Horse Soldiers - D. Stanton
2014-01-06

A Simon & Schuster eBook.
Simon & Schuster has a great book for every reader.

East of Eden - John Steinbeck
2002-02-05

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover

edition In his journal, Nobel Prize winner John Steinbeck called East of Eden "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations

helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

[Sissy Dreams: From Boyfriend to Girlfriend](#) - Paul Zante

Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Johnny Depp - Brian J. Robb
2006

Un análisis riguroso de la carrera del actor, así como una cuidadosa selección de los

personajes que éste ha interpretado y de las películas que ha protagonizado.

Descripción: Superada ya la barrera de los cuarenta y con veinte años de carrera cinematográfica a sus espaldas, el protagonista de la nueva película *Piratas del Caribe: el cofre del hombre muerto* ha dejado atrás su imagen de adolescente conflictivo para convertirse en la pareja de la cantante francesa Vanessa Paradis y en padre de dos niños. Johnny Depp: un rebelde moderno nos presenta a un joven complejo y atormentado, que vivió una infancia atribulada seguida de una díscola adolescencia, marcada por las drogas. El libro contiene infinidad de detalles sobre sus rebeldías, sus jugueteos románticos, sus numerosas y volátiles relaciones amorosas, incluyendo la aventura que tuvo con la actriz Winona Ryder o con la supermodelo Kate Moss.

Christmas in Winter Hill -

Melody Carlson 2019-09-03

Krista Galloway is not a fan of

Christmas. After her rough childhood in multiple foster homes, the holiday season just brings too many bad memories to the surface. But when she accepts a job as a city manager in the mountain town of Winter Hill, Washington, Christmas is part of the deal. The small town is famous for its Christmasville celebration, something that the city manager . . . well, manages. As she tries to make her tiny new apartment feel like home for her and her eight-year-old daughter, Emily, Krista begins to wonder if this move was a mistake. She doesn't always feel welcomed in the close-knit town, and Emily continually wonders, "Where's the snow?" Can a friendly stranger and his family help restore Krista's Christmas spirit before the big day? Bestselling author Melody Carlson invites you to spend this holiday season in a town you'll never forget--and never want to leave.

Tennis Fundamentals - Carol Matsuzaki 2004

Learn proper execution of the sport's essential skills and

tactics. Forehands, backhands, lobs, volleys, overhead smashes, drop shots, serves, and returns of serve are covered to provide a base for solid technique. Instruction in singles and doubles match play tactics will prepare you to compete in whatever game you choose to play. More than 60 gamelike activities and drills will speed your learning and improve your performance. You'll also feel more informed with the advice provided on grips, footwork, equipment, scoring, and etiquette.

Those Who Leave and Those Who Stay - Elena Ferrante
2014-09-02

Part of the bestselling saga about childhood friends following different paths by "one of the great novelists of our time" (The New York Times). In the third book in the New York Times–bestselling Neapolitan quartet that inspired the HBO series *My Brilliant Friend*, Elena and Lila have grown into womanhood. Lila married at sixteen and has a young son; she has left her husband and the comforts her

marriage brought and now works as a common laborer. Elena has left the neighborhood, earned her college degree, and published a successful novel, all of which has opened the doors to a world of learned interlocutors and richly furnished salons. Both women are pushing against the walls of a prison that would have seen them living a life of misery, ignorance, and submission. They are afloat on the great sea of opportunities that opened up for women during the 1970s. And yet, they are still very much bound to each other in a book that “shows off Ferrante’s strong storytelling ability and will leave readers eager for the final volume of the series” (Library Journal). “One of modern fiction’s richest portraits of a friendship.” —NPR *Expressionism and Film* - Rudolf Kurtz 2016-03-21 *Expressionism and Film*, originally published in German in 1926, is not only a classic of film history, but also an important work from the early

phase of modern media history. Written with analytical brilliance and historical vision by a well-known contemporary of the expressionist movement, it captures Expressionism at the time of its impending conclusion—as an intersection of world view, resoluteness of form, and medial transition. Though one of the most frequently-cited works of Weimar culture, Kurtz’s groundbreaking work, which is on a par with Siegfried Kracauer’s *From Caligari to Hitler* and Lotte Eisner’s *The Haunted Screen*, has never been published in English. Its relevance and historical contexts are analyzed in a concise afterword by the Swiss scholars Christian Kiening and Ulrich Johannes Beil. [Secrets of the Force](#) - Edward Gross 2021-07-13 From the authors of *The Fifty-Year Mission* and *So Say We All*, comes the first and only comprehensive oral history of the Star Wars movie franchise. For the past four decades, no film saga has touched the world in the way that Star

