Speak Up, Molly Lou Melon - Patty Lovell 2020-09-08

The beloved modern classic character, Molly Lou Melon, is tackling the timely topic of speaking up for yourself and others. Molly Lou Melon's mother taught her to use her big voice for good--to speak up for what's right, for those who can't, and even when it's hard. So she does. When school starts and a bully begins teasing everyone, including a new student, Molly Lou knows just what to do. From standing up for a friend to admitting when you've made a mistake, Molly Lou shows us how speaking up is always the right choice. The beloved classic character has another important message to share, and

David Catrow's vibrant and spunky illustrations continue to expand Molly Lou's larger-than-life personality.

Fill a Bucket - Carol McCloud 2018-10-01

"Here's a delightful little book to warm the hearts of young children and teach them how to experience the joy of giving and receiving. Just think of all the little buckets this book will fill with love and encouragement." —Dr. Kevin Leman, author of *Have a New Kid by Friday* The day you were born was a very happy day. You are a special gift. Everyone was so happy to see you. But, there was one part of you that they could not see. It was your bucket, your invisible bucket. While using a simple metaphor of a bucket full of hearts and stars, authors Carol McCloud and Katherine Martin, M.A. illustrate, in the sweetest of ways, that we are all born with an invisible bucket and that our bucket holds all of our good thoughts and feelings. This book highlights the many ways that families and caregivers use to fill the buckets of children but also gives young children simple ideas on how to BE a bucket filler as well. This 24-page picture book is perfect for children, parents, grandparents, teachers and people that want to teach empathy, nurture kindness and create a positive environment in their home, classroom, workplace and community. Winner of 4 awards. For more information on bucket filling or free downloadables and resources, please visit bucketfillers101.com. Life's Great Question - Tom Rath 2020-02-04

Life is not what you get out of it . . . it's what you put back in. Yet our current means for summarizing life's work, from resumes to salaries, are devoid of what matters most. This is why the work we do is often bad for our wellbeing, when it should be making us happier and healthier. What are the most meaningful contributions we can make? This is *Life's Great Question*. Life is about what you do that improves the world around you. It is about investing in the development of other people. And it is about efforts that will continue to grow when you are gone. *Life's Great Question* will show you how to make your work and life more meaningful, and greatly boost your wellbeing. In this remarkably quick read, author Tom Rath describes how finding your greatest contribution is far more effective than following talent or passion alone. More than a book, each copy includes a code for an online program that identifies the most significant contributions you can make. This deeply practical book will alter how you look at your work and change the way you live each day.

How to Live a Good Life - Jonathan Fields 2018-03-13

Seriously . . . another book that tells you how to live a good life? Don't we have enough of those? You'd think so. Yet, more people than ever are walking through life disconnected, disengaged, dissatisfied, mired in regret, declining health, and a near maniacal state of gut-wrenching autopilot busyness. Whatever is out there isn't getting through. We don't know who to trust. We don't know what's real and what's fantasy. We don't know how and where to begin and we don't want to wade through another minute of advice that gives us hope, then saps our time and leaves us empty. *How to Live a Good Life* is your antidote; a practical and provocative modern-day manual for the pursuit of a life well lived. No need for blind faith or surrender of intelligence; everything you'll discover is

immediately actionable and subject to validation through your own experience. Drawn from the intersection of science, spirituality, and the author's years-long quest to learn at the feet of masters from nearly every tradition and walk of life, this book offers a simple yet powerful model, the "Good Life Buckets "—spend 30 days filling your buckets and reclaiming your life. Each day will bring a new, practical yet powerful idea, along with a specific exploration designed to rekindle deep, loving, and compassionate relationships; cultivate vitality, radiance, and graceful ease; and leave you feeling lit up by the way you contribute to the world, like you're doing the work you were put on the planet to do. How to Live a Good Life is not just a book to be read; it's a path to possibility, to be walked, then lived.

