**The Wild Shore** - Kim Stanley Robinson 1995-03-15

2047: For the small Pacific Coast community of San Onofre, life in the aftermath of a devastating nuclear attack is a matter of survival, a day-to-day struggle to stay alive. But young Hank Fletcher dreams of the world that might have been, and might yet be--and dreams of playing a crucial role in America's rebirth. The Wild Shore is the first novel in Kim Stanley Robinson's highly-acclaimed Three Californias Trilogy.

Waiting for Wednesday - Nicci French 2014-04-03

The thrilling third novel starring London psychotherapist-turned-detective Frieda Klein—from internationally bestselling author Nicci French Nicci French's Blue Monday and Tuesday's Gone introduced the brilliant yet reclusive psychotherapist Frieda Klein to widespread critical acclaim, but Waiting for Wednesday promises to be her most haunting case yet. Ruth Lennox, housewife and mother of three, is found dead in a pool of her own blood. Detective Chief Inspector Karlsson can't piece together a motive and calls in Frieda, hoping her talents will offer a new angle on the case. When it emerges that the mother was hiding a scandalous secret, her family closes ranks. Frieda herself is distracted, still reeling from an attempt on her life, and struggling with her own rare feelings of vulnerability. Then a patient's chance remark sends Frieda down a dangerous path that seems to lead to a serial killer who's long escaped detection. Is Frieda getting closer to unraveling either case? Or is she just the victim of her own paranoid, fragile mind? Because, as Frieda knows, every step closer to a killer is one more step into a darkness from which there may be no return . . . Flawlessly executed, Waiting for Wednesday is a penetrating, twisted novel of murder and neurosis with a jaw-dropping climax that will linger in readers' minds long after they have turned the last page.

Free Roll - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

**Is Your HMO Killing You?** - Stephen Rothstein 2007-08

What if your HMO came up with the perfect way to make money? What if it killed you? Tom Kanon is an international expert in nanotechnology who uses microbots to deliver healthcare directly to the organs and cells of the human body. He envisions a world where disease has been vanquished and designer robots

police the human body. Microbots with specialized tools will remove cardiac plaque, carry hormones and enzymes where they are needed, and act as portable insulin pumps, miniature defibrillators, and pacemakers. Kanon's nanobot research soon attracts the attention of Jack Taylor, the CEO of Omni Health HMO. Taylor shrewdly woos Kanon into accepting a position as the head of the emergency room at Omni to tighten the company's stranglehold on the market. Kanon thought he knew everything about his field-until people start dying at his hospital and none of the other staff members care. As Tom struggles to find out why, he races against time to ensure the safety of his patients and loved ones against those who want them dead. But wanting to trust someone and knowing whom to trust are two very different things in the world of global corporate domination fueled by the bottom line.

*Not by Chance* - Tim Thayne 2013-11-15

Your struggling teenager is going to a residential or wilderness treatment program. Their addictions, learning disabilities, or emotional/behavioral issues have brought you to a moment of decision. Heartsick, anxious, and exhausted, questions bounce endlessly around your mind, "Will this work? Was this really necessary? Will she ever forgive me? Can we handle him at home when the time comes?" Dr. Tim Thayne delivers the answers in his groundbreaking book *Not by Chance*. As an owner/therapist of wilderness and residential programs, Thayne was frustrated when young people made monumental progress, only to return home where things quickly unraveled. His mission became to vastly improve long-term success by crafting and proving a model to coach parents on their power to lead out through full engagement during treatment and management of the transition home. *Not by Chance* engages readers through solid research, simple exercises, and captivating stories taken from Thayne's own life and the living rooms of hundreds of American homes. This book serves up concrete tools, hope, confidence, and stamina for families, professionals and mentors. Topics include: • Why good programs work • How to boost—not undermine—treatment • Nine dangers waiting after discharge • How to identify natural mentors for your teen • What to do when the testing begins • When and how to grant back privileges and freedoms • How to ease your young adult's transition from treatment to independent living • When you know you've succeeded If you are even considering out-of-home treatment for your teen, do not gamble with the outcomes. *Not by Chance* should claim its rightful place on your nightstand.

### **YOU CAN TRAIN YOUR DOG! MASTERING THE ART & SCIENCE OF MODERN DOG TRAINING -**

Pamela Dennison

What do science and art have to do with dog training? The science teaches you the nuances of how dogs learn. The art helps you to be more clear and inventive if your dog doesn't quite understand what you want. You will learn about breaking down behaviors using a positive, proactive approach which is a big part of the modern process of dog training.

Step by step instructions will help make what may seem insurmountable into something much simpler. This book will take you through it all:

- A look at the science behind modern training techniques and why they really work.
- Expert advice on basic training – sit, down, stay, come, door etiquette and loose leash walking.
- Addressing jumping, biting, stealing and other misbehaviors.
- Helping your dog become a Canine Good Citizen.

