## **Pearl Harbor Survivors** -

Harry Spiller 2001-12-19

On December 7, 1941, Japan waged a surprise attack on the United States Naval Base at Pearl Harbor. It was a major victory for the Japanese Navy, which in less than two hours destroyed 188 American planes, damaged another 159,

and sunk or seriously damaged 18 U.S. warships. The battleships Arizona and Oklahoma were sunk. The battleships California, West Virginia and Tennessee were badly damaged and would not rejoin the United States fleet for months. Over 2,400 American military personnel were killed and 1,178 were wounded. The Japanese lost 29 planes and pilots, five midget submarines and one large sub with their crews. Here are 24 personal accounts of

Downloaded from  
[verdaddigital.com](http://verdaddigital.com) on by  
guest

servicemen who survived the attack on Pearl Harbor. These accounts cover in detail the location of each man and his experience during and after the actual attack. Also included is general information about Pearl Harbor.

A Map of the Harbor Islands -

Joseph George Hayes 2006

A Map Of The Harbor Islands is the long-awaited novel from J. G. Hayes, the critically acclaimed bestselling author of This Thing Called Courage and Now Batting for Boston. This book charts the turbulent life courses of two South Boston friends, Danny O'Connor and Petey Harding, from their childhoods through their adult lives. `Golden Boy' Petey has it all going for him - brains, charisma and his close friendship with Danny. Then an accident on the baseball field changes everything. Petey wakes from a coma a different person, completely different from the boy Danny knew and loved. Gone are the old habits, the old joy of baseball, the old way of thinking. Petey is left with a stutter and a new

appreciation for life that Danny sometimes just cannot understand. Petey begins to tell stories and make maps - dragging a grudging Danny along. Over the years Danny begins to understand Petey, and slowly, he also begins to learn more about himself. Then Petey confesses that he is gay, which sends Danny on an odyssey he never dreamed could happen. Petey's map is one of hope for Danny and him, to escape the urban ghetto of South Boston. They are two wayfaring friends who swear a love for one another until the very end. A Map Of The Harbor Islands carries the reader on a journey into the beauty of the world, physically and emotionally, along a current of love, friendship, self-growth and redemption.

**Pearl Harbor Ghosts** -

Thurston Clarke 2001-05-01

A landmark book published to rave reviews a decade ago, Pearl Harbor Ghosts has now been updated to commemorate the 60th anniversary of the surprise attack that forever changed the course of history.

Downloaded from  
[verdaddigital.com](http://verdaddigital.com) on by  
guest

Full of gripping drama and vibrant details, here is the intimate human story of the events surrounding that fateful day of December 7, 1941—the glamorous tropical city that seemed too beautiful to suffer devastation . . . the stunned naval personnel whose lives would permanently be divided into before and after Pearl Harbor . . . the ordinary Honolulu residents who were tragically unprepared to be the first target in the Pacific war . . . the Japanese pilots who manned the squadron of deadly silver bombers . . . and the island’s community of Japanese-Americans whose lives would never be the same again. Blending meticulous historic recreation with lively reporting, Clarke counterpoints the freeze-frame nightmare of the 1941 bombing with the disturbing realities of present-day Honolulu, where hundreds of veterans, both American and Japanese, converge each year to relive every hour of the attack. Wealthy Waikiki landowners and native Hawaiian farmers, admirals

and nurses, Navy wives and government officials—all take their part in Clarke’s rich tapestry of memory and insight. In the end, Pearl Harbor emerges as a trauma that spread from Oahu to engulf the nation and the world—an event that continues to reverberate in the lives of all who experienced it.

*Target* - Michael Slackman  
1990-06-01

*Target*: Pearl Harbor takes a fresh look at the air raid that plunged America into World War II by scrutinizing the decisions and attitudes that prompted the attack and left the United States unprepared to mount a successful defense. The core of the book concerns the events of December 7, 1941, as seen through the eyes of participants, both American and Japanese, military and civilian. The author's use of contemporary documents and interviews with survivors has enabled him to present a vivid and evocative picture of that day.

