Killing Reagan - Bill O'Reilly 2015-09-22
The most-talked-about political commentator in

America is back with more about what he has to say to his fellow Americans. Print run 1,200,000.

Killing Kennedy - Bill O'Reilly 2012-10-02

A riveting historical narrative of the shocking events surrounding the assassination of John F. Kennedy, and the follow-up to mega-bestselling author Bill O'Reilly's *Killing Lincoln*. More than a million readers have thrilled to Bill O'Reilly's *Killing Lincoln*, the page-turning work of nonfiction about the shocking assassination that changed the course of American history. Now the iconic anchor of *The O'Reilly Factor* recounts in gripping detail the brutal murder of John Fitzgerald Kennedy—and how a sequence of gunshots on a Dallas afternoon not only killed a beloved president but also sent the nation into the cataclysmic division of the Vietnam War and its culture-changing aftermath. In January 1961, as the Cold War escalates, John F. Kennedy struggles to contain the growth of Communism while he learns the hardships, solitude, and temptations of what it means to be president of the United States. Along the way he acquires a number of formidable enemies, among them

Soviet leader Nikita Khrushchev, Cuban dictator Fidel Castro, and Allen Dulles, director of the Central Intelligence Agency. In addition, powerful elements of organized crime have begun to talk about targeting the president and his brother, Attorney General Robert Kennedy. In the midst of a 1963 campaign trip to Texas, Kennedy is gunned down by an erratic young drifter named Lee Harvey Oswald. The former Marine Corps sharpshooter escapes the scene, only to be caught and shot dead while in police custody. The events leading up to the most notorious crime of the twentieth century are almost as shocking as the assassination itself. *Killing Kennedy* chronicles both the heroism and deceit of Camelot, bringing history to life in ways that will profoundly move the reader. This may well be the most talked about book of the year.

Killing Lincoln - Bill O'Reilly 2011-09-27

Describes the events surrounding the assassination of Abraham Lincoln and the hunt

to track down John Wilkes Booth and his accomplices.

Pedagogy of the Oppressed - Paulo Freire 1972

Bill O'Reilly's Legends and Lies - David Fisher 2016-05-24

"The companion volume to the Fox news series"-
-Jacket.

Kennedy's Last Days - Bill O'Reilly 2013-06-11

A dramatic historical narrative of the events surrounding the death of the 35th president is set against the backdrop of an escalating Cold War and describes the many political challenges Kennedy was facing before his assassination, in an account that also describes Lee Harvey Oswald's story and the events surrounding his death.

The Explorers - Martin Dugard 2015-06-30

The best-selling co-author of Bill O'Reilly's Killing series traces the divisive effort of adventurers Richard Francis Burton and John Hanning Speke to discover the source of the Nile

River, analyzing seven character traits shared by forefront explorers and how their examples can be practically applied to modern problems.

Lord of the Flies - William Golding 2003-12-16

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age.

This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Killing the SS - Bill O'Reilly 2018-10-09

The Instant #1 New York Times Bestseller

(October 2018) Confronting Nazi evil is the subject of the latest installment in the mega-bestselling Killing series. As the true horrors of the Third Reich began to be exposed immediately after World War II, the Nazi war criminals who committed genocide went on the run. A few were swiftly caught, including the notorious SS leader, Heinrich Himmler. Others, however, evaded capture through a sophisticated Nazi organization designed to hide them. Among those war criminals were Josef Mengele, the "Angel of Death" who performed hideous medical experiments at Auschwitz; Martin Bormann, Hitler's brutal personal secretary; Klaus Barbie, the cruel "Butcher of Lyon"; and perhaps the most awful Nazi of all: Adolf Eichmann. Killing the SS is the epic saga of the espionage and daring waged by self-styled "Nazi hunters." This determined and disparate group included a French husband and wife team, an American lawyer who served in the army on D-Day, a German prosecutor who had signed an

oath to the Nazi Party, Israeli Mossad agents, and a death camp survivor. Over decades, these men and women scoured the world, tracking down the SS fugitives and bringing them to justice, which often meant death. Written in the fast-paced style of the Killing series, Killing the SS will educate and stun the reader. The final chapter is truly shocking.

