100 Questions Every Person Should Ask Themselves - C. B. Daniels 2016-06-26

100 Questions Every Person Should Ask Themselves is a journal for those who want to dive a little deeper into who they truly are and what they need to do in order to become the person they want to be. It's a wonderful book for anyone going through a big life change or for those who feel like they need a new direction

and a fresh start. Just remember that self-examination can be painful. So be ready. This journal pulls no punches. But if you're honest with yourself, and honest in your writing; you'll find that by the end of this journal you'll have learned much more about who you are and what you should be doing to get where you need to be. 100 Questions Every Person Should Ask Themselves is set up so that you can go at your own pace; whether that means doing multiple entries in a day or just one a week. Feel free to skip around and choose the question that is perfect for that specific day. And while this journal is aimed specifically at adults, there's nothing inappropriate inside, so it's suitable for young adults as well.

General Studies of Rajasthan-All in One - Rajendra Prasad 2019-08-15

It gives me immense pleasure in presenting the first edition of the General studies of Rajasthan, useful for the students of Graduate and the candidates appearing in Rajasthan Competitive

Examinations conducted by RPSC and Rajasthan Subordinate Board, Universities and Government Departments. This book deals with the relevant features and topics of General studies of Rajasthan in a systematic and comprehensive manner by the use of simple and concise language for easy and quick understanding. Varied subjects covered are Geography, History, Art-Culture & Heritage, Polity & Administration and Economy of Rajasthan in detailed with subject wise solved practice questions. I hope that the readers will find this book user friendly and helpful in preparation of their examinations. I look forward to have the views, comment, suggestions and criticism from readers which would definitely help in further improvement of the Book. I would like to heartfelt thanks to all my friends, family members, Shri Kishan Diwliwal and the team members of Shubham Publishers and distributors for their effort to publishing this book. Wish you happy reading

and best wishes for the examinations. Features of the Book: 1. General Studies of Rajasthan-All in One, it covered the syllabus of RPSC and University exams. 2. Subject wise detailed study material with practice question answer 3. This book covered Geography, History, Polity, Economy and Art-Culture of Rajasthan. 4. You can buy this book from anywhere in Rajasthan at district level or from Most of the shop in Jaipur (Rajasthan).

India Since Independence - Bipan Chandra
2008-02-11

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism

in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

Bharat Ka Prachin Itihas - Ram Sharan

Sharma 2018-04-06

Beginning with a discussion on frameworks of writing history, the volume sheds light on the origins and growth of civilizations, empires, and religions. It covers the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as the Harappan civilization. The author discussed the rise of Jainism and Buddhism, Magadha, and the beginning of territorial states. The period of Mauryas, Central Asian countries, Satavahanas, Guptas, and Harshvardhana are also analysed. He highlights important phenomena such as the varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. He also examines the process of transition from ancient to medieval India and addresses topical issues such as the origin of the Aryan culture. This engaging and lucid text, by one of the best-known scholars of ancient India, will be indispensable for students and teachers

of ancient Indian history. This book is the Hindi translation of the English edition.
