You could buy guide eyewitness to history the kennedy assassination as seen by howard brennan or get it as soon as feasible. You could quickly download this eyewitness to history the kennedy assassination as seen by howard brennan after getting deal. So, like you require the book swiftly, you can straight get it. Its so totally easy and as a result fats, isnt it? You have to favor to in this circulate

Assassination Science - James H. Fetzer
2013-11-26

If you have ever been tempted to believe that President Kennedy was killed by a lone, demented gunman named Lee Harvey Oswald, then *Assassination Science* is the one book which will convince you, beyond any reasonable doubt, that there was indeed a conspiracy and a cover-up. Completely lacking the wild speculation that have marred some books on the shooting of JFK, *Assassination Science* sticks to the hard facts, interpreted by medical and scientific expertise.

JFK - Hugh Aynesworth 2003

If you thought you knew everything interesting to know about the Kennedy assassination, then think again. *Breaking the News* is the definitive story of the assassination and its aftermath.

November 22, 1963 - Hugh Aynesworth 2013

"Aynesworth's just-the-facts reporting can cause goosebumps. A solid tale of a momentous event...from a man who was there." - Kirkus Reviews "November 22, 1963: Witness to History is a valuable account by someone who was there, a reporter with a keen eye and a nose for tracking down promising leads. His clear-eyed reporting is essential for anybody interested in sorting out what actually happened in Dallas." -Dallas Morning News

The Kennedy Family - S. J. Fuller 2007

America has no official royalty by design. Yet there have been the Roosevelts, the Adams, the Bushes, the wanabee Clintons and most

intriguing of all -- the Kennedys. The Kennedys have so far only reached the presidency once but the assassination of JFK and his brother Robert, and the trials and tribulations of the family members and society in general continue to fascinate the world. This new book presents more than 1200 citations of books and related materials arranged by family member. The accompanying CD-ROM offers ready access and easy searching.

Report of the Select Committee on Assassinations, U.S. House of Representatives, Ninety-fifth Congress, Second Session - United States. Congress. House. Select Committee on Assassinations 1979

In the Eye of History - William Matson Law
2004-01-01

Several years ago, William Matson Law set out on a personal quest to reach an understanding of the circumstances underpinning the assassination of John F. Kennedy. His investigation began with a key component of the events of November 22, 1963, and the days that followed: the autopsy on the president's body at the National Naval Medical Center, Bethesda, Maryland. He contacted those who were involved at Bethesda in various aspects of the aftermath of the assassination; *In the Eye of History: Disclosures in the JFK Assassination Medical Evidence* comprises "conversations" with eight individuals who agreed to talk. For the first time, these eyewitnesses relate their stories

comprehensively in their own words. Law allows them to tell it as they remember it without attempting to fit any pro- or anti-conspiracy agenda. The reader is the judge of these eyewitness accounts and their implications. Dennis David describes observing the arrival at Bethesda Naval Hospital of the navy ambulance carrying Jackie Kennedy with the official casket purportedly carrying the president's body—some time after he had supervised the unloading of a shipping casket that he'd been told contained the body of the president. A few days after the assassination, David describes seeing a secret movie film of the Kennedy autopsy that showed an entry wound in the forehead, inconsistent with the official scenario of a lone gunman shooting from behind. Autopsy technician Paul O'Connor helped remove the president's body—he recalls that it was in a body bag—from a shipping casket; this contrasts with the placement of the president's body in an ornate casket in Dallas, after wrapping only in sheets and towels. O'Connor's associate, James Jenkins, emerged from the autopsy convinced that the president had been shot from two directions. X-ray technician Jerrol Custer recalled seeing Mrs. Kennedy enter the Naval Hospital, having just arrived with her husband's body—yet Custer was on his way to the darkroom to develop X-ray plates already taken of the president's corpse. Ex-FBI Special Agents James Sibert and Frances O'Neill pour scorn on the single-bullet theory—the sine qua non of the Warren Report—yet are reluctant to conclude that more than one sniper was involved. Harold Rydberg describes how he illustrated the president's wounds solely from verbal descriptions and provides first-hand impressions of the personalities of the autopsy doctors. Sandra Spencer compares and contrasts the extant photographs from the Kennedy autopsy with those that she developed; the differences are startling. And there is discussion of new information on the 1966 death of William Pitzer in whose possession Dennis David claims to have seen the secret movie of the Kennedy autopsy. In his foreword, Dr. David W. Mantik states: "For anyone who wants a first-hand look at that long-ago night, this is as close as we can now get."