Uncle Tom's Cabin - Harriet Beecher Stowe
2009-01-01

It is the best known book about American slavery, and was so incendiary upon its first publication in 1852 that it actually ignited the social flames that led to Civil War less than a decade later. What began as a series of sketches for the Cincinnati abolitionist newspaper The National Era scandalized the North, was banned in the South, and ultimately became the bestselling novel of the 19th century. Today, controversy over this melodramatic tale of the dignified slave Tom, the brutal plantation owner Simon Legree, and Stowe's other vividly drawn

characters continues, as modern scholars debate the work's newly appreciated feminist undertones and others decry it as the source of enduring stereotypes about African Americans. As one of the most influential books in U.S. history, it deserves to be read by all students of literature and of the American story. American abolitionist and author HARRIET BEECHER STOWE (1811-1896) was born in Connecticut, daughter of a Congregationalist minister and sister to abolitionist theologian Henry Ward Beecher. She wrote more than two dozen books, both fiction and nonfiction.

Scars of Independence - Holger Hoock 2017
Tory hunting -- Britain's dilemma -- Rubicon --
Plundering protectors -- Violated bodies --
Slaughterhouses -- Black holes -- Skiver them! --
Town-destroyer -- Americanizing the war -- Man
for man -- Returning losers

Killing Crazy Horse - Bill O'Reilly 2020-09-08
The latest installment of the multimillion-selling
Killing series is a gripping journey through the

American West and the historic clashes between Native Americans and settlers. The bloody Battle of Tippecanoe was only the beginning. It's 1811 and President James Madison has ordered the destruction of Shawnee warrior chief Tecumseh's alliance of tribes in the Great Lakes region. But while General William Henry Harrison would win this fight, the armed conflict between Native Americans and the newly formed United States would rage on for decades. Bestselling authors Bill O'Reilly and Martin Dugard venture through the fraught history of our country's founding on already occupied lands, from General Andrew Jackson's brutal battles with the Creek Nation to President James Monroe's epic "sea to shining sea" policy, to President Martin Van Buren's cruel enforcement of a "treaty" that forced the Cherokee Nation out of their homelands along what would be called the Trail of Tears. O'Reilly and Dugard take readers behind the legends to reveal never-before-told historical moments in the fascinating

creation story of America. This fast-paced, wild ride through the American frontier will shock readers and impart unexpected lessons that reverberate to this day.

Killing Lincoln/Killing Kennedy - Bill O'Reilly
2013-10-15

The ultimate collection of history that reads like a thriller from mega-bestselling author, Bill O'Reilly Millions of readers have discovered the thrill of history come to life in the instant bestsellers, *Killing Lincoln* and *Killing Kennedy*, from New York Times bestselling author and iconic anchor of *The O'Reilly Factor*, Bill O'Reilly. Now you can experience both of the vivid and remarkable accounts of the assassinations that changed America's history in a dual hardcover boxed set. Relive the last days of Abraham Lincoln and John F. Kennedy—two presidents living in different eras, yet tied by their duty to their country and the legacies they so abruptly left behind.

Bill O'Reilly's Legends and Lies: The Real West - David Fisher 2015-04-07

The must-have companion to Bill O'Reilly's historic series Legends and Lies: The Real West, a fascinating, eye-opening look at the truth behind the western legends we all think we know How did Davy Crockett save President Jackson's life only to end up dying at the Alamo? Was the Lone Ranger based on a real lawman- and was he an African American? What amazing detective work led to the capture of Black Bart, the "gentleman bandit" and one of the west's most famous stagecoach robbers? Did Butch Cassidy and the Sundance Kid really die in a hail of bullets in South America? Generations of Americans have grown up on TV shows, movies and books about these western icons. But what really happened in the Wild West? All the stories you think you know, and others that will astonish

you, are here--some heroic, some brutal and bloody, all riveting. Included are the ten legends featured in Bill O'Reilly's Legends and Lies docuseries -from Kit Carson to Jesse James, Wild Bill Hickok to Doc Holliday-- accompanied by two bonus chapters on Daniel Boone and Buffalo Bill and Annie Oakley. Frontier America was a place where instinct mattered more than education, and courage was necessary for survival. It was a place where luck made a difference and legends were made. Heavily illustrated with spectacular artwork that further brings this history to life, and told in fast-paced, immersive narrative, Legends and Lies is an irresistible, adventure-packed ride back into one of the most storied era of our nation's rich history.

