Divine Misfortune - A. Lee Martinez 2010-03-26
Teri and Phil had never needed their own personal god. But when Phil is passed up for a promotion - again - it's time to take matters into their own hands. And look online. Choosing a god isn't as simple as you would think. There are too many choices; and they often have very hefty prices for their eternal devotion: blood, money, sacrifices, and vows of chastity. But then they find Luka, raccoon god of prosperity. All he wants is a small cut of their good fortune. Oh - and to crash on their couch for a few days. DIVINE MISFORTUNE is a story of gods and mortals - in worship, in love, and at parties.

Chasing the Moon - A. Lee Martinez
2014-05-10

When Diana moves into a great new apartment, it seems like she's finally having some good luck. Until she finds out about Vom the Hungering, the monster in the closet who eats everything and everyone, and her duty to guard him for eternity, and her inability to leave the apartment because the door has suddenly disappeared-- then it seems like she's having her same old bad luck.

Gil's All Fright Diner - A. Lee Martinez 2005-05
Earl and Duke help Loretta with her on-going zombie problem.

The Dark Portal - Robin Jarvis 2000

In the Dark Portal, Albert Mouse squeezes through the Grill and disappears. Thinking he's been captured by the rats in the sewers, his children embark on a treacherous journey to find him.

Nothing to Lose - Lee Child 2008-06-03
Two lonely towns in Colorado: Hope and

Despair. Between them, twelve miles of empty road. Jack Reacher never turns back. It's not in his nature. All he wants is a cup of coffee. What he gets is big trouble. So in Lee Child's electrifying new novel, Reacher—a man with no fear, no illusions, and nothing to lose—goes to war against a town that not only wants him gone, it wants him dead. It wasn't the welcome Reacher expected. He was just passing through, minding his own business. But within minutes of his arrival a deputy is in the hospital and Reacher is back in Hope, setting up a base of operations against Despair, where a huge, seething walled-off industrial site does something nobody is supposed to see . . . where a small plane takes off every night and returns seven hours later . . . where a garrison of well-trained and well-armed military cops—the kind of soldiers Reacher once commanded—waits and watches . . . where above all two young men have disappeared and two frightened young women wait and hope for their return. Joining forces with a beautiful cop who runs Hope with a cool hand, Reacher goes up against Despair—against the deputies who try to break him and the rich man who tries to scare him—and starts to crack open the secrets, starts to expose the terrifying connection to a distant war that's killing Americans by the thousand. Now, between a town and the man who owns it, between Reacher and his conscience, something has to give. And Reacher never gives an inch.

The Fairy's Tale - F. D. Lee 2015-03-31

Three guesses. Three wishes. Free choice? A new fairy godmother has one week to create a happy ending. Failure will result in a lot worse

than being put to sleep for a hundred years. Whoever said fairy tales were nice? Bea is a cabbage fairy, because there are all kinds of fairies and some of them have to be cabbage fairies, but she dreams of being so much more. She wants to be a Fiction Management Executive (godmother class) but no one at the General Administration will take her seriously - until now. When Bea is finally given a simple Happy Ever After story, she thinks all her dreams have come true. But there's something rotten behind the simplicity of the General Administration's plots. Now Bea knows the truth, she is faced with an impossible task. Can a lowly cabbage fairy stand up for what's right by saving the girl from her own happy ending, all without invoking the anger of the General Administration and its monstrous, three-headed Beast? After all, what kind of fairy godmother really cares about happy ever after? "I never thought I would say this but thank you F. D. Lee for the lack of sleep!" The Fairy's Tale is the first novel in The Pathways Tree series, the new fantasy series being compared to Terry Pratchett and Neil Gaiman. With surprising plot twists and compelling characters, The Fairy's Tale is a whirlwind adventure into the sinister world behind classic folk tales and myths. If you love genuine characters and a story you can talk about after you finishing reading, then The Fairy's Tale is for you! The Fairy's Tale was rated 'Outstanding' in the 24th Annual Writer's Digest Self-Published Book Awards (2016) for Plot and Story Appeal; Structure, Organization and Planning; Character Appeal and Development; Voice and Writing Style, and Spelling, Punctuation and Grammar. [The Wall in the Middle of the Book](#) - Jon Agee 2018-10-02

A foolish knight is certain that his side of the wall is the safe side in this clever, amusingly meta picture book by the acclaimed creator of It's Only Stanley There's a wall in the middle of the book, and our hero--a young knight--is sure that the wall protects his side of the book from the dangers of the other side--like an angry tiger and giant rhino, and worst of all, an ogre who would gobble him up in a second! But our knight doesn't seem to notice the crocodile and growing sea of water that are emerging on his side. When

he's almost over his head and calling for help, who will come to his rescue? An individual who isn't as dangerous as the knight thought--from a side of the book that might just have some positive things to offer after all!

