**Reclaiming Our Forgotten Heritage** - Curt Landry 2019-01-15

"A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God's kingdom. . . . There is no better time than now to learn about and become firmly grounded within your spiritual heritage." —from the foreword by Perry Stone The early church was made up of Jewish and Gentile followers of Jesus, and the church's culture was rooted in

Judaism and a Jewish understanding of God's relationship to His people. Over time, however, Christianity became increasingly more Roman than Jewish, and the church lost its identity. Rabbi Curt Landry's personal story is remarkably similar. Born to a Jewish mother and a Catholic father, Landry was put up for adoption, and for more than thirty years he had no understanding of his heritage, his roots, or who his parents were. But when he discovered the truth of his story, his life changed completely. The key to a life of power and purpose is understanding who you are. In this revelatory book, Curt Landry helps Christians discover their roots in Judaism, empowering them to walk in the revelation of who they really are and who they are born to be. Reclaiming Our Forgotten Heritage reveals the mysteries of the church, letting Christians grasp the power that comes from connecting with their true identity.

**Activating the Present-Day Ministry of the Holy Spirit** - Dr Lon Stettler 2021-01-07

The Lord through the Holy Spirit is raising up an invincible, unstoppable, unconquerable, and overcoming Army to bring in an end-time harvest. The Lord is calling. Are you part of God's army? In his new book, *Activating the Present-Day Ministry of the Holy Spirit*, author Dr. Lon Stettler is calling those the Holy Spirit is recruiting into action to minister in these last days. This second book in his two-part Activation series outlines the three perspectives of the Holy Spirit's present-day ministry. The first perspective focuses on understanding scripturally how a person enters into the ministry of the Holy Spirit through the baptism in the Holy Spirit, speaking in tongues, and manifesting spiritual gifts. This leads into the

second perspective, which is understanding the restoration ministry of the Holy Spirit to bring the church into maturity and number. The final perspective is the actual activation process to mobilize each ministry of the Holy Spirit - the baptism in the Holy Spirit with speaking in tongues, accelerating the development of the fruit of the Spirit, and activating gifts of the Spirit in your ministry. Dr. Stettler felt God leading him to write a two-part series at the start of 2020, with the first book discussing a righteousness consciousness through the identifying of Christ in us. This book then focuses on the ministry of the Holy Spirit and how to activate it in our lives and ministries. His hope is that those reading become aware of what God has gifted them with after they accepted Jesus in their hearts, the awakening of the Holy Spirit in their lives. With this new understanding, readers will begin to activate their divine gifts and ministries to be a minister in the marketplace, the public square, and the

local church.

**Understanding Spiritual Gifts** - Sam Storms  
2020-09-01

What are spiritual gifts? Author and pastor Sam Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts. Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ. In this comprehensive guide to the spiritual gifts, Storms addresses the many bizarre and misleading interpretations that abound and confronts the tendency to downplay the urgency

of spiritual gifts for Christian living and ministry. He explains how spiritual gifts, both the more miraculous and the somewhat mundane, are given to build up the body of Christ. God has graciously provided these "manifestations of the Spirit" so that believers might encourage, edify, strengthen, instruct, and console one another, all with a view to an ever-increasing, incremental transformation into the image of Jesus Christ. Throughout this guide, Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every born-again believer. God does not call upon us to speculate about the nature of this power or to embrace it as a mere idea. His desire is that we avail ourselves of it to partner with him in his purposes on the earth. His desire is that we cry out to him that he might intensify, expand, increase, and deepen the manifestation of this power through us in ever more demonstrative and tangible ways in our lives. Understanding

Spiritual Gifts is useful as a reference to address common questions about the gifts, but it also serves as a training manual for using and exercising the gifts in ministry. It is perfect for any individual or group who wants to grow in their understanding of the gifts for today.

*Unwrapping Your Spiritual Gifts* - William L. Garvin 2022-03-13

At our 'new birth', we are given 'GIFTS' by God. The first gift is the Holy Spirit and through the Holy Spirit we receive 'SPIRITUAL GIFTS'. Every Christian has received at least one gift, some more. These gifts are given so we might; Worship God - in spirit and truth, hear and respond to His Voice, be identified with Him, and overcome the works of the devil. But how do we unwrap and use these gifts God has given? That is why this is written! In this 'time of the falling away', we must know that our spiritual gifts are given to enable EACH of us to successfully contribute to the spiritual warfare that the 'Body of Christ' MUST fight. Every good soldier must know HOW to use his weapons. The difference with us is that we have 'spiritual weapons' that can Only be operated by spiritual means. Under the 'controls' directed by the Scriptures, we are to use the 'gifts' to 'discern' the spiritual things of God, from that which is

evil. God is enlisting ALL His people, not just leadership, to activate, 'the weapons of our warfare' that when done in the unity and fellowship with other Christians, can 'pull down strongholds'. Praise GOD! Elder William L. Garvin has served as Pastor of Home Ministry Outreach Church (HMOC) in Gary, Indiana, USA, since 1995. He and his wife, -and co-pastor-Beverly Joyce, have been married for fifty-plus years; they've been blessed with four adult children, son Macy, daughter Kelley, son David, and daughter Rachel (Mansoor) Leh. And three grandchildren: Yayra, Nylah, and Micah. They are also blessed with many spiritual sons and daughters. As a Pastor and Teacher, many have asked him about the Holy Spirit and His gifts. This book strives to clarify that the supernatural nature of the spiritual gifts cannot be explained or identified in natural ways. It goes on to identify, from the Scriptures, what the spiritual gifts are, what they do, how they are received, and should operate in each

