Book Two: Sky (The Dragon Prince #2) - Aaron Ehasz 2021-08-03

This second canon novel expands on the events of Season 2 of the epic, Emmy ® Award-winning Netflix fantasy TV show, The Dragon Prince. XADIA IS CALLING... The Dragon Prince has hatched! Now the princes of Katolis, Callum and Ezran, along with Moonshadow elf Rayla, have one goal: deliver the defenseless dragon to his mother in the magical land of Xadia. Things get complicated when the High Mage's children, Claudia and Soren, track down the questing princes. Should Callum and Ezran trust two humans they've known forever, or the elf they've just met? In Katolis, High Mage Lord Viren schemes to gain the support of the other human kingdoms, and that of a much more mysterious ally... The tensions of war between Xadia and the Human Kingdoms are ready to explode. As fiery battles erupt and hidden truths come to light, friendships will be tested, plans will be set into motion, and everyone will face their most difficult choices yet. Written by Aaron Ehasz (co-creator of The Dragon Prince and head writer of Avatar: The Last Airbender) and Melanie McGanney Ehasz, this second canon novel based on the Netflix original series finally gives fans the full story.

Within Obsession and Lies - Harper Wylde
2021-10-14

Within Obsession and Lies is the sexy, action-packed first book in A Court of Gilt and Shadow Series by bestselling authors Stacy Jones and Harper Wylde. Power. Obsession. Lies. Other people dream of being special. They wouldn't, if they knew what a nightmare it is. Arawyn would give anything to be ordinary and rid herself of the power that lives inside her. Dangerous and alluring, it's caused nothing but pain and horror, making her the dark obsession of anyone who gets too close. After years of barely containing it, Arawyn thought she had control... until the night it bursts free and pulses like a beacon. As threats emerge from the shadows, each one more fixated on her than the last, she finds her life infiltrated by three mysterious men. A mafia boss, a psychopath, and a killer. Rathe, Viper, and Fear are much more than they seem. They taste of power and feel impossibly familiar. They call to her soul in a way she's never experienced and might have answers to questions she's been asking her entire life. But darkness and secrets surround them, ones covered in blood and mire. When the monsters stalking her endanger not only her power but her life, she'll have to make a decision: take a risk and let these dangerous men in, or do what she's always done-walk away and try to survive on her own. Trusting them would be a mistake. Yet, she may not have a choice. The monsters hunting her aren't human and they're out for blood. Rathe, Viper, and Fear might be her only chance of making it through this alive. There's only one problem. They aren't human either... From bestselling authors, Stacy

Jones and Harper Wylde, comes a darkly seductive new series that blends romance, danger, and the supernatural into an unforgettable read.

In The Dark - Lila Rose 2019-05-02

Mothers were supposed to love unconditionally. Mine didn't. In fact, she tried to kill me on my thirteenth birthday, when she saw just how different I was. My dad saved my life that night. He also took her away on an extended vacation, leaving me with an ever-absent uncle. Five years later, solitude was something I lived by. I had to because I was different and people tended not to cope well with the unusual. In fact, they hated me for it, were even scared of me because of it. I thought I was meant to live alone, until Isaac Grey took notice of me. He changed my life, taught me I wasn't the only one who was different, and I didn't need to be alone. But with love comes sacrifice and then pain. Could I ever escape living in the dark?

Hot Enough To Burn - Cynthia Eden 2022-01-21

****HOT ENOUGH TO BURN** is a re-release. It was originally published in 2014 as **BURN FOR ME**.** Prepare to burn up the pages in this hot paranormal romance by New York Times and USA Today best-selling author Cynthia Eden. Do you believe in monsters? You should, they walk among humans every single day. Reporter Eve Bradley has known the truth about paranormals for a while, and her latest story has taken her inside the mysterious Genesis facility. It's at Genesis that Eve first meets Subject Thirteen, Cain O'Connor. Big, gorgeous, and truly, truly HOT. Cain is a phoenix shifter. Every time that he dies, he rises from the ashes...stronger, deadlier, and another step closer to losing his control. And what happens when a phoenix loses control? Welcome to hell on Earth. Cain feels an instant connection with Eve, a woman who swears she wants to help him. The attraction between them burns hotter than his flames, and soon, Eve is the only link to sanity that Cain has as the world turns to fire around him. Eve isn't human, despite the cover she's used for years, and she is more than capable of withstanding a little heat. But as their enemies plot to trap them, Eve and Cain will be forced to trust each other completely. Be forced to surrender to a desire that cannot be controlled, and soon, if they are not careful, it's a desire that might just