Killing Jesus - Bill O'Reilly 2013-09-24
Millions of readers have thrilled to bestselling authors Bill O'Reilly and historian Martin Dugard's Killing Kennedy and Killing Lincoln, page-turning works of nonfiction that have

changed the way we read history. Now the iconic anchor of The O'Reilly Factor details the events leading up to the murder of the most influential man in history: Jesus of Nazareth. Nearly two thousand years after this beloved and controversial young revolutionary was brutally killed by Roman soldiers, more than 2.2 billion human beings attempt to follow his teachings and believe he is God. Killing Jesus will take readers inside Jesus's life, recounting the seismic political and historical events that made his death inevitable - and changed the world forever.

The Vietnam War - Geoffrey Ward 2020-03-24
The complete text of the bestselling narrative history of the Vietnam War—based on the celebrated PBS television series by Ken Burns and Lynn Novick More than forty years have passed since the end of the Vietnam War, but its memory continues to loom large in the national psyche. In this intimate history, Geoffrey C. Ward and Ken Burns have crafted a fresh and

insightful account of the long and brutal conflict that reunited Vietnam while dividing the United States as nothing else had since the Civil War. From the Gulf of Tonkin and the Tet Offensive to Hamburger Hill and the fall of Saigon, Ward and Burns trace the conflict that dogged three American presidents and their advisers. But most of the voices that echo from these pages belong to less exalted men and women—those who fought in the war as well as those who fought against it, both victims and victors—willing for the first time to share their memories of Vietnam as it really was. A magisterial tour de force, The Vietnam War is an engrossing history of America's least-understood conflict.

Common Sense - Thomas Paine 2011-06-01
Addressed to the Inhabitants of America, on the Following Interesting Subjects, viz.: I. Of the Origin and Design of Government in General, with Concise Remarks on the English Constitution. II. Of Monarchy and Hereditary

Succession. III. Thoughts on the Present State of American Affairs. IV. Of the Present Ability of America, with some Miscellaneous Reflections
Killing England - Bill O'Reilly 2017

Told through the eyes of George Washington, Benjamin Franklin, Thomas Jefferson, and Great Britain's King George III, this book chronicles the American path to independence ... taking the reader from the battlefields of America to the royal courts of Europe.

Between the World and Me - Ta-Nehisi Coates
2015-07-14

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial

history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black

women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a

way forward.

Old School - Bill O'Reilly 2017-03-28

Old School is in session.... You have probably heard the term Old School, but what you might not know is that there is a concentrated effort to tear that school down. It's a values thing. The anti-Old School forces believe the traditional way of looking at life is oppressive. Not inclusive. The Old School way may harbor microaggressions. Therefore, Old School philosophy must be diminished. Those crusading against Old School now have a name: Snowflakes. You may have seen them on cable TV whining about social injustice and income inequality. You may have heard them cheering Bernie Sanders as he suggested the government pay for almost everything. The Snowflake movement is proud and loud, and they don't like Old School grads. So where are you in all this? Did you get up this morning knowing there are mountains to climb—and deciding how you are going to climb them? Do you show up on time?

Do you still bend over to pick up a penny? If so, you're Old School. Or did you wake up whining about safe spaces and trigger warnings? Do you feel marginalized by your college's mascot? Do you look for something to get outraged about, every single day, so you can fire off a tweet defending your exquisitely precious sensibilities? Then you're a Snowflake. So again, are you drifting frozen precipitation? Or do you matriculate at the Old School fountain of wisdom? This book will explain the looming confrontation so even the ladies on The View can understand it. Time to take a stand. Old School or Snowflake. Which will it be?

[An Indigenous Peoples' History of the United States](#) - Roxanne Dunbar-Ortiz 2015-08-11

