Kindred - Octavia E. Butler 2004-02-01

From the New York Times bestselling author of Parable of the Sower and MacArthur "Genius" Grant, Nebula, and Hugo award winner The visionary time-travel classic whose Black female hero is pulled through time to face the horrors of American slavery and explores the impacts of racism, sexism, and white supremacy then and now. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's The Underground Railroad and Ta-Nehisi Coates's The Water Dancer, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, Kindred is controlled and precise" (New York Times). "Reading Octavia Butler taught me to dream big, and I think it's absolutely necessary that everybody have that freedom and that willingness to dream." —N. K. Jemisin The series adaption from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (Watchmen), executive producers also include Joe Weisberg and Joel Fields (The Americans, The Patient), and Darren Aronofsky (The Whale). Janicza Bravo (Zola) is director and an executive producer of the pilot. Kindred stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin.

Raising Real Men - Hal Young 2010

Families with boys often find the world reacts to them in mock horror. Even though parents love their sons, privately they admit that boys can be a handful to raise--they are boisterous, competitive, reckless, distractable. The challenge of wills between parent and son starts early, and the quest to civilize young bulls may seem hopeless some days. Yet believers know that God has given them children as a gift of heaven, specially chosen for their particular families and marked as a blessing. If that's so, why does it seem so hard? How can we prepare these boys to serve God when it's all we can do to make it through another day? Isn't there a better way? Raising Real Men: Surviving, Teaching and Appreciating Boys shows the answer is emphatically yes. Written by the parents of six boys, Raising Real Men provides hope and encouragement to families with sons. Starting from the premise that God made boys to become men, Hal and Melanie Young offer Biblical principles and tested, practical ideas for training the manly virtues that can drive parents and teachers up the wall. This is a practical guide to equipping the hearts and minds of boys without breaking or losing your own. "...earthy, realistic, humorous, and scriptural ..." -- Douglas Wilson, author, Future Men "This is just what the doctor ordered for parents who want to raise capable Christian men of character." -- John Rosemond, author, Parenting By The Book

Your Guide to Not Getting Murdered in a Quaint English Village -

Maureen Johnson 2021-09-14

NATIONAL BESTSELLER • Considering a trip to a quaint English village? You'll think twice after learning about the countless murderous possibilities lurking behind the bucolic façades, thanks to this illustrated guide from #1 bestselling author Maureen Johnson and illustrator Jay Cooper—perfect for fans of cozy mysteries. A weekend roaming narrow old lanes, touring the faded glories of a country manor, and quaffing pints in the pub. How charming. That is, unless you have the misfortune of finding yourself in an English Murder Village, where danger lurks around each picturesque cobblestone corner and every sip of tea may be your last. If you insist on your travels, do yourself a favor and bring a copy of this little book. It may just keep you alive. Brought to life with dozens of Gorey-esque drawings by illustrator Jay Cooper and peppered with allusions to classic crime series and unmistakably British murder lore, Your Guide to Not Getting Murdered in a Quaint English Village gives you the tools you need to avoid the same fate, should you find yourself in a suspiciously cozy English village (or simply dream of going). Good luck! And whatever you do, avoid the vicar.

The New Traditional - Gestalten 2020-03-12

Immerse yourself in the traditions that have defined our cultures and reveal our connection to what make us human. A new generation wants to lead a more meaningful and sustainable life by reconnecting with heritage and traditions. They are looking to the craftsmanship, lifestyle, and unique experiences of the people keeping these practices alive. The New Traditional tells the stories of those devoting their energy, skills, and creativity to crafts such as blacksmithing, distilling spirits, and globe making, and its authors revisit the customs of growing old varieties of apple, beekeeping and producing honey in gardens or on rooftops, and being modern shepherds in Italy or Iceland. They always seek to help preserve cultural traditions and share them with likeminded people.

