The Papers of George Washington - George Washington 1983

[A Reprint of the Journals of George Washington and His Guide, Christopher Gist, Reciting Their Experiences on the Historic Mission from](#)

[Governor Dinwiddie, of Virginia, to the French Forts in November-December, 1753](#) - George Washington 1950

The Papers of George Washington: 1 May-30 September 1794 - George Washington

1987

The Papers of George Washington, a grant-funded project, was established in 1968 at the University of Virginia, under the joint auspices of the University and the Mount Vernon Ladies' Association of the Union, to publish a comprehensive edition of Washington's correspondence. Letters written to Washington as well as letters and documents written by him are being published in the complete edition that will consist of approximately ninety volumes. The work is now (2011) more than two-thirds complete. The edition is supported financially by grants from the National Endowment for the Humanities, the National Historical Publications and Records Commission, the Mount Vernon Ladies' Association, the University of Virginia, and gifts from private foundations and individuals. Today there are copies of over 135,000 Washington documents in the project's document room. This is one of the richest collections of American historical manuscripts

extant. There is almost no facet of research on life and enterprise in the late colonial and early national periods that will not be enhanced by material from these documents. The publication of Washington's papers will make this source material available not only to scholars but to all Americans interested in the founding of their nation. - Publisher.

George Washington's Secret Six - Brian Kilmeade 2014-10-28

*Now with a new afterword containing never-before-seen research on the identity of the spy ring's most secret member, Agent 355 "This is my kind of history book. Get ready. Here's the action." —BRAD MELTZER, bestselling author of *The Fifth Assassin* and host of *Decoded* When George Washington beat a hasty retreat from New York City in August 1776, many thought the American Revolution might soon be over. Instead, Washington rallied—thanks in large part to a little-known, top-secret group called the Culper Spy Ring. He realized that he couldn't defeat the British with military might, so he recruited a sophisticated and deeply secretive intelligence network to infiltrate New York. Drawing on extensive research, Brian Kilmeade and Don Yaeger have offered fascinating portraits of these spies: a reserved

Quaker merchant, a tavern keeper, a brash young longshoreman, a curmudgeonly Long Island bachelor, a coffeehouse owner, and a mysterious woman. Long unrecognized, the secret six are finally receiving their due among the pantheon of American heroes.

State Papers and Publick Documents of the United States from the Accession of George Washington to the Presidency - 1817

[The Diary of George Washington, from 1789 to 1791](#) - George Washington 2022-06-03

Reprint of the original, first published in 1861.

George Washington Carver - Janet Bengé 2001-06-13

"Children and adults alike love the popular Christian Heroes: Then & Now series. Now Christian Heroes authors Janet and Geoff Bengé tell the stories of Heroes of History with the same engaging narrative style and historical depth! This new series brings the shaping of history to life with the remarkable true stories of

fascinating men and women who changed the course of history. Once a kidnapped slave baby, George Washington Carver overcame poverty and racism to become an influential scientist (1864?-1943).

Letters from George Washington to Tobias Lear - George Washington 1905

You Never Forget Your First - Alexis Coe 2021-02-02

AN INSTANT NEW YORK TIMES BESTSELLER
AN NPR CONCIERGE BEST BOOK OF THE YEAR "In her form-shattering and myth-crushing book....Coe examines myths with mirth, and writes history with humor... [You Never Forget Your First] is an accessible look at a president who always finishes in the first ranks of our leaders." —Boston Globe Alexis Coe takes a closer look at our first--and finds he is not quite the man we remember Young George Washington was raised by a struggling single mother, demanded military promotions, caused

an international incident, and never backed down--even when his dysentery got so bad he had to ride with a cushion on his saddle. But after he married Martha, everything changed. Washington became the kind of man who named his dog Sweetlips and hated to leave home. He took up arms against the British only when there was no other way, though he lost more battles than he won. After an unlikely victory in the Revolutionary War cast him as the nation's hero, he was desperate to retire, but the founders pressured him into the presidency--twice. When he retired years later, no one talked him out of it. He left the highest office heartbroken over the partisan nightmare his backstabbing cabinet had created. Back on his plantation, the man who fought for liberty must confront his greatest hypocrisy--what to do with the men, women, and children he owns--before he succumbs to death. With irresistible style and warm humor, *You Never Forget Your First* combines rigorous research and lively storytelling that will have

readers--including those who thought presidential biographies were just for dads--inhaling every page.

George Washington - George Washington 1972

The Life Of George Washington - Mary L. Williamson 2004

Mary L. Williamson gives a unique glimpse into the spiritual life and career of the first President of the United States. Little known and often overlooked aspects of Washington's faith are featured throughout this well-documented book.