Only a Monster - Vanessa Len 2022-02-22
The sweeping romance of Passenger meets the dark fantasy edge of This Savage Song in this stunning contemporary fantasy debut from Vanessa Len, where the line between monster and hero is razor thin. Don't forget the rule. No one can know what you are. What we are. You must never tell anyone about monsters. Joan has just learned the truth: her family are monsters, with terrifying, hidden powers. And the cute boy at work isn't just a boy: he's a legendary monster slayer, who will do anything to destroy her family. To save herself and her family, Joan will have to do what she fears most: embrace her own monstrosity. Because in this story...she is not the hero. Dive deep into the world of Only a Monster: hidden worlds dwell in the shadows, beautiful monsters with untold powers walk among humans, and secrets are the most powerful weapon of all.

Blonde Bombshell - Tom Holt 2010-05-06
'As you'd expect from Holt, Blonde Bombshell is rife with puns, complicated setups for ridiculous gags, and a riveting story that is completely implausible.' - Booklist 'BLONDE BOMBSHELL is a clever, funny, tirelessly inventive, apocalyptic leg-hump of a book. Tom Holt may be the most imaginative satirist to land on our shores since Douglas Adams' - Christopher Moore A heart-warming tale of Armageddon from one of the funniest, most original voices in comic fiction today . . . The third planet out from the star was blue, with green splodges. Dirt. Oh, the bomb thought. And then its courage, determination and nobility-of-spirit subroutines cut in, overriding everything else, adrenalizing its command functions and bypassing its cyberphrenetic nodes. Here goes, said the bomb to itself. Calibrate navigational pod. Engage primary thrusters. Ready auxiliary drive. It knew, in that moment, that its own doom was near; because it was giving itself orders, and it wasn't putting in any 'the's. That was what you did, apparently, when the moment came. You could also turn on a flashing red beacon and a siren, but mercifully these were optional. Oh

#/\$+! thought the bomb, and surged on towards Dirt like an avenging angel. Perfect for fans of Douglas Adams, *BLONDE BOMBSHELL* is the science fiction debut from Tom Holt - one of the best-loved comic writers in fantasy fiction. Legendtopia Book #2: The Shadow Queen - Lee Bacon 2017-06-13

The second book in the Legendtopia series, fast-paced action-adventure novels that will have you racing through the pages to get to the fantastical finish! Two kids—Kara, a girl from our world, and Prince Fred, a royal boy from the kingdom of Heldstone—join forces to save Urth. Kara and her royal BFF, Prince Fred, are on the most important mission of their lives. Kara's long-lost dad is trapped in the magical kingdom of Heldstone—and the two friends are on an epic quest to rescue him. It won't be easy. Heldstone is bustling with parades and parties in preparation for the Luminary Ball, an incredible celebration of the royal family. But not everyone is in the mood to celebrate. The evil Sorceress has transformed into the Shadow Queen. She has poisoned the prince's parents, and unless Kara and Fred find an antidote, the king and queen will be dead in three days. Their search will take them outside the palace walls, into an enchanting and dangerous world of talking

animals, fierce monsters, and vegetarian trolls . . . all the while being hunted by the Sorceress and her evil army of shadows. Can Kara and Fred save their parents? Or will the Shadow Queen destroy them all?

The Last Adventure of Constance Verity - A. Lee Martinez 2016-07-05

"Granted a wish at birth, Constance Verity has become one of the world's great adventurers. A master of exotic martial arts and a keen detective, she is in possession of a collection of strange artifacts, which are mostly kept in unlabeled boxes in her apartment. Constance has spent the past twenty years saving the world, and she's sick of it. She wants an office job and a boyfriend who isn't going to get killed by who knows what, and she's figured out the way to get them: she's going to kill her fairy godmother--Grandmother Willow--who granted the wish--and reset her life. The problem is, saving the world is Constance's destiny. She's really good at it, and there are forces at work to make sure she stays in the job. Then again, it's also her destiny to have a glorious death"--Front jacket flap.