[The Faces of Lee Harvey Oswald](#) - Scott P.

Johnson 2013-10-29

The Kennedy assassination has produced a number of conspiracy theories based largely upon intriguing questions, speculation, and inference. Thousands of books and articles have been written about the assassination with a large majority of the published material arguing for a conspiracy of one kind or another. However, a relatively small volume of literature has been written from a scholarly and academic perspective. *The Faces of Lee Harvey Oswald* provides the first comprehensive scholarly analysis of Lee Harvey Oswald's role in the JFK assassination. Scott P. Johnson objectively examines the various narratives of Lee Harvey Oswald created by researchers and authors over the last fifty years. He finds that at first glance any theory related to Oswald's role appears as convincing as the next, particularly when researchers carefully select information that only advances their preferred theory. In reality, however, Oswald's role in the assassination offers little certainty when one looks at the mystery surrounding Oswald's life and death as well as the complexity and ambiguity surrounding the murder of President Kennedy. Rather than putting forth a single theory, Johnson lays out the known facts against each theory and allows the readers to make their own decision.

Reclaiming History: The Assassination of President John F. Kennedy - Vincent Bugliosi
2007-05-17

For fifty years the truth about the assassination of President John F. Kennedy has been obscured. This book releases us from a crippling distortion of American history. At 1:00 p.m. on November 22, 1963, President John F. Kennedy was pronounced dead, the victim of a sniper attack during his motorcade through Dallas. That may be the only fact generally agreed upon in the vast literature spawned by the assassination. National polls reveal that an overwhelming majority of Americans (75%) believe that there was a high-level conspiracy behind Lee Harvey Oswald. Many even believe that Oswald was entirely innocent. In this continuously absorbing, powerful, ground-breaking book, Vincent Bugliosi shows how we have come to believe such lies about an event that changed the course of history. The brilliant prosecutor of Charles

Manson and the man who forged an iron-clad case of circumstantial guilt around O. J. Simpson in his best-selling *Outrage Bugliosi* is perhaps the only man in America capable of writing the definitive book on the Kennedy assassination. This is an achievement that has for years seemed beyond reach. No one imagined that such a book would ever be written: a single volume that once and for all resolves, beyond any reasonable doubt, every lingering question as to what happened in Dallas and who was responsible. There have been hundreds of books about the assassination, but there has never been a book that covers the entire case, including addressing every piece of evidence and each and every conspiracy theory, and the facts, or alleged facts, on which they are based. In this monumental work, the author has raised scholarship on the assassination to a new and final level, one that far surpasses all other books on the subject. It adds resonance, depth, and closure to the admirable work of the Warren Commission. *Reclaiming History* is a narrative compendium of fact, forensic evidence, reexamination of key witnesses, and common sense. Every detail and nuance is accounted for, every conspiracy theory revealed as a fraud on the American public. Bugliosi's irresistible logic, command of the evidence, and ability to draw startling inferences shed fresh light on this American nightmare. At last it all makes sense. Some images in this ebook are not displayed due to permissions issues.

Dallas 1963 - Bill Minutaglio 2013-10-08

Winner of the PEN Center USA Literary Award for Research Nonfiction Named one of the Top 3 JFK Books by Parade Magazine. Named 1 of The 5 Essential Kennedy assassination books ever written by The Daily Beast. Named one of the Top Nonfiction Books of 2013 by Kirkus Reviews. In the months and weeks before the fateful November 22nd, 1963, Dallas was brewing with political passions, a city crammed with larger-than-life characters dead-set against the Kennedy presidency. These included rabid warriors like defrocked military general Edwin A. Walker; the world's richest oil baron, H. L. Hunt; the leader of the largest Baptist congregation in the world, W.A. Criswell; and the media mogul Ted Dealey, who raucously confronted JFK and whose family name adorns