have the power to destroy them both. If you want something too badly, if you want someone too much...you will never see the fire coming, not until it's too late. Be careful. You don't want to get burned... Author's Note: Welcome to the world of my phoenixes! Hot paranormal romances are waiting for you. **HOT ENOUGH TO BURN** is a romance steamy enough to singe your fingers, but what else should you expect from a fierce shifter hero? **HOT ENOUGH TO BURN** was originally published by Kensington back in 2014, and back then, it had the title of **BURN FOR ME**. I'm super excited to bring this tale to readers once again! It's a full-length story (90k), with a guaranteed happy ending.

We Set the Dark on Fire - Tehlor Kay Mejia
2019-02-26

"We Set the Dark on Fire burns bright. It will light the way for a new generation of rebels and lovers." —NPR "Mejia pens a compelling, gripping story that mirrors real world issues of immigration and equality." —Buzzfeed Five starred reviews!! In this daring and romantic fantasy debut perfect for fans of *The Handmaid's Tale* and Latinx authors Zoraida Córdova and Anna-Marie McLemore, society wife-in-training Dani has a great awakening after being recruited by rebel spies and falling for her biggest rival. At the Medio School for Girls, distinguished young women are trained for one of two roles in their polarized society. Depending on her specialization, a graduate will one day run a husband's household or raise his children. Both paths promise a life of comfort and luxury, far from the frequent political uprisings of the lower class. Daniela Vargas is the school's top student, but her pedigree is a lie. She must keep the truth hidden or be sent back to the fringes of society. And school couldn't prepare her for the difficult choices she must make after graduation, especially when she is asked to spy for a resistance group desperately fighting to bring equality to Medio. Will Dani cling to the privilege her parents fought to win for her, or will she give up everything she's strived for in pursuit of a free Medio—and a chance at a forbidden love?

Before Abraham Was - Isaac M. Kikawada
2017-03-23

Rebelling against a century of Old Testament

scholarship, Isaac M. Kikawada and Arthur Quinn persuasively argue that the first eleven chapters of Genesis are not a literary patchwork by different editors as widely supposed, but are the work of one author of extraordinary subtlety and skill. Comparing Genesis 1-11 with primeval histories from the ancient Near East, Kikawada and Quinn urge their readers to appreciate the ingenuity of Genesis's author: "When we think we find this author napping, we had better proceed very carefully. As with Homer or Shakespeare, when you think you have seen something wrong, there may well be something wrong with your own eyes. You are more likely to be wrong than either of them." Providing a solid case for the unity of Genesis's first eleven chapters, Kikawada and Quinn move on to show how these chapters provide a formal structure for other Old Testament histories. Destined to have lasting impact on biblical scholarship, *Before Abraham Was* will give scholars, clergy, and students a new appreciation of critical biblical studies and a new hypothesis for the formation of Genesis.

Seraphim Academy 2 - Elizabeth Briggs
2020-03-18

They tried to intimidate me. They tried to get me expelled. They tried to bring me to my knees. They failed. The angelic princes betrayed me, and now it's time for this little succubus to get her revenge. My secret's been exposed, but I'm not leaving Seraphim Academy until I rescue my brother. I know where he is, and I'll do whatever it takes to bring him back-alive. Even if it means going up against the secret society that uses murder and blackmail to control things from the shadows. They may be powerful and ancient, but I've infiltrated their ranks and I'm not afraid of them. Especially with my sexy-and totally off-limits-professor helping me take the society down. I might even get the angelic princes to help me too, if they can behave this time. But I'll have to be careful, because now that the angels and demons know I exist? They both want to control me-or they want me dead. *Join Olivia at her second year at Seraphim Academy, a college-age reverse harem romance with plenty of heat!