*God's Samurai* - Gordon  
William Prange 2004

Mitsuo Fuchida was the career aviator who led the attack on Pearl Harbor and participated in most of the fiercest battles of the Pacific war. A valuable record of major events, his life's story is also one of a man swept along by his times. Reared in the vanished culture of early twentieth-century Japan, war hero Fuchida returned home to become a simple farmer. After a scandalous love affair came his remarkable conversion to Christianity and years of touring the world as an evangelist. God's Samurai is a revealing, personal look at both the war and the century from the Japanese perspective.

**Attack at Pearl Harbor -**

Nancy LeSourd 2008-08  
Letters between two young girls, one in Washington, D.C., and eager to become a newspaper reporter, the other in Pearl Harbor, Hawaii, determined to take flying lessons, chronicle not only events in the year leading up to the 1941 attack on Pearl Harbor, but also the pain of having their fathers in the war.

Includes epilogue with facts and photographs.

**Tora! Tora! Tora! -** Mark Stille 2011-11-20

In the early hours of December 7, 1941, the Japanese First Air Fleet launched a massive air-strike against the American Pacific Fleet based at Pearl Harbor in Hawaii. Supported by a group of midget submarines, the attack gutted the American battleship fleet but, owing to a lack of intelligence, the American aircraft carriers they hoped to destroy were not present. In this new study of the raid, Mark Stille reexamines the political context of the attack and the intelligence operations of both sides, and gives a detailed analysis of all the major events during the battle. Backed with numerous photographs, diagrams, maps, and artwork, this book is a complete study of the Japanese attack that awoke 'the sleeping giant'.

**Harbor Me -** Jacqueline Woodson 2020-04-21

A NEW YORK TIMES  
BESTSELLER! Jacqueline

*Downloaded from  
[verdaddigital.com](http://verdaddigital.com) on by  
guest*

Woodson's first middle-grade novel since National Book Award winner *Brown Girl Dreaming* celebrates the healing that can occur when a group of students share their stories. It all starts when six kids have to meet for a weekly chat--by themselves, with no adults to listen in. There, in the room they soon dub the ARTT Room (short for "A Room to Talk"), they discover it's safe to talk about what's bothering them--everything from Esteban's father's deportation and Haley's father's incarceration to Amari's fears of racial profiling and Ashton's adjustment to his changing family fortunes. When the six are together, they can express the feelings and fears they have to hide from the rest of the world. And together, they can grow braver and more ready for the rest of their lives.

Love Letters - Debbie Macomber 2015-07-21  
NEW YORK TIMES  
BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL  
In this enchanting novel set at

Cedar Cove's cozy Rose Harbor Inn, Debbie Macomber celebrates the power of love—and a well-timed love letter—to inspire hope and mend a broken heart. Summer is a busy season at the inn, so proprietor Jo Marie Rose and handyman Mark Taylor have spent a lot of time together keeping the property running. Despite some folks' good-natured claims to the contrary, Jo Marie insists that Mark is only a friend. However, she seems to be thinking about this particular friend a great deal lately. Jo Marie knows surprisingly little about Mark's life, due in no small part to his refusal to discuss it. She's determined to learn more about his past, but first she must face her own—and welcome three visitors who, like her, are setting out on new paths. Twenty-three-year-old Ellie Reynolds is taking a leap of faith. She's come to Cedar Cove to meet Tom, a man she's been corresponding with for months, and with whom she might even be falling in love. Ellie's overprotective mother

Downloaded from  
[verdaddigital.com](http://verdaddigital.com) on by  
guest

disapproves of her trip, but Ellie is determined to spread her wings. Maggie and Roy Porter are next to arrive at the inn. They are taking their first vacation alone since their children were born. In the wake of past mistakes, they hope to rekindle the spark in their marriage—and to win back each other’s trust. But Maggie must make one last confession that could forever tear them apart. For each of these characters, it will ultimately be a moment when someone wore their heart on their sleeve—and took pen to paper—that makes all the difference. Debbie Macomber’s moving novel reveals the courage it takes to be vulnerable, accepting, and open to love. Praise for Love Letters “Romance and a little mystery abound in this third installment of Macomber’s series set at Cedar Cove’s Rose Harbor Inn. . . . Readers of Robyn Carr and Sherryl Woods will enjoy Macomber’s latest, which will have them flipping pages until the end and eagerly anticipating the next

installment.”—Library Journal (starred review) “Mending a broken heart is not always easy to do, but Macomber succeeds at this beautifully in Love Letters. . . . Quite simply, this is a refreshing take on most love stories—there are twists and turns in the plot that keep readers on their toes—and the author shares up slices of realism, allowing her audience to feel right at home.”—Bookreporter

