The Sermon on the Mount in the Light of the Temple - Professor John W Welch 2013-05-28  
No religious text has influenced the world more than has the New Testament's Sermon on the Mount, and yet this crucial text still begs to be more clearly understood. Why was it written? What unifying theme or purpose holds it all together? Should it be called a sermon? Or is it some other kind of composition? How would its earliest listeners have heard its encoded allusions and systematic program? This book offers new insights into the Sermon on the Mount by seeing it in the shadow of the all-pervasive Temple in Jerusalem, which dominated the religious landscape of the world of Jesus and his earliest disciples. Analyzing Matthew 5-7 in light of biblical and Jewish backgrounds, ritual studies, and oral performances in early Christian worship, this reading coherently integrates every line in the Sermon. It positions the Sermon as the premier Christian mystery.

*Rereading Israel* - Bonna Haberman 2014-10-01  
Setting aside vitriolic debates and worn postures, Rereading Israel refreshes current conversations about Israel, opening Jewish sources to interpret Israel in critical, innovative, and inspiring ways. The book presents readers with an opportunity to engage ethically, intellectually, and emotionally, challenging them to apply the resources at their disposal to grapple honestly and creatively with land and people, history, text, and spirit. This consideration invites those who read into a deep exploration of their roles and their relationships

to the destiny of a profoundly human and unfinished sacred project.

*From Abraham to America* - Eric Kline Silverman 2006

Silverman's new book is a comprehensive overview of Jewish circumcision throughout history. Beginning with Genesis, the author traces paradoxes and tensions in biblical-Jewish circumcision as seen both within Judaism and from the dominant, non-Jewish culture, and ends with the current debate over Jewish and routine medical circumcision in America. This book is essential reading in Jewish studies, medical sociology, and Judaic studies/theology.

*When God Had a Wife* - Lynn Picknett 2019-12-10

Reveals the tradition of goddess worship in early Judaism and how Jesus attempted to restore the feminine side of the faith • Provides historical and archaeological evidence for an earlier form of Hebrew worship with both male and female gods, including a 20th-century discovery of a Hebrew temple dedicated to both Yahweh and the warrior goddess Anat • Explores the Hebrew pantheon of goddesses, including Yahweh's wife, Asherah, goddess of fertility and childbirth • Shows how both Jesus and his great rival Simon Magus were attempting to restore the ancient, goddess-worshipping religion of the Israelites Despite what Jews and Christians--and indeed most people--believe, the ancient Israelites venerated several deities besides the Old Testament god Yahweh, including the goddess Asherah, Yahweh's wife, who was worshipped

openly in the Jerusalem Temple. After the reforms of King Josiah and Prophet Jeremiah, the religion recognized Yahweh alone, and history was rewritten to make it appear that it had always been that way. The worship of Asherah and other goddesses was now heresy, and so the status of women was downgraded and they were blamed for God's wrath. However, as Lynn Picknett and Clive Prince reveal, the spiritual legacy of the Jewish goddesses and the Sacred Feminine lives on. Drawing on historical research, they examine how goddess worship thrived in early Judaism and included a pantheon of goddesses. They share new evidence for an earlier form of Hebrew worship that prayed to both male and female gods, including a 20th-century archaeological discovery of a Hebrew temple dedicated to both Yahweh and the goddess Anat. Uncovering the Sacred Feminine in early Christianity, the authors show how, in the first century AD, both Jesus and his great rival, Simon Magus, were attempting to restore the goddess-worshipping religion of the Israelites. The authors reveal how both men accorded great honor to the women they adored and who traveled with them as priestesses, Jesus's Mary Magdalene and Simon's Helen. But, as had happened centuries before, the Church rewrote history to erase the feminine side of the faith, deliberately ignoring Jesus's real message and again condemning women to marginalization and worse. Providing all the necessary evidence to restore the goddess to both Judaism and Christianity, Picknett and Prince expose the disastrous consequences of the suppression of the feminine from these two great religions and reveal how we have been collectively and instinctively craving the return of the Sacred Feminine for millennia.

