European Union Law - Alina Kaczorowska
2016

"The fourth edition of this well established and highly regarded work on EU law maintains its character by combining comprehensive yet accessible coverage with in-depth analysis of the law and student-friendly pedagogy. It is fully up to date so encompassing critical examination of new important judgments of EU and national courts and developments in institutional, constitutional and substantive EU Law. The book keeps its unique style in that it is both a textbook and a casebook. Case summaries are highlighted in colour-tinted boxes for ease of reference, and are accompanied by key facts and critical analysis, often in the light of subsequent developments. The student-friendly approach is enhanced by market-driven pedagogical features, including: * Concise outlines, at the beginning of each chapter describing its content and assisting in revision; * An aide-memoire, often presented in diagrammatic form, at the end of each chapter to highlight and reinforce key points; * End of chapter recommended reading lists to encourage and facilitate further research; * End of chapter problem and essay questions testing the students' ability to apply what they have learnt; * Cross-references to

show how topics are interrelated; and * A map identifying EU Member States, candidate States; and, potential candidate States. The book's companion website offers a range of teaching and learning resources including an interactive timeline of the EU, useful web links, self-test questions and much more. This book is essential reading for those studying EU law on both undergraduate and postgraduate courses and will be of interest to students of political science, social science and business studies."--Dawson.

EU Law - Gerard Conway 2015-07-03
EU Law provides a comprehensive examination of the law of the European Union in two distinct parts, covering the institutions, structure and processes of the EU as well as the substantive law, as enacted by the Lisbon Treaty. Beginning by examining its origins, Conway locates EU Law within both an international and a domestic legal context. He then explores the evolution of EU Law before providing a clear and accessible account of the structure and internal and international workings of the EU and the special role of the European Court of Justice. The second half of the book explores the Four Freedoms (of Goods, Workers, Capital and Movement) and provides a detailed account of Competition Law and the Economic and Social contexts. The Routledge Spotlights series brings a modern, contemporary approach to the core curriculum for the LLB and GDL which will help students Move beyond an understanding of the law Refine and develop the key skills of problem-solving, evaluation and critical reasoning which are essential to exam success Discover sources and suggestions for taking your study further By focusing on recent case law and real-world examples, Routledge Spotlights will help you shed light on the law, understand how it operates in practice and gain a unique appreciation of the contemporary context of the subject. Companion Website This book is supported by a range of online resources developed to support your learning, keep you up-to-date and to help you prepare for assessments, including: Key Case Flashcards to aid with recall Quizzes and practice questions

Foster on EU Law - Nigel G. Foster 2009
Suitable for undergraduate courses, this book presents an exposition of the policy and law-making procedures of the EU, as well as the key

areas of substantive law. It is divided into two parts, where the first part covers how the EU functions, and the second provides explanations of the key areas of substantive law.

Law of the European Union - Joanne Coles 2002

Updated and redesigned for 2002, each chapter covers a different topic and comprises an introduction, key points, key cases and statutes, and suggested answers to past examination questions.

Competition Law of the European Union - Van Bael & Bellis 2021-03-01

This new Sixth Edition of a major work by the well-known competition law team at Van Bael & Bellis in Brussels brings the book up to date to take account of the many developments in the case law and relevant legislation that have occurred since the Fifth Edition in 2010. The authors have also taken the opportunity to write a much-extended chapter on private enforcement and a dedicated section on competition law in the pharmaceutical sector. As one would expect, the new edition continues to meet the challenge for businesses and their counsel, providing a thoroughly practical guide to the application of the EU competition rules. The critical commentary cuts through the theoretical underpinnings of EU competition law to expose its actual impact on business. In this comprehensive new edition, the authors examine such notable developments as the following: important rulings concerning the concept of a restriction by object under Article 101; the extensive case law in the field of cartels, including in relation to cartel facilitation and price signalling; important Article 102 rulings concerning pricing and exclusivity, including the Post Danmark and Intel judgments, as well as standard essential patents; the current block exemption and guidelines applicable to vertical agreements, including those applicable to the motor vehicle sector; developments concerning online distribution, including the Pierre Fabre and Coty rulings; the current guidelines and block exemptions in the field of horizontal cooperation, including the treatment of information exchange; the evolution of EU merger control, including court defeats suffered by the Commission and the case law on procedural infringements; the burgeoning case