New York Times Bestseller Now part of the HBO docuseries "Exterminate All the Brutes," written and directed by Raoul Peck Recipient of the American Book Award The first history of the United States told from the perspective of indigenous peoples Today in the United States,

there are more than five hundred federally recognized Indigenous nations comprising nearly three million people, descendants of the fifteen million Native people who once inhabited this land. The centuries-long genocidal program of the US settler-colonial regimen has largely been omitted from history. Now, for the first time, acclaimed historian and activist Roxanne Dunbar-Ortiz offers a history of the United States told from the perspective of Indigenous peoples and reveals how Native Americans, for centuries, actively resisted expansion of the US empire. With growing support for movements such as the campaign to abolish Columbus Day and replace it with Indigenous Peoples' Day and the Dakota Access Pipeline protest led by the Standing Rock Sioux Tribe, An Indigenous Peoples' History of the United States is an essential resource providing historical threads that are crucial for understanding the present. In An Indigenous Peoples' History of the United States, Dunbar-Ortiz adroitly challenges the

founding myth of the United States and shows how policy against the Indigenous peoples was colonialist and designed to seize the territories of the original inhabitants, displacing or eliminating them. And as Dunbar-Ortiz reveals, this policy was praised in popular culture, through writers like James Fenimore Cooper and Walt Whitman, and in the highest offices of government and the military. Shockingly, as the genocidal policy reached its zenith under President Andrew Jackson, its ruthlessness was best articulated by US Army general Thomas S. Jesup, who, in 1836, wrote of the Seminoles: "The country can be rid of them only by exterminating them." Spanning more than four hundred years, this classic bottom-up peoples' history radically reframes US history and explodes the silences that have haunted our national narrative. An Indigenous Peoples' History of the United States is a 2015 PEN Oakland-Josephine Miles Award for Excellence in Literature.

Killing Patton - Bill O'Reilly 2014-09-23

Readers around the world have thrilled to *Killing Lincoln*, *Killing Kennedy*, and *Killing Jesus*--riveting works of nonfiction that journey into the heart of the most famous murders in history. Now from Bill O'Reilly, iconic anchor of *The O'Reilly Factor*, comes the most epic book of all in this multimillion-selling series: *Killing Patton*. General George S. Patton, Jr. died under mysterious circumstances in the months following the end of World War II. For almost seventy years, there has been suspicion that his death was not an accident--and may very well have been an act of assassination. *Killing Patton* takes readers inside the final year of the war and recounts the events surrounding Patton's tragic demise, naming names of the many powerful individuals who wanted him silenced.

Killing England - Bill O'Reilly 2017-09-19

Through the eyes of George Washington, Benjamin Franklin, Thomas Jefferson, and King George III, chronicles the path to American

independence, from the battlefields of America to the royal courts of Europe.

Killing England - Bill O'Reilly 2017-09-19

The Revolutionary War as never told before. This breathtaking installment in Bill O'Reilly and Martin Dugard's mega-bestselling Killing series transports readers to the most important era in our nation's history: the Revolutionary War. Told through the eyes of George Washington, Benjamin Franklin, Thomas Jefferson, and Great Britain's King George III, *Killing England* chronicles the path to independence in gripping detail, taking the reader from the battlefields of America to the royal courts of Europe. What started as protest and unrest in the colonies soon escalated to a world war with devastating casualties. O'Reilly and Dugard recreate the war's landmark battles, including Bunker Hill, Long Island, Saratoga, and Yorktown, revealing the savagery of hand-to-hand combat and the often brutal conditions under which these brave American soldiers lived and fought. Also here is

the reckless treachery of Benedict Arnold and the daring guerrilla tactics of the "Swamp Fox" Frances Marion. A must read, *Killing England* reminds one and all how the course of history can be changed through the courage and determination of those intent on doing the impossible.

The Threat of Pandemic Influenza - Institute of Medicine 2005-04-09

Public health officials and organizations around the world remain on high alert because of increasing concerns about the prospect of an influenza pandemic, which many experts believe to be inevitable. Moreover, recent problems with the availability and strain-specificity of vaccine for annual flu epidemics in some countries and the rise of pandemic strains of avian flu in disparate geographic regions have alarmed experts about the world's ability to prevent or contain a human pandemic. The workshop summary, *The Threat of Pandemic Influenza: Are We Ready?* addresses these urgent concerns.

The report describes what steps the United States and other countries have taken thus far to prepare for the next outbreak of "killer flu." It also looks at gaps in readiness, including hospitals' inability to absorb a surge of patients and many nations' incapacity to monitor and detect flu outbreaks. The report points to the need for international agreements to share flu vaccine and antiviral stockpiles to ensure that the 88 percent of nations that cannot manufacture or stockpile these products have access to them. It chronicles the toll of the H5N1 strain of avian flu currently circulating among poultry in many parts of Asia, which now accounts for the culling of millions of birds and the death of at least 50 persons. And it compares the costs of preparations with the costs of illness and death that could arise during an outbreak.

