**My Ideal Boyfriend Is a Croissant** - Laura Dockrill 2019-07-16

This honest, laugh-out-loud novel brimming with body positivity, bite-sized nuggets of feminism, and commentary on eating will have readers rooting for sixteen-year-old BB as she navigates her world while maintaining her plucky zest for life even in the most trying of times. It's a food diary. I have to tell the truth. That's the point. Sixteen-year-old Bluebelle, also known as BB or Big Bones, lives her life unapologetically. She loves life! She loves food! When BB has a worse-than-usual asthma attack, her mom insists she go to the doctor. There, she is told that she is overweight (no surprise) and prediabetic (big surprise) and must lose weight, move more, and keep a food diary. To get out of this immediate health crisis, she agrees to make an effort. Then a tragedy occurs in the family, and things get seriously complicated. Suddenly, losing weight and moving more are the least of her worries. As for the food diary, though, BB doesn't just document what she's eating, she documents what she's feeling—and she has a lot to say! A CLIP Carnegie Medal Children's Book Award Nominee

**Santa, Please Bring Me a Boyfriend** - Sophie Randal 2022-10-07

As snowflakes fall like icing sugar, I smile at him and feel an unmistakeable spark. And I realise I don't just fancy the (taut, muscular) arse off this man - a man who probably doesn't even know I exist - but I actually like him... This Christmas, Rowan has a long list for Santa: · To get her sex life out of the Sahara · To stop being the lonely singleton in her friendship group (aka the prime target for blind dates that go horribly wrong) · To find out where her confidence went (note to self: check under sofa) · To have someone to curl up with this Christmas, other than a tin of Quality Street But having had more than her fair share of heartbreak thanks to her ex - with more off-agains and on-agains than Rachel and Ross - she's starting to think that real love is just wishful thinking... But Rowan's friends aren't so quick to give up, arranging an advent calendar to help get her spark back. And while the gifts make Rowan feel festive - glittery bubble bath, anyone? - what she really wants to unwrap is the guy who delivers them, Alex. With his soft Scottish accent, infectious grin and blue eyes as twinkly as fairy lights, Rowan wouldn't mind finding him in her stocking this Christmas... Rowan has no clue how to put her heartache behind her and get his attention. Is she brave enough to open the door in mid-December wearing nothing but her new sexy lingerie and shiny lip gloss? Are twenty-five days enough to get her mojo back or will she have to send a strongly-worded letter to Santa after all...? This totally addictive, fabulous and feel-good romance will give you ALL the