law related to pharmaceuticals, including concerning reverse payment settlements; the current technology transfer guidelines and block exemption; procedural developments, including in relation to the right to privacy, access to file, parental liability, fining methodology, inability to pay and hybrid settlements; the implementation of the Damages Directive and the first interpretative rulings. As a comprehensive, up-to-date and above all practical analysis of the EU competition rules as developed by the Commission and EU Courts, this authoritative new edition of a classic work stands alone. Like its predecessors, it will be of immeasurable value to both business persons and their legal advisers.

Understanding European Union Law - Karen Davies 2013

Understanding European Union Law is both an ideal introduction for students new to EU law and an essential addition to revision for the more accomplished. It is also indispensable reading for students on business studies courses. Fully revised and updated, this fifth edition continues to look at the main themes of EU law in a logical and progressive manner. Updated to recognise the increasing significance of citizenship on the Free Movement of Persons, this book provides the reader with a clear understanding of EU law, concentrating on how, and especially why, the law has developed as it has. The new edition incorporates numerous learning aids, including; summaries; end of chapter questions for self-testing and reflection; updated flow diagrams; a glossary of terms and important tips on how to approach examination questions. This student-friendly text is broad in scope and highly accessible, inspiring students toward further study and showing that understanding EU law can be an enjoyable and rewarding experience.

European Union Law - Alina Kaczorowska-Ireland 2016-05-26

The fourth edition of this well established and highly regarded work on EU law maintains its character by combining comprehensive yet accessible coverage with in-depth analysis of the law and student-friendly pedagogy. It is fully up to date so encompassing critical examination of new important judgments of EU and national courts and developments in institutional,

constitutional and substantive EU Law. The book keeps its unique style in that it is both a textbook and a casebook. Case summaries are highlighted in colour-tinted boxes for ease of reference, and are accompanied by key facts and critical analysis, often in the light of subsequent developments. The student-friendly approach is enhanced by market-driven pedagogical features, including: Concise outlines, at the beginning of each chapter describing its content and assisting in revision; An aide-mémoire, often presented in diagrammatic form, at the end of each chapter to highlight and reinforce key points; End of chapter recommended reading lists to encourage and facilitate further research; End of chapter problem and essay questions testing the students' ability to apply what they have learnt; Cross-references to show how topics are interrelated; and A map identifying EU Member States, candidate States; and, potential candidate States. The book's companion website offers a range of teaching and learning resources including an interactive timeline of the EU, useful web links, self-test questions and much more. This book is essential reading for those studying EU law on both undergraduate and postgraduate courses and will be of interest to students of political science, social science and business studies.

assignments.

Understanding European Union Law - Karen Davies 2009-06-02

An excellent introduction to EU law for students new to the discipline and acting as an essential revision aid for the more experienced, this new edition has been fully revised and updated. The author, an experienced lecturer at undergraduate level, examines the main themes of EU law in a logical and progressive manner. Focusing on how and why the law has developed as it has, this book provides readers with a thorough understanding of EU law, including a number of issues presently facing the EU, such as enlargement and the prospect of a comprehensive written constitution. Student-friendly, it comprises a wide range of pedagogical features including: summaries comprehensive tables of cases and legislation a list of abbreviations a glossary of important terms helpful tips on how to approach essay and exam questions. Broad in scope and highly accessible Understanding European Union Law, is essential reading, providing a solid foundation for students new to EU law/business as well as being a useful revision aid for those more familiar with the topic.

