The iPhone Photography Book - Scott Kelby 2021-02-05

Learn to take great photos with your iPhone—the camera you always have with you!

Imagine if someone took the same photographic techniques, principles, and tools used by high-end and professional photographers, but applied them to shooting with an iPhone. Imagine the type of images you'd be able to create using those same ideas. Well, finally, somebody has.

The world's #1 best-selling photography techniques author is about to break all the rules as he shows you how to apply the same techniques today's top pro photographers use to make stunning images. You're going to learn exactly how to use these techniques to create images that people will just not believe you

could actually take with a phone (but with the quality of the iPhone's camera, you absolutely can!).

Scott leaves all the techno-speak behind and, instead, treats the whole book as if it were just you and he out on a shoot with your iPhones, using his trademark casual, plain-English writing style to help you unlock the power of your iPhone to make the type of pictures you never thought could be done with a phone. You'll learn:

> • Which tools to use to make pro-quality portraits in any lighting situation.

> • How to create stunning landscape shots that people will swear you took with an expensive DSLR or mirrorless camera.

> • Proven posing techniques that flatter your subject and make anyone you photograph look their very best in every

shot.

> • How to organize and edit your photos like a pro!

> • The pros' top tips for making amazing shots of everything from flowers to product shots, from food photography to travel shots, and everything in between.

Each page covers a single concept, a single tool, or a trick to take your iPhone photography from snapshots to shots that will make your friends and family say, "Wait...*you* took this?!"

A Seniors Guide to IPhone 13 - Scott La Counte 2021-09-25
Learn how to use the iPhone 13 Remember when phones actually called people? They still do that, obviously, but they do so much more today! They keep track of your health. They help you stay in touch with your family in innovative ways. They let you watch movies. And, for some of us, they let us play games while we are supposed to be doing something else! Mostly, they make the things we do every day a little easier-and that's especially true on the iPhone 13 and iPhone 13 Pro. You probably know some of the many things the iPhone does, but do you know how to actually do them? This guide will show you features you might not even know about, and, of course, how to use them. Along the way, I try to keep things on the lighthearted side-my intent is not to give you a stuffy technical guide that can also be used as a doorstop, but to help you enjoy learning and make you excited about all the things you can do. Some of the things you will learn in this book include: What's new to iOS 15 Using an iPhone that doesn't have a Home button Using Face ID Cinematic Mode AirTags How to use Picture in Picture for movies and TV shows How to add widgets to your Home screen Organizing apps with the App Library Buying, removing, rearranging, updating apps MagSafe Taking, editing, organizing and sharing photos Apple Services (Apple Music, Apple TV+, Apple Card, iCloud, and Fitness+) Using Siri Using pre-installed apps like Notes, Calendar, Reminders, and more Making phone calls and sending messages And much, much more! Are

you ready to start enjoying your new iPhone? Then let's get started! Note: This book is not endorsed by Apple, Inc and should be considered unofficial.

My iPhone - Brad Miser 2018-11-27 Step-by-step instructions with callouts to iPhone images that show you exactly what to do. Help when you run into iPhone problems or limitations. Tips and Notes to help you get the most from your iPhone. Full-color, step-by-step tasks walk you through getting and keeping your iPhone working just the way you want. The tasks include how to: Connect to the Internet, Bluetooth devices, Wi-Fi networks, and other iPhones, and iPads; take advantage of AirDrop to instantly share with other iOS and Mac users around you Use Siri to get information, write texts and emails, set reminders/appointments, and more just by speaking to your iPhone; use Siri shortcuts to do even more while speaking less Customize your iPhone with folders, wallpaper, ringtones, multi-step shortcuts, and much more; use Screen Time to make sure you don't have too much of a good thing Use iCloud, Exchange, Google, and other cloud services to keep consistent calendar, contact, and other information on all your devices Communicate via phone, FaceTime, conference calls, text, email, and more Make your text messages come alive by adding Digital Touches and effects and sharing photos and video Get the most out of Safari to browse the Web and Mail to manage all of your email from one Inbox Listen to music, use the Wallet to manage boarding passes and loyalty cards; pay for purchases safely and securely with Apple Pay; and use other great iPhone apps Capture and edit photos and video; use great camera features such as telephoto zoom, portrait mode, burst, timed and time-lapse video, slow-motion video, and Live Photos View your photos in Memories and use them for wallpaper and for your contacts or share them via email, AirDrop, or texts; use iCloud to automatically save and share your photos Find,