Wars has, capturing the imaginations of filmgoers and filmmakers alike. Now, for the first time ever, Edward Gross and Mark A. Altman, the bestselling authors of *The Fifty-Year Mission*, are telling the entire story of this blockbuster franchise from the very beginning in a single exhaustive volume. Featuring the commentaries of hundreds of actors and filmmakers involved with and impacted by Star Wars, as well as writers, commentators, critics, executives, authors, film historians, toy experts and many more, *Secrets of the Force*, will reveal all in Altman and Gross's critically acclaimed oral history format from the birth of the original film through the latest sequels and the new television series.

Películas clave de la historia del cine - Claude Beylie 2006
Exploring film milestones from the past century, film lovers, audiovisual students, and movie watchers will discover the greatest films that have marked the path of film development. Explorando los

grandes hitos del film del último siglo, los cinéfilos, estudiantes de audiovisuales y los espectadores descubrirán los grandes filmes que han jalonado la trayectoria del desarrollo de las películas.

Science Fiction of the 20th Century - Frank M. Robinson 2004

Newly reprinted and redesigned, this special edition is vividly illustrated with images of film posters, magazines, and books. From dime store novels to pulp magazines, science fiction has chronicled both our hopes for the future and our fear of it.. Learn the story-behind-the-story in this monumental volume documenting 100 years of science fiction. Deeply researched and meticulously documented.

Burton on Burton - Tim Burton 2008-11-20

Tim Burton is one of the great modern-day visionaries of cinema, a director who has fabricated his own deliciously nightmarish universe in movies as extraordinary as *Beetlejuice*, *Edward Scissorhands*, *Mars*

Attacks! and The Nightmare before Christmas - not to mention his twisted takes on the tales of Batman, Sleepy Hollow and Planet of the Apes. Following the release of his re-imagining of Roald Dahl's Charlie and the Chocolate Factory with long-time comrade Johnny Depp (who also provides a new foreword here), this updated and fully illustrated new edition of the definitive Burton interview book casts light on Burton's Burbank childhood, his early work at Disney, the recurrent themes and stunning designs of his movies, and the creative obsessions that fuel them.

Twelve Years a Slave - Solomon Northup 2021-01-01
"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes

would not be uninteresting to the public." -an excerpt
The Rebel - Leonor Villegas de Magnón 1994

The Rebel is the memoir of a revolutionary woman, Leonor Villegas de Magnon (1876-1955), who was a fiery critic of dictator Porfirio Diaz and a conspirator and participant in the Mexican Revolution. Villegas de Magnon rebelled against the ideals of her aristocratic class and against the traditional role of women in her society. In 1910 Villegas moved from Mexico to Laredo, Texas, where she continued supporting the revolution as a member of the Junta Revolucionaria (Revolutionary Council) and as a fiery editorialist in Laredo newspapers. In 1913, she founded La Cruz Blanca (The White Cross) to serve as a corps of nurses for the revolutionary forces active from the border region to Mexico City. Many women like Villegas de Magnon from both sides of the border risked their lives and left their families to support the revolution. Years

later, however, when their participation had still been unacknowledged and was running the risk of being forgotten, Villegas de Magnon decided to write her personal account of this history. The Rebel covers the period from 1876 through 1920, documenting the heroic actions of the women. Written in the third person with a romantic fervor, the narrative interweaves autobiography with the story of La Cruz Blanca. Until now Villegas de Magnon's written contributions have remained virtually unrecognized - peripheral to both Mexico and the United States, fragmented by a border. Not only does her work attest to the vitality, strength and involvement of women in sociopolitical concerns, but it also stands as one of the very few written documents that consciously challenges stereotyped misconceptions of Mexican Americans held by both Mexicans and Anglo-Americans.

