.

A Concise History of Medieval Latin Hymnody - Joseph Szövérfy 1985

Science in the Kitchen and the Art of Eating Well - Pellegrino Artusi 2003-12-27

First published in 1891, Pellegrino Artusi's *La scienza in cucina e l'arte di mangiar bene* has come to be recognized as the most significant Italian cookbook of modern times. It was reprinted thirteen times and had sold more than 52,000 copies in the years before Artusi's death in

1910, with the number of recipes growing from 475 to 790. And while this figure has not changed, the book has consistently remained in print. Although Artusi was himself of the upper classes and it was doubtful he had ever touched a kitchen utensil or lit a fire under a pot, he wrote the book not for professional chefs, as was the nineteenth-century custom, but for middle-class family cooks: housewives and their domestic helpers. His tone is that of a friendly advisor – humorous and nonchalant. He indulges in witty anecdotes about many of the recipes, describing his experiences and the historical relevance of particular dishes. Artusi's masterpiece is not merely a popular cookbook; it is a landmark work in Italian culture. This English edition (first published by Marsilio Publishers in 1997) features a delightful introduction by Luigi Ballerini that traces the fascinating history of the book and explains its importance in the context of Italian history and politics. The illustrations are by the noted Italian artist Giuliano Della Casa.

An Ethics of Personality - Agnes Heller 1996

In this closing volume of the author's trilogy, *A Theory of Morals*, Heller addresses the existence of morality after the "death of God." She explores Nietzsche's ethics of personality as exemplified in his critical engagement with Wagner's Parsifal in his *A Genealogy of Morals*, and examines the case for a non-absolutist ethics employing ideas, norms, and rules from traditional and modern moral philosophies, particularly those of Kant and Kierkegaard. Algerine Captive - Royall Tyler 2008-12

A predecessor of both the nativist humor of Mark Twain and the exotic adventure stories of Washington Irving, Herman Melville, and Richard Dana, Royall Tyler's "The Algerine Captive" is an entertaining romp through eighteenth-century society, a satiric look at a variety of American types, from the backwoods schoolmaster to the southern

gentleman, and a serious expose of the horrors of the slave trade. "In stylistic purity and the clarity with which Tyler investigates and dramatizes American manners," the critic Jack B. Moore has noted, "The Algerine Captive" "stands alone in our earliest fiction." It is also one of the first attempts by an American novelist to depict the Islamic world, and lays bare a culture clash and diplomatic quagmire not unlike the one that obtains between the United States and Muslim nations today.

Materada - Fulvio Tomizza 2000

Francesco Koslovic—even his name straddles two cultures. And during the spring of 1955, in the village of Materada on the Istrian Peninsula, his two worlds are coming apart. Materada, the first volume of Fulvio Tomizza's celebrated Istrian Trilogy, depicts the Istrian exodus of the hundreds of thousands who had once thrived in a rich ethnic mixture of

Italians and Slavs. Complicating Koslovic's own departure is his attempt to keep the land that he and his brother have worked all their lives. A picture of a disappearing way of life, a tale of feud and displacement, and imbued with the tastes, tales, and songs of his native Istria, Koslovic's story is a testament to the intertwined ethnic roots of Balkan history.

Christ Jesus and the Jewish People Today - Philip A. Cunningham
2011-03-11

Christ Jesus and the Jewish People Today explores the historical, biblical, christological, trinitarian, and ecclesiological dimensions of this crucial question: How might we Christians in our time reaffirm our faith claim that Jesus Christ is the Savior of all humanity, even as we affirm the Jewish people's covenantal life with God? This volume is the result of a transatlantic, interfaith collaboration among Boston College, Catholic Theological Union, Katholieke Universiteit Leuven, Lund University, Pontifical Gregorian University, and Saint Joseph's University. This book opens up new vistas after forty-five years of Catholic-Jewish reconciliation. Not comfortable with resting on prior accomplishments, this work is a bold step forward in Catholic searching for a closer theological bond to Judaism without giving up the differences between the two faiths. . . . Offers the cutting edge of Christian theological views of Judaism. Alan Brill Seton Hall University Stunning in its scope, erudition, and creativity, this work is without parallel or peer. . . . A watershed contribution to a new era in the Jewish-Christian encounter, as both communities increasingly take decades of dialogue experience back into their own theological workshops and, with newfound partners lending support, strive to fashion a more adequate account of God's work among us. The Bedroom - Attilio Bertolucci 2012

Poetry. Bilingual Edition. Translated from the Italian by Luigi Bonaffini. THE BEDROOM [La camera da letto] is Bertolucci's best-known work, so popular that the poet once read it to television viewers on a seven-hour program. It is a narrative poem that traces the history of the poet's family across seven generations with directness, precision and attention to everyday details, major events and fantastic surprises. Paolo Lagazzi writes in his introduction: "THE BEDROOM is a sort of a multi-novel, or a distillation of very diverse narrative forms and intuitions: a Bildungsroman and fairytale, an epoch novel, a novel-chronicle, a dramatic novel and a picaresque novel. An experimental work in the most authentic sense of the word..." "Nothing of time's essence escapes or is neglected by the author's ravenous sensibility, no less active in recording the multiple places in which existence rests (the city and the countryside, the sea and the plane, the Po river and the Maremma) in an exuberant display of forms, lights, perspectives, tonalities."—Luigi Ferrara