How Full Is Your Bucket? For Kids - Tom Rath
2009-04

Using the metaphor of a bucket, Felix's grandfather explains how being kind is the most fulfilling way to go about one's life and encourages him not to be dissuaded by those who choose a different path in this inspiring tale about how one person's actions can impact those of others.

Last Stop on Market Street - Matt de la Peña
2015-01-08

#1 New York Times Bestseller A USA Today Bestseller Winner of the Newbery Medal A Caldecott Honor Book A Coretta Scott King Illustrator Honor Book This award-winning modern classic—a must-have for every child's home library—is an inclusive ode to kindness, empathy, gratitude, and finding joy in unexpected places, and celebrates the special bond between a curious young boy and his loving grandmother. Every Sunday after church, CJ and his grandma ride the bus across town. But today, CJ wonders why they don't own a car like his friend Colby. Why doesn't he have an iPod like the boys on the bus? How come they always have to get off in the dirty part of town? Each question is met with an encouraging answer from grandma, who helps him see the beauty—and fun—in their routine and the world around them. This energetic ride through a bustling city highlights the wonderful perspective only grandparent and grandchild can share, and comes to life through Matt de la

Peña's vibrant text and Christian Robinson's radiant illustrations.

Will You Fill My Bucket? - Carol McCloud
2018-12-01

A simple question, Will You Fill My Bucket?, is fervently asked by children from twelve different countries. Sweet rhyming prose and vividly captivating illustrations delight the senses and express the deep joy and love we hope for all children. Will You Fill My Bucket? and the responses given will touch the heartstrings of people young and old around the world. Bucket filling, the essence of being loved and loving others, occurs in those little moments in a day when you stop and just listen, cuddle, play, or spend time with a child

Slack - Tom DeMarco 2002-04-09

If your company's goal is to become fast, responsive, and agile, more efficiency is not the answer—you need more slack. Why is it that today's superefficient organizations are ailing? Tom DeMarco, a leading management consultant to both Fortune 500 and up-and-coming companies, reveals a counterintuitive principle that explains why efficiency efforts can slow a company down. That principle is the value of slack, the degree of freedom in a company that allows it to change. Implementing slack could be as simple as adding an assistant to a department and letting high-priced talent spend less time at the photocopier and more time making key decisions, or it could mean designing workloads that allow people room to think, innovate, and

reinvent themselves. It means embracing risk, eliminating fear, and knowing when to go slow. Slack allows for change, fosters creativity, promotes quality, and, above all, produces growth. With an approach that works for new- and old-economy companies alike, this revolutionary handbook debunks commonly held assumptions about real-world management, and gives you and your company a brand-new model for achieving and maintaining true effectiveness.

How Full is Your Bucket? - Tom Rath 2019

"A metaphor for empathy, Felix learns how his positive everyday interactions fill his bucket, leaving him and his friends feeling happy and fulfilled."--Résumé de l'éditeur.

Bully - Patricia Polacco 2012-09-13

Patricia Polacco takes on cliques and online bullying. Lyla finds a great friend in Jamie on her first day of school, but when Lyla makes the cheerleading squad and a clique of popular girls invites her to join them, Jamie is left behind. Lyla knows bullying when she sees it, though, and when she sees the girls viciously teasing classmates on Facebook, including Jamie, she is smart enough to get out. But no one dumps these girls, and now they're out for revenge. Patricia Polacco has taken up the cause against bullies ever since *Thank You, Mr. Falker*, and her passion shines through in this powerful story of a girl who stands up for a friend.

