Buyer Personas - Adele Revella 2015-02-24

Named one of Fortune Magazine's "5 Best Business Books" in 2015 See your offering through the buyer's eyes for more effective marketing Buyer Personas is the marketer's actionable guide to learning what your buyer wants and how they make decisions. Written by the world's leading authority on buyer personas, this book provides comprehensive coverage of a compelling new way to conduct buyer studies, plus practical advice

on adopting the buyer persona approach to measurably improve marketing outcomes. Readers will learn how to segment their customer base, investigate each customer type, and apply a radically more relevant process of message selection, content creation, and distribution through the channels that earn the buyers' trust. Rather than relying on generic data or guesswork to determine what the buyer wants, the buyer persona approach allows companies to ask the buyer directly and obtain more precise and actionable guidance. Buyer personas are composite pictures of the people who buy solutions, services or products, crafted through a unique type of interview with the people the marketer wants to influence. This book provides step-by-step guidance toward implementing the buyer persona approach, with the advice of an internationally-respected expert. Learn who buys what, and why Understand your buyer's goals and how you can address them Tailor your marketing activities to your buyer's expectations See the purchase through the customer's eyes A recent services industry survey reports that 52 percent of their marketers have buyer personas, and another 28 percent expect to add them within the next two years - but only 14.6 percent know how to use them. To avoid letting such a valuable tool go to waste, access the expert perspective in Buyer Personas, and craft a more relevant marketing strategy.

Furry Tales - Fred Patten 2019-09-12

Tales featuring anthropomorphic animals have been around as long as there have been storytellers to spin them, from Aesop's Fables to Reynard the Fox to Alice in Wonderland. The genre really took off following the explosion of furry fandom in the 21st century, with talking animals featuring in everything from science fiction to fantasy to LGBTQ coming-out stories. In his lifetime, Fred Patten (1940-2018)--one of the founders of furry fandom and a scholar of anthropomorphic animal literature--authored hundreds of book reviews that comprise a comprehensive critical survey of the genre. This selected compilation provides an overview from 1784 through the 2010s, covering such popular novels as *Watership Down* and *Redwall*, along with forgotten gems like *The Stray Lamb* and *Where the Blue Begins*, and science fiction works like *Sundiver* and *Decision at Doona*.

What is e-book? - Nicolae Sfetcu 2014-05-10

The e-book guide for publishers: how to publish, EPUB format, ebook readers and suppliers. An electronic book (also e-book, ebook, electronic book, digital book) is a book-length publication in digital form, consisting of text, images, or both, and produced on, published through, and readable on computers or other electronic devices. An e-book can be purchased/borrowed, downloaded, and used immediately, whereas when one buys or borrows a book, one must go to a bookshop, a home library, or public library during limited hours, or wait for a delivery. Electronic publishing or ePublishing includes the digital publication of e-books and electronic articles, and the development of digital libraries and catalogues. EPUB (short for electronic publication; alternatively capitalized as ePub, ePUB, EPub, or epub, with "EPUB" preferred by the vendor) is a free and open e-book standard by the International Digital Publishing Forum (IDPF). Self-publishing is the publication of any book or other media by the author of the work, without the involvement of an established third-party publisher. One of the greatest benefits brought about by ebooks software is the ability for anyone to create professional ebooks without having to fork out thousands of dollars to design and publish a book. People can easily become authors overnight and earn income from selling online ebooks.

Furry Fandom Conventions, 1989-2015 - Fred Patten 2017-01-03

Furry fandom--an adult social group interested in anthropomorphic animals in art, literature and culture--has grown since the 1980s to include an estimated 50,000 "furries." Their largest annual convention drew more than 6,000 attendees in 2015, including 1,000 dressed in "fur suits" or mascot-type animal costumes. Conventions typically include awards, organizations, art, literature and movies, encompassing a wide range of creative pursuits beyond animal costuming. This study of the furry subculture presents a history of the oft-misunderstood group and lists all conventions around the world from 1989 through 2015, including organizers, guests of honor and donations to charity.