The Renaissance of Hebrew Literature - Nahum Slouschz 2005-12-01
Left to their fate, neglected by the authorities, and forming almost the whole of the urban population, the Jews of Lithuania, in the full glare of the eighteenth century, were in all essentials an autonomous community with Jewish national and theocratic features....Lithuanina, in fine, was the promised land of Rabbinism, in which everything favored the development of a national Jewish centre. -from "'Humanism in Russia" Originally published in French in 1909 as the author's doctorate thesis at the University of Paris, this celebratory but scholarly work examines the rebirth of Hebrew as a literary language and offers an accessible survey of the literature it has produced, by a "grievous spectacle of poets and writers who are constantly expressing their anxiety lest it disappear within them." Pan-European in scope and capturing all the romance and conflict of the works of a people newly finding their collective voice, this

is a hopeful and humanistic book, one that Jewish scholars and literature fans alike will find useful and readable. NAHUM SLOUSCHZ (1872-1966) was a Zionist activist and philosopher.

Night Conversations with Cardinal Martini: The Relevance of the Church for Tomorrow - Carlo Maria Martini 2014-05-14

Carlo M. Martini was cardinal of the largest diocese in the world, a scholar, and one of the most renowned men of the church. Georg Sporschill has worked in prisons and lived with drug-addicted street children in Romania and Moldavia. The two Jesuits met in Jerusalem and became friends: two worlds, one faith--and a passionate search for ways in which the message of Jesus of Nazareth can still be effective for tomorrow. In a series of conversations they ask what faith can mean for life, what future young people have in the church, and what must be changed so that Christianity itself has a future. The questions from young people are the catalyst for deep thought. Is the future only dark? Where are the rays of light on the horizon? What would Jesus say today?

Where the Border Stands - Roberto Ruffino

2014-10-20T00:00:00+02:00

The worth of dialogue with people who come from other cultural

traditions was the first important discovery of the ambulance drivers at the front. It led them to care for the wounded on all sides in the war and then to create university exchanges between France and the United States. The practice of intercultural dialogue is the first training experience that is offered today to the students who leave home and to the families who receive them in their homes as new children for long periods of time. As this story unfolds, it is perhaps the border that emerges as something to question - the political borders that the American Field Service ambulance drivers crossed in two world wars, and the cultural and ideological borders overcome by students, schools, and families that answered the call of AFS.

The Porthole - Adriano Spatola 2011

Fiction. Translated from the Italian by Beppe Cavatorta and Polly Geller. Recipient of the 1966 "Ferro di Cavallo" prize for a first novel, *THE PORTHOLE* was a highly praised and controversial debut. Pulling together diverse elements from the musical experiments of Cage, Schnebel and Kagel, the pictorial innovations of assemblage and pop art, x-rated comics, and dialogue from horror and World War II films, Spatola liberated his narrative from the stultifying edifice of Italian prose. *The Porthole* remains even more important today for its remarkable achievement in that fertile period of experimental literature. A co-publication of Otis Books/Seismicity Editions and Agincourt Press.

A Window on the Italian Female Modernist Subjectivity - Rossella M. Riccobono 2013-09-17

This collection of essays surveys some of the artistic productions by female figures who stood at the forefront of Italian modernity in the fields of literature, photography, and even the theatre, in order to explore how artistic engagement in women informed their views on, and

reactions to the challenges of a changing society and a 'disinhibiting' intellectual landscape. However, one other objective takes on a central role in this volume: that of opening a window on the re-definition of the subjectivity of the self that occurred during an intriguing and still not fully studied period of artistic and societal changes. In particular, the present volume aims to define a female Italian Modernism which can be seen as complementary, and not necessarily in opposition, to its male counterpart.

Among the Gliesians - Philip Fried 2020-05-05

In *Among the Gliesians*, Philip Fried continues experimenting with different registers of language, technical jargon, and a variety of literary and non-literary forms, ranging from sonnet, ballad, acrostic, and villanelle to press release and report. His witty and compassionate work takes on a new urgency, however, as he focuses on our alarming present situation. Dealing with such topical themes as mass shootings, nuclear gamesmanship, and threats to democracy, Fried's poems reveal a struggle for meaningful expression when meaning itself is under attack. In the section giving its title to the book, reports on an extraterrestrial society hold up a mirror to our own culture.