The Second Horseman - Kyle Mills 2007-04-01
To save the world, Brandon Vale's going to steal \$250 million Brandon Vale is a career thief--the

best there is. Or at least he was before he was thrown in prison for a jewel heist gone bad. And even more embarrassing, he had nothing to do with it. His time inside is going fairly quietly until the night he's broken out against his will by Richard Scanlon, the now-retired FBI agent who framed him in the first place. Scanlon, who still has ties to the United States intelligence community, has discovered that a Ukrainian crime organization is auctioning twelve nuclear warheads to the highest bidder, but he can't convince the government that the sale isn't a hoax. The only way he can get his hands on the \$200 million necessary to take the warheads off the market is to do something that goes against everything he stands for: steal it. The choice Brandon is given is simple: help Scanlon and hope to live through it, or turn himself in and face the repercussions of his "escape." Suddenly, Brandon finds himself with only weeks to plan a Las Vegas heist that that he's been dreaming about for years, but has always thought was probably impossible. And to make matters worse, Scanlon insists on choosing his team personally. Led by the relentlessly intelligent and undeniably beautiful Catherine Juarez, not a single one of the former government operatives he picks has so much as shoplifted a pack of gum in their lives. As the day of the heist approaches, Brandon's carefully constructed plans begin to break down and he suspects that the elaborate double-cross he's devised to save himself could cost millions of lives. He finally has to ask himself just how far he's willing to be dragged into a game that he can only lose. With *The Second Horseman*, the heart-stopping, all-too-real novel, Kyle Mills proves once again that he is one of the freshest and most original thriller writers working today.

The Lost and the Hunted - Grace McGinty
2021-01-31

Celeste was a shifter. What's the worst part of being a snow leopard shifter? It wasn't the epic-sized hairballs or the constant nudity. No, it was the fear. The fear of being captured and becoming another statistic, another underground prize. When an unintentional rescue results in some accidental consequences, Celeste knows that the sunny-natured Reese will have her back. However, she didn't plan on his best friends being quite so hostile, or the fact

that Reese was one of the youngest billionaires in the US. His friends look at her and see just another gold digger; one they want gone by any means necessary. Fine, she hadn't planned on staying anyway, but while she was here, she was happy to play cat and mouse with Lincoln, the jacked-up bodyguard and Vincent, the way too pretty rockstar. Because her snow leopard? She wanted to roll around on them like they were catnip and she'd never been great at self-denial. But death still waits in the shadows for its prize, and this time, there will be no accidental savior coming to her rescue.

Kingdom of the Blazing Phoenix - Julie C. Dao
2019-09-17

This fairy tale retelling lives in a mystical world inspired by the Far East, where the Dragon Lord and the Serpent God battle for control of the earthly realm; it is here that the flawed heroine of *Forest of a Thousand Lanterns* finally meets her match. An epic fantasy finale to that breathtaking and dazzling story. Princess Jade has grown up in exile, hidden away in a monastery while her stepmother, the ruthless Xifeng, rules as Empress of Feng Lu. But the empire is in distress and its people are sinking into poverty and despair. Even though Jade doesn't want the crown, she knows she is the only one who can dethrone the Empress and set the world right. Ready to reclaim her place as rightful heir, Jade embarks on a quest to raise the Dragon Lords and defeat Xifeng and the Serpent God once and for all. But will the same darkness that took Xifeng take Jade, too? Or will she find the strength within to save herself, her friends, and her empire? Set in an East Asian-inspired fantasy world filled with breathtaking pain and beauty, *Kingdom of the Blazing Phoenix* is filled with dazzling magic, powerful prose, and characters readers won't soon forget. Fans of *Stealing Snow*, *Red Queen*, and *The Wrath and the Dawn* will hungrily devour this page-turning read. Praise for *Kingdom of the Blazing Phoenix*: "There aren't many authors who could so precisely undo their first book with their second, but it is this clever unweaving that shows Dao's brilliance and skill. With heart-stopping action and wonderful new characters, this is not a sequel to be missed." —EK Johnston, #1 New York Times bestselling author "A lush, enchanting tale of magic, myth, and absolute