Zombies Don't Eat Veggies! - Jorge Lacera 2019-04-02

Mo Romero is a zombie who loves nothing more than growing, cooking, and eating vegetables. Tomatoes? Tantalizing. Peppers? Pure perfection! The problem? Mo's parents insist that their niño eat only zombie cuisine, like arm-panadas and finger foods. They tell Mo over and over that zombies don't eat veggies. But Mo can't imagine a lifetime of just eating zombie food and giving up his veggies. As he questions his own zombie identity, Mo tries his best to convince his parents to give peas a chance. Super duo Megan and Jorge Lacera make their picture-book debut with this sweet story about family, self-discovery, and the power of acceptance. It's a delectable tale that zombie and nonzombie fans alike will devour.

House of Ivy & Sorrow - Natalie Whipple 2014-04-15

Transparent author Natalie Whipple is back with another refreshing blend of realistic romance and light-hearted humor with a one-of-a-kind paranormal touch. Fans of *Charmed*, *Kiersten White's Paranormalcy* trilogy, and *Maggie Stiefvater's The Raven Boys* won't want to miss

this spellbinding contemporary tale of magic, first love, and high-stakes danger. Jo Hemlock is not your typical witch. Outside the walls of her grandmother's ivy-covered house, she's kept her magical life completely separate from her life in high school. But when the Curse that killed her mother resurfaces, it threatens to destroy not only her life but her grandmother's too—and keeping her secret may no longer be an option.

Little Ogre's Surprise Supper - Timothy Knapman 2009-12-22

Everyone knows that ogres eat children. Everyone except Jack. So when Little Ogre meets Jack and says, "I want you for supper," Jack does a funny thing. He doesn't scream or run away - he's delighted to be invited! Poor Jack doesn't realize he IS the supper - a special birthday supper for Little Ogre's Mum! But Little Ogre and Jack get along well, and when it's time to put Jack in the cooking pot Little Ogre is faced with a very difficult decision. Will Jack become a meal, or a new best friend? A deliciously dark and funny tale, in which friendship comes before food.

Destiny of the Dead - Kel Kade 2022-03-22

Destiny of the Dead is the second novel in a genre-bending series from New York Times bestselling author Kel Kade. The God of Death is tired of dealing with the living, so he's decided everyone should die. And he's found allies. The Berru, an empire of dark mages, has unleashed a terrifying army of monstrous lyksvight upon everyone with a pulse. While the wealthy and powerful, the kings and queens, abandon the dying world, one group of misfits says no more. Through dogged determination and the ability to bind souls to their dead bodies, Aaslo and his friends fight on. In the mountains of the far north, another bastion of defense is opened. Cherrí, the avatar of a vengeful fire god, has united the survivors amongst her people and begun her own war on the invaders. Now, Aaslo and Cherrí must find a way to unite their powers, one divine, the other profane, to throw back the monsters of the Berru, and challenge Death itself. Constance Verity Saves the World - A. Lee Martinez 2018-07-17

For Constance Verity, saving the world isn't the

hard part. It's keeping her new, ordinary life from falling apart along the way that's going to be tricky. This is the next book in the witty Constance Verity trilogy, which Booklist named a Top 10 SF/Fantasy book of 2016. Constance successfully became an ordinary person. People warned her it would be boring—and they were right. That's exactly why Connie loves it. But there's an Adventurer-shaped hole in the cosmos now, and a lot of interested parties eager to fill it. Not all of those candidates are fit for the role, and if The Adventurer falls into the wrong hands, it can lead to chaos and destruction. Constance still has all the skills of her old life, but she's no longer chosen. Yet when the fate of the world is at stake, she sets off, reluctantly, to keep the forces of evil from stealing the destiny she abandoned.