Sacral Kingship in Ancient Israel - Aubrey Johnson 2006-09-01

This volume is mainly concerned with two well-known groups of psalms, (i) the hymns which celebrate the Kingship of Yahweh, and (ii) the so-called royal psalms. . . . The text of the monograph reproduces what were substantially the Haskell Lectures, which I had the privilege of delivering before the Graduate School of Theology at Oberlin in the spring of 1951. --from the Preface

The Mythology of Eden - Arthur George

2014-05-23

The biblical story of Adam and Eve in the Garden of Eden is a cornerstone of Western civilization, yet there are still many mysteries concerning its origins and meaning. In *The Mythology of Eden*, Arthur and Elena George utilize new historical and archaeological discoveries to reveal how the story's author uses veiled symbolism and mythological storytelling to convey his message about the most profound questions of human existence regarding the divine, life, death, and immortality. This innovative book offers an interdisciplinary interpretation of the Eden story that delves into incorrect assumptions and brings to light details that have previously gone unnoticed. *The Mythology of Eden* provides a new understanding of the story of Adam and Eve and illuminates the story's role and meaning in our modern world.

**From Temple to Meeting House** - Harold W. Turner 1979-01-01

The series Religion and Society (RS) contributes to the exploration of religions as social systems – both in Western and non-Western societies; in particular, it examines religions in their differentiation from, and intersection with, other cultural systems, such as art, economy, law and politics. Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual, the religious imagination, constructions of tradition, iconography, or media. In addition, the formation of religious communities, their construction of identity, and their relation to society and the wider public are key issues of this series.

*On Jewish Folklore* - Raphael Patai 2018-02-05  
Provides a rich harvest of Jewish customs and traditional beliefs, gathered from all over the world and from ancient to modern times.

**Early Christian Monastic Literature and the Babylonian Talmud** - Michal Bar-Asher Siegal 2013-12-23

This book examines literary analogies in Christian and Jewish sources, culminating in an in-depth analysis of striking parallels and connections between Christian monastic texts (the *Apophthegmata Patrum* or 'The Sayings of the Desert Fathers') and Babylonian Talmudic traditions. The importance of the monastic

movement in the Persian Empire, during the time of the composition and redaction of the Babylonian Talmud, fostered a literary connection between the two religious populations. The shared literary elements in the literatures of these two elite religious communities sheds new light on the surprisingly inclusive nature of the Talmudic corpora and on the non-polemical nature of elite Jewish-Christian literary relations in late antique Persia. *Writers Directory* - NA NA 2016-03-05

The Jewish Mind - Raphael Patai 1996  
A landmark exploration of Jewish history and culture. First published in 1977, *The Jewish Mind* provides a penetrating insight into the complex collective reality of the Jewish people. Raphael Patai examines how six great historical encounters, spanning three millennia, between the Jews and other cultures led to both change and continuity in Jewish communities throughout the global diaspora. A timeless analysis by a prominent scholar. Patai, a noted cultural anthropologist and historian, drew on a lifetime of research and personal experience to explore the contemporary Jewish mind in its many manifestations, including an exploration of the notion of Jews as a race, an investigation into Jewish intelligence and talents, as discussion of Jewish self-hate, and a profile of Jewish personality and character. An insightful new foreword by Ari L. Goldman. Bestselling author and journalist Ari L. Goldman places the book in the context of recent turbulent events, especially in the Middle East, and confirms Patai's conclusion that Judaism remains enormous value to humankind. Goldman calls the book "a brilliant and absorbing survey of everything poured into the Jewish mind over the millennia." *The Jewish Mind* is a towering work of scholarship that remains relevant to anyone trying to understand Jewish culture and society around the world today. Book jacket. *The Messiah Texts* - Raphael Patai 2015-07-01