the plaza where the president was murdered. On the same stage was a compelling cast of marauding gangsters, swashbuckling politicians, unsung civil rights heroes, and a stylish millionaire anxious to save his doomed city. Bill Minutaglio and Steven L. Davis ingeniously explore the swirling forces that led many people to warn President Kennedy to avoid Dallas on his fateful trip to Texas. Breathtakingly paced, *DALLAS 1963* presents a clear, cinematic, and revelatory look at the shocking tragedy that transformed America. Countless authors have attempted to explain the assassination, but no one has ever bothered to explain Dallas-until now. With spellbinding storytelling, Minutaglio and Davis lead us through intimate glimpses of the Kennedy family and the machinations of the Kennedy White House, to the obsessed men in Dallas who concocted the climate of hatred that led many to blame the city for the president's death. Here at long last is an accurate understanding of what happened in the weeks and months leading to John F. Kennedy's assassination. *DALLAS 1963* is not only a fresh look at a momentous national tragedy but a sobering reminder of how radical, polarizing ideologies can poison a city-and a nation.

We Were There - Allen Childs 2013-11-01

There are few days in American history so immortalized in public memory as November 22, 1963, the date of President John F. Kennedy's assassination. Adding to the wealth of information about this tragic day is *We Were There*, a truly unique collection of firsthand accounts from the doctors and staff on scene at the hospital where JFK was immediately taken after he was shot. With the help of his former fellow staff members at Parkland Memorial Hospital, Dr. Allen Childs recreates the horrific day, from the president's arrival in Dallas to the public announcement of his death. Childs presents a multifaceted and sentimental reflection on the day and its aftermath. In addition to detailing the sequence of events that transpired around JFK's death, *We Were There* offers memories of the First Lady, insights on conspiracy theories revolving around the president's assassination, and recollections of the death of Lee Harvey Oswald, who succumbed two days later in the same hospital where his own victim was pronounced dead. A

compelling, emotional read, *We Were There* pays tribute to a critical event in American modern history—and to a man whose death was mourned like no other.

Beyond the Fence Line - Casey J. Quinlan
2008-07

Forty-five years ago, on November 22, 1963, President John F. Kennedy was assassinated. Deaf witness Ed Hoffman saw the man who fired the fatal shot that killed the President and it was not Lee Harvey Oswald. His eyewitness account destroys the government's version of a lone gunman shooting from the Texas School Book Depository. Read his compelling story!

JFK Assassination Eyewitness: Rush to Conspiracy - Anita Dickason 2013

On November 22, 1963, Lee Bowers Jr. became a key witness to the assassination of President John F. Kennedy. Less than three years later, he was killed in a car accident twenty-seven miles south of Dallas near Midlothian, Texas, under mysterious circumstances. Was it just a simple car accident, or was Bowers killed because of what he saw on the day President Kennedy was shot and killed? In *JFK Assassination Eyewitness: Rush to Conspiracy*, author Anita Dickason, a retired accident investigator, provides a step-by-step look into the progression of the research and analysis of the accident details, treating the matter as a cold case investigation. She shares how questions regarding Bowers' death have added fuel to the JFK conspiracy theories in this decades-old Texas mystery. *JFK Assassination Eyewitness: Rush to Conspiracy* examines the details of Bowers' mysterious accident while providing a look into Texas history. Dickason's findings offer an unexpected twist in the aftermath of the events of Lee Bowers' death.

