Harry Potter Coloring Book By Scholastic

Category - Edward Gorey 2008

Finally, back in print! Edward Gorey's CATEGORY was first published by Gotham Book Mart in 1974. The English language edition has been out of print for decades. One of Gorey's most beloved books, CATEGORY collects a series of fifty cat vignettes, originally created by the artist as accompaniments to a limited edition of his book Amphigorey. Gorey once said, "I can't conceive of a life without cats." Now Gorey fans and cat lovers alike won't have to conceive of a world without CATEGORY.

Edward Gorey (1925-2000) may be best known for his mildly unsettling illustrated tales and cautionary alphabets—The Deranged Cousins, The Gashlycrumb Tinies, and The Doubtful Guest, among many others. He was also a playwright, an award-winning set and costume designer, and the creator of the animated introductions to the PBS series Mystery!

Learning How to Learn - Joseph D. Novak 1984-09-28

For almost a century, educational theory and practice have been influenced by the view of behavioural psychologists that learning is synonymous with behaviour change. In this book, the authors argue for the practical importance of an alternate view, that learning is synonymous with a change in the meaning of experience. They develop their theory of the conceptual nature of knowledge and describe classroom-tested strategies for helping students to construct new and more powerful meanings and to integrate thinking, feeling, and acting. In their research, they have found consistently that standard educational practices that do not lead learners to grasp the meaning of tasks usually fail to give them confidence in their abilities. It is necessary to understand why and how new information is related to what one already knows. All those concerned with the improvement of education will find something of interest in Learning How to Learn.