courage. At once gorgeously woven and deliciously gruesome, Kingdom of the Blazing Phoenix is a thrilling end to a series that feels like a classic in its own right.” —Natalie Mae, author of The Kinder Poison “Kingdom of the Blazing Phoenix is the stunning counterpoint to Forest of a Thousand Lanterns. A refreshing take on the classic heroine, and an adventure of stories nestled within stories, this is a book fairytale lovers will tuck among their most beloved treasures.” —Emily X.R. Pan, New York Times bestselling author of The Astonishing Color of After “Kingdom of the Blazing Phoenix broke my heart and filled it, all at once. In the process, Julie C. Dao has turned a well-worn tale into something thrilling and new. Ornate, tender, and magical. I could not put this book down.” —Tochi Onyebuchi, author of Beasts Made of Night and Crown of Thunder “Beautifully written and masterfully told, Kingdom of the Blazing Phoenix feels at once timeless and entirely new . . . I loved it with my whole heart.” —Margaret Rogerson, New York Times bestselling author of An Enchantment of Ravens “Utterly brilliant in every way, Kingdom of the Blazing Phoenix is the perfect follow-up to Julie C. Dao’s debut. This is the dark fantasy I’ve been waiting for, and I can’t get enough!” —Beth Revis, New York Times bestselling author of Give the Dark My Love “A grand adventure for fans of fairy tales, fables, and legends coupled with the vibrant history of Chinese dynasties.”—Kirkus Reviews * “A top purchase for most fantasy collections.” --School Library Journal, starred review

Siren - Jade Thorn 2019-11-16

Dark Reverse HaremFor hundreds of years Catriona and her sisters have kept their existence a secret. The power that they hold could change the supernatural world. One mistake during a night out on the town leaves her bound to a pack of wolf shifters, and all six of them want her. Her pheromones make their wolves wild for her and they will have her at any cost. Now that she's been discovered, other packs, even other races will kill to have her, to own her, to use her, to abuse her and to consume her. And all of them will hate her. Suddenly thrust into the middle of pack politics, Catriona and her fated mates must negotiate their way forward to keep her safe,

and to lead the Sirens and the Wolf Shifters forward to survival at the same time. There is a war coming, and the fate of all will depend up on them.**Please note, this book contains scenes that may not be suitable for sensitive readers. Blood Secret - Kathryn Lasky 2009-08-11

The minute she had opened the trunk, she knew there wasn't anything like hope in it. Just awful musty things, but each one with a kind of terrible dark halo around it. She picked up that piece of old lace. She saw that stain -- pale, brownish in color. She knew it was blood. Somebody's blood. There was violence in that trunk, and dark secrets, and she did not want to know them. Curious about the old homestead where she now lives, Jerry finds an ancient trunk in the basement that contains, among other things, an old piece of bloodstained lace, some letters, and a battered doll. The objects in the trunk have stories to tell -- stories about the Spanish Inquisition spanning nearly five hundred years and stories of secrets locked deep in the bloodlines of Jerry's ancestors. Kathryn Lasky's powerhouse novel is a dramatic historical saga that brings the reader face-to-face with some of the worst atrocities ever committed against humankind in the name of God. But above all, it is an unforgettable coming-of-age story about a girl who, in connecting with her own past and faith, is at last able to face her own demons and liberate not only herself but also future generations of her family from the long chain of suffering and silence.

Any Given Doomsday - Lori Handeland 2014-11-18

Preventing the Apocalypse, one demon at a time . . . Elizabeth Phoenix, Liz to my friends, just an ex-cop whose psychic abilities got her partner killed. Next thing I know, I’m fighting a supernatural battle against the Nephilim, monsters of Biblical proportion, intent on bringing about doomsday. If only I didn’t have to work with the one, the only man I’ve ever loved, half-vampire Jimmy Sanducci. That relationship did not end well and I haven’t forgotten, or forgiven, him yet. With new powers I’m unable to control, I’m forced to beg help from Sawyer, a powerful Navajo shapeshifter, a man who is sex in every form. As we spiral toward Armageddon,

I'm caught between two worlds and two men.
Will I succeed in saving us all, or will the world
as we know it end?