5) July, 1777-July, 1778. (v. 6) July, 1778-March, 1780. (v. 7) March, 1780-April, 1781. (v. 8) April, 1781-December, 1783 - George Washington 1834

George Washington: Writings (LOA #91) -

George Washington 1997-02-22

Gathers letters, journal excerpts, orders, and addresses from each part of Washington's life and political career

The Invention of George Washington - Paul K. Longmore 1999

This is a paper edition reprint of study originally published in 1988 by the U. of California Press. The title refers to the historical process by which Washington was made into a heroic myth by the American people, and also to discussion of Washington's own active role in the process--evidence of his strong talent, often overlooked, as a political actor. The author is a historian affiliated with San Francisco State University. Annotation copyrighted by Book News, Inc.,

George Washington Biography - Tittle Lyssa 2020-11-09

On April 30, 1789, George Washington, standing on the balcony of Federal Hall on Wall Street in New York, took his oath of office as the first President of the United States. This was a the True Story of America s Most Indispensable Man. There is properly no history; only biography, wrote Ralph Waldo Emerson. If that is true of the general run of mankind, it is particularly true of George Washington. The story of his life is the story of the founding of America. His was the dominant personality in three of the most critical events in that founding: the Revolutionary War, the Constitutional Convention, and the first national administration. Had he not served as America's leader in those three events, all would likely have failed -- and America, as we know it today, would not exist. Why, after Over two centuries, does George Washington remain one of the most

beloved figures in our history? The Real George Washington answers that question by giving us a close look at this man who became the father of our country and the first American President. But rather than focus on the interpretations of historians, much of his exciting story is told in his own words. This is the Over 1000-page book brings together the most important and insightful passages from Washington's writings, conveniently arranged by subject.

George Washington - Matt Doeden 2006

Presents the life of George Washington, focusing primarily on his role in the American Revolution and the formation of the United States.

The Journal of Major George Washington -

George Washington 1959

History of George Washington's journals.

The Education of George Washington - Austin

Washington 2014-02-10

George Washington—a man of honor, bravery and leadership. He is known as America's first President, a great general, and a humble

gentleman, but how did he become this man of stature? The Education of George Washington answers this question with a new discovery about his past and the surprising book that shaped him. Who better to unearth them than George Washington's great-nephew, Austin Washington? Most Washington fans have heard of "The Rules of Civility" and learned that this guided our first President. But that's not the book that truly made George Washington who he was. In The Education of George Washington, Austin Washington reveals the secret that he discovered about Washington's past that explains his true model for conduct, honor, and leadership—an example that we could all use. The Education of George Washington also includes a complete facsimile of the forgotten book that changed George Washington's life.

Who Was George Washington Carver? - Jim Gigliotti 2015

George Washington Carver was a young boy from Missouri born into slavery. No one

expected him to succeed because slaves were not allowed to be educated. After the Civil War, he enrolled in classes and was a star student. He became the first black student at Iowa State Agricultural College and later its first black professor. He went on to the Tuskegee Institute where he specialized in botany (the study of plants) and developed techniques to grow crops better. He was also an inventor who developed hundreds of household products and recipes using peanuts.

George Washington's Farewell Address (eBook) - Julia Hargrove 2000-03-01

Bring early American history to life for your students with time lines, thought-provoking questions and activities and relevant facts that will introduce them to the 'father' of our nation and a fascinating epoch.

Who Was George Washington? - Roberta Edwards 2009-01-08

In 1789, George Washington became the first president of the United States. He has been

called the father of our country for leading America through its early years. Washington also served in two major wars during his lifetime: the French and Indian War and the American Revolution. With over 100 black-and-white illustrations, Washington's fascinating story comes to life - revealing the real man, not just the face on the dollar bill!

The Writings of George Washington: pt. V. Speeches and messages to Congress, proclamations, and addresses - George Washington 1838

This volumed compilation of the writings of George Washington brings together important speeches, letters, and other official correspondence from the professional life of the Commander-in-Chief. Special attention is paid to documents relating to his military business and political career, but also with personal correspondence to add a more holistic examination into Washington. The editor provides his own summary of Washington's life

in the first volume, before the autobiographical documents begin.

George Washington Carver - Laura Driscoll
2003-12-29

Introducing Smart About Scientists! These books feature fascinating biographical information about the world's greatest scientists, ideas on scientific thinking, and real science experiments kids can try at home. Annie Marcus is just nuts about peanut butter! When Annie finds out that George Washington Carver was responsible for the popularity of peanuts, she picks him for her scientist report. Annie learns all sorts of fascinating info-George Washington Carver was born into slavery, but his dedication and unquenchable thirst for knowledge drove him to become a professor at a time when most institutions of higher learning were closed to blacks. This title explores Carver's brilliant career and discoveries, as well as his triumph over segregation to become one of the world's most renowned plant experts. Illustrated by Jill

Weber.