In the Company of Ogres - A. Lee Martinez 2007-04-03

An uproarious new novel in the tradition of Robert Asprin and Terry Pratchett! For someone who's immortal, Never Dead Ned manages to die with alarming frequency--he just has the annoying habit of rising from the grave. But this

soldier might be better dead than face his latest assignment. Ogre Company is the legion's dumping ground--a motley, undisciplined group of monsters whose leaders tend to die under somewhat questionable circumstances. That's where Ned's rather unique talents come in. As Ogre Company's newly appointed commander, Ned finds himself in charge of such fine examples of military prowess as a moonstruck Amazon, a very big (and very polite) two-headed ogre, a seductively scaly siren, a blind oracle who can hear (and smell) the future, a suicidal goblin daredevil pilot, a walking tree with a chip on its shoulder, and a suspiciously goblin-esque orc. Ned has only six months to whip the Ogre Company into shape or face an even more hideous assignment, but that's not the worst of his problems. Because now that Ned has found out why he keeps returning from dead, he has to do everything he can to stay alive. . . . In the Company of Ogres does for fantasy, what A. Lee Martinez's previous novel, *Gil's All Fright Diner*, did for horror--and elves and goblins may never be the same! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

No Good Deed - Goldy Moldavsky 2017-05-30
From New York Times bestselling author Goldy Moldavsky comes an uproarious take on when the best of intentions go horribly wrong. Gregor Maravilla doesn't want much. Just to feed all the starving children. That's why he goes to Camp Save the World, a summer program for teen activists who care about making a difference. What could be better? It's almost perfect. Except some of these causes are kind of...strange. Like Eat Dirt--a campaign started by up-and-coming actress Ashley Woodstone. Gregor wasn't a fan of her work before, and he's certain she's only there now because of her fame. But Gregor is determined to not let her ruin his experience. And then the contest is announced. That's when the sabotage starts. They want to see who can do the most good. But that leads to the most bad. No good deed goes unpunished.

In the Company of Ogres - A. Lee Martinez 2007-04-03

Appointed to the head of the wayward Ogre Company when his immortality proves valuable on several occasions, Never Dead Ned finds himself in charge of such fellow monsters as a

two-headed ogre, a seductive siren, and a suicidal goblin. Reprint.

Ogres - Adrian Tchaikovsky 2022-03-15

Ogres are bigger than you. Ogres are stronger than you. Ogres rule the world. It's always idyllic in the village until the landlord comes to call. Because the landlord is an Ogre. And Ogres rule the world, with their size and strength and appetites. It's always been that way. It's the natural order of the world. And they only eat people sometimes. But when the headman's son, Torquell, dares lift his hand against the landlord's son, he sets himself on a path to learn the terrible truth about the Ogres, and about the dark sciences that ensured their rule.

Monster - A. Lee Martinez 2009-05-11

Meet Monster. Meet Judy. Two humans who don't like each other much, but together must fight dragons, fire-breathing felines, trolls, Inuit walrus dogs, and a crazy cat lady - for the future of the universe. Monster runs a pest control agency. He's overworked and has domestic troubles - like having the girlfriend from hell. Judy works the night shift at the local Food Plus Mart. Not the most glamorous life, but Judy is happy. No one bothers her and if she has to spell things out for the night-manager every now and again, so be it. But when Judy finds a Yeti in the freezer aisle eating all the Rocky Road, her life collides with Monster's in a rather alarming fashion. Because Monster doesn't catch raccoons; he catches the things that go bump in the night. Things like ogres, trolls, and dragons. Oh, and his girlfriend from Hell? She actually is from Hell.

The Automatic Detective - A. Lee Martinez 2008-02-05

From the award-winning author of *Gil's All Fright Diner* comes a fantastic sci-fi mystery read *The Automatic Detective*. Even in Empire City, a town where weird science is the hope for tomorrow, it's hard for a robot to make his way. It's even harder for a robot named Mack Megaton, a hulking machine designed to bring mankind to its knees. But Mack's not interested in world domination. He's just a bot trying to get by, trying to demonstrate that he isn't just an automated smashing machine, and to earn his citizenship in the process. It should be as easy as crushing a tank for Mack, but some bots just can't catch a break. When Mack's neighbors are

kidnapped, Mack sets off on a journey through the dark alleys and gleaming skyscrapers of Empire City. Along the way, he runs afoul of a talking gorilla, a brainy dame, a mutant lowlife, a little green mob boss, and the secret conspiracy at the heart of Empire's founders--- not to mention more trouble than he bargained for. What started out as one missing family becomes a battle for the future of Empire and every citizen that calls her home. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Here and Now Story Book - Lucy Sprague Mitchell 1921

The stories in the book are grouped for expected developmental levels for children between the ages of two and seven, reflecting the growing world of the child from self-centric to an understanding of facts far removed from the child's immediate world.

