Firearms Inventory Log Book - Shannon O. Shuman 2013-02-06

This book is the perfect accessory for anyone who owns a firearm. Firearms Logbook was written for the general public consumer who wants to keep firearm records but is unsure what information is required or how to record this information. This book provides a consolidated, comprehensive listing of firearm specifics that will enable quick identification and ease the burden of proof should it become necessary. This book has many uses: For the novice. It serves as an instructional tool. For the first time gun owner who wants to record the information about their new possession, but does not know what is required, or where to start, it provides a good base for records. This book makes an excellent gift to accompany anyone's first firearm. For the collector/investor. It serves as a log book, recording transactions and point of sale information from acquisition to sale of the weapon in one place. It allows freeform annotation of modifications made to the weapon to ensure the investment is properly catalogued. For the heirloom. It also provides a notes section for the owner to annotate heirloom items for future generations. For the Insurance company. This book is an excellent record for producing information about these valuable firearms when filing insurance claims after any disaster. Report of theft to authorities. This book records information necessary to properly identify the weapon in the event the authorities need to identify a stolen firearm. About this log book: The fields contained in this book were written in a manner to enable logical collection of information related to the firearm. Substantial effort was put into deciding what types of information most collectors were interested in retaining on their firearms, in addition to

generic legal requirements for logging weapon information. There are specific fields for details of the firearm, receipt data, as well as disposition data for those instances when a firearm is sold or traded. In addition to a page dedicated to the owner's information, this publication gives space for 100 firearms (2 firearms per page, 50 pages of inventory). It also includes four pages for miscellaneous free-form notes.

Firearms Record Book - Adams 2015-01-31

The "Firearms Record Book" is a smart place for gun owners to keep record of their firearm purchases, trades and other vital inventory info. This book has been designed to be an important accessory for anyone who owns firearms. It gives you a record of the important specifics of each of your firearms that will enable quick identification in the event of a theft, fire or other situation. Your collection will be documented so you will have all the information needed for insurance or police. Anyone who owns firearms should have this book. With enough room for 50 firearms, there is even space to include a photograph of each gun along with key information such as Manufacturer, Model Number, Serial Number, Type, Action, Caliber/Gauge, Finish, Date Acquired, etc. There is even a specific area to note insurance information PLUS a quick reference section to your firearms - basically an owner-created table of contents. With the "Firearms Record Book," you'll easily put together a consolidated, comprehensive listing of firearm specifics that will enable quick identification and ease the burden of proof should it become necessary. Get this book for yourself and for any family member or friend who owns more than one firearm. It's the smart and responsible way to keep track of a gun collection.

**Firearms Acquisition and Disposition
Record Book** - Jay Cassell 2014-06-17

The essential record book for firearm dealers
and collectors. Designed with the specific
requirements of firearm dealers, collectors, and
buyers in mind, Skyhorse Publishing's Firearms
Acquisition and Disposition Record Book is the
perfect log for tracking firearm purchases and
sales. Approved by the ATF, the log satisfies the
ATF requirement that firearm dealers keep a
bound book recording their firearm acquisitions
and gives enough space for each entry to be
logged neatly and correctly, making it easy to
read and easy to record. The log gives space for
the caliber of firearm, serial number, price, and
manufacturer, among other basic information,
for both firearm acquisitions and dispositions.
Also included is a space for the National
Criminal Instant Background Check System, or
NCIS, number, something that you won't find in
other log books. With space for over one
thousand entries and professionally done with
hardbound covers and lots of entry space, this
book is durable enough to be the long-lasting log
that suits any firearm dealer, from large
retailers to smaller dealers. Protect yourself and
your shop by putting your trust in Skyhorse's
Firearms Acquisition and Disposition Record
Book. Skyhorse Publishing is proud to publish a
broad range of books for hunters and firearms
enthusiasts. We publish books about shotguns,
rifles, handguns, target shooting, gun collecting,
self-defense, archery, ammunition, knives,
gunsmithing, gun repair, and wilderness
survival. We publish books on deer hunting, big
game hunting, small game hunting, wing
shooting, turkey hunting, deer stands, duck
blinds, bowhunting, wing shooting, hunting
dogs, and more. While not every title we publish
becomes a New York Times bestseller or a
national bestseller, we are committed to
publishing books on subjects that are sometimes
overlooked by other publishers and to authors
whose work might not otherwise find a home.

"This is a book that deserves a place on every shooting man's bookshelf."--Michael Yardley, author of Positive Shooting and Gunfitting
Strategies for Disrupting Illegal Firearm Markets - Greg Ridgeway 2008

Could a data-driven, problem-solving approach yield new interventions to disrupt local, illegal gun markets serving criminals, gang members, and juveniles in Los Angeles? Law enforcement can analyze patterns in crime-gun data to trace illicit firearm acquisition, use community-based interventions to stem the illegal flow, and use retail ammunition-purchase records in identifying prohibited firearm possessors.

The 13 Critical Tasks: An Inside-Out Approach to Solving More Gun Crime - Peter Gagliardi 2019-10-08

This book describes the people, processes, and technologies needed to extract actionable intelligence from the inside, and outside, of crime guns.