Letters and Recollections of George Washington - George Washington 1906

Includes last days of Washington from a diary kept by T. Lear.

Washington Monument (eBook) - Julia Hargrove 2001-03-01

As the fascinating story of George Washington unfolds (from young boy to General to President), children will also learn about the French and Indian War, the American Revolution, building the Washington Monument and other tributes to the first President. Activities designed for writing, researching and exploring provide additional information and hands-on experiences.

Washington's Farewell Address to the People of the United States, 1796 - George Washington 1913

[The Adventures of Delaware Bear and Young George Washington](#) - Charlene Rack 2011-05

The Adventures of Delaware Bear and Young George Washington and The Adventures of Delaware Bear and Young Abraham Lincoln are the first two stories to be published in a series of "Delaware Bear" adventures. Delaware is a handmade, huggable stuffed bear who gets passed down from family to family, child to child, and often ends up in the hands of young boys who will grow up to become president of the United States. With the perfect blend of history and fiction, the wise and lovable Delaware will bring famous Americans to life for the preschool/early reader audience, while encouraging the virtues and characteristics that lead to great accomplishments. The goal is to awaken in children a love of history and an understanding that they, also, can grow up to make their own personal mark on history. Discussion questions are included, for those who wish to dig a little deeper into the story content and/or the historical setting.

Blood of Tyrants - Logan Beirne 2014-12-02

Blood of Tyrants reveals the surprising details of our Founding Fathers' approach to government and this history's impact on today. Delving into forgotten—and often lurid—facts of the Revolutionary War, Logan Beirne focuses on the nation's first commander in chief, George Washington, as he shaped the very meaning of the United States Constitution in the heat of battle. Key episodes of the Revolution illustrate how the Founders dealt with thorny wartime issues: How do we protect citizens' rights when the nation is struggling to defend itself? Who decides war strategy? When should we use military tribunals instead of civilian trials? Should we inflict harsh treatment on enemy captives if it means saving American lives? Beirne finds evidence in previously unexplored documents such as General Washington's letters debating the use of torture, an eyewitness account of the military tribunal that executed a British prisoner, Founders' letters warning against government debt, and communications

pointing to a power struggle between Washington and the Continental Congress. Vivid stories from the Revolution set the stage for Washington's pivotal role in the drafting of the Constitution. The Founders saw the first American commander in chief as the template for all future presidents: a leader who would fiercely defend Americans' rights and liberties against all forms of aggression. Pulling the reader directly into dramatic scenes from history, *Blood of Tyrants* fills a void in our understanding of the presidency and our ingenious Founders' pragmatic approach to issues we still face today.

The Writings of George Washington: 1778-1779 - George Washington 1890

George Washington and the General's Dog - Frank Murphy 2013-02-12

Children will delight at this little-known-story about our nation's first president, George Washington, that makes for perfect President's

Day readers! Boom! Bang! Guns fire! Cannons roar! This Step 3 History Reader is about George Washington fighting in the American Revolution. He sees a dog lost on the battlefield. Whose dog is it? How will it find its master? Early readers will be surprised to find out what happens in this little-known true story about America's first president. Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics. These books are for children who are ready to read on their own.

The Papers of George Washington: 1 July-30

November 1790 - George Washington 1987

The Writings of George Washington from the Original Manuscript Sources, 1745-1799 -

George Washington 1931

Quotes of American President George Washington, a Words of Wisdom Collection Book, Including The Rules of Civility and Decent Behaviour In Company and Conversation - D Brewer 2020-02-05

George Washington (1732 - 1799) was a military general, statesman, and American political leader. He led the Patriot forces to victory in the American War for Independence. He was one of the Founding Fathers of the United States, presided at the Constitutional Convention of 1787, where the U.S. Constitution was established, and he served as the first president of the United States from 1789 - 1797. This extensive collection of quotes made by George Washington during his life time, span from before, during and after the War of Independence as well as during his time as American President. Also included are the delightful 110 'Rules of Civility and Decent

Behaviour In Company and Conversation', which he copied when he was sixteen as a handwriting exercise. They were originally derived from a list of ideals compiled by French Jesuits in 1590, and translated into English in 1640 by Francis Hawkins.

Correspondence of the American Revolution
- Jared Sparks 1853

The Writings of George Washington: pt. IV. Letters official and private, from the beginning of his presidency to the end of his life: (v. 10) May, 1789-November, 1794.

(v. 11) November, 1794-December, 1799 - George Washington 1838

This volumed compilation of the writings of George Washington brings together important speeches, letters, and other official correspondence from the professional life of the Commander-in-Chief. Special attention is paid to documents relating to his military business and political career, but also with personal correspondence to add a more holistic examination into Washington. The editor provides his own summary of Washington's life in the first volume, before the autobiographical documents begin.