Kiss of Crimson - Lara Adrian 2010

He comes to her more dead than alive, a towering black-clad stranger riddled with bullets and rapidly losing blood. As she struggles to save him, veterinarian Tess Culver is unaware that the man calling himself Dante is no man at all, but one of the Breed, vampire warriors engaged in a desperate battle. In a single erotically charged moment Tess is plunged into his world—a shifting, shadowed place where bands of Rogue vampires stalk the night, cutting a swath of terror. Haunted by visions of a dark future, Dante lives and fights like there is no tomorrow. Tess is a complication he does not need—but now, with his brethren under attack, he must shield Tess from a growing threat that includes Dante himself. For with one reckless, irresistible kiss, she has become an inextricable part of his underworld realm...and his touch awakens her to hidden gifts, desires, and hungers she never knew she possessed. Bonded by blood, Dante and Tess must work together to thwart deadly enemies, even as they discover a passion that transcends the boundaries of life itself...

Some Kind of Monster - Albany Walker
2020-09-10

Naughty girls need love too. A beautiful monster, that's what I am. My packaging is just a little nicer than the creatures you hear about dwelling in your closet. With three baddies for my mates, things are definitely getting interesting. I think I've even convinced them not to kill each other. But I have a new purpose, someone is hurting our kind. Stealing Charmed magic in arcane rituals that leave my friends drained and dead, and I won't allow it. It's time for them to find out why even the Monsters fear me. I am the bad guy. The Phoenix - Joseph Nigg 2016-11-04
An "insightful cultural history of the mythical, self-immolating bird" from Ancient Egypt to contemporary pop culture by the author of *The Book of Gryphons* (Library Journal). The phoenix, which rises again and again from its own ashes, has been a symbol of resilience and

renewal for thousands of years. But how did this mythical bird come to play a part in cultures around the world and throughout human history? Here, mythologist Joseph Nigg presents a comprehensive biography of this legendary creature. Beginning in ancient Egypt, Nigg's sweeping narrative discusses the many myths and representations of the phoenix, including legends of the Chinese, where it was considered a sacred creature that presided over China's destiny; classical Greece and Rome, where it appears in the writings of Herodotus and Ovid; medieval Christianity, in which it came to embody the resurrection; and in Europe during the Renaissance, when it was a popular emblem of royals. Nigg examines the various phoenix traditions, the beliefs and tales associated with them, their symbolic and metaphoric use, and their appearance in religion, bestiaries, and even contemporary popular culture, in which the ageless bird of renewal is employed as a mascot and logo. "An exceptional work of scholarship." —Publishers Weekly

Figures of Speech - Arthur Quinn 2012-11-12
Writing is not like chemical engineering. The figures of speech should not be learned the same way as the periodic table of elements. This is because figures of speech are not about hypothetical structures in things, but about real potentialities within language and within ourselves. The "figurings" of speech reveal the apparently limitless plasticity of language itself. We are inescapably confronted with the intoxicating possibility that we can make language do for us almost anything we want. Or at least a Shakespeare can. The figures of speech help to see how he does it, and how we might. Therefore, in the chapters presented in this volume, the quotations from Shakespeare, the Bible, and other sources are not presented to exemplify the definitions. Rather, the definitions are presented to lead to the quotations. And the quotations are there to show us how to do with language what we have not done before. They are there for imitation.

The Sibylline Oracles (Annotated Edition) - Milton S. Terry 2012

This is the extended and annotated edition including * an extensive annotation of almost 10,000 words about the oracles in religion * an interactive table-of-contents * perfect formatting for electronic reading devices THE Sibyls occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl "who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods." The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine;

but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles was made, but, if so, there is now no certainty that any fragments of them remain.

Predictably Irrational - Dan Ariely 2008-02
An upbeat cultural evaluation of the sources of illogical decisions explores the reasons why irrational thought often overcomes level-headed practices, offering insight into the structural patterns that cause people to make the same mistakes repeatedly. 150,000 first printing.

