misapprehension regarding the inferior intellect of hockey players, he becomes much more than just a hot body with the face to match. Suffering from a complete lapse in judgment, Violet discovers just how good Alex is with the hockey stick in his pants. Violet believes her night of orgasmic magic with Alex is just that: one night. But Alex starts to call. And text. And email and send extravagant--and quirky--gifts. Suddenly, he's too difficult to ignore, and nearly impossible not to like. The problem is, the media portrays Alex as a total player, and Violet doesn't want to be part of the game.

A Secret for a Secret - Helena Hunting
2020-05-12

From New York Times bestselling author Helena Hunting comes a new romance about trading secrets, breaking the rules, and playing for keeps. My name is Ryan Kingston, and I'm a rule follower. I've never been in a fistfight. I always obey the speed limit. I don't get drunk, and I definitely don't pick up random women at bars. Except the night I found out that my whole existence has been a lie. I got drunk. And picked up a stranger. Her name was Queenie, and she was everything I'm not: reckless, impulsive, and chaotic. We did shots and traded secrets. And ended up naked at my place. She left me a thank-you note in the morning and her panties as a parting gift. But no way to contact her. Six weeks later I'm sitting in the first official team meeting of the season, and there she is. I neglected to mention that I'm the goalie for Seattle's NHL team. And Queenie? Turns out she's the general manager's daughter.

Smut - Karina Halle 2016-05-17

Smut is a standalone, tongue-in-cheek romantic comedy from the NYT bestselling author of *The Pact*. --What happens when the kink between the pages leads to heat between the sheets?-- All Blake Crawford wants is to pass his creative writing course, get his university degree and take over his dad's ailing family business. What Amanda Newland wants is to graduate at the top of her class, as well as finish her novel and prove to her family that writing is a respectful career. What Blake and Amanda don't want is to be paired up with each other for their final project but that's exactly what they both get when they're forced to collaborate on a writing piece. Since Amanda thinks Blake is an arrogant jerk (with a panty-melting smirk and British accent) and Blake thinks Amanda has a stick up her (tight, round) bottom, they fight tooth and nail. That is until they discover they write well together. They also might find each other really attractive, but that's neither here nor there. When their writing project turns out to be a success, the two of them decide to start up a secret partnership using a pen name, infiltrating the self-publishing market in the lucrative genre of erotica. Naturally, with so much heat and passion between the pages, it's not long before their dirty words become a dirty reality. Sure, they still fight a lot but at least there's make-up sex now. But even as they fall hard for each other, will their burgeoning relationship survive if their scandalous secret is exposed or are happily-ever-afters just a work of fiction? NOTE ABOUT THE BOOK: Smut has coarse language and many explicit scenes of a sexual nature (sensitive readers be advised). However, the title of Smut is tongue-in-cheek, and this book should not be considering erotica.

After five years in the NHL, deflecting goals on the ice and scoring them with puck bunnies, Miller has decided he's ready for a girlfriend. A real, non-bunny girlfriend to take on dates, and not jump into bed with after five seconds of conversation. Miller thinks he's found that woman in his teammate's sister. Except, unlike team captain and all-around nice guy Alex Waters—who happens to date his stepsister, Miller's media

reputation as a manwhore is well earned. Beyond that minor detail, Miller doesn't know the first thing about relationships or the time and effort they require. Miller learns--eventually--that if he wants to make Sunshine "Sunny" Waters fall for him, he's going to have to do a whole lot more than show her his stick skills in the bedroom.

Forever Pucked - Helena Hunting 2019-11-12
Being engaged to Alex Waters, team captain and

the highest paid NHL player in the league, is awesome. How could it not be? In addition to being an amazing hockey player, he's an incurable romantic with an XL heart, and an XXL hockey stick in his pants. And he knows how to use it. Incredibly, orgasmically well. Alex is the whole package and more. Literally. Like his package is insane. Total world record holder material. So it makes complete sense that Violet Hall can't wait to nail him down to the matrimonial mattress and become Mrs. Violet Waters. It's so romantic. Violet is totally stoked to set a date. Eventually. At some point. Likely before the next millennium. Or when Violet stops getting hives every time someone brings up the wedding, and their mothers stop colluding on stadium sized venues. Whichever comes first. ***Forever PUCKED is a followup to PUCKED (The Pucked Series Book 1), while it is not necessary to have read Pucked Up (Book 2) or Pucked Over (Book 3) it is highly recommended to that you read Pucked first.***

- Evie Browning 2021-05-04

Anna Kovác's career as a movie director is over if she can't jumpstart a failing production in Rome: a B-movie that's over budget and behind schedule. She's thirty-five years old, her best picture is ten years behind her, and her ex-husband, a powerful Hollywood agent, is still meddling in her career. John Mills can't get an agent to listen to his screenplay pitch, because they're too busy casting him as Shirtless Werewolf Number Three. His part-time jobs are barely enough to pay his rent, and he's done being thought of as nothing but a pretty face, by the industry and his dates. On location in Rome complications abound on-set, but with each disaster that Anna and John overcome together, their burgeoning friendship develops into a not-to-be-denied attraction. Anna's insecurities about being with John resurface when the press ridicules her for having an on-set fling with a younger man, showing John first-hand the harassment she has to deal with in her job. And John didn't realize exactly what kind of a devil he made a deal with when he took this job from a powerful agent, none other than Anna's ex-husband out for revenge. The two must find a

way to navigate the rocky terrain of dating a coworker in an already tumultuous industry or lose their careers and their chance at a happily ever after. Cover Design and Illustration by Leni Kauffman

Fix Her Up - Tessa Bailey 2019-06-11

"Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story." - Helena Hunting, New York Times bestselling author of Meet Cute

A steamy, hilarious new romantic comedy from New York Times bestselling author Tessa Bailey, perfect for fans of Christina Lauren and Sally Thorne! Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite. Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her...

