*The Door* is an unsettling exploration of the relationship between two very different women. Magda is a writer, educated, married to an academic, public-spirited, with an on-again-off-again relationship to Hungary's Communist authorities. Emerence is a peasant, illiterate, impassive, abrupt, seemingly ageless. She lives alone in a house that no one else may enter, not even her closest relatives. She is Magda's housekeeper and she has taken control over Magda's household, becoming indispensable to her. And Emerence, in her way, has come to depend on Magda. They share a kind of love—at least until Magda's long-sought success as a writer leads to a devastating revelation. **Vacuum in the Dark** - Jen Beagin 2019-02-26

From the Whiting Award-winning author of *Pretend I'm Dead* and one of the most exhilarating new voices in fiction, a "thoroughly delightfully, surprisingly profound" (Entertainment Weekly) one-of-a-kind novel about a cleaning lady named Mona and her struggles to move forward in life. Soon to be an FX television show starring Lola Kirke. Mona is twenty-six and cleans houses for a living in Taos, New Mexico. She moved there mostly because of a bad boyfriend—a junkie named Mr. Disgusting, long story—and her efforts to restart her life since haven't exactly gone as planned. For one thing, she's got another bad boyfriend. This one she calls Dark, and he happens to be married to one of Mona's clients. He also might be a little unstable. Dark and his wife aren't the only complicated clients on Mona's roster, either. There's also the Hungarian artist couple who—with her addiction to painkillers and his lingering stares—reminds Mona of troubling aspects of her childhood, and some of the underlying reasons her life had to be restarted in the first place. As she tries to get over the heartache of her affair and the older pains of her youth, Mona winds up on an eccentric, moving journey of self-discovery that takes her back to her beginnings where she attempts to unlock the key to having a sense of home in the future. The only problems are Dark and her past. Neither is so easy to get rid of. Jen Beagin's *Vacuum in the Dark* is an unforgettable, astonishing read, "by

turns nutty and forlorn...Brash, deadpan, and achingly troubled" (O, The Oprah Magazine). Beagin is "a wonderfully funny writer who also happens to tackle serious subjects" (NPR).