**Not War But Murder** - Ernest B. Furgurson 2007-12-18

Ernest Furgurson, author of *Ashes of Glory* and *Chancellorsville 1863*, brings his talents to a pivotal and often neglected Civil War battle—the fierce, unremitting slaughter at Cold Harbor, Virginia, which ended the lives of 10,000 Union soldiers. In June of 1864, the Army of the Potomac attacked heavily entrenched Confederate forces outside of Richmond, hoping to break the strength of Robert E. Lee and take the capital. Facing almost certain death, Union soldiers pinned their names to their uniforms in the

Downloaded from  
[verdaddigital.com](http://verdaddigital.com) on by  
guest

forlorn hope that their bodies would be identified and buried. Furgurson sheds new light on the personal conflicts that led to Grant's worst defeat and argues that it was a watershed moment in the war. Offering a panorama rich in detail and revealing anecdotes that brings the dark days of the campaign to life, *Not War But Murder* is historical narrative as compelling as any novel.

Mount Desert Island - Earle G. Shettleworth, Jr. 2001

Annually, Mount Desert Island attracts over three million visitors to Acadia National Park, where lofty mountains, balsam-scented forests, and Maine's granite-lined coast enchant all. Almost bisecting the island is Somes Sound, a Norwegian-style fiord with three villages, Somesville, Southwest Harbor, and Northeast Harbor, nestled around its shores. In the 1850s, about two thousand residents made this pristine area their home, living off the sea and land with few visitors. By World War I, Mount Desert Island had become a

destination for summer tourists. Mount Desert Island, with more than two hundred photographs selected from eleven collections, illustrates the transition of Somesville, Southwest Harbor, and Northeast Harbor as they evolved from isolated fishing and shipbuilding hamlets to meccas for Victorian summer visitors, a Who's Who of academia and theology. These images, some of them dating back to the Civil War era, bring to life the people, places, and events that form the history of these communities. From dignitary visits, such as that of the Archbishop of Canterbury, to carefree buckboard rides, Mount Desert Island demonstrates the broad range of rustic experiences and the complex lives of islanders as they forged their living in a changing economy. Both new and old visitors will recognize many of the images, though some will surprise all as they show places that no longer exist. *Rose Harbor in Bloom* - Debbie Macomber 2015-06-23

#1 NEW YORK TIMES

BESTSELLER Hailed as "the reigning queen of women's fiction" (The Sacramento Bee), Debbie Macomber is renowned for her novels of love, friendship, and the promise of fresh starts. Now Macomber returns to the charming Rose Harbor Inn, where each guest finds a second chance and every room comes with an inspiring new view. Since moving to Cedar Cove, Jo Marie Rose has truly started to feel at home, and her neighbors have become her closest friends. Now it's

springtime, and Jo Marie is eager to finish the most recent addition to her inn. In memory of her late husband, Paul, she has designed a beautiful rose garden for the property and enlisted handyman Mark Taylor to help realize it. She and Mark don't always see eye-to-eye—and at times he seems far removed—yet deep down, Jo Marie finds great comfort in his company. And while she still seeks a sense of closure, she welcomes her latest guests, who are on their own healing journeys. Annie Newton arrives in town to orchestrate her grandparents' fiftieth wedding anniversary celebration. While Annie is excited for the festivities, she's struggling to move on from her broken engagement, and her grandparents themselves seem to be having trouble getting along. Worse, Annie is forced to see Oliver Sutton, with whom she grew up and who has always mercilessly teased her. But the best parties end with a surprise, and Annie is in for the biggest one of all. High-powered businesswoman Mary