Bibliografía española - 2006

Commando - Johnny Ramone
2012-04-01

A photo-packed memoir by the Ramones guitarist and “true iconoclast” (Publishers Weekly). Raised in Queens, New York, Johnny Ramone founded one of the most influential rock bands of all time, but he never strayed from his blue-collar roots and attitude. He was truly imbued with the angry-young-man spirit that would characterize his persona both on and off stage. Through it all, Johnny kept the band focused and moving forward, ultimately securing their place in music history by inventing punk rock. The Ramones were inducted into the Rock and Roll Hall of Fame in 2002—and two years later, Johnny died of cancer, having outlived two other founding members. Revealing, inspiring, and told on his own terms, this memoir also features Johnny’s assessment of the Ramones’ albums; a number of eccentric Top Ten lists; rare historical artifacts; and scores of personal and professional photos, many of

which have never before been published. "Feels like a conversation with Johnny."

—The Boston Globe

Groucho - Stefan Kanfer
2001-05-08

This definitive biography of one of the world's greatest comedians unflinchingly yet affectionately uncovers the man behind the cigar. Here is the amazing career of the man the world recognized as Groucho: the improbable disasters of the vaudeville years; the Marx Brothers, an act so funny W.C. Fields refused to follow it; the unprecedented Broadway success of The Cocoanuts and Animal Crackers; the cinematic triumphs of Duck Soup and A Night at the Opera; and the marvelous come-back career as king of the game show hosts with You Bet Your Life. Here, too, is the man himself: a lonely middle child who aspired to be a doctor; a man who sabotaged three marriages; a father alternately indulgent and cruel. Intelligent and thorough, hilarious and sad, Groucho is a spectacular biography of the

century's most influential comedian.

Forgotten Savior - Salvatore Caesar Scordato 2009-07-03
Medieval England, a prince's love is torn apart at the hands of a hired assassin. Four hundred years later his spirit is reincarnated to the body of James Scott who is inspired to create music following a visit from the ghost of his friend who was killed by a mobster. By the grace of a bird spirit he surmounts a tragic childhood of murder and sexual abuse. He meets John Lennon and is compelled to leave home. Starving and alone he encounters a mysterious hermit who guides him towards success. He emerges from the turmoil of addiction, fame and corruption, to be reunited with his love from centuries past, completing the circle.

insights into the complex set of relations which exist between gender, sex, sexualities and the media, and in doing so, showcases new research at the forefront of media and communication practice and theory. Brings together a collection of new, cutting-edge research exploring a number of different facets of the broad relationship between gender and media Moves beyond associating gender with man/woman and instead considers the relationship between the construction of gender norms, biological sex and the mediation of sex and sexuality Offers genuinely new insights into the complicated and complex set of relations which exist between gender, sex, sexualities and the media

Essay topics range from the continuing sexism of TV advertising to ways in which the internet is facilitating the (re)invention of our sexual selves.

Baking Bad - Walter Wheat
2014-10-28

What do you do when the greatest TV show ever has

come to an end and you no longer have ground-breaking, meth-related drama to get you through the long winter nights? Answer: you create a cookbook full of baked delights, each made in loving reference to the story of our favorite chemistry teacher-turned drug-baron. Baking Bad is a recipe book full of real, edible recipes created in homage to the TV series that we STILL can't stop talking about. From "Ricin Krispie Squares" to Walt's signature "Buried Barrel Dessert," each of these recipes is 98% pure and 100% edible and delicious. (No gasmask required.) Baking Bad will make the perfect gift for any fan, or a self-purchase for people who just can't resist one more, tasty, hit. After all, who could turn down "Tighty Whitey Bites," "Box-Cutter Donuts", or "Heisen(Batten) Burg Cake" (complete with black hat). Stylishly designed and illustrated throughout with full-color photos - each page is loaded with visual and textual references that fans will love and offers easy to follow guides

to create real, delicious, and inspired treats. As Jesse would say: 'Let's Cook. B****.'

It's Good to Have the Feeling You're the Best -

Tippa Tippa Irie 2024-03-21

It's Good to Have the Feeling You're the Best is Tippa Irie's autobiography. It will tell the musician's story, from when he was a child and made his first record until now, 55 years later. It's a story full of dreams, music and hope but also full of traumas and how music helped Tippa to move forward.