Sidecountry: Tales of Death and Life from the Back Roads of Sports - John Branch 2021-06-01

Breathtaking tales of climbers and hunters, runners and racers, winners and losers by the Pulitzer Prize-winning reporter. New York Times reporter John Branch's riveting, humane pieces about ordinary people doing extraordinary things at the edges of the sporting world have won nearly every major journalism prize. Sidecountry gathers the best of Branch's work for the first time, featuring 20 of his favorites from the more than 2,000 pieces he has published in the paper. Branch is renowned for covering the offbeat in the sporting world, from alligator hunting to wingsuit flying. Sidecountry features such classic Branch pieces, including "Snow Fall," about downhill skiers caught in an avalanche in Washington state, and "Dawn Wall," about rock climbers trying to scale Yosemite's famed El Capitan. In other articles, Branch introduces people whose dedication and decency transcend their sporting lives, including a revered football coach rebuilding his tornado-devastated town in Iowa and a girls' basketball team in Tennessee that plays on despite never winning a game. The book culminates with his moving personal pieces, including "Children of the Cube," about the surprising drama of Rubik's Cube competitions as seen through the eyes of Branch's own sports-hating son, and "The Girl in the No. 8 Jersey," about a mother killed in the 2017 Las Vegas shooting whose daughter happens to play on Branch's daughter's soccer team. John Branch has been hailed for writing "American portraiture at its best" (Susan Orlean) and for covering sports "the way Lyle Lovett writes country music—a fresh turn on a time-honored pleasure" (Nicholas Dawidoff). Sidecountry is the work of a master reporter at the top of his game.

Grown and Flown - Lisa Heffernan 2019-09-03

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong

relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

Eat What You Watch: A Cookbook for Movie Lovers - Andrew Rea 2017-11-16

Many of our favourite movies come with a side of iconic food moments: the comforting frothy butterbeer from Harry Potter, the sumptuous apple strudel from Inglorious Basterds, the delectable deli fare from When Harry Met Sally, or Remy the rat-chef's signature ratatouille in Ratatouille.

The Birth of Loud - Ian S. Port 2019-01-15

"A hot-rod joy ride through mid-20th-century American history" (The New York Times Book Review), this one-of-a-kind narrative masterfully recreates the rivalry between the two men who innovated the electric guitar's amplified sound—Leo Fender and Les Paul—and their intense competition to convince rock stars like the Beatles, Jimi Hendrix, and Eric Clapton to play the instruments they built. In the years after World War II, music was evolving from big-band jazz into rock 'n' roll—and these louder styles demanded revolutionary instruments. When Leo Fender's tiny firm marketed the first solid-body electric guitar, the Esquire, musicians immediately saw its appeal. Not to be out-manuevered, Gibson, the largest guitar manufacturer, raced to build a competitive product. The company designed an "axe" that would make Fender's Esquire look cheap and convinced Les Paul—whose endorsement Leo Fender had sought—to put his name on it. Thus was born the guitar world's most heated rivalry: Gibson versus Fender, Les versus Leo. While Fender was a quiet, half-blind, self-taught radio repairman, Paul was a brilliant but headstrong pop star and guitarist who spent years toying with new musical technologies. Their contest turned into an arms race as the most inventive musicians of the 1950s and 1960s—including bluesman Muddy Waters, rocker Buddy Holly, the Beatles, Bob Dylan, and Eric Clapton—adopted one maker's guitar or another. By 1969 it was clear that these new electric instruments had launched music into a radical new age, empowering artists with a vibrancy and volume never before attainable. In "an excellent dual portrait" (The Wall Street Journal), Ian S. Port tells the full story in *The Birth of Loud*, offering "spot-on human characterizations, and erotic paeans to the bodies of guitars" (The Atlantic). "The story of these instruments is the story of America in the postwar era: loud, cocky, brash, aggressively new" (The Washington Post).

John's Turn - Mac Barnett 2022-03-01

E. B. White Read-Aloud winner Mac Barnett celebrates individuality in a story told with tenderness and subtlety. It's John's big day at school today—a performance for Sharing Gifts time. His bag is carefully packed and prepared, his classmates are ready, and the curtain is waiting to open. John is nervous, looking out at all the other children staring back at him. But he takes a big breath and begins. Mac Barnett's compassionate text and Kate Berube's understated and expressive art tell the story of a kid who finds the courage to show others his talent for dancing.