Following a detailed introduction to the world of messianic ideology and its significance in Jewish history, *The Messiah Texts* traces the progress of the messianic legend from its biblical beginnings to contemporary expressions. Renowned scholar Raphael Patai has skillfully selected passages from a voluminous literature spanning three millennia. Using his own translations from Hebrew, Aramaic, Arabic, Latin, and other original texts, Patai excerpts delightful folk tales, apocalyptic fantasies, and parables of prophetic power. All are central to the understanding of a magnificent heritage. Patai also investigates the false messiahs who have appeared throughout Jewish history, the modern Messiah-influenced movements such as reform Judaism and Zionism, and the numerous reasons put forth by the various branches of Judaism as to why the Messiah has not yet appeared.

**Fishers of Fish and Fishers of Men** - Tyler R. Yoder 2016-08-25  
The metaphor is a hallmark of Classical Hebrew poetry. Some metaphors, such as "Yhwh is king" or "Yhwh is warrior," play a foundational role. The same does not hold for metaphors from the fishing industry. Because they had access to only two major freshwater sources, archaeological research demonstrates that this industry did not play a major socioeconomic role in ancient Israel. Fishing has nevertheless made a substantial contribution to prophetic and wisdom literature. All metaphors manifest reality, but given the physical circumstances of a largely agrarian, nonmarine society, what does the sustained presentation of fishing metaphors in the Hebrew Bible communicate? Examining the use of fishing images in the Hebrew Bible is a formidable task that demands an open mind and a capacity to mine the gamut of contemporaneous evidence. In *Fishers of Fish and Fishers of Men*, Tyler Yoder presents the first literary study devoted to the fishing images used in the Hebrew Scriptures as well as in the Mesopotamian textual records. This calls for a

penetrating look into cultural contact with Israel's neighbors to the east (Mesopotamia) and southwest (Egypt). Though nearly all fishing metaphors in the Hebrew Bible carry overt royal or divine connotations that mirror uses well-attested in Mesopotamian literature, this comparative analysis remains a largely untapped area of research. In this study of the diverse literary qualities of fishing images, Yoder offers a holistic understanding of how one integral component of ancient Near Eastern society affected the whole, bringing together the assemblage of disparate materials related to this field of study to enable scholars to integrate these data into related research and move the conversation forward.

**Magic and Ritual in the Ancient World** - Paul Mirecki 2002-01-01

This volume contains a series of provocative essays that explore expressions of magic and ritual power in the ancient world. The strength of the present volume lies in the breadth of scholarly approaches represented. The concluding essays apply contemporary theories to analyses of specific test cases in a broad variety of ancient Mediterranean cultures. Paul Mirecki, Th.D. (1986) in Religious Studies, Harvard Divinity School, is Associate Professor of Religious Studies at the University of Kansas. Marvin Meyer, Ph.D. (1979) in Religion, Claremont Graduate School, is Professor of Religion at Chapman University, Orange, California, and Director of the Coptic Magical Texts Project of the Institute for Antiquity and Christianity.

**Temple and Contemplation** - Scott W. Hahn 2008

This is the fourth annual volume of the remarkably popular journal of biblical theology edited by Scott Hahn and his St. Paul Center for Biblical Theology. This volume features important new works by Hahn, Gary Anderson, John Cavadini, Brant Pitre, among others. Inspired by the ground-breaking work of Yves Congar and Jean Danielou, this volume includes original and thought-provoking contributions on such topics as: the Tabernacle and the origins of Christian mysticism; Jesus self-consciousness of

being the new Temple and the new High Priest; and the doctrine of the indwelling of the Trinity in the soul; Hahn contributes a new perspective on the Gospel of John, showing how Israel's Temple and feasts are fulfilled in Christ and the sacraments of the Church. As the editors write in their introduction to this volume: The Temple theme is perhaps the richest in all of biblical theology, embracing the mysteries of Christ, Church, and Kingdom; liturgy, sacraments, and priesthood; salvation, sanctification, and divine filiation. These are the beautiful mysteries we contemplate in this volume of Letter & Spirit.