Orphan of Asia - Zhuoliu Wu
2008-03-22

Born in Taiwan, raised in the scholarly traditions of ancient China but forced into the Japanese educational system, Hu Taiming, the protagonist of Orphan of Asia, ultimately finds himself estranged from all three cultures. Taiming eventually makes his mark in the colonial Japanese educational system and graduates from a prestigious college. However, he finds that his Japanese education and his adoption of modern ways have alienated him from his family

and native village. He becomes a teacher in the Japanese colonial system but soon quits his post and finds that, having repudiated his roots, he doesn't seem to belong anywhere. Thus begins the long journey for Taiming to find his rightful place, during which he is accused of spying for both China and Japan and witnesses the effects of Japanese imperial expansion, the horrors of war, and the sense of anger and powerlessness felt by those living under colonial rule. Zhuoliu Wu's autobiographical novel is widely regarded as a classic of modern Asian literature and a groundbreaking expression of the postwar Taiwanese national consciousness.

Born Twice - Giuseppe

Pontiggia 2007-12-18

When a breach birth leaves Paulo severely disabled, his father, the articulate, unsentimental Professor Frigerio, struggles to come to terms with his son's condition. Face to face with his own limitations, Frigerio confronts the strange way society around

him handles Paolo's handicaps and observes his surprising gifts. In spare, deeply affecting episodes, the professor of language explores the nuanced boundaries between "normal" and "disabled" worlds. A remarkable memoir of fathering, winner of the 2001 Strega Prize, Italy's most prestigious literary honor, Born Twice is noted Italian author Guiseppe Pontiggia's American debut. Sometimes meditative, often humorous, and always probing, Pontiggia's haunting characters linger and resound long after the book is done.

Exploration Fawcett - Percy Fawcett 2010-05-04

The inspiration for the major motion picture "The Lost City of Z," mystic and legendary British explorer Colonel Percy Harrison Fawcett spent 10 years wandering the forests and death-filled rivers of Brazil in search of a fabled lost city. Finally, convinced that he had discovered the location, he set out for the last time toward destination "Z" in 1925, never to be heard from again. This thrilling and mysterious

account of Fawcett's ten years of travels in deadly jungles and forests in search of a secret city was compiled by his younger son, Fawcett's companion on his journeys, from manuscripts, letters, and logbooks. An international sensation when it was first published in 1953, Exploration Fawcett was praised by the likes of Graham Greene and Harold Nicolson, and found its way to Ernest Hemingway's bookshelf. Reckless and inspired, full of fortitude and doom, this is a book to rival Heart of Darkness, except that the harrowing accounts described in its pages are completely true. To this day, Colonel Fawcett's disappearance remains a great mystery.

Dentists - Mary Meinking 2020-08

Open wide! Dentists care for people's teeth. Give readers the inside scoop on what it's like to be a dentist. Readers will learn what dentists do, the tools they use, and how people get this exciting job.

[A Country of Cities](#) - Vishaan Chakrabarti 2013

In [A Country of Cities](#), author Vishaan Chakrabarti argues that well-designed cities are the key to solving America's great national challenges: environmental degradation, unsustainable consumption, economic stagnation, rising public health costs and decreased social mobility. If we develop them wisely in the future, our cities can be the force leading us into a new era of progressive and prosperous stewardship of our nation. In compelling chapters, Chakrabarti brings us a wealth of information about cities, suburbs and exurbs, looking at how they developed across the 50 states and their roles in

prosperity and globalization, sustainability and resilience, and health and joy. Counter to what you might think, American cities today are growing faster than their suburban counterparts for the first time since the 1920s. If we can intelligently increase the density of our cities as they grow and build the transit systems, schools, parks and other infrastructure to support them, Chakrabarti shows us how both job opportunities and an improved, sustainable environment are truly within our means. In this call for an urban America, he illustrates his argument with numerous infographics illustrating provocative statistics on issues as disparate as rising childhood obesity rates, ever-lengthening automobile commutes and government subsidies that favor highways over mass transit. The book closes with an eloquent manifesto that rallies us to build "a Country of Cities," to turn a country of highways, houses and hedges into a country of trains, towers and trees. Vishaan Chakrabarti

is an architect, scholar and founder of PAU. PAU designs architecture that builds the physical, cultural, and economic networks of cities, with an emphasis on beauty, function and user experience. PAU simultaneously advances strategic urbanism projects in the form of master planning, tactical project advice and advocacy.