Introduction to EU Law - Revision Guide - Özgür Heval Çınar 2021-02-02

The real reason for the emergence of this book is that it is hard to find resources to explain complex issues of the EU Law in plain language, which makes it very difficult for those taking an interest, in particular law students. Moreover, many years of teaching experience in this subject and seeing students experience difficulties is the key driver behind this book. This book does not repeat material that is available in many textbooks that are in print. Rather, it endeavours to present every topic in plain language and concludes every chapter with a fictitious explanatory sample case. In other words, it is an introduction to the subject of EU Law, the objective of which is to explain the topic both theoretically and in its application dimension. Additionally, this book will assist students to prepare for coursework/examinations. At the end of the book there is also a test that summarizes all the subjects contained in the book, which is appropriate to the first stage SQE (Solicitors

Qualifying Examination) examination model that will be introduced in September 2021. EU Law Book by Dr Çınar is different than other textbooks in the market, as it is designed to make sense of a complex area of law in a simple yet comprehensive way. The book contains materials relating to EU law with all the notable cases and materials collected in one place. It is written in plain language in the form of question and answers. At the end of each chapter, there is a case study which helps to put theory into practice. EU Law is accessible, readable and user- friendly. I would recommend it without hesitation to legal scholars and practitioners. Dr Aysem Diker Vanberg, Senior Lecturer, University of Greenwich This clear and concise book provides a practical overview of EU law and will be an excellent study aid for law students. It explains the key topics of EU law in an accessible and engaging manner through a Q&A model and case studies that demonstrate how the law is applied. Dr Johanna Hoekstra, Lecturer, University of Essex The is an accessible, easy to read and very useful book covering all the essential areas of EU law making them easily understood. Dr Marios Costa, Senior Lecturer, City Law School, University of London

The Brussels Effect - Anu Bradford 2020-01-27

For many observers, the European Union is mired in a deep crisis. Between sluggish growth; political turmoil following a decade of austerity politics; Brexit; and the rise of Asian influence, the EU is seen as a declining power on the world stage. Columbia Law professor Anu Bradford argues the opposite in her important new book *The Brussels Effect*: the EU remains an influential superpower that shapes the world in its image. By promulgating regulations that shape the international business environment, elevating standards worldwide, and leading to a notable Europeanization of many important aspects of global commerce, the EU has managed to shape policy in areas such as data privacy, consumer health and safety, environmental protection, antitrust, and online hate speech. And in contrast to how superpowers wield their global influence, the *Brussels Effect* - a phrase first coined by Bradford in 2012 - absolves the EU from playing a direct role in imposing standards, as market forces alone are often sufficient as multinational companies voluntarily extend the EU rule to govern their global operations. The *Brussels Effect* shows how the EU has acquired such power, why multinational companies use EU standards as global standards, and why the EU's role as the world's regulator is likely to outlive its gradual economic decline, extending the EU's influence long into the future.

EU Law - 2016-08-04

If you're serious about exam success, it's time to Concentrate! *EU Law Concentrate* is the essential study and revision guide for law students looking for extra marks. This book provides an analysis of key approaches to rule of law oversight in the EU and identifies deeper theoretical problems.

Understanding European Union Law - Karen Davies 2012-07-26

Understanding European Union Law is both an ideal introduction for students new to EU law and an essential addition to revision for the more accomplished. It is also essential reading

for students on business studies courses. This fourth edition has been fully revised and updated in the light of the ratification of the Lisbon Treaty and continues to look at the main themes of EU law in a logical and progressive manner. It provides the reader with an understanding of EU law, concentrating on how, and especially why, the law has developed as it has. In addition, a number of issues presently facing the EU are also considered, such as fundamental rights and citizenship. The new edition incorporates summaries, end of chapter questions for self-testing and reflection; updated flow diagrams; a glossary of terms and important tips on how to approach examination questions. This student-friendly text is broad in scope and highly accessible. The ultimate objective of this book is to show that understanding EU law can be an enjoyable and rewarding experience.

The ABC of European Union Law - Klaus-Dieter Borchardt 2010

Recoge: 1. From Paris to Lisbon, via Rome, Maastricht, Amsterdam and Nice. 2.

Fundamental values of The European Union. 3. The "Constitution" of The European Union. 4. The legal order of The EU. 5. The position of Union law in relation to the legal order as a whole.

even a strong answer stand out.