The Greatest Mirror - Andrei A. Orlov  
2017-09-19

A wide-ranging analysis of heavenly twin imagery in early Jewish extrabiblical texts. The idea of a heavenly double—an angelic twin of an earthbound human—can be found in Christian, Manichaean, Islamic, and Kabbalistic traditions. Scholars have long traced the lineage of these ideas to Greco-Roman and Iranian sources. In *The Greatest Mirror*, Andrei A. Orlov shows that heavenly twin imagery drew in large part from early Jewish writings. The Jewish pseudepigrapha—books from the Second Temple period that were attributed to biblical figures but excluded from the Hebrew Bible—contain accounts of heavenly twins in the form of spirits, images, faces, children, mirrors, and angels of the Presence. Orlov provides a comprehensive analysis of these traditions in their full historical and interpretive complexity. He focuses on heavenly alter egos of Enoch, Moses, Jacob, Joseph, and Aseneth in often neglected books, including *Animal Apocalypse*, *Book of the Watchers*, *2 Enoch*, *Ladder of Jacob*, and *Joseph and Aseneth*, some of which are preserved solely in the Slavonic language. This book is the first complete effort to show how some pseudepigraphical works develop several unique traditions about heavenly counterparts. It is

particularly important for many scholars who do not have control of the Slavonic originals of the Ladder of Jacob and 2 Enoch. Orlov also draws on a broad range of unfamiliar sources, including Manichaean and Mandaean materials, which were often neglected by experts who previously investigated the heavenly counterpart imagery. □ □ Alexander Kulik, coauthor of Biblical Pseudepigrapha in Slavonic Tradition

**Tractates Tamid, Middot and Qinnim** - Dalia Marx 2013  
Dalia Marx provides a general introduction and feminist commentary on the last three tractates of the order of Qodashim . Each tractate deals with different aspects of the Second Temple as perceived by the rabbis and each sheds its own light on gender issues. The commentary on Tamid, a tractate dealing with the priestly service in the Temple, discusses the priests as a gender unto themselves and considers women as potential participants in the lay-service of the Temple and perhaps even as part of the sacred service. Middot concerns itself with the design of the Temple, and the commentary explores sacred space from a gendered perspective. Finally, Marx turns to Qinnim, a tractate dealing with bird offerings, typically brought by women. The commentary shows how the tractate employs images of women to develop its discourse. This volume opens a unique window onto the rabbis' perspectives on the Temple and gender related matters.

Placemaking and the Arts - Jennifer Allen Craft 2018-10-30  
What role does place play in the Christian life? In this STA volume, Jennifer Allen Craft gives a practical theology of the arts, contending that the arts place us in time, space, and community in ways that encourage us to be fully and imaginatively present in a variety of contexts: the natural world, our homes, our worshipping communities, and society.

The Reader Must Understand - Kent E. Brower 2013-11-05  
"The reader must understand is a more forceful translation of the words usually rendered ""let the reader understand"" in Mark 13:14. Translated this way, this volume's title stresses the importance of eschatology for Bible readers

and theologians. Eschatology, the study of "the last things," is central to New Testament studies and, indeed, is not without importance for the Old Testament. The Bible's eschatology and its place in Christian theology must therefore be taken very seriously. The essays in this volume, most of which were presented at the Tyndale Fellowship Triennial Conference 1997, offer new and important ideas and analysis. They cover five main areas--biblical theology, Old Testament, New Testament, Christian doctrine, and practical theology--and significant contributions are made in each area "

Picking up from *Apprentice in Budapest*, the first volume of Raphael Patai's autobiography, *Journeyman in Jerusalem* presents the fascinating journey of a young scholar struggling to make his way in the midst of often trying circumstances while a nation-in-the-making struggles to establish itself. The book covers fifteen years--1933 to 1947--during which the Yishuv, the Jewish community of Palestine, experienced one of the most turbulent periods of its history. This volume is an invaluable record of this era and of the early life of its author, who was to become one of the most respected Jewish scholars of the twentieth century.

