Piano

Imagine Sheet Music - John Lennon 1987-10-01

(Piano Vocal). This sheet music features an arrangement for piano and vocal with guitar chord frames, with

the melody presented in the right hand of the piano part as well as in the vocal line.

Claude Debussy's Clair de Lune - Gurminder Kaur Bhogal 2018

Debussy himself had little regard for Clair de Lune, and scholars have thus far followed suit--until now. Claude Debussy's Clair de Lune is the first book wholly dedicated to an historical, cultural, and analytical investigation of the French composer's famous composition for piano. Author Gurminder Kaur Bhogal explores why, over any other piece in Debussy's repertoire for piano, Clair de Lune achieved stardom in the decades following the composer's death, and how, as the third movement of the Suite Bergamasque, it managed to almost fully eclipse the other movements. Drawing on a broad range of excerpts from classical and popular music, commercials, film, and video games, Bhogal examines the various ways in which listeners have engaged with the piece. She also places it in its proper artistic context, through analysis alongside the poetry of Paul Verlaine and the paintings of Jean-Antoine Watteau. A wide range of aural, visual, and video examples energize the narrative, and demonstrate how Clair de Lune has come to achieve an iconic status within and beyond Debussy's oeuvre.

Sixty studies for the violin - Franz Wohlfahrt 1905

Complete Balalaika Book - BIBS EKKEL 2011-08-18

The balalaika is most often associated with Russian folklore. In this comprehensive method book, concert and recording artist Bibs Ekkel shares his extensive knowledge of the balalaika as taught in Russia today. This 160-page book is divided into four sections: an extensive Foreword, the Tutor, A Brief History of the Balalaika, and a Repertoire Section. Unlike many Mel Bay books, the Complete Balalaika Book does not begin with the rudiments of music notation. Rather, the 20-page Foreword offer insights on the tunings of all the instruments in the balalaika family, hand positions, string sources and height adjustment, and chord shapes. the author even describes how to make a bass balalaika pick from shoe leather. the Tutor or instruction segment is written for the 'prima balalaika' which is correctly played with the fingers only rather than with a pick. the Tutor jumps right in with exercises and tunes in quarter, eighth, and sixteenth-note values with occasional dotted notes and syncopation. Perhaps half of the music in this section is shown in both standard notation and tablature. A glossary of musical signs and Russian musical terms is included. A Brief History of the Balalaika is well written and nicely illustrated. Very few Mel Bay books contain such a comprehensive historical overview of the subject instrument. the Repertoire Section offers a valuable resource of Eastern European folk tunes. All but two selections in this section are written in both notation and tab with suggested guitar chords, the exceptions being an arrangement for balalaika and piano, and a balalaika orchestra score. More than simple melody chord leadsheets, these are the author's own arrangements of tunes for solo balalaika and balalaika orchestra. A companion CD with selections performed by the author completes this highly effective instructional package.

Lyric Pieces, Op. 12 - Edvard Grieg 1985-03-01

A collection of Intermediate / Advanced piano solos composed by Edvard Grieg.

Best of Ed Sheeran - Ed Sheeran 2015-01-31

Gower Handbook of Internal Communication - Marc Wright 2016-04-22

A comprehensive guide to managing communication within organizations, the Handbook recognises Internal Communication's continued growth as a management discipline. It is aimed at leaders who want insight into IC techniques for use in both day-to-day operational and change situations, for example, and also at the communication specialist seeking shared wisdom and new ideas. Early chapters examine changes in the strategic context in which today's IC departments are operating. These include organizations' increasing need for innovation and responsiveness in a superfast changing environment; employees' increasing assertion of rights and personal requirements at work; management's increasing recognition of the importance of corporate reputation/brand value, particularly how to sustain and extend it; and finally, the effects on work and management patterns of digital communication. Step-by-step guides introduce you to creating IC strategies and to carrying out research and measurement.

Teaching Little Fingers to Play - John Thompson 2005-07-01

(Willis). A piano series for the early beginner combining rote and note approach. The melodies are written with careful thought and are kept as simple as possible, yet they are refreshingly delightful. All the music lies within the grasp of the child's small hands.

A History of Russian Symbolism - Avril Pyman 2006-03-09

This book is the first detailed history of the Russian Symbolist movement, from its initial hostile reception as a symptom of European decadence to its absorption into the mainstream of Russian literature, and eventual disintegration. It focuses on the two generations of writers whose work served as the seedbed of Existentialism in thought and of Modernism in prose and the performing arts, and reassesses their achievements in the light of modern research. At the centre of the study are the texts themselves, with prose quoted in English translation and poetry given in the original Russian with prose translations. There

is a valuable bibliography of primary sources and an extensive chronological appendix. This book will fill a long-felt gap, and will be invaluable to students and teachers of Russian and comparative literature, Symbolism, Modernism, and pre-revolutionary Russian culture.

Weird But True 1: Expanded Edition - National Geographic Kids 2018

Offers a collection of true facts about animals, food, science, pop culture, outer space, geography, and weather.

First Published in 1998. This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come... It is therefore confidently recommended for addition to reference libraries, be they academic or public.

Arranging for the Concert Band - Frank Erickson 1999-11-27

Arranging for the Concert Band and the separately available workbook are intended to introduce students to basic techniques of arranging for the concert band. Arranging can be divided into two separate processes. The first deals with scoring and transcribing. Scoring is concerned with such things as voicing,

doubling, balance and color. The term scoring also means the actual writing of notes on the score paper. Transcribing is scoring music written for one kind of musical instrument or group -- say a piano or orchestra -- for a different kind of group. This text deals with those matters. The second part of arranging is the more creative process of writing introductions, modulations, endings, background figures and so on.

River Flows in You Sheet Music - Yiruma 2012-06-01

(Guitar Sheet). Solo guitar sheet music for the popular song by composer Yiruma.

Obiter Dicta - Erick Verran 2021-10-14