Beauty and the Beefcake - Pippa Grant 2019-09-13

There are two kinds of women in the world - those I can bang, and those I can't. My teammate's sister? She's a can't. I moved in with her to protect her from a nasty ex, not to be the next guy in line. She's the brains. I'm the brawn. She's the fruit. I'm the sausage. She talks too much. I don't talk at all, if I don't have to. Should be easy to resist her. But every minute I spend with Felicity is another minute she gets under my skin. She makes me feel like something more than a dumb puckhead with a big Zamboni pony. And it's getting harder to remember why I need to keep my hands to myself. *Beauty and the Beefcake* is a vegan-friendly standalone romantic comedy featuring a hockey player whose vocabulary is the only thing smaller than a hockey puck, a book-smart but aimless ventriloquist with too many voices in her head, a dilapidated old house that may or may not be haunted, and no cheating or cliffhangers.

I Pucking Love You - Pippa Grant 2021-04-08 You know those stories where an adorably misunderstood clumsy girl needs a fake date to a wedding so she asks her brother's best friend and they accidentally fall in love? I wish that was the kind of life I lead, but it's not. I don't need a date to a wedding. I need a date to a funeral. Clumsy sometimes fits, but then, that's true for all of us, right? But adorable? No. Misunderstood? Nope again. I'm just your

average girl, standing in front of a funeral invitation, asking it to be a winning lottery ticket instead. And I don't have a brother, or a best friend with a brother available, which means I'm stuck with Tyler Jaeger. Sure, he's a professional hockey player who also knows advanced calculus, but let's say we're not compatible and leave it at that. I should know. I am a matchmaker. Not a very good one, but that's beside the point. I know a mismatch when I see one. Still, Tyler's what I've got, and I am not going to this funeral solo, so he's what I'll take. After all-what could go wrong at a funeral? I Pucking Love You is a hilariously wrong romantic comedy about the world's worst matchmaker, a hockey player with a problem he doesn't want to talk about, and an awkward date-of-convenience that everyone would prefer to forget. It comes complete with a cat working his way through his nine lives, all the sexy times, fish and chips, and a swoony happily-ever-after.

At least that's what I believed until someone from my past gets caught up in my present. She's all the good things in this world. She lights up my dark. I shouldn't want her. But I do. I should leave her alone. But I won't.

[A Favor for a Favor](#) - Helena Hunting
2020-01-28

From the New York Times bestselling author of *Pucked* and *A Lie for a Lie*, a new stand-alone romance about trading favors, battling wills, and winning love. When I joined Seattle's NHL expansion team, I thought it was the start of something great. But nothing ever goes the way you expect. Take my introduction to my new neighbor. She came rolling in on the hot mess express at midnight, making a racket while she

tried to get into my team captain's apartment. Did I mention that he's married to a woman who definitely was not her? Imagine my surprise when I end up with an injury that has me out of the game for weeks, and she's the one to offer to help me. I should probably add that she's not the captain's mistress. She's his sexy, pastel-haired younger sister. So we come up with an arrangement: she rehabs me so that I can get back on the ice sooner, and she can add a professional athlete that isn't her brother to her client list. Seems simple enough. As long as I can keep my hands to myself and my hormones in check.

Bad Motherpuckers: Volume One - Lili Valente 2021-10-19

Three HOT Standalone hockey rom coms including... HOT AS PUCK The things I want to do to my sweet, kindergarten-teaching, mitten-crocheting best friend Libby Collins are ten different kinds of wrong. Maybe twenty. But I'm a firm believer in teaching by example, and by the end of our first sex lesson, we've graduated to a hands on approach to her education: my hands all over her, her hands all over me, and her hot mouth melting beneath mine as I prove to her there isn't a damned thing wrong with the way she kisses. Give me a month, and I'll transform Libby from wall flower to wall banger, and ensure she's confident enough to seduce any guy she wants. Problem is... the only guy I want her seducing is me. SEXY MOTHERPUCKER Laura Collins is the last woman I should be thinking about taking in the back seat of my car, in the woods behind my in-laws' house, or in a hotel room where we're sharing one very small, very squeaky bed. I need a steady, stable influence for my daughter, not a fling with this too wild, too young, too impulsive red head. So what if she's beautiful and intense and passionate and has the biggest heart I've ever known? I don't want to fall in love. I really don't. The whole "pretend girlfriend" thing was supposed to solve my problems, buy me a little more time. But when it comes to Laura? Hell, maybe I'm just not cut out for faking it. PUCK AHOLIC I hate my new roommate... And I want to do dirty, delicious things to her in that swing she installed that we both know has nothing to do with aerial yoga. Neither of which is good, considering Diana Daniels is my NHL team

captain's little sister, and he will break my face if I'm not a perfect gentleman. I try to be. Really, I do. But Diana has all sorts of Jedi mind tricks to make a man obsessed with getting her into bed, and I'm not gonna lie--I fall for every single one of them. Especially the one where she warns me not to fall for her.