Smith, another Rose Harbor Inn guest, has achieved incredible success in her field, yet serious illness has led her to face her sole, lingering regret. Almost nineteen years ago, she ended her relationship with her true love, George Hudson, and now she's returned to Cedar Cove to make amends. Compassion and joy await Jo Marie, Annie, and Mary as they make peace with their pasts and look boldly toward their futures. Rose Harbor in Bloom is Debbie Macomber at her heartwarming best. Praise for Rose Harbor in Bloom "Takes readers on personal journeys of first love, lost love and recaptured love."—Bookreporter "A wonderful reading experience . . . as [the characters'] stories unfold, you almost feel they have become friends."—Wichita Falls Times Record News "Readers will find the emotionally impactful storylines and sweet, redemptive character arcs for which the author is famous. Classic Macomber, which will

please fans and keep them coming back for more.”—Kirkus Reviews

**Over and Back** - Brian J. Cudahy 1990

Ask the average American anywhere in the country to answer the question Staten Island and you get Ferry in immediate response. what is regularly billed as America's favorite boatride- not least because a round trip still costs an astonishing twenty-five cents- is the last public survivor of New York Harbor's once immense fleet of those doughty double-ended ferryboats. Dozens of ferryboats in a myriad of liveries crossed the harbor's waterways as recently as one generation ago Most have vanished as though they never were, leaving in their ghostly wakes only fading memories and a few gorgeously restored ferry terminals. The handsomest of these terminals, on the New Jersey side of the Hudson, is probably the one dubbed by Christopher Morley the Piazza San Lackawanna. Over and Back captures

definatively nearly two centuries of ferryboating in New York Harbor, by a master narrator of the history of transportation in America. In stories, charts, maps, photographs, diagrams, route lists, fleet rosters, and in the histories of some four hundred ferryboats, Brian J. Cudahy captures the whole tale as concisely as one could hope. The transportation expert, the ferry buff, the model builder, the urban historian: each will find grist for his or her mill. The photographs capture a highly significant footnote in America's past and present; the colored illustrations preserve some of the stylish rigs in which the owners garbed their boats, despite coal soot, oil smudge, and urban grime. Fully a third of the book comprises the most complete statistical compilation that the nation's public and private archives permit. The data show, among other things, that some of the former workhorses of New York Harbor are filling utilitarian or social roles elsewhere in the United States

and overseas, and that the newest boats in the harbor began life along the Gulf of Mexico and in New England. Great Lakes Harbors Study, Interim Report on Lorain Harbor, Ohio - 1960

**Resurrection** - Daniel Madsen 2003

Aimed at the general reader with an interest in World War II and the U.S. Navy, Resurrection looks at the massive efforts following the attack to save the ships, beginning with damage control aboard the ships that took hits on 7 December 1941 and ending in March 1944 when salvage efforts on the USS Utah were finally abandoned." *Harbor* - Donald Crews 1987-09-23

All the color and action of liners, tankers, tugs, barges, ferryboats, and fireboats in a harbor are presented in this exciting visual adventure. "Harbor is a picture book, and a great one at that. Every library will want it."--School Library Journal Great Lakes Harbors Study,

Interim Report on Kenosha Harbor, Michigan - 1962

*Air Raid--Pearl Harbor!* - Theodore Taylor 2001-04-30 Examines from both the American and Japanese points of view the political and military events leading up to the attack on Pearl Harbor and provides compelling insight into the motives and operations of the brave men and women swept up in the fight. Reissue. Pacific Payback - Stephen L. Moore 2015-06-02

"Deeply researched and well written....By far the most detailed account of USS Enterprise's dive-bombers and their decisive role at the Battle of Midway."\* Sunday, December 7, 1941, dawned clear and bright over the Pacific.... But for the Dauntless dive-bomber crews of the USS Enterprise returning to their home base on Oahu, it was a morning from hell. Flying directly into the Japanese ambush at Pearl Harbor, they lost a third of their squadron and witnessed the heart of America's Navy broken and

Downloaded from

guest

smoldering on the oil-slicked waters below. The next six months, from Pearl Harbor to the Battle of Midway—a dark time during which the Japanese scored victory after victory—this small band of aviators saw almost constant deployment, intense carrier combat, and fearsome casualties. Many were killed by enemy Zero fighters, anti-aircraft fire, or deadly crash landings in the Pacific, while others were captured and spent years in POW camps. Yet the Enterprise's Dauntless crews would be the first to strike an offensive blow against Japanese installations in the Marshall Islands, would be the first to sink a Japanese warship, and would shepherd the Doolittle Raiders' bombing of Tokyo. Not until Midway, though, would Dauntless crews get the chance to settle the score...and change the course of World War II. Drawing on dozens of new interviews and oral histories, author Stephen L. Moore brings to life inspiring stories of individual sacrifice and bravery—and the