Sweet Potato Soul - Jenne Claiborne 2018-02-06

100 vegan recipes that riff on Southern cooking in surprising and delicious ways, beautifully illustrated with full-color photography. Jenné Claiborne grew up in Atlanta eating classic Soul Food—fluffy biscuits, smoky sausage, Nana's sweet potato pie—but thought she'd have to give all that up when she went vegan. As a chef, she instead spent years tweaking and experimenting to infuse plant-based, life-giving, glow-worthy foods with the flavor and depth that feeds the soul. In Sweet Potato Soul, Jenné revives the long tradition of using fresh, local ingredients creatively in dishes like Coconut Collard Salad and Fried Cauliflower Chicken. She improvises new flavors in Peach Date BBQ Jackfruit Sliders and Sweet Potato-Tahini Cookies. She celebrates the plant-based roots of the cuisine in Bootylicious Gumbo and savory-sweet Georgia Watermelon & Peach Salad. And she updates classics with Jalapeño Hush Puppies, and her favorite, Sweet Potato Cinnamon Rolls. Along the way, Jenné explores the narratives surrounding iconic and beloved soul food recipes, as well as their innate nutritional benefits—you've heard that dandelion, mustard, and turnip greens, okra, and black eyed peas are nutrition superstars, but here's how to make them super tasty, too. From decadent pound cakes and ginger-kissed fruit cobblers to smoky collard greens, amazing crabcakes and the most comforting sweet potato pie you'll ever taste, these better-than-the-original takes on crave-worthy dishes are good for your health, heart, and soul.

X-Men: the Art and Making of the Animated Series - Eric Lewald

2020-10-20

The story behind the creation of one of the most celebrated, revolutionary animated series of all time X-Men: The Art and Making of the Animated Series takes fans behind the scenes of the landmark cartoon that laid the groundwork for the dozens of Marvel Comics adaptations that followed. Interviews with series writers, producers, executives, and artists reveal the razor's edge that Marvel and Fox navigated in order to bring the X-Men to television, and detail the tough decisions, compromises, and brilliant solutions that resulted in a series that has been lauded by critics and fans for nearly three decades. Along the way, readers will encounter such comics and entertainment luminaries as Stan Lee, Avi Arad, and Haim Saban. This book gives a firsthand account of what it's like to develop, pitch, design, write, draw, direct, and produce an animated series, accompanied by rare original art, animated cels and still frames, and production and merchandising ephemera.

My Southern Journey - Rick Bragg 2015-09-15

From celebrated New York Times bestselling author and winner of the Pulitzer Prize, Rick Bragg, comes a poignant and wryly funny collection of essays on life in the south. Keenly observed and written with his insightful and deadpan sense of humor, he explores enduring Southern truths about home, place, spirit, table, and the regions' varied geographies, including his native Alabama, Cajun country, and the Gulf Coast. Everything is explored, from regional obsessions from college

football and fishing, to mayonnaise and spoonbread, to the simple beauty of a fish on the hook. Collected from over a decade of his writing, with many never-before-published essays written specifically for this edition, *My Southern Journey* is an entertaining and engaging read, especially for Southerners (or feel Southern at heart) and anyone who appreciates great writing.

Madame Clairevoyant's Guide to the Stars - Claire Comstock-Gay 2020-04-21

"A fresh, profound, and fun way to look at all things astro while also making spot-on observations about your pop culture faves."

—Cosmopolitan A soulful exploration of the twelve astrological signs embodied by our living "stars"—from divas to philosophers, poets to punks—and the ways they can help us better understand ourselves and each other, from the wildly popular astrology columnist for New York magazine's *The Cut*. Whether you believe in it or not, astrology's job has never been to give us a preordained vision of the future, nor to sort us into twelve neat personality types, but to provide the tools and language for delving into our weirdest, best, most thorny contradictions, and for understanding ourselves and each other in our full complexity. The stars and the planets then are more like mirrors that show us who we are, that give us an understanding of how to be and how to move through the world; how certain people do it differently, and what we can learn by studying them. In *Madame Clairevoyant's Guide to the Stars*, Claire Comstock-Gay brings the sky down to Earth and points to our popular "stars"—from Aretha Franklin to Mr. Rogers, from poets in Cancer to punk singers in Scorpio—to reveal what the sky has to teach us about being human. In this wise, lyrically written guide, she examines the twelve astrological signs, illuminating the ways each one is more complicated, beautiful, and surprising than you might have been told. Claire suggests that actually it's okay, and even important, to be a seeker, to hunger for self-knowledge, and if astrology is the vehicle for that inquiry, so be it. *Madame Clairevoyant's Guide to the Stars* offers a clear introduction to the basics and an innovative new framework for creatively using astrology to illuminate our lives on earth. It's a road map to our internal world, yes, but Claire also reminds us that it's still our job to navigate it. Combining both heavenly insights and the earthly wisdom of writers like Cheryl Strayed and Heather Havrilesky and the poetry of Patricia Lockwood and Mary Oliver, *Madame Clairevoyant's Guide to the Stars* offers a fresh, profound, and fun way to look at ourselves and others, and perhaps see each more clearly. And in that way, this book is not just beautiful, but transformative.