European Union Law - Alina Kaczorowska-Ireland 2012-09-10

Now in its second edition, European Union Law has been fully revised and updated following the entry into force of the Lisbon Treaty in December 2009. The book contains entirely new chapters on the Protection of Human Rights in the EU; the Area of Freedom, Security and Justice and the Common Foreign and Security Policy. Specifically written to give law students detailed up-to-date knowledge of all main areas of EU law, the book provides an in-depth and detailed examination of, and commentary on the areas of institutional and of substantive EU law forming the syllabus of standard academic courses on EU law. Unlike other texts this book successfully combines authoritative text with case summaries and judgments, these being highlighted in colour tinted boxes for easy identification. The author identifies the relevant points and key facts of the leading cases and discusses the judgments in detail, often in the light of subsequent developments. Student-friendly features include: short summaries at the beginning of each chapter outlining the topics and concepts covered an aide-memoire at the end of each chapter to highlight and reflect the main points a recommended reading list at the end of each chapter to facilitate further research a map identifying EU Member States (with accession dates) and candidate states a Companion Website featuring updates twice yearly; annotated links to online sources of interest and essay style self-test questions with suggested answers. This book is an essential resource for those studying EU law on both undergraduate and postgraduate courses and will be of interest to students of political science, social science and business studies.

European Union Law - Catherine Barnard 2017

Written by experts, this innovative textbook offers students a relevant, case-focused account of EU law. Under the experienced editorship of Catherine Barnard and Steve Peers, the text draws together a range of perspectives on EU law designed to introduce students to the key debates and case law which shape this vast subject.

Civil Procedure in the European Union - Paolo Biavati 2019-09-29

Derived from the renowned multi-volume International Encyclopaedia of Laws, this convenient volume provides comprehensive analysis of the legislation and rules that determine civil procedure and practice in the European Union. Lawyers who handle transnational matters will appreciate the book's clear explanation of distinct terminology and application of rules. The structure follows the classical chapters of a handbook on civil procedure: beginning with the judicial organization of the courts, jurisdiction issues, a discussion of the various actions and claims, and then moving to a review of the proceedings as such. These general chapters are followed by a discussion of the incidents during proceedings, the legal aid and legal costs, and the regulation of evidence. There are chapters on seizure for security and enforcement of judgments, and a final section on alternative dispute resolution. Facts are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance. Succinct, scholarly, and practical, this book will prove a valuable time-saving tool for business and legal professionals alike. Lawyers representing parties with interests in the European Union will welcome this very useful guide, and academics and researchers will appreciate its comparative value as a contribution to the study of civil procedure in the international context.

EU Law Concentrate - Matthew Homewood
2022-08-08

EU Law Concentrate is written and designed to help you succeed. Written by experts and covering all key topics, Concentrate guides go above and beyond, not only consolidating your learning but focusing your revision and maximising your exam performance. Each guide includes revision tips, advice on how to achieve extra marks, and a thorough and focused breakdown of the key topics and cases. Revision guides you can rely on: trusted by lecturers, loved by students... "I am hugely impressed by this little textbook on the substance: it does a better and clearer job at explaining key issues than many of the core texts." - Dr Eleni Frantziou, Associate Professor in Public Law & Human Rights, Durham University "The Concentrate books are my favourite revision

guides as the quality of the information is always more comprehensive than others." Carly Hatchard, law student, University of Bolton "This revision guide is excellent would certainly recommend it as a revision aid" - Claudia Carr, Principal Lecturer, Hertfordshire Law School, University of Hertfordshire "The Concentrate structure is extremely good, it makes it so much easier to revise ... no key information is left out, it's a great series." Emma Wainwright, law student, Oxford Brookes University "A really good overview of the key themes, tensions, and debates encourages students to go that bit further to increase their chances of scoring better in the assessment." - Professor Nicola Glover-Thomas, Professor of Law, University of Manchester "I have always used OUP revision and Q&A books and genuinely believe they have helped me get better grades" - Anthony Poole, law student, Swansea University "Undoubtedly a good resource would certainly recommend it as additional material for modules assessed by examination." - Dr Ben Stanford, School of Law, Liverpool John Moores University "The detail in this revision textbook is phenomenal and is just what is needed to push your exam preparation to the next level" - Stephanie Lomas, law student, University of Central Lancashire