sweeping saga of one of America's greatest triumphs. INCLUDES PHOTOS

**Broken Harbor** - Tana French  
2013-04-30

From Tana French, author of the forthcoming novel *The Searcher*, a New York Times bestselling novel that "proves anew that [Tana French] is one of the most talented crime writers alive" (*The Washington Post*). "Required reading for anyone who appreciates tough, unflinching intelligence and ingenious plotting." —*The New York Times* Mick "Scorcher" Kennedy is the star of the Dublin Murder Squad. He plays by the books and plays hard, and that's how the biggest case of the year ends up in his hands. On one of the half-abandoned "luxury" developments that litter Ireland, Patrick Spain and his two young children have been murdered. His wife, Jenny, is in intensive care. At first, Scorcher thinks it's going to be an easy solve, but too many small things can't be explained: the half-dozen baby monitors pointed at holes smashed in the

Downloaded from  
[verdaddigital.com](http://verdaddigital.com) on by

Spain's walls, the files erased from the family's computer, the story Jenny told her sister about a shadowy intruder slipping past the house's locks. And this neighborhood—once called Broken Harbor—holds memories for Scorcher and his troubled sister, Dina: childhood memories that Scorcher thought he had tightly under control.

**Harbour** - John Ajvide Lindqvist 2010

On a winter trip home to the island of Domarö, Anders and Cecilia take their six-year-old daughter Maja across the ice to visit the lighthouse at Gåvasten. And Maja disappears. Leaving not even a footprint in the snow. Two years later, alone and more or less permanently drunk, Anders returns to Domarö to confront his despair. He slowly realises that Maja's disappearance is not the first inexplicable tragedy to strike the islanders. Nor is everyone telling him all they know; even his own mother, it seems, is keeping secrets. And what is it about the sea? There's

something very bad happening on Domarö. Something that involves the sea itself. As he did with *Let the Right One In* and *Handling the Undead*, John Ajvide Lindqvist serves up a masterful cocktail of suspense laced with bizarre humour and a narrative that barely pauses for breath.

Harbour is also a heartbreaking study of loss and guilt and a novel whose epic climax pits the infinite force of nature against the implacable love of a father for his child.

*Sag Harbor* - Nicola Gardini 2003

*Good Harbor* - Anita Diamant 2002-02-19

Anita Diamant, whose rich portrayal of the biblical world of women illuminated her acclaimed international bestseller *The Red Tent*, now crafts a moving novel of contemporary female friendship. *Good Harbor* is the long stretch of Cape Ann beach where two women friends walk and talk, sharing their personal histories and learning life's lessons from each other.

Kathleen Levine, a longtime resident of Gloucester, Massachusetts, is maternal and steady, a devoted children's librarian, a convert to Judaism, and mother to two grown sons. When her serene life is thrown into turmoil by a diagnosis of breast cancer at fifty-nine, painful past secrets emerge and she desperately needs a friend. Forty-two-year-old Joyce Tabachnik is a sharp-witted freelance writer who is also at a fragile point in her life. She's come to Gloucester to follow her literary aspirations, but realizes that her husband and young daughter are becoming increasingly distant. Together, Kathleen and Joyce forge a once-in-a-lifetime bond and help each other to confront scars left by old emotional wounds.

### **Islands of Boston Harbor -**

Edward Rowe Snow

2008-03-31

A reissue of Edward Rowe Snow's first book, covering the legends and history of nearly every rock and island in Boston Harbor, including Boston Light and Graves Light. The first

(1935) edition resulted from research Snow did at Harvard under the tutelage of the great maritime historian Samuel Eliot Morison. When the 1971 edition of the book was published, a critic for the Boston Post wrote, "Mr. Snow has the gift of making his subject vivid and personal in its anecdotal touches . . . It is a volume of chatty yet dignified essays, with many a light touch brought in." This centennial edition contains the complete 1971 text, with annotations by Jeremy D'Entremont to bring the information up to date.

