**Go Math! 2015, Grade K + Planning Guide** - 2014

**Eureka Math- a Story of Units** - Great Minds 2021-03-15

Eureka helps students to truly understand math, connect it to the real world, and prepare them to solve problems they haven't encountered before. The team of teachers and mathematicians who created Eureka Math believe that it is not enough for students to know the process for solving a problem; they need to know why that process works. Eureka presents math as a story, one that develops from grades PK through 12. In

A Story of Functions, our high school curriculum, this sequencing has joined with the methods of instruction that have been proven to work, in this nation and abroad.

Publishing Company 2015

## **California Go Math! - 2015**

"California GO Math! is specifically designed for California teachers and students to ensure success with California Common Core Standards and the Smarter Balanced Assessment.

California GO Math! K-6 incorporates mathematical practices in every lesson so students develop the mathematical thinking they need. It features exploration-driven lessons that begin with problem-based situations and build to more abstract problems. It includes resources to personalize instruction for RtI, online assessment, and ongoing data to inform instruction for Intervention, ELD, and challenge."--Publisher's website.