The Golden Couple - Greer Hendricks

2022-03-08

The next electrifying novel from the #1 New York Times bestselling author duo behind *The Wife Between Us*. "Propulsive and thrilling....A page-turner that will keep you guessing until the very end." --Taylor Jenkins Reid, author of *Malibu Rising*. Wealthy Washington suburbanites Marissa and Matthew Bishop seem to have it all—until Marissa is unfaithful. Beneath their veneer of perfection is a relationship riven by work and a lack of intimacy. She wants to repair things for the sake of their eight-year-old son and because she loves her husband. Enter Avery Chambers. Avery is a therapist who lost her professional license. Still, it doesn't stop her from counseling those in crisis, though they have to adhere to her unorthodox methods. And the Bishops are desperate. When they glide through Avery's door and Marissa reveals her infidelity, all three are set on a collision course. Because

the biggest secrets in the room are still hidden, and it's no longer simply a marriage that's in danger. "An utterly compelling, spellbinding read." --Lisa Jewell, author of *Then She Was Gone* and *Invisible Girl*

Strengths Based Parenting - Mary Reckmeyer
2016-02-02

Strengths Based Parenting doesn't prescribe one "right" way to parent. Instead, author Mary Reckmeyer empowers parents to embrace their individual parenting style by discovering and developing their own -- and their children's -- talents and strengths. With real-life stories, practical advice backed by Gallup data, and access to the Clifton StrengthsFinder and Clifton Youth StrengthsExplorer assessments, Strengths Based Parenting builds the foundation for positive parenting. Strengths Based Parenting is grounded in decades of Gallup research on strengths psychology -- including assessments of nearly 1 million young people -- and highlighted in Gallup's national bestseller *StrengthsFinder 2.0*. More than 14 million people have taken the Clifton StrengthsFinder assessment to discover their unique combination of talents and strengths. Gallup knows that focusing on talents and strengths can improve the quality of people's lives. Now, in *Strengths Based Parenting*, Gallup extends strengths psychology to the most important operating system in the world -- the family. How can you discover your children's unique talents? And how can you use your own talents and strengths to be the most effective and supportive parent possible? Strengths Based Parenting addresses these and other questions on parents' minds. But unlike many parenting books, Strengths Based Parenting focuses on identifying and understanding what your children are naturally good at and where they thrive -- not on their weaknesses. The book also helps you uncover your own innate talents and effectively apply them to your individual parenting style. Raising a child truly takes a village. Strengths Based Parenting can help parents learn how to partner with teachers, coaches and other adults in their kids' lives to create a positive, supportive environment to develop their talents into strengths and instill confidence.

How Full Is Your Bucket? Anniversary Edition - Indian Edition - Gallup 2020-04

Spring According to Humphrey - Betty G. Birney 2016-01-19

Spring is in the air, and lots of things are growing—including the Room 26 family! Signs of spring are very exciting to everyone at Longfellow School. Mrs. Brisbane's class has seen flowers poking out of snow and baby birds hatching, and Just-Joey even brought in tadpoles that are growing into frogs. It also means Family Fun Night is coming up, and all of the students' families are involved in making amazing activities. Humphrey helps in many ways, of course, but he can't stop wondering about his own family. He doesn't know anything about his mom or dad. Luckily, all of his wonderful friends help him see that families come in many shapes and sizes, and Humphrey's might be the biggest (and best!) one of all.

Have You Filled a Bucket Today? - Carol McCloud 2015-10-31

This heartwarming book encourages positive behavior by using the concept of an invisible bucket to show children how easy and rewarding it is to express kindness, appreciation and love by "filling buckets." Updated and revised, this 10th anniversary edition will help readers better understand that "bucket dipping" is a negative behavior, not a permanent label. It also explains that it's possible to fill or dip into our own buckets.

Friendship - Joseph Epstein 2007-07-03

The amusing and erudite anatomy of modern friendship, from the New York Times–bestselling author of *Snobbery*. Is it possible to have too many friends? Is your spouse supposed to be your best friend? How far should you go to help a friend in need? And how do you end a friendship that has run its course? In a “smart, delightfully literate, and sophisticated” anatomy of friendship in all its contemporary guises, Joseph Epstein uncovers the rich and surprising truths about our favored companions (Los Angeles Times). Friendship illuminates those complex, wonderful relationships without which we'd all be lost. “Reading [Epstein] is like spending an evening being flatteringly entertained by the most interesting guy at the party.” —The Seattle Times “A brilliant and outspoken commentator . . . Epstein's graceful

style and irrepressible wit provide unalloyed pleasure.” —Chicago Tribune “Brisk and delightful.” —The Wall Street Journal
The Family Under the Bridge - Natalie Savage Carlson 1989-02-15