Stuff You Should Know - Josh Clark 2020-11-24

From the duo behind the massively successful and award-winning podcast *Stuff You Should Know* comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast *Stuff You Should Know* back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making *Stuff You Should Know* one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with *Stuff You Should Know*. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

[The Dude Diet](#) - Serena Wolf 2016-10-25

From chef and creator of the popular food blog Domesticate-Me.com, 125 outrageously delicious yet deceptively healthy recipes for dudes (and the people who love them), accompanied by beautiful full-color photography. Dudes. So well intentioned when it comes to healthy eating, even as they fail epically in execution—inhaling a "salad" topped with fried chicken fingers or ordering their Italian hero on a whole wheat wrap (that makes it healthy, right?). There are several issues with men

going on diets. First, they seem to be misinformed about basic nutrition. They are also, generally, not excited about eating "health food." You can lead a dude to the salad bar, but you can't make him choose lettuce. Enter Serena Wolf—chef, food blogger, and caretaker of a dude with some less than ideal eating habits. As a labor of love, Serena began creating healthier versions of her boyfriend's favorite foods and posting them on her blog, where she received an overwhelming response from men and women alike. Now, in *The Dude Diet*, Serena shares more than 125 droolworthy recipes that prove that meals made with nutrient-dense whole foods can elicit the same excitement and satisfaction associated with pizza or Chinese take-out. *The Dude Diet* also demystifies the basics of nutrition, empowering men to make better decisions whether they're eating out or cooking at home. Better still, each recipe is 100% idiot-proof and requires only easily accessible ingredients and tools. With categories like Game Day Eats, On the Grill, Serious Salads, and Take Out Favorites, *The Dude Diet* will arm dudes and those who love them with the knowledge they need to lead healthier, happier lives—with flattened beer bellies and fewer meat sweats. *The Dude Diet* includes 102 full-color photographs.

A Woman's Guide to the Male Mind - Sam Geraldo 2011-01-14

A Woman's Guide to the Male Mind is the indirect result of a blog that I wrote in 2005 *How Do You Tell If a Guy Fancies You?* The article was so popular, receiving more than 70 replies from women with lots more questions, that I launched my web site www.seducemen.co.uk. Since then, most of the advice I've given in hundreds of published articles was based on my own experiences and those of my friends. To write the book, however, I adopted a more scientific approach. I performed a significant amount of research into recent discoveries by anthropologists, sociologists, psychologists and biochemists on topics ranging from basic sexual attraction to personality type and male/female communications strategies. It's my belief, therefore, that *A Woman's Guide to the Male Mind* features the best of two worlds: common sense opinions backed by solid empirical evidence. By helping ladies understand the male point of view with regard to sex, dating and relationships; I hope to eliminate the senseless conflicts that so often erupt between lovers and would-be lovers. Once you understand a few fundamentals about the male mind and male behaviour, you will stop thinking of men as inscrutable blockheads and primitive misfits. You will no longer regard them as you would a small, nasty child or an alien race. Arming yourself with the wisdom in this book, you'll increase your odds of finding happiness and harmony in romantic relationships, and you will help ensure that this bliss lasts a lifetime. By the time a man reaches maturity, he has passed through four evolutionary stages in his attitude toward women and relationships. It's very important to understand and identify these four stages, because it will save you from wasting time on guys who aren't ready for serious romance.

AFROSURF - Mami Wata 2021-06-15

Discover the untold story of African surf culture in this glorious and colorful collection of profiles, essays, photographs, and illustrations. *AFROSURF* is the first book to capture and celebrate the surfing culture of Africa. This unprecedented collection is compiled by Mami Wata, a Cape Town surf company that fiercely believes in the power of African surf. Mami Wata brings together its co-founder Selema Masekela and some of Africa's finest photographers, thinkers, writers, and surfers to explore the unique culture of eighteen coastal countries, from Morocco to Somalia, Mozambique, South Africa, and beyond. Packed with over fifty essays, *AFROSURF* features surfer and skater profiles, thought pieces, poems, photos, illustrations, ephemera, recipes, and a mini comic, all wrapped in an astounding design that captures the diversity and character of Africa. A creative force of good in their continent, Mami Wata sources and manufactures all their wares in Africa and works with communities to strengthen local economies through surf tourism. With this mission in mind, Mami Wata is donating 100% of their proceeds to support two African surf therapy organizations, Waves for Change and Surfers Not Street Children.
