A heartfelt account of poverty in Ireland and emigration to America. -- back cover.
The Sun King at Sea - Meredith Martin 2022-01-04
This richly illustrated volume, the first devoted to maritime art and galley slavery in early modern France, shows how royal propagandists used the image and labor of enslaved Muslims to glorify Louis XIV. Mediterranean maritime art and the forced labor on which it depended were fundamental to the politics and propaganda of France's King Louis XIV (r. 1643–1715). Yet most studies of French art in this period focus on Paris and Versailles, overlooking the presence or portrayal of galley slaves on the kingdom's coasts. By examining a wide range of artistic productions—ship design, artillery sculpture, medals, paintings, and prints—Meredith Martin and Gillian Weiss uncover a vital aspect of royal representation and unsettle a standard picture of art and power in early modern France. With an abundant selection of startling images, many never before published, *The Sun King at Sea* emphasizes the role of esclaves turcs (enslaved Turks)—rowers who were captured or purchased

from Islamic lands—in building and decorating ships and other art objects that circulated on land and by sea to glorify the Crown.

Challenging the notion that human bondage vanished from continental France, this cross-disciplinary volume invites a reassessment of servitude as a visible condition, mode of representation, and symbol of sovereignty during Louis XIV's reign.

20 Sample Practice Papers & Official Indian Navy Sample Paper (Solved With Explanations) for INET (Indian Navy Entrance Test) - Preeti Aggarwal 2019-01-01

Social Usage and Protocol Handbook -

Department of the Navy 2001-06-15

Members of the naval service will find that at all points in their careers they can expect to be involved to some extent in the planning and execution of official ceremonies and social events. Protocol is a code of established guidelines on proper etiquette and precedence which, when followed, lays the foundation for a successful event. From this foundation, the host should consider the facets which make a particular situation unique, and from there, use imagination to design a memorable occasion. The most important consideration in planning should always be the comfort of one's guests. A clever host/hostess is able to reach a proper mixture of protocol and common sense that will enable guests to enjoy themselves completely. If this is accomplished, an event is truly successful.

A Little History of the World - E. H. Gombrich 2014-10-01

E. H. Gombrich's Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the

pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

The Browning Version - Terence Rattigan 1994

Rattigan's well-loved play about an unpopular schoolmaster who snatches a last shred of dignity from the collapse of his career and his marriage. Twice filmed (with Michael Redgrave and Albert Finney) and frequently revived. Andrew Crocker-Harris' wife Millie has become embittered and fatigued by her husband's lack of passion and ambition. On the verge of retirement, and divorce, Andrew is forced to come to terms with the platitude his life has become. Then John Taplow, a previously unnoticed pupil, gives Andrew an unexpected parting gift: a second-hand copy of Robert Browning's translation of Agamemnon - a gift which offers not only a opportunity for redemption, but the chance to gain back some dignity. This volume also contains Harlequinade, a farce about a touring theatre troupe, written to accompany *The Browning Version* in a double-bill under the joint title, *Playbill*. 'Few dramatists of this century have written with more understanding of the human heart than Terence Rattigan' Michael Billington This edition includes an authoritative introduction, biographical sketch and chronology.

Long Walk to Freedom - Nelson Mandela 2008-03-11

The book that inspired the major new motion picture *Mandela: Long Walk to Freedom*. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and

ultimate triumph.

The New York Times Book Review - 1964

The Diary of a Young Girl - Anne Frank

1996-02-01

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled

their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

The Spectator - 1953

A weekly review of politics, literature, theology, and art.