This is the delightfully warm and enjoyable story of an old Parisian named Armand, who relished his solitary life. Children, he said, were like starlings, and one was better off without them. But the children who lived under the bridge recognized a true friend when they met one, even if the friend seemed a trifle unwilling at the start. And it did not take Armand very long to realize that he had gotten himself ready-made family; one that he loved with all his heart, and one for whom he would have to find a better home than the bridge. Armand and the children's adventures around Paris -- complete with gypsies and a Santa Claus -- make a story which children will treasure.

Wellbeing at Work - Jim Clifton 2021-06-01

What if the next global crisis is a mental health pandemic? It is here now. One-third of Americans have shown signs of clinical anxiety or depression, and the current state of suffering globally has risen significantly. The mental health pandemic manifests everywhere, not least in your workplace. As organizations around the world face health and social crises, as well as economic uncertainty, acknowledging and improving wellbeing in your workplace is more critical than ever. Increasingly, leaders and managers must support mental health and cultivate resilience in employees — not just increase engagement and performance. Based on more than 100 million Gallup global interviews, *Wellbeing at Work* shows you how to do just that. Coauthored by Gallup's CEO and its Chief Workplace Scientist, *Wellbeing at Work* explores the five key elements of wellbeing — career, social, financial, physical and community — and how organizations can help employees and teams thrive in those elements. The book also gives leaders ideas and action items to help employees use their innate talents and strengths to thrive in each of the wellbeing elements. And *Wellbeing at Work* introduces a metric to report a person's best possible life: Gallup Net Thriving, which will become the “other stock price” for organizations. In a world where work and life are more blended than ever, maximizing

employee wellbeing takes on greater urgency. *Wellbeing at Work* shows leaders how to create a thriving and resilient culture. If you and your leaders don't change the world, who will? *Wellbeing at Work* includes a unique code to take the CliftonStrengths assessment, which reveals your top five strengths.

I Didn't Do My Homework Because... - Davide Cali 2014-03-04

How many excuses are there for not doing homework? Let us count the ways: Giant lizards invaded the neighborhood. Elves hid all the pencils. And then there was that problem with carnivorous plants.... The excuses go on and on, each more absurd than the next and escalating to hilarious heights. Featuring detail-rich illustrations by Benjamin Chaud, this book is guaranteed to amuse kids and their parents, not to mention anyone who has experienced a slacker student moment—and isn't that everyone? Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

Kindness Counts - Bryan Smith 2018-01-23

When Cade and his family learn their ice cream treats were paid for by another patron, it starts a discussion about random acts of kindness and what it means to “pay it forward.” Cade really likes the idea until his dad wants him to donate a few of his favorite toys. Can Cade be generous to others if it requires a real sacrifice?

Strengths Based Leadership - Gallup 2008

Two leadership consultants identify three keys to being a more effective leader: knowing your strengths and investing in others' strengths, getting people with the right strengths on your team, and understanding and meeting the four basic needs of those who look to you for leadership.

Buckets, Dippers, and Lids - Carol McCloud 2018-08-01

This enhanced eBook features read-along narration. The latest release in the bestselling Bucket Fillers line takes the concept of bucket filling one step further by adding the idea that we also have an invisible lid. We “use our lid” to protect and keep the happiness inside our bucket. Offering charming illustrations with personified buckets, dippers, and lids, readers learn what gives happiness, what takes it away,

and what protects it. This concrete concept helps children of all ages grow in understanding, kindness, self-control, resilience, empathy, and forgiveness. A valuable teaching tool for home, school, and life, this is a stand-alone or companion book to the other award-winning books by Bucket Fillers, Inc.