**Jadid al-Islam** - Raphael Patai 2015-06-01  
In 1839, Muslims attacked the Jews of Meshhed, murdering 36 of them, and forcing the conversion of the rest. While some managed to escape across the Afghan border, and some turned into true believing Muslims, the majority adopted Islam only outwardly, while secretly adhering to their Jewish faith. *Jadid al-Islam* is the fascinating story of how this community managed to survive, at the risk of their lives, as crypto-Jews in an inimical Shi'i Muslim environment. Based on unpublished original Persian sources and interviews with members of the existing Meshhed community in Jerusalem

and New York, this study documents the history, traditions, tales, customs, and institutions of the *Jadid al-Islam*—"New Muslims."

*The Sabbath and the Sanctuary* - Jared Calaway 2013

*Divine Scapegoats* - Andrei A. Orlov 2015-02-10  
Explores the paradoxical symmetry between the divine and demonic in early Jewish mystical texts. *Divine Scapegoats* is a wide-ranging exploration of the parallels between the heavenly and the demonic in early Jewish apocalyptic accounts. In these materials, antagonists often mirror features of angelic figures, and even those of the Deity himself, an inverse correspondence that implies a belief that the demonic realm is maintained by imitating divine reality. Andrei A. Orlov examines the sacerdotal, messianic, and creational aspects of this mimetic imagery, focusing primarily on two texts from the Slavonic pseudepigrapha: 2 Enoch and the Apocalypse of Abraham. These two works are part of a very special cluster of Jewish apocalyptic texts that exhibit features not only of the apocalyptic worldview but also of the symbolic universe of early Jewish mysticism. The Yom Kippur ritual in the Apocalypse of Abraham, the divine light and darkness of 2 Enoch, and the similarity of mimetic motifs to later developments in the Zohar are of particular importance in Orlov's consideration. Andrei A. Orlov is Professor of Judaism and Christianity in Antiquity at Marquette University. He is the author of several books, including *Dark Mirrors: Azazel and Satanael in Early Jewish*

Demonology, also published by SUNY Press.  
*Hebrew Myths* - Robert Graves 2014-05-15  
The I, Claudius author's "lightning sharp interpretations and insights . . . are here brought to bear with equal effectiveness on the Book of Genesis" (Kirkus Reviews). This is a comprehensive look at the stories that make up the Old Testament and the Jewish religion, including the folk tales, apocryphal texts, midrashes, and other little-known documents that the Old Testament and the Torah do not include. In this exhaustive study, Robert Graves provides a fascinating account of pre-Biblical texts that have been censored, suppressed, and hidden for centuries, and which now emerge to give us a clearer view of Hebrew myth and religion than ever. Venerable classicist and historian Robert Graves recounts the ancient Hebrew stories, both obscure and familiar, with a rich sense of storytelling, culture, and spirituality. This book is sure to be riveting to students of Jewish or Judeo-Christian history, culture, and religion.

**Christ the King** - Shirley Lucass 2019-03-12  
"How foolish you are, and how slow to believe all that the prophets have spoken! Did not the Messiah have to suffer these things and then enter his glory?" And beginning with Moses and all the Prophets, he explained to them what was said in all the Scriptures concerning himself. (Luke 24:25-27) There's a selfish part of me that wanted to write everything that I know at this point, and the amateur in me wanted to write it all in one book, on the definitive way of understanding Jesus through the Jewish Festivals and through the themes that emerge, but I felt the Lord had commissioned me to sing a new song--not a whole opera, just one song that told the story, a royal ballad. If we understand kingship as the background and framework into which all the other stories fit, then we will be a good way along the path of understanding what it was that Jesus was trying to explain to the disciples. This road to Emmaus won't tell us everything, but it will have started us off on a journey with signposts we can continue to follow all our lives.