Fatal Colours - George Goodwin 2011-03-10

A gripping account of the Wars of the Roses battle of Towton - the most brutal day in English history. 'Vivid, humane and superbly researched'

David Starkey 'The story has never been told so well or so excitingly' Desmond Seward The Battle of Towton in 1461 was unique in its ferocity and brutality, as the armies of two kings of England engaged with murderous weaponry and in appalling conditions to conclude the first War of the Roses. Various described as the largest, longest and bloodiest battle on English soil, Towton was fought with little chance of escape and none of surrender. *Fatal Colours* includes a cast of strong and compelling characters: a warrior queen, a ruthless king-making earl, even a papal legate who excommunicates an entire army. Combining medieval sources and modern scholarship, George Goodwin colourfully recreates the atmosphere of 15th century England and chronicles the vicious in-fighting as the increasingly embittered royal factions struggle for supremacy.

Siege of Yorktown - Henry Freeman 2017-02-28
What kind of impact does a battle and siege from

more than 200 years ago have on the world today? Yorktown held the key to the end of the American Revolution and allowed America to become not only a sovereign nation, but also set the stage for it to become a world power, worth keeping an eye on. Inside you will read about... □ The Road to Yorktown □ Opening Moves □ The Troops in Motion □ The Battle at Sea □ The Calm Before the Storm □ The Siege Commences □ The Fall When Washington moved against Cornwallis, the entire world held its breath. And when surrender was offered - first to the French - things could have ended very differently. One city. One long siege in the fall of the year - would change everything.

Killing the Killers - Bill O'Reilly 2022-05-03
Instant #1 New York Times bestseller! In the eleventh book in the multimillion-selling Killing series, Bill O'Reilly and Martin Dugard reveal the startling, dramatic story of the global war against terrorists. In Killing The Killers, #1 bestselling authors Bill O'Reilly and Martin

Dugard take readers deep inside the global war on terror, which began more than twenty years ago on September 11, 2001. As the World Trade Center buildings collapsed, the Pentagon burned, and a small group of passengers fought desperately to stop a third plane from completing its deadly flight plan, America went on war footing. Killing The Killers narrates America's intense global war against extremists who planned and executed not only the 9/11 attacks, but hundreds of others in America and around the world, and who eventually destroyed entire nations in their relentless quest for power. Killing The Killers moves from Afghanistan to Iraq, Iran to Yemen, Syria, and Libya, and elsewhere, as the United States fought Al Qaeda, ISIS, and the Iranian Revolutionary Guard, as well as individually targeting the most notorious leaders of these groups. With fresh detail and deeply-sourced information, O'Reilly and Dugard create an unstoppable account of the most important war of our era. Killing The Killers is

the most thrilling and suspenseful book in the #1 bestselling series of popular history books (over 18 million sold) in the world.

Independence - John Ferling 2011-06-15

No event in American history was more pivotal-or more furiously contested-than Congress's decision to declare independence in July 1776. Even months after American blood had been shed at Lexington and Concord, many colonists remained loyal to Britain. John Adams, a leader of the revolutionary effort, said bringing the fractious colonies together was like getting "thirteen clocks to strike at once." Other books have been written about the Declaration, but no author has traced the political journey from protest to Revolution with the narrative scope and flair of John Ferling. Independence takes readers from the cobblestones of Philadelphia into the halls of Parliament, where many sympathized with the Americans and furious debate erupted over how to deal with the rebellion. Independence is not only the story of

how freedom was won, but how an empire was lost. At this remarkable moment in history, high-stakes politics was intertwined with a profound debate about democracy, governance, and justice. John Ferling, drawing on a lifetime of scholarship, brings this passionate struggle to life as no other historian could. Independence will be hailed as the finest work yet from the author Michael Beschloss calls "a national resource."