Hit List - Richard Belzer 2016-06-07

The New York Times bestseller that reveals facts and theories about the suspicious deaths of Jimmy Hoffa, J. Edgar Hoover, Lee Harvey Oswald, and others. Richard Belzer and David Wayne are back to set the record straight after *Dead Wrong*; this time they're going to uncover the truth about the many witness deaths tied to the JFK assassination. For decades, government pundits have dismissed these "coincidental" deaths, even regarding them as "myths" and "urban legends." Like most people, Richard and

David were initially unsure about what to make of these "coincidences." After all, events don't "consult the odds" prior to happening; they simply happen. Then someone comes along later and figures out what the odds of it happening were. Some of the deaths seemed purely coincidental; heart attacks, hunting accidents. Others clearly seemed noteworthy; witnesses who did seem to know something and did seem to die mysteriously. *Hit List* is a fair examination of the evidence of each case, leading to (necessarily) different conclusions. The findings were absolutely staggering; as some cases were clearly linked to a "clean-up operation" after the murder of President Kennedy, while others were the result of "other forces." The impeccable research and writing of Richard Belzer and David Wayne show that if the government is trying to hide anything, they're the duo who will uncover it.

A Lie Too Big to Fail - Lisa Pease 2018-12-18

In *A Lie Too Big to Fail*, longtime Kennedy researcher (of both JFK and RFK) Lisa Pease lays out, in meticulous detail, how witnesses with evidence of conspiracy were silenced by the Los Angeles Police Department; how evidence was deliberately altered and, in some instances, destroyed; and how the justice system and the media failed to present the truth of the case to the public. Pease reveals how the trial was essentially a sham, and how the prosecution did not dare to follow where the evidence led. *A Lie Too Big to Fail* asserts the idea that a government can never investigate itself in a crime of this magnitude. Was the convicted Sirhan Sirhan a willing participant? Or was he a mind-controlled assassin? It has fallen to independent researchers like Pease to lay out the evidence in a clear and concise manner, allowing readers to form their theories about this event. Pease places the history of this event in the context of the era and provides shocking overlaps between other high-profile murders and attempted murders of the time. Lisa Pease goes further than anyone else in proving who likely planned the assassination, who the assassination team members were, and why Kennedy was deemed such a threat that he had to be taken out before he became President of the United States.

No More Silence - Larry A. Sneed 1998

An oral history of the assassination of President Kennedy.

Libra - Don DeLillo 1991-05-01

From the author of *White Noise* (winner of the National Book Award) and *The Silence*, an eerily convincing fictional speculation on the events leading up to the assassination of John F.

Kennedy In this powerful, unsettling novel, Don DeLillo chronicles Lee Harvey Oswald's odyssey from troubled teenager to a man of precarious stability who imagines himself an agent of history. When "history" presents itself in the form of two disgruntled CIA operatives who decide that an unsuccessful attempt on the life of the president will galvanize the nation against communism, the scales are irrevocably tipped. A gripping, masterful blend of fact and fiction, alive with meticulously portrayed characters both real and created, *Libra* is a grave, haunting, and brilliant examination of an event that has become an indelible part of the American psyche.

Five Days in November - Clint Hill 2014-09-30

"The New York Times bestselling authors of *Mrs. Kennedy and Me* share the stories behind the five infamous, tragic days surrounding JFK's assassination--alongside revealing and iconic photographs--published in remembrance of the beloved president on the fiftieth anniversary of his death. Clint Hill will forever be remembered as the lone secret service agent who jumped onto the car after President Kennedy was shot, clinging to its sides as it sped toward the hospital. Even now, decades after JFK's presidency, the public continues to be fascinated with the Kennedys--America's royal family. To mark the fiftieth anniversary of President John F. Kennedy's assassination, Hill recounts his indelible memories of those five days leading up to, and after, that tragic day in November 1963. Hill, as Jackie's guard, experienced those days firsthand. Alongside the famous photos everyone is familiar with, Hill provides a moment-to-moment narration evoking the feelings and emotions behind the images--clearing up the persistent conspiracy misconceptions along the way. He also shows us the little-seen photos of Jackie both before and after the terrible event, describing the poignant moments they shared, during that pivotal moment in history. Told movingly by a man who still wishes he could

undo it all, *Five Days in November* is a rare and deeply personal look at the assassination that affected the entire world and changed the United States forever"--

Being There - Douglas Caddy 2018-06-08

Douglas Caddy was the attorney for E. Howard Hunt, one of the key persons involved in both the JFK assassination and Watergate. *Being There: Eye Witness to History* is his autobiographical account of these events by accidentally being in the right place at the right time or the wrong place at the wrong time. Episodes include being with Lee Harvey Oswald and Guy Banister in New Orleans, investigating the founding of the modern conservative movement and where it went wrong, looking inside the JFK assassination and the Watergate Conspiracy, uncovering JFK's secret son and why he came to fear for his life, analyzing LBJ's murder victims and his rise to the presidency, interpreting the Moody Foundation Scandal, Russia's involvement in Trump's election, and more.

