Child-Centered Spirituality - Janet Logan 2017-11-09

Where did Grandma go when she died? Why doesn't God stop bad things from happening? Many parents have experienced a child asking difficult spiritual questions-- usually at inopportune moments. While we stumble around trying to think of an answer, we feel inadequate... and sometimes startled by their questions. If you're like most adults, you try your hardest to avoid thinking much about questions like these. So why on earth is a child asking you about them? We talk with our children about the importance of school work, about physical health, about how to navigate social difficulties. We even talk with them about sex, drugs, and internet safety... or if we don't, we know we should. So why do we find it so difficult to talk with children about God? Whether you are a parent, grandparent, teacher, foster parent, or other caregiver, this is a book to help you engage with the children in your life about their spiritual needs.

God Made All of Me - Justin Holcomb 2015-08-21

God Made All of Me by Justin and Lindsey Holcomb is an invaluable resource and beautifully illustrated story to help families talk about sensitive issues with two- to eight-year-old children. Because the private parts of our bodies are private, home is the ideal environment for a child to learn about his or her body and how it should be treated by others—without conveying a message of shame. Through carefully written language and relatable storytelling, God Made All of Me helps parents navigate discussion that can so easily be warped into confusion, embarrassment, and secrecy. Instead of instilling a message that their bodies are shameful—which can often prevent children

from recognizing and reporting sexual abuse—Justin and Lindsey Holcomb equip parents to build a first line of defense against sexual abuse in the safety of their own homes. This helpful guide starts from the fundamental truth that God created everything and applies that truth—the doctrine of creation—to kids and their bodies. With the help of God Made All of Me, parents and caregivers can begin conversations with boys and girls about their bodies, helping kids understand the difference between the appropriate and inappropriate touch of others. This life-changing resource shows readers how to establish the foundation for a healthy bond with their children to meet increasing challenges of sexuality, which they will inevitably confront in childhood and adolescence. By teaching their children how to establish body and health boundaries, parents are imparting invaluable skills for their kids to express thoughts and feelings. God Made All of Me is the first children's book written by Rid of My Disgrace authors, Justin and Lindsey Holcomb. Parents of young children themselves, the Holcombs are profoundly aware of the dangers kids face, and they regularly counsel victims of sexual abuse. Explore God Made All of Me and find encouragement, clear guidance, and the tools necessary to facilitate open conversations about how your children can protect their bodies, an important step in keeping them as safe as possible.

#1 NEW YORK TIMES BESTSELLER • The late, beloved Rachel Held Evans answers many children's first question about God in this gorgeous picture book, fully realized by her friend Matthew Paul Turner, the bestselling author of When God Made You. Children who are introduced to God, through attending church

or having loved ones who speak about God, often have a lot of questions, including this ever-popular one: What is God like? The late Rachel Held Evans loved the Bible and loved showing God's love through the words and pictures found in that ancient text. Through these pictures from the Bible, children see that God is like a shepherd, God is like a star, God is like a gardener, God is like the wind, and more. God is a comforter and support. And whenever a child is unsure, *What Is God Like?* encourages young hearts to "think about what makes you feel safe, what makes you feel loved, and what makes you feel brave. A Child of God - Mauli Bonner 2021-09-07

A rhyming, read-aloud book with warm illustrations conveys a comforting, faith-filled message from a Black father and mother to their children who see visual representations of their faith, but question what it means when they don't see their skin color, their physical features, or their gender portrayed. "What about the angels, will they stop and stare, when they see that I may not have their same color hair?" asks the girl. In soothing verse, the father assures his children that everyone looks like Jesus and the angels by the things they do. As the family walks through their neighborhood, the father points out the beauty in God's creations, from flowers, all unique and different, to all the children in their community "each with skin a different

shade." He reminds his children that pictures of faith such as angels were drawn by someone and encourages his children to draw their own pictures so angels look like all of us.

God Help the Child - Toni Morrison 2015-04-21

NATIONAL BESTSELLER • A New York Times Notable Book • This fiery and provocative novel from the acclaimed Nobel Prize winner weaves a tale about the way the sufferings of childhood can shape, and misshape, the life of the adult. At the center: a young woman who calls herself Bride, whose stunning blue-black skin is only one element of her beauty, her boldness and confidence, her success in life, but which caused her light-skinned mother to deny her even the simplest forms of love. And finally, Bride's mother herself, Sweetness, who takes a lifetime to come to understand that "what you do to children matters. And they might never forget."

First Ask Why - Shelly Wildman 2018-03-28

It's no secret that parenting is tricky business. With advice flooding in from all sides, strong-willed children pushing against boundaries, and our own human flaws, it's easy to get bogged down in every how-to that we're not doing well. But maybe that isn't the right approach. Maybe the first step is not to ask "how" but to ask "why." Like most parents, when Shelly Wildman had children, she consulted books, sermons, and lectures on how to raise the best children possible. Yet every resource focused on how to get external results: children who behave the way others expected them to. For Shelly and her husband, the turning point happened when they started asking why instead--shifting their focus to internal change. That's when their purpose as parents became clear: parents are called to do their best to show kids how to know and love Jesus, to love others, and to make a difference in the world. There are no rules here, no inflexible series of steps that lead to perfect parenting. Instead, Shelly encourages parents to think about their unique family and why each child's needs for spiritual growth might look different. She walks you through intentional questioning, focusing on building a firm foundation for lasting discipleship. And in the end, you'll discover that God wants the same outcome you do: a child

who knows Christ intimately, loves him deeply, and has a heart to serve him fully.

Everyday Graces - Karen Santorum 2003

The regrettable fact is that the subject of manners is not much discussed anymore, and good manners seem practiced even less. But good manners are a prerequisite for the growth of moral character; they are the habits of conduct and behavior by which we express in the most ordinary circumstances our fundamental respect for others, whether parents, friends, colleagues, or strangers. Fortunately, Karen Santorum has produced for parents and teachers a wonderfully rich and instructive anthology to help instill good

manners in our children—and stand against a decline of civility and a coarsening of our common life. Under such headings as “Honor Your Mother and Father,” “Please and Thank You,” “No Hurtful Words,” “Good Behavior in Sport,” and “Showing Respect for Country,” *Everyday Graces* features stories and poems that will develop and enrich the moral imagination. This marvelous anthology features classic selections from such well-known authors as Hans Christian Anderson, Beatrix Potter, Mark Twain, Frances Hodgson Burnett, C. S. Lewis, Max Lucado, and Arnold Lobel, as well as forgotten gems that deserve a new hearing. Mrs. Santorum writes that this anthology grew out of the frustration of not being able to find a book on manners that instructs through stories rather than by rules of dos and don'ts. She and her husband tried and tested many of these selections on their six children. Each of the selections is briefly introduced with a thoughtful commentary at the close, producing an informality and intimacy that is inviting and infectious. Find out why *Everyday Graces* has become a beloved feature in homes, schools, churches, and libraries across America.