Strengthening Forensic Science in the United States - National Research Council 2009-07-29

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

FIREARMS and GUN Log Book - Personal Firearms Record Book Publisher 2017-01-19

"A stolen gun threatens everyone." No firearm owner should be without this book. Lost/Stolen Firearms Investigations - Each year, thousands

of firearms are reported lost or stolen. The owners ability to adequately identify these firearms is central to law enforcement's ability to investigate these crimes and losses. Insurance claims and reacquisition of recovered firearms will also hinge on the ability to correctly identify these firearms. A handy and very detailed Personal Firearms Record book. Use this to document your collection. In the event of theft or fire you will have all the information needed for insurance or police. Unlike other record books, this one gives more than enough space for all important information The "Personal Firearms Record Book" has been designed to be an important accessory for anyone who owns firearms. It gives you a record of the important specifics of each of your firearms that will enable quick identification in the event of a theft, fire or other situation. Your collection will be documented so you will have all the information needed for insurance or police. Anyone who owns firearms should have this book. A complete description of each firearm is vitally important to law enforcement in the investigation and recovery of your firearms and to your ability to prove ownership: With enough room for 40+ firearms, there is even space to include a photograph of each gun along with key information such as Manufacturer Name, Serial #, Model #, Type, Action, Gauge/Caliber, Finish/Color, Date Acquired, etc. With the "Personal Firearms Record Book," you'll easily put together a consolidated, comprehensive listing of firearm specifics that will enable quick identification and ease the burden of proof(for insurance and police) should it become necessary. By purchasing this Gun Records Journal and maintaining it in a safe location, separate from your firearms, you will be not only protecting your own property, you will be taking an important first step in the effort to prevent thefts and to keep firearms out of the hands of CRIMINALS, ILLEGALS and TERRORISTS !! Get this book for yourself and for any family member or friend who owns a firearm. It's the smart and responsible way to keep track of a gun collection. Remember iA stolen gun threatens everyone.i Keep this list separate from your firearms to assist police in the event your firearms are ever lost or stolen !!! Immediately report any theft or loss of firearms to your local

police !!! Gun Records Journal Firearms Acquisition and Disposition Record Book Personal Firearms Record Book Firearms Record Book Personal firearms record book Firearms log sheet

ATF - National Firearms Act Handbook - U.S.
Department of Justice 2019-03-17

This handbook is primarily for the use of persons
in the business of importing, manufacturing, and
dealing in firearms defined by the National
Firearms Act (NFA) or persons intending to go
into an NFA firearms business. It should also be
helpful to collectors of NFA firearms and other
persons having questions about the application
of the NFA. This publication is not a law book.
Rather, it is intended as a "user friendly"
reference book enabling the user to quickly find
answers to questions concerning the NFA.
Nevertheless, it should also be useful to
attorneys seeking basic information about the
NFA and how the law has been interpreted by
ATF. The book's Table of Contents will be helpful
to the user in locating needed information.
Although the principal focus of the handbook is
the NFA, the book necessarily covers provisions
of the Gun Control Act of 1968 and the Arms
Export Control Act impacting NFA firearms
businesses and collectors.

If you own more than one gun, you're a collector. Proudly record the guns in your collection in the official NRA National Firearms Museum Gun Collector's Logbook. Handsomely bound, sporting the NRA Museum and NRA logos on the front cover, this sturdy firearms record album will withstand frequent handling, making it an excellent choice for gun shows and firearm exhibits. This is the best way for gun collectors to document their compliance with Title 27 ATF Documentation Requirements for Firearms Collectors. Each page has fields for recording information on the firearm as prescribed in Table 4 of Title 27, Part 478. At the back of the logbook is a convenient envelope for saving receipts, photos, and other important loose documentation of your guns. Maintaining a record of the disposition and acquisition of every firearm you own for insurance purposes, as well as to aid in the recovery of lost or stolen guns, is the hallmark of a responsible and conscientious gun owner. The new National Firearms Museum-

sponsored gun collector's logbook makes the process of recordkeeping easy and enjoyable. Also included in the logbook is a list of NRA-affiliated associations, details on NRA programs, and a money-saving offer for NRA membership. **News Media Guide to Firearms** - United States. Personal Firearms Record Log Book - Mary Alleni 2020-01-28

Firearms Inventory Personal Log Book This log book helps you to track your personal gun collection. Details: Insurance information Acquisition and Disposition information Gun information (Manufacturer, Model, Type, Serial Number, Capacity, Barrel Length, Action, other information and notes) Image input for each firearms Area In Back of Book For Recording Upgrades and Repairs 110 Pages 8.5 x 11 Size Smooth white-color paper A matte-finish cover *Firearm Acquisition and Disposition Log* - Elizabeth Cole 2017-02-26

Designed with the specific requirements of firearm dealers, collectors, and buyers in mind, *Firearms Acquisition and Disposition Record Book* is the perfect log for tracking firearm purchases and sales. This the log satisfies the ATF requirement that firearm dealers keep a bound book recording their firearm acquisitions and gives enough space for each entry to be logged neatly and correctly, making it easy to read and easy to record. The log gives space for the caliber of firearm, serial number, price, and manufacturer, among other basic information, for both firearm acquisitions and dispositions.

[Firearms Record Book](#) - Retro Notebooks 2019-08-26

Designed to give more than enough space for all important information as well as room for full sized photos to be added, everyone who has a firearm should have this. What better way to document than doing it the old fashion way? The book itself gives plenty of fields for the basic recording of weapon identification for your own uses. It serves well for insurance purposes and to record your own inventory, how much you bought the weapon for and even a field for who you may have sold it to.
