Family Game Night and Other Catastrophes - Mary E. Lambert 2017-02-28

Annabelle has a secret . . . a secret so big she won't allow friends within five miles of her home. Her mom collects things. Their house is overflowing with stuff. It gives Annabelle's sister nightmares, her brother spends as much time as he can at friends' houses, and her dad buries himself in his work. So when a stack of newspapers falls on Annabelle's sister, it sparks a catastrophic fight between their parents--one that might tear them all apart--and Annabelle starts to think that things at home finally need to change. Is it possible for her to clean up the family's mess? Or are they really, truly broken? Mary E. Lambert's moving and heart-breakingly funny debut novel about the things we hold dear--and the things we let go--will resonate with anyone whose life has ever felt just a little too messy.

Making Friends: A Graphic Novel (Making Friends #1) - Kristen Gudsnuk 2018-07-31

Danielle needs a perfect friend, but sometimes making (or creating) one is a lot easier than keeping one! Sometimes making a friend is a lot easier than keeping one! Sixth grade was SO much easier for Dany. All her friends were in the same room and she knew exactly what to expect out of life. Now that she's in seventh grade, she's in a new middle school, her friends are in different classes and forming new cliques, and she is totally, completely lost. What Dany really needs is a new best friend! So when she inherits a magic sketchbook from her eccentric great-aunt in which anything she sketches in it comes to life, she draws Madison, the most amazing, perfect, and awesome best friend ever. The thing is, even when you create a best friend, there's no guarantee they'll always be your best friend. Especially when they discover they've been created with magic!

Our Class is a Family - Shannon Olsen 2020-04-07

"Family isn't always your relatives. It's the ones who accept you for who you are. The ones who would do anything to see you smile, and who love you no matter what." -Unknown Teachers do so much more than just teach academics. They build a sense of community within their classrooms, creating a home away from home where they make their students feel safe, included, and loved. With its heartfelt message and colorfully whimsical illustrations, "Our Class is a Family" is a book that will help build and strengthen that class community. Kids learn that their classroom is a place where it's safe to be themselves, it's okay to make mistakes, and it's important to be a friend to others. When hearing this story being read aloud by their teacher, students are sure to feel like they are part of a special family. And currently, during such an unprecedented time when many teachers and students are not physically IN the classroom due to COVID-19 school closures, it's more important than it's ever been to give kids the message that their class is a family. Even at a distance, they still stick together.

It's Not the Stork! - Robie H. Harris 2011-08-09

From the expert team behind IT'S PERFECTLY NORMAL and IT'S SO AMAZING! comes a book for younger children about their bodies — a resource that parents, teachers, librarians, health care providers, and clergy can use with ease and confidence. Young children are curious about almost everything, especially their bodies. And young children are not afraid to ask questions. What makes me a girl? What makes me a boy? Why are some parts of girls' and boys' bodies the same and why are some parts different? How was I made? Where do babies come from? Is it true that a stork brings babies to mommies and daddies? IT'S NOT THE STORK! helps answer these endless and perfectly normal questions that preschool, kindergarten, and early elementary school children ask about how they began. Through lively, comfortable language and sensitive, engaging artwork, Robie H. Harris and Michael Emberley address readers in a reassuring way, mindful of a child's healthy desire for straightforward information. Two irresistible cartoon characters, a curious bird and a squeamish bee, provide comic relief and give voice to the full range of emotions and reactions children may experience while learning about their amazing bodies. Vetted and approved by science, health, and child development experts, the information is up-to-date, age-appropriate, and scientifically accurate, and always aimed at helping kids feel proud, knowledgeable, and comfortable about their own bodies, about how they were born, and about the family they are part of.