JFK's Final Hours in Texas - Julian Read 2013

Julian Read, a Texas political insider who delivered the first eyewitness account of President John F. Kennedy's assassination to the media, has authored a behind-the-scenes account that chronicles the tragedy and its fifty-year legacy. In *JFK's Final Hours in Texas*, Read documents not only the immediate agony endured by the people in the epicenter of the tragedy but also the continuing experience of a wounded community recovering from its aftermath.

The Posner Files - Gerald Posner 2018-10-02

Definitive accounts of JFK's and Martin Luther King's assassinations by a Pulitzer Prize finalist and New York Times bestselling author. Case Closed: A Pulitzer Prize finalist and New York Times bestseller, *Case Closed* is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy. Drawing from official sources and dozens of interviews, filled with powerful historical detail, and including an updated comment for the fiftieth anniversary, Posner's "utterly convincing" book lays to rest all of the convoluted conspiracy theories--concerning the mafia, a second shooter, and the CIA--that have obscured what

really happened in Dealey Plaza on November 22, 1963 (Chicago Tribune). "By far the most lucid and compelling account . . . of what probably did happen in Dallas—and what almost certainly did not." —The New York Times Book Review *Killing the Dream: On April 4, 1968, Martin Luther King Jr., was killed in Memphis, Tennessee, by a single assassin's bullet. James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony where King was shot. An international manhunt ended two months later with Ray's capture. Though Ray initially pled guilty, he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy. In Killing the Dream, expert investigative reporter Gerald Posner cuts through phony witnesses, false claims, and a web of misinformation to put Ray's conspiracy theory to rest and disclose what really happened the day King was murdered.* "A superb book: a model of investigation, meticulous in its discovery and presentation of evidence, unbiased in its exploration of every claim. And it is a wonderfully readable book, as gripping as a first-class detective story." —The New York Times

The Accidental Victim - James Reston, Jr.
2013-09-09

Was the assassination of one of America's most beloved presidents an accident? That is the shocking argument put forth by acclaimed historian James Reston, Jr. Based on years of research and interviews, this revelatory new book makes the case that Texas Governor John Connally, not President John F. Kennedy, was the intended target of Lee Harvey Oswald. Oswald's motive was personal, not political. After he attempted to defect to the Soviet Union, his military discharge was changed from honorable to dishonorable. The proud ex-Marine protested directly to fellow Texan Connally, then Secretary of the Navy, and received a classic bureaucratic brush-off. From that day on, Oswald began nursing a deep, even murderous grudge. Reston masterfully charts the path Oswald took toward that fated moment in Dallas, his hatred of the governor driving him to purchase a mail-order rifle, position himself in the Texas School Book Depository building, and attempt to settle his score with Connally. There was no conspiracy. There was Lee Harvey

Oswald, a mail-order gun, and a missed shot. Marshaling all the available evidence - some of it never before seen - Reston will change the way we understand this epochal event: In one of American history's most tragic ironies, President John F. Kennedy was as an accidental victim on November 22, 1963. With nearly 30 photos, the book may take a few minutes to download over 3G or slower connections.

Eyewitness - Stacey Bredhoff 2006-07-28
Features accounts of twenty-five firsthand documents and transcripts, many exhibited for the first time, chronicling dramatic moments in American history, from handwritten reports by George Washington and John Adams to the message of the Apollo 8 crew
Crime of the Century - Michael L. Kurtz 1993
Addressing developments since the book's initial publication in 1982, Kurtz provides a new introduction and updated bibliography. He discusses the publicity and controversy surrounding Oliver Stone's film JFK, the new books and television programs that have dealt with the different conspiracy theories, new information about the possible role of organized crime in the assassination, and certain materials from the Kennedy autopsy that have only recently come to light.

