We Come Apart - Sarah

Crossan 2017-02-09

YA rising stars Sarah Crossan and Brian Conaghan join forces to break readers' hearts in this contemporary story of star-cross'd lovers. Jess would never have looked twice at Nicu if her friends hadn't left her in the lurch. Nicu is all big eyes and ill-fitting clothes, eager as a puppy, even when they're picking up litter in the park for community service. He's so not her type.

Appearances matter to Jess. She's got a lot to hide. Nicu thinks Jess is beautiful. His dad brought Nicu and his mum here for a better life, but now all they talk about is going back home to find Nicu a wife. The last thing Nicu wants is to get married. He wants to get educated, do better, stay here in England. But his dad's fists are the most powerful force in Nicu's life, and in the end, he'll have to do what his dad wants. As Nicu and Jess get closer, their secrets come to the surface like bruises. The only safe place they have is with

each other. But they can't be together, forever, and stay safe - can they? An extraordinary, high-impact, high-emotion collaboration between two Carnegie honoured rising stars of YA.