Killing the Mob - Bill O'Reilly 2021-05-04

Instant #1 New York Times, Wall Street Journal, and Publishers Weekly bestseller! In the tenth book in the multimillion-selling Killing series, Bill O'Reilly and Martin Dugard take on their most controversial subject yet: The Mob. Killing the Mob is the tenth book in Bill O'Reilly's #1 New York Times bestselling series of popular narrative histories, with sales of nearly 18 million copies worldwide, and over 320 weeks on the New York Times bestseller list. O'Reilly and co-author Martin Dugard trace the brutal history

of 20th Century organized crime in the United States, and expertly plumb the history of this nation's most notorious serial robbers, conmen, murderers, and especially, mob family bosses. Covering the period from the 1930s to the 1980s, O'Reilly and Dugard trace the prohibition-busting bank robbers of the Depression Era, such as John Dillinger, Bonnie & Clyde, Pretty Boy Floyd and Baby-Face Nelson. In addition, the authors highlight the creation of the Mafia Commission, the power struggles within the "Five Families," the growth of the FBI under J. Edgar Hoover, the mob battles to control Cuba, Las Vegas and Hollywood, as well as the personal war between the U.S. Attorney General Bobby Kennedy and legendary Teamsters boss Jimmy Hoffa. O'Reilly and Dugard turn these legendary criminals and their true-life escapades into a read that rivals the most riveting crime novel. With *Killing the Mob*, their hit series is primed for its greatest success yet.

Lincoln's Last Days - Bill O'Reilly 2012-08-21
Lincoln's Last Days is a gripping account of one of the most dramatic nights in American history—of how one gunshot changed the country forever. Adapted from Bill O'Reilly's bestselling historical thriller, *Killing Lincoln*, this book will have young readers—and grown-ups too—hooked on history. In the spring of 1865, President Abraham Lincoln travels through Washington, D.C., after finally winning America's bloody Civil War. In the midst of celebrations, Lincoln is assassinated at Ford's Theatre by a famous actor named John Wilkes Booth. What follows is a thrilling chase, ending with a fiery shoot-out and swift justice for the perpetrators. With an unforgettable cast of characters, page-turning action, vivid detail, and art on every spread, *Lincoln's Last Days* is history that reads like a thriller. This is a very special book, irresistible on its own or as a compelling companion to *Killing Lincoln*.
Killing the Rising Sun - Bill O'Reilly 2016-09-13

The powerful and riveting new book in the multimillion-selling Killing series by Bill O'Reilly and Martin Dugard Autumn 1944. World War II is nearly over in Europe but is escalating in the Pacific, where American soldiers face an opponent who will go to any length to avoid defeat. The Japanese army follows the samurai code of Bushido, stipulating that surrender is a form of dishonor. Killing the Rising Sun takes readers to the bloody tropical-island battlefields of Peleliu and Iwo Jima and to the embattled Philippines, where General Douglas MacArthur has made a triumphant return and is plotting a full-scale invasion of Japan. Across the globe in Los Alamos, New Mexico, Dr. J. Robert Oppenheimer and his team of scientists are preparing to test the deadliest weapon known to mankind. In Washington, DC, FDR dies in office and Harry Truman ascends to the presidency, only to face the most important political decision in history: whether to use that weapon. And in Tokyo, Emperor Hirohito, who is considered a

deity by his subjects, refuses to surrender, despite a massive and mounting death toll. Told in the same page-turning style of Killing Lincoln, Killing Kennedy, Killing Jesus, Killing Patton, and Killing Reagan, this epic saga details the final moments of World War II like never before. The Day the World Went Nuclear - Bill O'Reilly 2017-06-20

Adapted from Bill O'Reilly's historical thriller Killing the Rising Sun, with characteristically gripping storytelling, this story explores the decision to use the atom bomb and the end of World War II in the Pacific.

The Founders' Fortunes - Willard Sterne Randall 2022-02-08

An illuminating financial history of the Founding Fathers, revealing how their personal finances shaped the Constitution and the new nation In 1776, upon the signing of the Declaration of Independence, the Founding Fathers concluded America's most consequential document with a curious note, pledging "our lives, our fortunes

and our sacred honor.” Lives and honor did indeed hang in the balance, yet just what were their fortunes? How much did the Founders stand to gain or lose through independence? And what lingering consequences did their respective financial stakes have on liberty, justice, and the fate of the fledgling United States of America? In this landmark account, historian Willard Sterne Randall investigates the private financial affairs of the Founders, illuminating like never before how and why the Revolution came about. *The Founders’ Fortunes* uncovers how these leaders waged war, crafted a constitution, and forged a new nation influenced in part by their own financial interests. In an era where these very issues have become daily national questions, the result is a remarkable and insightful new understanding of our nation’s bedrock values.