**Pearl Harbor Attack** - United States. Congress 1946

*Boston Harbor Islands* - David Kales 2007

Despite the relentless development of the past two centuries, Boston's coastal geography is still defined by its Harbor Islands. Carved and sculpted by massive glaciers from millennia past, this constellation of thirty-odd isles - notorious for swirling currents, surging tides, and treacherous submerged

hazards--has played an outsized role in the city's history and growth. In *The Boston Harbor Islands: The History of An Urban Wilderness*, David Kales examines the astonishing range of uses Bostonians have found for their neighboring archipelago. From pirates' havens to military fortifications, the Harbor Islands have undergone innumerable transformations. Now, as Kales describes, conservation agencies hope to revitalize the oft-neglected islands, which were recently designated as a National Park Area. Filled with fascinating stories, *The Boston Harbor Islands* is the perfect primer for readers seeking to learn more about a unique maritime landscape located just a ferry ride away from Boston.

of the open sea—you will experience an epic saga of perseverance and pain, faith and calling in Deep Harbor. Determined to live “the good life,” no matter the price, Tora Anders weaves a web of lies that could cost her everything she cares for—including a successful future and the man she loves—but lead her to what her soul most desperately needs. Her sister, Elsa Ramstad, has everything her heart desires: a loving husband, a family she adores, and a fulfilling life at sea. Then tragedy strikes. Now, drawing upon her faith and all the strength she can muster, Elsa must once again discover the woman she is and who she chooses to be. Four years after her husband’s disappearance, Kaatje Janssen struggles to raise two young daughters and tend her farm. But when help comes from the most unlikely source, Kaatje faces both uncertainty about the future and a deep secret from her past. And after years of grappling with his feelings for Elsa and the mistakes he has

made, Karl is caught in a life of loneliness and emptiness. Can he finally accept the reality of what he once lost and open himself up to the possibility of what could be? Separated by physical distance and emotional boundaries, these four bound by friendship and family find each other once again and discover that some ties can never be broken in Deep Harbor, Book Two in The Northern Lights series.

*Harbor* - Lorraine Adams  
2005-09-13

A New York Times and Washington Post Notable Book Entertainment Weekly's #1 Fiction Book of the Year A tremendously acclaimed and exquisitely realized novel of literary suspense, *Harbor* recounts the adventures of Aziz Arkoun who, at twenty-four, makes his way to America via the hold of an Algerian tanker and the icy waters of Boston harbor. Aziz soon finds himself a community of fellow Algerians, but their means of survival in this strange land begins to remind him of the dangerous world he was

Downloaded from  
[verdaddigital.com](http://verdaddigital.com) on by  
guest

desperate to escape. As the story of Aziz and his friends unfolds, moving from East Boston and Brooklyn to Montreal and a North African army camp, Harbor takes us inside the ambiguities of these men's past and present lives. When Aziz discovers that he and his circle are most likely under surveillance, all assumptions, his and ours, dissolve in urgent, mesmerizing complexity.

### **Fairport Harbor** - 2003

Surrounded by water on three sides, Fairport Harbor, Ohio, was once a gateway to the Western Reserve, welcoming more ships to its shores than Cleveland. These ships brought immigrants-Irish, English, and others-who saw the harbor's towering 1825 lighthouse, one of the town's two lighthouses on the National Registry of Historic Sites, as a beacon for freedom, hope, and opportunity. Indeed, the town served a prominent role in the Underground Railroad, helping southern slaves along their way to freedom in Canada. Ship building and Great Lakes

shipping became the major industries, and soon homes, warehouses, and businesses began to flourish-Fairport Harbor was booming. Fairport Harbor tells the story of the village's rich history with captivating vintage photographs that capture all the natural beauty of this lakeside community. Featured inside are the historic landmarks-buildings, churches, and of course lighthouses that are so identifiable with the village's past. Also featured are the people-the fishermen, shipbuilders, and railroad workers who all helped build one of the most picturesque harbor towns on all of Lake Erie's shores.

### *Haunted Harbor* - Geordie Buxton 2005-09

Celebrated tour guides and writers Geordie Buxton and Ed Macy invite you to voyage into the fathoms-deep waters of the Holy City with their new collection, *Haunted Harbor*. This cache of macabre, eerie and never-before-told stories includes tales of strange occurrences at Castle

*Downloaded from

Pinckney, the reappearing face of a mysterious soldier at Fort Sumter, the influence of real-life pirates on Sullivan's Island resident Edgar Allen Poe, the unexplained sounds of Seneca guns and many more.

Determined to combat the usual vague, repetitive ghost stories, and armed with a chilling repertoire of spectral lore, Buxton and Macy have researched unique and ghastly tales that contain "real historical bonds or tangible specificity." Haunted Harbor drips with detailed stories of the pirates, military soldiers, prisoners and sailors who stalked the Charleston waterfront on ship and on foot hundreds of years ago, and who have refused to leave.

