There's Room for Everyone - Anahita Taymourian 2019-10-03

A child grows and discovers the world. As he lies awake at night, he sees there's enough room in the sky for all the stars and the moon. When he visits the ocean, he sees there is enough room for all the fish, even for the whales. As he grows up, he doesn't understand why people fight for space. Surely, if we are kinder to one another, there will always be room for everyone? This is a beautiful and profound picture book -- a testament of our time and a touching allegory for war and the refugee crisis.

Don't Worry, Little Crab - Chris Haughton 2020

From the award-winning creator of Shh! We Have a Plan comes a vibrantly colorful story about mustering the courage to try something new. Little Crab and Very Big Crab live in a tiny rock pool near the sea. Today they're going for a dip in the big ocean. "This is going to be so great," says Little Crab, splish-splashing and squelch-squelching along, all the way to the very edge. Then comes a first glance down at the waves. WHOOSH! Maybe it's better if they don't go in? With vivid colors, bold shapes, and his trademark visual humor, Chris Haughton shows that sometimes a gentle "don't worry, I'm here" can keep tentative little crabs

sidestepping ahead -- and help them discover the brilliant worlds that await when they take the plunge.

Maybe... - Chris Haughton 2021-11-30

A trio of misbehaving, mango-loving monkeys have a close call as the creator of Don't Worry, Little Crab gives readers a taste of vicarious mischief. Whatever you do, do NOT go down to the mango tree. There are tigers down there." Mmm . . . mangoes! think the little monkeys. They LOVE mangoes. Hmm . . . Maybe . . . maybe they could just look at the mangoes. That would be OK, right? With vivid colors, bold shapes, and his trademark visual humor, Chris Haughton is back with a deliciously suspenseful cautionary tale about pushing boundaries—and indulging your more impish side (when nobody is looking).

He was quite unprepared for this timid, sickly little specimen. Britain, 1940. With World War Two raging all around, young children are being sent from their homes in the city to the countryside for safety. When eight-year-old Willie Beech first arrives on Tom Oakley's doorstep, neither are quite sure what to make of each another. Brought up in terrible poverty, Willie is terribly shy, and totally unprepared for village life - but the gruff-but-gentle 'Mister Tom' quickly takes him under his wing. Neither he nor Willie could ever have predicted the journey they will go on together - nor the unbreakable bond that will be formed.