JFK - Bill Sloan 1992
Abraham Zapruder filmed the only footage of President Kennedy's assassination. In his film, a woman in a red raincoat can be seen. She is Jean Hill, the last dissenting witness.

The Death of a President - William Manchester 2013-10-08
William Manchester's epic and definitive account of President John F. Kennedy's assassination-- now restored to print in a new paperback edition. As the world still reeled from the tragic and historic events of November 22, 1963, William Manchester set out, at the request of the Kennedy family, to create a detailed, authoritative record of the days immediately preceding and following President John F. Kennedy's death. Through hundreds of interviews, abundant travel and firsthand observation, and with unique access to the proceedings of the Warren Commission, Manchester conducted an exhaustive historical investigation, accumulating forty-five volumes of documents, exhibits, and transcribed tapes. His

ultimate objective -- to set down as a whole the national and personal tragedy that was JFK's assassination -- is brilliantly achieved in this galvanizing narrative, a book universally acclaimed as a landmark work of modern history.

The Girl on the Stairs - Barry Ernest 2013-04-02

One man's quest to investigate a dismissed eyewitness account of the assassination of President John F. Kennedy. Victoria Elizabeth Adams worked on the fourth floor of the Texas School Book Depository in 1963. She was on the back staircase of the building at the precise moment that Lee Harvey Oswald—according to the Warren Commission's account—was making his escape. Yet, Adams saw and heard no one. This is the story—both frightening and fascinating—about a journey to seek the truth in the assassination of President John F. Kennedy. After a three-decade quest and an array of obstacles, investigative journalist Barry Ernest brings the full account of the girl on the stairs to life. Ernest, a frequent lecturer on the topic of the Kennedy assassination, won the 2011 Mary Ferrell Pioneer Award, a national honor presented for a lifetime of searching for the truth. David S. Lifton, author of the New York Times bestseller *Best Evidence: Disguise and Deception in the Assassination of John F. Kennedy*, provides a foreword to this intriguing saga. Praise for *The Girl on the Stairs* "Beautifully paced writing takes the reader along as Ernst searches for crucial information. . . Highly recommended." —Debra Conway, president, JFK Lancer Productions & Publications, Inc. "Ernest demonstrates there are still important lessons to learned and good historical research to be done." —Larry Hancock, author of *Someone Would Have Talked: The Assassination of President John F. Kennedy* "Brilliant, utterly compelling, very, very dark, and deeply troubling." —Dr. Stephen Dorril, author of *MI6: Fifty Years of Special Operations* "Deserves space on the shelf of every Kennedy assassination buff in the country." —Maj. Glenn MacDonald, *Military Corruption* "Totally engrossing and fascinating." —Terry West, WAXX FM

JFK and the Unspeakable - James W. Douglass 2010-10-19

SSuggests that John F. Kennedy was

assassinated because military leaders feared his dedication to peace would result in the United States falling to Russia

Reclaiming History: The Assassination of President John F. Kennedy - Vincent Bugliosi 2007

An all-encompassing analysis of the assassination of JFK and its surrounding conspiracy theories draws on forensic evidence, key witness testimonies, and other sources to explain what really happened and why conspiracy theories have become so popularized. *JFK: The Smoking Gun* - Colin McLaren 2013-10-23

Assassination? Conspiracy? Evidence of the shocking truth is finally revealed. 'Shocking new details' - Herald Sun On 22nd November 1963, the 35th president of the United States, John Fitzgerald Kennedy, and his wife Jackie were taking part in a presidential motorcade through Dallas. Thousands lined the streets cheering; others hung out of windows to catch a glimpse of the much-loved First Lady and President. Suddenly, the unthinkable: three shots - bang...bang, bang - rang out. In front of the world, John F Kennedy was fatally wounded. Lee Harvey Oswald was caught. But did he fire the fatal bullet? Who REALLY killed JFK? Fifty years after the tragic events in Dallas, *JFK: The Smoking Gun* solves the ultimate cold case. With the forensic eye of a highly regarded ex-cop, Colin McLaren gathered the evidence, studied 10,000 pages of transcripts, discovered the witnesses the Warren Commission failed to call, and uncovered the exhibits and testimonies that were hidden until now. What he found is far more outrageous than any fanciful conspiracy theory could ever be. *JFK: The Smoking Gun* proves, once and for all, who did kill the President. 'A compelling case' - The Australian 'Comprehensive and compelling' - Newcastle Herald