In Sicily - Elio Vittorini 1949

Tiepolo's Hound - Derek Walcott 2014-09-09

From the Nobel laureate, a book-length poem on two educations in painting, a century apart "Between me and Venice the thigh of a hound; my awe of the ordinary, because even as I write, paused on a step of this couplet, I have never found its image again, a hound in astounding light." *Tiepolo's Hound* joins the quests of two Caribbean men: Camille Pissarro--a Sephardic Jew born in 1830 who leaves his native St. Thomas to follow his vocation as a painter in Paris--and the poet himself, who longs to rediscover a detail--"a slash of pink on the inner thigh / of a white hound"--of a Venetian painting encountered on an early visit from St. Lucia to New York. Both journeys take us through a Europe of the mind's eye, in search of a connection between the lost, actual landscape of a childhood and the mythical landscape of empire. Published with twenty-five full-color reproductions of Derek Walcott's own paintings, the poem is at once the spiritual biography of a great artist in self-imposed exile, a

history in verse of Impressionist painting, and a memoir of the poet's desire to catch the visual world in more than words.

Encyclopedia of Sacred Theology - Abraham Kuyper 1898

Artemisia - Anna Banti 1995-01-01

Artemisia Gentileschi, born in 1598, the daughter of an esteemed painter, taught art in Naples and painted the great women of Roman and biblical history: Esther, Judith, Cleopatra, Bathsheba. She also painted the rich and royal, but her wealthy male patrons wanted admiration while her women models wanted disguise. This woman, who had been violated in her youth and reviled as a rap victim in a public trial before going off to heretical England, who was rejected by her father and later abandoned by her husband and misunderstood by her daughter, who could not read or write but who could only paint--this woman was one of the first modern times to uphold through her work and deeds the right of women to pursue careers compatible with their talents and on an equal footing with men. Artemisia lives again in Anna Banti's novel, which was first published to critical acclaim in Italy in 1947 (Banti was the pseudonym of Lucia Lopresti, 1895-1978). Recognized as a consummate stylist, she was one of the most successful women writers in Italy before the resurgence of the feminist movement. Although Artemisia describes life in seventeenth-century Rome, Florence, and Naples, the time setting

of the novel is, in a deeper sense, a historical, merging as it does the experience of a woman dead for three centuries with the terrors of World War II experienced by the author. Shirley D'Ardia Caracciolo's English translation of Banti's novel skillfully renders its complexity and poignancy as a study of courage.

Traits of Pauline Spirituality for Our Times. Tratti di spiritualità paolina per i nostri tempi - Giovanni Rizzi 2021

Historical Atlas of Medieval Music - Vera Minazzi 2019-08-31

Music is rooted in the heart of Western culture. The absence of music from the usual publications of medieval history and history of art of the Middle Ages is understandable, considering the rarity of sources. And yet, throughout the last decades, an intense activity of historico-musicological research has been carried out internationally by a select group of specialized scholars. The ambitious goal of this work is to set medieval music within its historical and cultural context and to provide readers interested in different disciplines with an overall picture of music in the Middle Ages; multi-faceted, enjoyable, yet scientifically rigorous. To achieve this goal, the most prominent scholars of medieval musicology were invited to participate, along with archaeologists, experts of acoustics and architecture, historians and philosophers of medieval thought. The volume offers exceptional iconography and several maps, to accompany the reader in a fascinating journey through a network of places, cultural influences, rituals and themes.

The Lure of Italy - Theodore E. Stebbins 1992

American Artists have been inspired by Italy since the 1760s, when Benjamin West, the first American painter to travel there, was drawn to the ancient Roman ruins and magnificent Renaissance architecture, statuary, and frescoes. This intriguing, superbly illustrated book is the first to explore the fascination Italy held for the American artist from West's time to the eve of World War I. The unique sense of the past found in Italy, where tangible evidence exists of a continual civilization from antiquity to the present, lured countless American artists to its cities, towns, and countryside. Painters from West and Copley in the eighteenth century to Cole, Inness, Whistler, Sargent, and Prendergast in the nineteenth century were inspired to create many of their finest works in Italy, as were American sculptors such as Hiram Powers and Harriet Hosmer and writers from Washington Irving to Henry James. This in-depth study includes 319 illustrations, of which 113 are reproduced in full color, many of works that have not previously been published. Theodore E. Stebbins, Jr., John Moors Cabot Curator of American Paintings at the Museum of Fine Arts, Boston, and Professor of Art History at Boston University, provides a broad overview of the American perception of Italy and the unique role that Italy played in the formation of American art. Further insights into this new area in the study and appreciation of American art are offered in four essays by such leading art historians as William H. Gerds, City University of New York; Erica E. Hirshler, Museum of Fine Arts, Boston; Fred S. Licht, Peggy Guggenheim Museum, Venice, and Boston University; and William L. Vance, Boston University. Individual commentaries on each of the paintings, sculpture, and watercolors have been written by the curatorial staff of the Museum

of Fine Arts, Boston. The Lure of Italy accompanies a major exhibition of the same name, organized by Theodore E. Stebbins, Jr., and Erica E.

Hirshler that opens at the Museum of Fine Arts, Boston, and travels to the Cleveland Museum of Art and the Museum of Fine Arts, Houston.