The Guardian - Quinn Arthurs 2019-01-15
I always thought my mom was crazy, with her offerings to the fairies and whispered spells. After she died, I followed her last wishes and performed her final rites--only for my life to turn instantly upside down. My kitchen is now full of three insanely sexy and opinionated men who claim to be witches and fairy knights--and also my soulmates. They claim I have a great destiny, that I am meant to defeat the Elvish Queen who my mother has been fleeing all of these years. I don't want an epic destiny, though, I just want to be normal for once in my life, if there is such a thing. With the help of my new companions, Onyx, Terran, and Reed, I will discover strengths inside myself that I had never known and an underworld greater than anything I could have imagined. Now I must find out if I have the strength to face my destiny and myself.**18+ Why choose Romance**

Data and Goliath: The Hidden Battles to Collect Your Data and Control Your World - Bruce Schneier 2015-03-02

"Bruce Schneier's amazing book is the best overview of privacy and security ever written."—Clay Shirky "Bruce Schneier's amazing book is the best overview of privacy and security ever written."—Clay Shirky Your cell phone provider tracks your location and knows who's with you. Your online and in-store purchasing patterns are recorded, and reveal if you're unemployed, sick, or pregnant. Your e-mails and texts expose your intimate and casual friends. Google knows what you're thinking because it saves your private searches. Facebook can determine your sexual orientation without you ever mentioning it. The powers that

surveil us do more than simply store this information. Corporations use surveillance to manipulate not only the news articles and advertisements we each see, but also the prices we're offered. Governments use surveillance to discriminate, censor, chill free speech, and put people in danger worldwide. And both sides share this information with each other or, even worse, lose it to cybercriminals in huge data breaches. Much of this is voluntary: we cooperate with corporate surveillance because it promises us convenience, and we submit to government surveillance because it promises us protection. The result is a mass surveillance society of our own making. But have we given up more than we've gained? In *Data and Goliath*, security expert Bruce Schneier offers another path, one that values both security and privacy. He brings his bestseller up-to-date with a new preface covering the latest developments, and then shows us exactly what we can do to reform government surveillance programs, shake up surveillance-based business models, and protect our individual privacy. You'll never look at your phone, your computer, your credit cards, or even your car in the same way again.

Saved by Pirates - G. Bailey 2018-08-22

The sea is lost, pirates are death. Cassandra should have been killed at birth, like all the other children who have powers like her. The changed ones. The ones who started the war,

lost the seas, and killed millions with their gifts. Lucky for Cassandra, her father is on the council. One of the seven rulers of her large town and has kept her hidden her entire life. When she is seen for the first time, she has no choice but to run, and the only place she can go is to the sea. To the pirates and a certain death. At least, that is what she thinks. When she meets six handsome pirates and they take her on board their ship, she learns about a whole new world. If only she can protect her heart when they all desire to own it.

Mayday - Karen Harrington 2016-05-24

In the tradition of *Counting By 7s* and *The Thing About Jellyfish*, a heartwarming coming-of-age story about grief, family, friendship, and the importance of finding your voice Wayne Kovok lives in a world of *After*. After his uncle in the army was killed overseas. After Wayne and his mother survived a plane crash while coming back from the funeral. After he lost his voice. Wayne has always used his love of facts to communicate ("Did you know more people die each year from shaking a vending machine than from shark attacks?"). Without his voice, how will he wow the prettiest girl in school? How will he stand up to his drill-sergeant grandfather? And how will he share his hopes with his deadbeat dad? It's not until Wayne loses his voice completely that he realizes how much he doesn't say. Filled with Karen Harrington's signature heart and humor, *Mayday* tackles an unforgettable journey of family and friendship.

A Reason to Die - William W. Johnstone 2018-08-28

A cowboy is hunting a fortune in buried gold—but he may have to fight off every bad man in the Black Hills first: "A masterful storyteller."—Publishers Weekly Restless cowpoke Perley Gates wanted nothing more than to track down the grandfather who abandoned his family years ago. What he found was the crazy old sidewinder barely hanging on after a Sioux massacre. The old man's dying wish was to make things right for deserting his kin—by giving his strong-willed grandson Perley clues to the whereabouts of a buried fortune in gold. Finding his grandfather's legacy will set up his family for life. But it won't be easy. The discovery of raw gold in the Black Hills has lured hordes of ruthless lowlifes into Deadwood and

Custer City—kill-crazy prairie rats, gunfighters, outlaws, and Indians—armed with a thousand glittering reasons to put Perley six feet under. All Perley wants is what was left to him, what

he's owed. But with so many brigands on his backside, finding his grandfather's treasure is going to land Perley Gates between the promise of heaven and the blood-soaked battlefields of hell . . .