*Sag Harbor* - Colson Whitehead  
2011

Pure shimmering brilliance...One of the funniest books I've ever read' Gary Shteyngart

*Pearl Harbor* - Henry C. Clausen 1992

Irene Hannon invites you to come home to Hope Harbor--where hearts heal . . . and love blooms.

**Hope Harbor** - Irene Hannon  
2015-07-07

Tracy Campbell never wanted to leave Hope Harbor, Oregon, or the idyllic three-generation cranberry farm where she grew up. But life--and love--altered her plans. When tragedy strikes and changes her plans yet again, she finds herself back in her hometown with a floundering farm to run and a heartbreaking secret. Romance is not on her agenda. Nor is it on Michael Hunter's. The visitor from Chicago has daunting secrets of his own. But when Tracy recruits him to help save a struggling charitable organization, the winds of change begin to sweep through Hope Harbor, bringing healing, hope, and love to countless lives--including their own. Fan favorite Irene Hannon brings a whole new cast of characters to life in a charming Oregon seaside village. Emotional and heartwarming, this story

invites readers to come home to Hope Harbor, where love and hope bloom--and hearts heal.

*To Wake the Giant* - Jeff Shaara  
2021-05-18

The New York Times bestselling master of military historical fiction tells the story of Pearl Harbor as only he can in the first novel of a gripping new series set in World War II's Pacific theater. In 1941, President Franklin D. Roosevelt watches uneasily as the world heads rapidly down a dangerous path. The Japanese have waged an aggressive campaign against China, and they now begin to expand their ambitions to other parts of Asia. As their expansion efforts grow bolder, their enemies know that Japan's ultimate goal is total conquest over the region, especially when the Japanese align themselves with Hitler's Germany and Mussolini's Italy, who wage their own war of conquest across Europe. Meanwhile, the British stand nearly alone against Hitler, and there is pressure in Washington to

transfer America's powerful fleet of warships from Hawaii to the Atlantic to join the fight against German U-boats that are devastating shipping. But despite deep concerns about weakening the Pacific fleet, no one believes that the main base at Pearl Harbor is under any real threat. Told through the eyes of widely diverse characters, this story looks at all sides of the drama and puts the reader squarely in the middle. In Washington, Secretary of State Cordell Hull must balance his own concerns between President Roosevelt and the Japanese ambassador, Kichisaburo Nomura, who is little more than a puppet of his own government. In Japan, Admiral Isoroku Yamamoto wins skeptical approval for his outrageous plans in the Pacific, yet he understands more than anyone that an attack on Pearl Harbor will start a war that Japan cannot win. In Hawaii, Commander Joseph Rochefort's job as an accomplished intelligence officer is to decode radio signals and detect the location of the Japanese fleet,

but when the airwaves suddenly go silent, no one has any idea why. And from a small Depression-ravaged town, nineteen-year-old Tommy Biggs sees the Navy as his chance to escape and happily accepts his assignment, every sailor's dream: the battleship USS Arizona. With you-are-there immediacy, Shaara opens up the mysteries of just how Japan—a small, deeply militarist nation—could launch one of history's most devastating surprise attacks. In this story of innocence, heroism, sacrifice, and unfathomable blindness, Shaara's gift for storytelling uses these familiar wartime themes to shine a light on the personal, the painful, the tragic, and the thrilling—and on a crucial part of history we must never forget.

*Six Months Later* - Natalie D. Richards 2013-10-01

From the New York Times bestselling author of teen suspense books, Natalie D.

Richards, comes a psychological thriller about a girl who wakes up with

everything she's ever wanted, but can't remember the last six months of her life, perfect for fans of *One of Us Is Lying* and *If I Stay*. When Chloe fell asleep in study hall, it was the middle of May. But when she wakes up, snow is on the ground, and she can't remember the last six months. Before, she'd been a mediocre student. Now, she's on track for valedictorian and being recruited by Ivy League schools. Before, she never had a chance with sports star Blake. Now he's her boyfriend. Before, she and Maggie were inseparable. Now her best friend won't speak to her. What happened to her? Remembering the truth could be more dangerous than she'd ever imagined. This book is