Emperor Mollusk versus The Sinister Brain - A. Lee Martinez 2012-03-05

Emperor Mollusk. Intergalactic Menace. Destroyer of Worlds. Conqueror of Other Worlds. Mad Genius. Ex-Warlord of Earth. Not bad for a guy without a spine. But what's a villain to do after he's done . . . everything. With no new ambitions, he's happy to pitch in and solve the energy crisis or repel alien invaders should the need arise, but if he had his way, he'd prefer to be left alone to explore the boundaries of dangerous science. Just as a hobby, of course. Retirement isn't easy though. If the boredom doesn't get him, there's always the Venusians. Or the Saturnites. Or the Mercurials. Or . . . well, you get the idea. If that wasn't bad enough, there's also the assassins of a legendary death cult and an up-and-coming megalomaniac (as brilliant as he is bodiless) who have marked Emperor for their own nefarious purposes. But Mollusk isn't about to let the Earth slip out of his own tentacles and into the less capable clutches of another. So it's time to dust off the old death ray and come out of retirement. Except this time, he's not out to rule the world. He's out to save it from the peril of THE SINISTER BRAIN!

Gunny's Rules - R. Lee Ermey 2013-10-28

Put down your sissy drink with its umbrella, get off your backside, and square yourself away. Get fit, get a job, and get yourself some self-respect.

America's favorite, most in-your-face sarge is going to show you how to get squared away like a Marine. R. Lee "Gunny" Ermey, of The History Channel's Mail Call, takes time out from telling viewers all about military technology, to tell readers all about life. Men today are facing a crisis of emasculation. Gunny is here to tell you how to fight back and save your dignity: by taking control of your own damn life. First, he teaches you how to get fit, stay fit, and defend yourself. Then, he teaches you how to conduct yourself the way real men do: with assertiveness but also with wisdom and courtesy. Finally, Gunny motivates you to use your new fitness and new attitude to live life like a man of honor: to work hard, reach for high goals, and set an example with your life. Gunny's Rules is the ultimate guide for anyone who wants to live life like one of the toughest of the tough—like a Marine.

Legends from Fairy Land - Holme Lee 1908

Constance Verity Destroys the Universe - A. Lee Martinez 2022-03-08

The third and final book of Constance Verity's epic adventure in which saving the world is easy—everything that comes after is the tricky part. The Adventurer. The Great Snurkab. The Caretaker. Constance Verity returns, having accepted and secured her place in the universe while juggling her expanded life. Until she comes up against The Caretaker's nemesis, a foe she can't just beat the hell out of, Connie must defeat the idea of inevitable entropy, the end of everything. Impossible you may think, but Connie always has an angle, and this time it's by upping her game, by stopping enough calamities, by answering every tug at her innate sense of adventure, she can build up enough power to counteract the end of the universe. The problem is, she's still a human woman, and even she can't keep this up for long. As she starts to fade her friends figure out a way to help: Destroy the world.

Tamsin - Peter S. Beagle 2004-06-17

Arriving in the English countryside to live with her mother and new stepfather, Jenny has no interest in her surroundings until she meets Tamsin. Since her death over 300 years ago, Tamsin has haunted the lonely estate without rest, trapped by a hidden trauma she can't

remember, and a powerful evil even the spirits of night cannot name. To help her, Jenny must delve deeper into the dark world than any human has in hundreds of years, and face danger that will change her life forever. . . .

Helen and Troy's Epic Road Quest - A. Lee Martinez 2013-07-16

Witness the epic battle of the cyclops! Visit the endangered dragon preserve! Please, no slaying. Solve the mystery of The Mystery Cottage, if you dare! Buy some knick knacks from The Fates! They might come in handy later. On a road trip across an enchanted America, Helen and Troy will discover all this and more. If the curse placed upon them by an ancient god doesn't kill them or the pack of reluctant orc assassins don't catch up to them, Helen and Troy might reach the end their journey in one piece, where they might just end up destroying the world. Or at least a state or two. A minotaur girl, an all-American boy, a three-legged dog, and a classic car are on the road to adventure, where every exit leads to adventure. Whether they like it or not.