Rush to Judgment - Mark Lane 2013-10-15
Rush to Judgment is Mark Lane's seminal work on the assassination of President John F. Kennedy. This groundbreaking number one bestseller opening the eyes of the people of the United States to the possibility that their government was involved in a cover-up of monumental proportions. In his mesmerizing book Lane explores the Warren Report's

conclusion that Lee Harvey Oswald was the lone assassin despite overwhelming evidence to the contrary. Lane's exhaustive investigation provides a roadmap to the body of evidence about the assassination. By interviewing witnesses throughout the country, comparing each of the Report's conclusions with its own corresponding evidence, and searching through the 26 volumes of evidence the President's Commission collected and thousands of documents found only in the National Archive in Washington, D.C., Lane truthfully investigates the assassination. Meticulously detailed, with over 4,000 citations, yet immensely compelling, *Rush to Judgment* is an expose that set forth cataclysmic ripples through the fabric of our nation. This work, still unparalleled after 50 years and scores of other explorations, is where it all began. No serious study of that event is complete without it.

Eyewitness to History - Howard L. Brennan 1987

With Malice - Dale K. Myers 2013-11-12

The definitive work on the murder of Dallas patrolman J. D. Tippit—killed forty-five minutes after President Kennedy—and its far-reaching implications for the JFK assassination and aftermath. Although considered the Rosetta stone of the case against Lee Harvey Oswald, the murder of Dallas police officer J. D. Tippit—killed less than an hour after the assassination of President Kennedy—has proven to be one of the most misunderstood, largely ignored, and often twisted aspects of the Kennedy assassination. For five decades, a community of doubters has contorted official accounts of the shooting to exonerate Oswald. There have been many questions raised about Tippit's death over the past fifty years, but few real attempts to find the answers. Did Oswald murder Tippit? Was Tippit a part of the plot to murder President Kennedy? What really happened on Tenth Street? In *With Malice*, Dale K. Myers brings thirty-five years of research to this second-by-second account of the murder of Officer Tippit and the frantic manhunt that ended in the arrest of Lee Harvey Oswald. Filling a major void in Kennedy assassination literature, it weaves firsthand accounts, newly released documents, and previously unpublished photographs into a detailed tapestry of facts that

lifts the veil on the mystery surrounding this pivotal moment in American history.

The Kennedy Detail - Gerald Blaine 2011-11-15
Documents the events leading up to and following the assassination of the thirty-fifth president as revealed by the Secret Service agents who were present, in an account that also draws on letters written by Jackie Kennedy in the immediate aftermath and other previously undisclosed sources.

The Missing JFK Assassination Film - Gayle Nix Jackson 2016-07-12

A granddaughter's quest for answers sheds new light on one of history's most enduring questions: Was there a conspiracy to kill President John F. Kennedy? Abraham Zapruder's film gets all the attention, but there was another eyewitness to history whose tale has yet to be told. In this eye-opening account, Gayle Nix Jackson tells the story of her grandfather, Orville Nix, a man with a camera who happened to be on the ground for a life-changing—world-changing, and in some ways world-ending—event: the murder of President Kennedy in Dallas in 1963. *The Missing JFK Assassination Film* is not a typical JFK assassination book. This book does not attempt to answer the question of who killed John F. Kennedy; instead, it addresses why we should question the actions of those involved and why the truth was withheld from the people. Though copies of Orville's film exist, the original film is missing. Why? The FBI confiscated the photographer's camera for several months, then returned it in pieces. Were these actions sinister or were they just examples of governmental incompetence? *The Missing JFK Assassination Film* exposes information about the House Select Committee staff's involvement in the missing film. The author's interviews with people who were close to Orville shed light on the government's involvement with the filmmaker. And her memories of growing up with her beloved grandfather—and on how his views changed after that fateful day—fuel a quest Jackson is still on to find the film.