Manual of Instructions for the Survey of Dominion Lands - Canada. Topographical Survey 1918

Our Great Big Backyard - Laura Bush 2016-05-10
#1 New York Times bestselling authors former First Lady Laura Bush and her daughter Jenna Bush Hager have created an exuberant picture book tribute to our national parks and the importance and fun of connecting with nature. Our Great Big Backyard follows Jane, whose plans of spending the summer playing video games with her friends are dashed when her parents announce that her family is going on a road trip to national

parks around the country. Yet somewhere between the Everglades and Big Bend National Park, things begin to change. Jane starts paying attention to the magnificent sights and spends less time looking at her screen. The stunning views open up her imagination as she and her brother see everything that nature has to offer. And the more Jane discovers, the more she realizes how much there is to love about the outdoors—whether she’s in a national park across the country or right in her own backyard.

Brazen Virtue - Nora Roberts 2011-11-22
NOW THE NETFLIX FILM BRAZEN, STARRING ALYSSA MILANO From #1 New York Times bestselling author Nora Roberts comes a novel that explores the dangerous side of desire, when a mystery writer in search of a little peace and quiet instead finds herself ensnared in the world of a real-life serial killer whose craving for murder stops at nothing . . . and no one. After a demanding

book tour, superstar mystery novelist Grace McCabe decides to visit her sister, Kathleen, who's embroiled in a custody battle after a bitter divorce. Arriving in D.C., Grace is shocked to find Kathleen living in a run-down neighborhood and, hoping to afford a hotshot lawyer, supplementing her meager teacher's salary by moonlighting as a phone sex operator. According to Kathleen, Fantasy, Inc., guarantees its employees ironclad anonymity. But Grace has her doubts—which are confirmed one horrifying cherry-blossom-scented night when one of Fantasy, Inc.'s operators is murdered. As Grace is drawn to help solve the crime, her life turns into a scene from one of her own books. Yet as one of her biggest fans, investigator Ed Jackson, warns her: This isn't fiction. Real people die—and Grace could be next. For she's hoping to trap a killer more twisted than anything she could imagine. And not even Ed may be able to protect her from a rendezvous with lust

and death.

Johnny Depp - Brian J. Robb
1996

Discusses the actor's childhood, career influences, films, and romances with Winona Ryder and Kate Moss.

City that Never Sleeps -

Murray Pomerance 2007

New York, more than any other city, has held a special fascination for filmmakers and viewers. In every decade of Hollywood filmmaking, artists of the screen have fixated upon this fascinating place for its tensions and promises, dazzling illumination and fearsome darkness. The glittering skyscrapers of such films as *On the Town* have shadowed the characteristic seedy streets in which desperate, passionate stories have played out—as in *Scandal Sheet* and *The Pawnbroker*. In other films, the city is a cauldron of bright lights, technology, empire, egotism, fear, hunger, and change—the scenic epitome of America in the modern age. From *Street Scene* and *Breakfast at Tiffany's* to *Rosemary's Baby*,

The Warriors, and 25th Hour, the sixteen essays in this book explore the cinematic representation of New York as a city of experience, as a locus of ideographic characters and spaces, as a city of moves and traps, and as a site of allurements and danger. Contributors consider the work of Woody Allen, Blake Edwards, Alfred Hitchcock, Gregory La Cava, Spike Lee, Sidney Lumet, Vincente Minnelli, Roman Polanski, Martin Scorsese, Andy Warhol, and numerous others.

Eyes, Ears, and Daggers -

Thomas Henriksen 2016-10-01

Both the Special Operations Forces (SOF) and the Central Intelligence Agency (CIA) have served as the nation's eyes, ears, and daggers, often in close cooperation but occasionally at cross-purposes throughout their histories. In this book, Thomas H. Henriksen examines the warrior-spy connection both before and after the formation of the SOF and the CIA, suggesting that their history is notable for instances of

cooperating, competing, circumventing, and even cutting each other out of the action before the 9/11 terrorist attacks brought about their present close alignment. Henriksen shows how, by adopting an intelligence-driven, targeted counterstrike weapon against terrorists, the United States went from a Cold War Goliath to a more nimble force, thanks largely to the SOF and CIA contributions. [Single Parents and Their Children](#) - 1989