Life mirrors dog training. The effort you put in now will yield you many rewards, both immediately and for years to come.

#### **What experts are saying about *You Can Train Your Dog!*:**

Pam Dennison has done it again! She has written a fabulous book about training dogs that will benefit both the pet owner and novice or professional instructor. This in-depth volume bears Pam's signature stamp of breaking tasks into small steps that make learning effective and fun for dog and human alike. When I think of Pam, I think of someone who really "gets" dogs and who stands out in her ability to teach using practical, simple, realistic, and effective dog-friendly methods. This wonderful book is chock full of easy to follow approaches that work with family dogs, working dogs, high-performance dogs, and dogs with problems. It is precisely because of its practicality and comprehensiveness that I plan to use this book in my Animal-Assisted Play Therapy training program. This is an absolute must-read for everyone who trains their own or others' dogs!

**Risë VanFleet**, PhD, RPT-S, CDBC Founder, The Playful Pooch Program, Author of the award-winning *Play Therapy with Kids & Dogs* and *The Human Half of Dog Training: Collaborating with Clients to Get Results*

Wow! This book has it all. From basics and animal husbandry through to Premack and control games. If we had more well planned books like this in our stores there would be less problem dogs on our streets!

Pamela does a great job of deciphering the science behind dog training in this user friendly guide to having a great dog!

**Nando Brown**, IMDT, CAP2, FSG1, FFITT

I love how Pam makes the science and art of training a dog understandable for all caregivers. By using this book you will not only understand how your dog learns, but teach him step by step many important behaviours; from preparing him for vet visits to teaching him to walking on a loose lead. You can enhance the relationship you have with your dog and the relationship he has with you by reading this excellent book.

**I Will Not Leave You Comfortless** - Jeremy Jackson 2012-10-02

This memoir of "a happy childhood in rural Missouri just before the digital revolution [is] a sweet record of a time and a place that was not Always On." —St. Louis Post-Dispatch Spanning one year of the author's life—1984—I Will Not Leave You Comfortless is the intimate memoir of a young boy coming to consciousness in small-town Missouri. The year will bring ten-year-old Jeremy first loves, first losses, and a break from the innocence of boyhood that will never be fully repaired. For Jeremy, the seeming security of his life on the family farm is forever shaken by the life-altering events of that pivotal year. Throughout, he recalls the deeply sensual wonders of his rural Midwestern childhood—bicycle rides in September sunlight; the horizon vanishing behind tall grasses—while stories both heart-wrenching and humorous, tragic and triumphant, Jackson weaves past, present, and future into the rich Missouri landscape. "I could smell the mulberries crushed underfoot and the sweet steam of the cinnamon roll Grandma heated in the toaster oven just for Jeremy, hear the ever-increasing volume of an approaching late-spring storm . . . The year of Jeremy Jackson's life on which he meditates in I Will Not Leave You Comfortless marked his transition from the perfect happiness of childhood to the much more complex reality of adulthood. It records, as well, the abiding comfort that remains—family, home and love." —Wichita Eagle "Jackson writes about Missouri as the young Hemingway wrote about Michigan: with a clear eye; with hard-edged nostalgia; and (here's the thing) with brilliance." —Darin Strauss, author of Half a Life

*Do You Know Your Lines?* - Oren Hays 2002-03-31

A positive journey of two front-line EVAC nurses returning from Vietnam, the center of madness. They return to reclaim their virtues, dysfunctional families, and delicate microcosms of religious faith. A textured portrait of the imprecise structures they ran away from three years ago, now possessing a graphic glue eclipsing that which they were before. Two feisty, amusing, feminine rebels whose middle age crisis came early, their lassitude poignantly, gradually replaced by a quixotic sense of future. A vigorous, affirmative character analysis of transition of spirit. DO YOU KNOW YOUR LINES?, a metaphor asking, do you know what to say at that moment in our lives when words almost fail; do fail? Why? Because we may be emotionally bankrupt; willpower, alone, no longer able to return us to those graceful, idealistic, delicious times before fatigue and confusion penetrated deeply into our being.

Condition Red Area 51 - DeWayne Harper 2013-11-27

July 9, 1947. Roswell, New Mexico. A young boy tags along with his father to the Roswell Army Air Field and witnesses something he was not to see or know about until fifty-three years later. August 5, 2000. Garden Plains, Kansas. A massive alien craft is spotted hovering by local citizens and darts off to the Northwest somewhere in Colorado, where it starts to tailgate commercial Flight 311 on its way to Oklahoma City. Three F-15 aircrafts are scrambling to intercept and investigate this unknown intruder. The alien craft darts off to the Southeast, and the three F-15s give pursuit of the unknown intruder. The alien craft is able to lose the F-15s in a thunderstorm near Roswell, and history repeats itself some fifty-three years later.