Oswald's Tale - Norman Mailer 2007-01-23

In perhaps his most important literary feat, Norman Mailer fashions an unprecedented portrait of one of the great villains—and enigmas—in United States history. Here is Lee Harvey Oswald—his family background, troubled marriage, controversial journey to Russia, and return to an “America [waiting] for him like an angry relative whose eyes glare in the heat.” Based on KGB and FBI transcripts, government reports, letters and diaries, and Mailer’s own international research, this is an epic account of a man whose cunning, duplicity, and self-invention were both at home in and at odds with the country he forever altered. Praise for Oswald’s Tale “America’s largest mystery has

found its greatest interpreter.”—The Washington Post Book World “Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance. . . . From the American master conjurer of dark and swirling purpose, a moving reflection.”—Robert Stone, The New York Review of Books “A narrative of tremendous energy and panache; the author at the top of his form.”—Christopher Hitchens, Financial Times “The performance of an author relishing the force and reach of his own acuity.”—Martin Amis, The Sunday Times (London) Praise for Norman Mailer “[Norman Mailer] loomed over American letters longer and larger than any other writer of his generation.”—The New York Times “A writer of the greatest and most reckless talent.”—The New Yorker “Mailer is indispensable, an American treasure.”—The Washington Post “A devastatingly alive and original creative mind.”—Life “Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance.”—The New York Review of Books “The largest mind and imagination [in modern] American literature . . . Unlike just about every American writer since Henry James, Mailer has managed to grow and become richer in wisdom with each new book.”—Chicago Tribune “Mailer is a master of his craft. His language carries you through the story like a leaf on a stream.”—The Cincinnati Post

The Battle for Urth - Lee Bacon 2016

A sixth-grade girl and a prince from an enchanted kingdom join forces to battle an evil sorceress who brings dark magic to suburbia.

Gil's All Fright Diner - A. Lee Martinez 2006-06-27

Bloodier than Fried Green Tomatoes! Funnier than The Texas Chainsaw Massacre! Welcome to Gil's All Night Diner, where zombie attacks are a regular occurrence and you never know what might be lurking in the freezer . . . Duke and Earl are just passing through Rockwood county in their pick-up truck when they stop at the Diner for a quick bite to eat. They aren't planning to stick around-until Loretta, the eatery's owner, offers them \$100 to take care of her zombie problem. Given that Duke is a werewolf and Earl's a vampire, this looks right up their alley. But the shambling dead are just

the tip of a particularly spiky iceberg. Seems someone's out to drive Loretta from the Diner, and more than willing to raise a little Hell on Earth if that's what it takes. Before Duke and Earl get to the bottom of the Diner's troubles, they'll run into such otherworldly complications as undead cattle, an amorous ghost, a jailbait sorceress, and the terrifying occult power of pig-latin. And maybe--just maybe--the End of the World, too. Gory, sexy, and flat-out hilarious, Gil's All Fright Diner will tickle your funnybone--before ripping it out of its socket! Tuflongbo's journey in search of ogres, by Holme Lee - Harriet Parr 1862

The Superhero Women - Stan Lee 1977-01-01

A Nameless Witch - A. Lee Martinez 2007-05-01
A tale of vengeance, true love, and cannibalism
Being born undead can have its disadvantages,

such as eternal youth and flawless beauty --- things most unsuitable for a witch. Hiding behind the guise of a grimy old crone, the witch is content living outside Fort Stalwart with her unlikely band of allies: a troll named Gwurm, an enchanted broom, and a demonic duck named Newt. She leads a simple life filled with spells, potions, and the occasional curse. So when a White Knight arrives at Fort Stalwart, the witch knows her days of peace are at an end. The Knight is just days in front of a horde of ravenous goblins, and Fort Stalwart lies right in the horde's path. But the goblins are just the first wave of danger, and soon the witch and the Knight must combine forces on a perilous quest to stop a mad sorcerer from destroying the world. Filled with menace, monsters, and magic, A Nameless Witch is a properly witchly read by the award-winning author of Gil's All Fright Diner and In the Company of Ogres. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