Christian. This is the second book authored by, Pastor Bill, the first being Who Is Jehovah? in 2001, Xulon Press, that shared with the reader techniques for witnessing to Jehovah's witnesses. To correspond with Pastor Bill email: bbgarvin1130@gmail.com

Have a great time on the course and may you extend the kingdom of God boldly **Are Miraculous Gifts for Today?** - Zondervan, 2011-10-11

Are Miraculous Gifts for Today? takes you to the heart of one of the most dividing questions in the Church today: how are the Holy Spirit's miracles at work among God's people now? Is he still actively giving the gifts of tongues, prophecy, and healing that fill the book of Acts? Is he driving out demons when Christians command

them to flee? Or are these events confined to the time of the early church and the apostles? This volume of the Counterpoints series provides an impartial format for comparing the four main positions on present-day miracles (including the history and distinctions between the three positions that affirm miraculous gifts) with voice also given to a large sector of open-but-cautious evangelicals: Cessationist: there are no miraculous gifts of the Holy Spirit today. Pentecostal: gifts are intended for today, with certain nuances focused on baptism and speaking in tongues. Charismatic: gifts are intended for today and should be actively practiced. Third Wave: gifts are intended for today, with greater emphasis on baptism and less on tongues. This thought-provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others. The Counterpoints series presents a comparison and critique of scholarly views on topics

important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

Revelator 2019-11-16

In this publication, Apostle Frequency Revelator contends that the gifts of the Holy Spirit are the most valuable assets bequeathed upon believers in the Body of Christ since the beginning of time. Without the backing of these gifts, the church would not be functioning at the level of fullness of God. As a believer, it is important that you understand and know the operation of all the gifts of the Holy Spirit, namely; prophecy, faith, miracles, healing, discernment, word of knowledge, word of wisdom, diversities of tongues as well as their interpretation. Like all other things in the Christian life, the gifts of the Holy Spirit also must be taught to be practiced. Paul precautiously admonished the Church of Corinth not to be ignorant of spiritual gifts. Basing his revelation of the foundational doctrine of the apostle Paul, Apostle Frequency Revelator further explores the divine truth that the gifts of the Holy Spirit are not called up at the fancy of the vessel God chooses to use.

Instead, they are a divine legitimate birth right irrevocably bequeathed upon every believer in Christ. In this book, Apostle Frequency Revelator dissects on both the revelational and practical aspects of operating the gifts of the Holy Spirit, categorically synthesising them into revelational gifts, vocal gifts and power gifts. Definitions and explanations are given on each gift as well as elaborate explanations of the "how" of each operation. Christians need to understand what type of gifts they are receiving before they can operate in them. Apostle Frequency Revelator further points out the reality that the gifts of the Holy Spirit are not manifesting to their highest level of potential in some places because of a lack of proper Biblical teaching. This revelational teaching will therefore bring faith and understanding for the operation of the gifts. The reading of this book will therefore cause you to understand the call of God in your life so that you can flow in the dispensation of God's grace upon your life. It will

also assist you in terms of knowing the limits and boundaries of the operation of His gifts in your life. Ultimately, it will catapult your faith to the highest realms of the supernatural whereby you shall operate in all the gifts of the Spirit for the empowerment, edification and advancement of the Church.

Discover - Joel Comiskey 2007-09

Everyone has at least one spiritual gift, according to the Bible. But many don't know what that gift is or how to use it. This book provides clear steps and guidelines to find and activate spiritual gifts. The eight lessons offer biblical insight on what the gifts are and practical suggestions on how to use them. This book will especially help those leading a small group to know how to discern the different gifts

among group members, and then to help each person activate that gift. The only way to discover spiritual gifts is in the context of relationships. Spiritual gift tests, while helping believers to think through the possibilities, are insufficient in themselves. The atmosphere of trust in a small group is the key cornerstone that allows the free flow of the spiritual gifts. When trust is established, people are more willing to risk and try out new, potential gifts. A small group can provide honest feedback about the person's success, as well as areas of improvement. This book prepares each small group member to understand what his or her spiritual gift is and then instructs the person how to use that gift. Discover is a great resource to use individually, in a small group, or in a classroom teaching setting.

*The Spiritual Gifts (Part 2): the Gifts of the Holy Spirit* - Timothy Williams 2012-12-01

The Spiritual Gifts (Part 2): The Gifts of the Holy Spirit is the second part of a two part series on

the spiritual gifts. This revised edition is in study outline format to make reading and studying much easier. Part 2 covers the gifts of the Holy Spirit found in 1 Corinthians 12:4-11, also called the manifestations of the Spirit. The gifts of the Holy Spirit- word of wisdom, word of knowledge, faith, workings of miracles, gifts of healings, prophecy, discerning of spirits, tongues, interpretation of tongues- are the manifestations of the presence and power of the Holy Spirit. These gifts are bestowed by God's grace and

through the Holy Spirit, but also according to the will of God. Everyone who is born of the Spirit can manifest any of these gifts to some degree, but one must earnestly desire them and be surrendered to God in order to be used in them on a regular basis. The purpose of this book is to help you better understand these gifts, receive and activate these manifestations of the Spirit, and become more anointed in these gifts and fulfill your calling in God.