The Whiskey Rebellion - Thomas P. Slaughter
1988-01-14

Recounts the first serious threat to the American

Constitution, discusses its origins in interregional tensions, and describes how President Washington handled the crisis
Into Africa - Martin Dugard 2003-05-06
What really happened to Dr. David Livingstone? The New York Times bestselling coauthor of *Survivor: The Ultimate Game* investigates in this thrilling account. With the utterance of a single line—“Doctor Livingstone, I presume?”—a remote meeting in the heart of Africa was transformed into one of the most famous encounters in exploration history. But the true story behind Dr. David Livingstone and journalist Henry Morton Stanley is one that has escaped telling. *Into Africa* is an extraordinarily researched account of a thrilling adventure—defined by alarming foolishness, intense courage, and raw human achievement. In the mid-1860s, exploration had reached a plateau. The seas and continents had been mapped, the globe circumnavigated. Yet one vexing puzzle remained unsolved: what was the

source of the mighty Nile river? Aiming to settle the mystery once and for all, Great Britain called upon its legendary explorer, Dr. David Livingstone, who had spent years in Africa as a missionary. In March 1866, Livingstone steered a massive expedition into the heart of Africa. In his path lay nearly impenetrable, uncharted terrain, hostile cannibals, and deadly predators. Within weeks, the explorer had vanished without a trace. Years passed with no word. While debate raged in England over whether Livingstone could be found—or rescued—from a place as daunting as Africa, James Gordon Bennett, Jr., the brash American newspaper tycoon, hatched a plan to capitalize on the world's fascination with the missing legend. He would send a young journalist, Henry Morton Stanley, into Africa to search for Livingstone. A drifter with great ambition, but little success to show for it, Stanley undertook his assignment with gusto, filing reports that would one day captivate readers and dominate the front page of

the New York Herald. Tracing the amazing journeys of Livingstone and Stanley in alternating chapters, author Martin Dugard captures with breathtaking immediacy the perils and challenges these men faced. Woven into the narrative, Dugard tells an equally compelling story of the remarkable transformation that occurred over the course of nine years, as Stanley rose in power and prominence and Livingstone found himself alone and in mortal danger. The first book to draw on modern research and to explore the combination of adventure, politics, and larger-than-life personalities involved, *Into Africa* is a riveting read.

Letters from an American Farmer - J. Crevecoeur 2007-02

First published in England in 1782, Crevecoeur's *Letters from an American Farmer* was one of the first works to describe the character of the average American at the close of the Revolutionary War. His famous question, "What,

then, is the American, this new man?""
summarized the European's interest in and questioning of the new country of America at a time when centuries of tradition had just been overturned and post-colonial Americans were attempting to describe themselves in a new way. Through the character of James, the letters celebrate the land of America, its space and fertility, and the character of Americans themselves, their work ethic and spirit of personal determination. The Letters also look at the darker side of American life, particularly the issue of slavery. The discussions of American identity, participation in war (or not), and the perception of immigrants and their ethnicity make this book as relevant to our understanding of ourselves today as it was in 1782.

Odyssey - Homer 1895

Summary of Killing England - Readtrepreneur Publishing 2019-05-24
Killing England: The Brutal Struggle for

American Independence by Bill O'Reilly - Book Summary - Readtrepreneur (Disclaimer: This is NOT the original book, but an unofficial summary.) Take a trip back to the most important era in America's history Killing England gives us a crude look of the Revolutionary War. Leaving no details behind, Bill O'Reilly takes us to the battlefield and also to the royal courts of Europe leaving nothing to the imagination. (Note: This summary is wholly written and published by Readtrepreneur It is not affiliated with the original author in any way) "Unlike the British, they don't have cannons that can kill and maim dozens with a single blast of a canister shot." - Bill O'Reilly Killing England has one of the most important factors of an historic book, recreation. The sceneries, the battles, the tense environment, all about the revolutionary war is brilliantly described in the book. The book is definitely a must for someone who wants to increase their knowledge about the nation's history. From Bunker Hill to Yorktown, every

important detail of this historic event is covered thoroughly by Bill O'Reilly. P.S. Killing England is an extremely entertaining book which will teach you a lot about the events that molded today's nation. The Time for Thinking is Over! Time for Action!