I Will Survive - Gloria Gaynor
2014-03-11

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1

international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

The Lost Quilter - Jennifer Chiaverini 2009-03-31
Master Quilter Sylvia Bergstrom Compson treasures an antique quilt called by three names -- Birds in the Air, after its pattern; the Runaway Quilt, after the woman who sewed it; and the Elm Creek Quilt, after the place to which its maker longed to return. That quilter was Joanna, a fugitive slave who traveled by the Underground Railroad to reach safe haven in 1859 at Elm Creek Farm. Though Joanna's freedom proved short-lived -- she was forcibly returned by slave catchers to Josiah Chester's plantation in Virginia -- she left the Bergstrom family a most precious gift, her son. Hans and Anneke Bergstrom, along with maiden aunt Gerda, raised the boy as their own, and the secret of his identity died with their generation. Now it falls to Sylvia -- drawing upon Gerda's diary and Joanna's quilt -- to connect Joanna's past to present-day Elm Creek Manor. Just as Joanna could not have foreseen that, generations later, her

quilt would become the subject of so much speculation and wonder, Sylvia and her friends never could have imagined the events Joanna witnessed in her lifetime. Punished for her escape by being sold off to her master's brother in Edisto Island, South Carolina, Joanna grieves over the loss of her son and resolves to run again, to reunite with him someday in the free North. Farther south than she has ever been, she nevertheless finds allies, friends, and even love in the slave quarter of Oak Grove, a cotton plantation where her skill with needle and thread soon becomes highly prized. Through hardship and deprivation, Joanna dreams of freedom and returning to Elm Creek Farm. Determined to remember each landmark on the route north, Joanna pieces a quilt of scraps left over from the household sewing, concealing clues within the meticulous stitches. Later, in service as a seamstress to the new bride of a Confederate officer, Joanna moves on to Charleston, where secrets she

keeps will affect the fate of a nation, and her abilities and courage enable her to aid the country and the people she loves most. The knowledge that scraps can be pieced and sewn into simple lines -- beautiful both in and of themselves and also for what they represent and what they can accomplish -- carries Joanna through dark days. Sustaining herself and her family through ingenuity and art during the Civil War and into Reconstruction, Joanna leaves behind a remarkable artistic legacy that, at last, allows Sylvia to discover the fate of the long-lost quilter.

Nightmare USA - Stephen Throver 2007

From Quentin Tarantino (Kill Bill) to Eli Roth (Hostel), the young guns of modern Hollywood just can't get enough of that exploitation film high. That's because, between 1970 and 1985, American Exploitation movies went berserk. Nightmare USA is the reader's guide to what lies beyond the mainstream of American horror, dispelling the

shadows to meet the men and women behind 15 years of screen terror: The Exploitation Independents! Ranging from cult favourites like I Drink Your Blood to stylish mind-benders like Messiah of Evil.

Forbidden City, USA - Arthur Dong 2015-09-15

"Forbidden City, USA: Chinatown Nightclubs, 1936-1970" captures the magic and glamour of the Chinese American nightclub scene, which peaked in San Francisco during World War II.

Previously unpublished personal stories, along with over four hundred stunning images and rare artifacts, are presented in this sexy and insightful chronicle of Asian American performers who defied racial and cultural barriers to pursue their showbiz dreams. It was the mid-1930s: Prohibition was repealed and the Great Depression was waning. With a global conflict on the rise, people were out to drink, dine, dance, and see a show to forget their woes--and what a surprise for the world to behold an

emerging generation of Chinese American entertainers commanding the stage in their own nightclubs. "Forbidden City, USA: Chinatown Nightclubs, 1936-1970" reveals the sassy, daring, and sometimes heartbreaking memories of the dancers, singers, and producers who lived this story, and it weaves in a fascinating collection of photos, postcards, menus, programs, and yes, even souvenir chopsticks. Together they recreate a forgotten era, treating readers to a dazzling night on the town. "Forbidden City, USA: Chinatown Nightclubs, 1936-1970" is the culmination of filmmaker and writer Arthur Dong's nearly thirty-year devotion to the topic, originally inspired by the author's research for his documentary of the same name. "Forbidden City, USA: Chinatown Nightclubs, 1936-1970" was previously published in paperback under the title: "Forbidden City, USA: Chinese American Nightclubs, 1936-1970."

The Disgraceful Mr.

Ravenhurst - Louise Allen
2009-07-01

Stumbling upon his dowdy