Peace, War, and Politics - Jack Anderson 2000-10-13

An investigative reporter who encountered it all firsthand provides an in-depth look at more than fifty years of corruption, fraud, and abuse in America and in Washington, including

McCarthyism and Nixon's abuses. Reprint.
50,000 first printing.
The Death Of A President - William Manchester
1967

Denial of Justice - Mark Shaw 2018-11-20
Why is What's My Line? TV star and Pulitzer-Prize-nominated investigative reporter Dorothy Kilgallen one of the most feared journalists in history? Why has her threatened exposure of the truth about the JFK assassination triggered a cover-up by at least four government agencies and resulted in abuse of power at the highest levels? *Denial of Justice*—written in the spirit of bestselling author Mark Shaw's gripping true crime murder mystery, *The Reporter Who Knew Too Much*—tells the inside story of why Kilgallen was such a threat leading up to her unsolved murder in 1965. Shaw includes facts that have never before been published, including eyewitness accounts of the underbelly of Kilgallen's private life, revealing statements by family members convinced she was murdered, and shocking new information about Jack Ruby's part in the JFK assassination that only Kilgallen knew about, causing her to be marked for danger. Peppared with additional evidence signaling the potential motives of Kilgallen's arch enemies J. Edgar Hoover, mobster Carlos Marcello, Frank Sinatra, her husband Richard, and her last lover, *Denial of Justice* adds the final chapter to the story behind why the famous journalist was killed, with no investigation to follow despite a staged death scene. More information can be found at www.thedorothykilgallenstory.com.

Conspiracy in Camelot - Jerome A. Kroth 2003
This complete and up-to-date synopsis of the assassination of JFK (the actors, witnesses and investigators) weighs the different theories and looks at the drama as both a detective story and a defining moment in American mass psychology.

For the Good of the Country - Philip Lamb
2012-07-01
THE WASHINGTON POST Danielle Stanton the First Lady has died President Stanton Devastated Washington, The White House: Danielle Stanton beloved wife of President Andrew Holmes Stanton has died. The nation

and the world are in mourning. Her death comes on the heels of the death of Mathew Thorn, President Stanton's Vice-President and lifelong friend. Chief of Staff Lankford made the announcement last night. President Stanton, the oldest man ever to serve as president remains secluded. Vice-President Roosevelt offered his heart-felt sympathy. For the Good of the Country is a novel of political intrigue - a political thriller with a twenty-one day play-clock. President Stanton's grief is crippling. He sleeps only with drugs. They don't touch his depression. Maybe time heals all wounds but how much time can the nation give its beloved President? Vice-President Roosevelt is under increasing pressure to invoke the Twenty-fifth Amendment and seize the Presidency. The battle pits an old, perhaps fatally wounded, President against his young Vice-President. One clings to the power the other hopes to grasp. The battle is fought by surrogates. Rogue elements are in control; murder is just another tool. This novel is fiction but it is not fantasy. The Twenty-Fifth Amendment may prove the old adage that "the road to hell is paved with good intention." At best the Amendment is a solution to presidential incapacitation; at worst it is a prescription for a coup d'etat

Case Closed - Gerald Posner 2013-10-01
Pulitzer Prize Finalist: "By far the most lucid and compelling account . . . of what probably did happen in Dallas—and what almost certainly did not." —The New York Times Book Review
The Kennedy assassination has reverberated for five decades, with tales of secret plots, multiple killers, and government cabals often overshadowing the event itself. As Gerald Posner writes, "Fifty years after the assassination, the biggest casualty has been the truth." In this first-ever digital edition of his classic work, updated with a special comment for the fiftieth anniversary, Posner lays to rest all of the convoluted conspiracy theories—concerning the mafia, a second shooter, and the CIA—that have obscured over the decades what really happened in Dealey Plaza on November 22, 1963. Drawing from official sources and dozens of interviews, and filled with powerful historical detail, *Case Closed* is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy.
