*The God of Small Things* - Arundhati Roy 2011-07-27

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from

the author of *The Ministry of Utmost Happiness* NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

**Rich Dad's Guide to Becoming Rich...Without Cutting Up Your Credit Cards** - Robert T. Kiyosaki 2000-11-01

Why cutting up your credit cards won't make you rich A popular TV personality often says, "Take out your credit cards and cut them into pieces." While that is sound advice for people who are not financially responsible, it is inadequate advice for anyone who wants to become rich or financially free. In other words, just cutting up your credit cards will not make you rich. What does make you rich is financial education...unfortunately a type of education we do not receive in school. If a person has a solid financial education, they would know that there are two kinds of debt...good debt and bad debt. A person with a sound financial education would know how to use good debt to make them richer faster...much faster than a person who only saves money and has no debt. Rich Dad's Guide to Becoming Rich \* Are you in credit card debt? \* Is job security dead? \* Is your financial security threatened? \* Is a high-paying job the answer? \* Is your money working for you? \* Do you have good debt or bad debt? We all need more financial education. We need to know how to have our money work hard for us so we don't have to spend our lives working for money. That is why we need more sophisticated financial education...not oversimplified and childish financial tips such as cut up your credit cards or save more money. If you are ready to increase your financial education and enjoy your credit cards, then this book is for you.

**The Warren Buffett Way** - Robert G. Hagstrom 2013-09-13

Warren Buffett is the most famous investor of all time and one of today's most admired business leaders. He became a billionaire and investment sage by looking at companies as businesses rather than prices on a stock screen. The first two editions of *The Warren Buffett Way* gave investors their first in-depth look at the innovative investment and business strategies behind Buffett's spectacular success. The new edition updates readers on the latest investments by Buffett. And, more importantly, it draws on the new field of behavioral finance to explain how investors can overcome the common obstacles that prevent them from investing like Buffett. New material includes: How to think like a long-term investor - just like Buffett Why "loss aversion", the tendency of most investors to overweight the pain of losing money, is one of the biggest obstacles that investors must overcome. Why behaving rationally in the face of the ups and downs of the market has been the key to Buffett's investing success Analysis of Buffett's recent acquisition of H.J. Heinz and his investment in IBM stock The greatest challenge to emulating Buffett is not in the selection of the right stocks, Hagstrom writes, but in having the fortitude to stick with sound investments in the face of economic and market uncertainty. The new edition explains the psychological foundations of Buffett's approach, thus giving readers the best roadmap yet for mastering both the principles and behaviors that have made Buffett the greatest investor of our generation.

The Tipping Point - Malcolm Gladwell 2006-11-01

From the bestselling author of The Bomber Mafia: discover Malcolm Gladwell's breakthrough debut and explore the science behind viral trends in business, marketing, and human behavior. The tipping point is that magic moment when an idea, trend, or social behavior crosses a threshold, tips, and spreads like wildfire. Just as a single sick person can start an epidemic of the flu, so too can a small but precisely targeted push cause a fashion trend, the popularity of a new product, or a drop in the crime rate. This widely acclaimed bestseller, in which Malcolm Gladwell explores and brilliantly illuminates the tipping point phenomenon, is already changing the way people throughout the world think about selling products and disseminating ideas. "A wonderful page-turner about a fascinating idea that should affect the way every thinking person looks at the world." —Michael Lewis

I Too Had a Love Story is one such saga. It is the tender and heartfelt tale of Ravin and Khushi--two people who found each other on a matrimonial site and fell in love . . . until life put their love to the ultimate test. Romantic, emotional and sincere, this heartbreaking true life story has already touched a million hearts. This bestselling novel is a must-read for anyone who believes in the magic of love . . .

**Like It Happened Yesterday** - Ravinder Singh 2013-06-15

Has anyone ever asked you—What were the best days of your life? That one period of your life you always wanted to go back to? And live that life . . . one more time? When asked this, I closed my eyes and went back in my own past. And I thought . . . of the days, when life's most complex choices had a simple solution of Akkad Bakkad Bambey Bo! . . . of the seasons when rains were celebrated by making paper boats. . . of the times when waiting at the railway crossing meant counting the bogies of the train passing by. When I opened my eyes, it seems Like it Happened Yesterday! Like it was yesterday that I broke my first tooth and fell in love for the first time. Like it was yesterday, when I was about to lose my friend, and

suddenly he became my best friend. I look back and it becomes a journey full of adventure. It makes me laugh, it makes me cry and I know I'm here because I was . . . Come, hold my hand, and take this trip with me. It will be yesterday for you, once again!

The War of Art - Steven Pressfield 2002-06-03

What keeps so many of us from doing what we long to do? Why is there a naysayer within? How can we avoid the roadblocks of any creative endeavor—be it starting up a dream business venture, writing a novel, or painting a masterpiece? The War of Art identifies the enemy that every one of us must face, outlines a battle plan to conquer this internal foe, then pinpoints just how to achieve the greatest success. The War of Art emphasizes the resolve needed to recognize and overcome the obstacles of ambition and then effectively shows how to reach the highest level of creative discipline. Think of it as tough love . . . for yourself.

**The Education of a Value Investor** - Guy Spier 2014-09-09

What happens when a young Wall Street investment banker spends a small fortune to have lunch with Warren Buffett? He becomes a real value investor. In this fascinating inside story, Guy Spier details his career from Harvard MBA to hedge fund manager. But the path was not so straightforward. Spier reveals his transformation from a Gordon Gekko wannabe, driven by greed, to a sophisticated investor who enjoys success without selling his soul to the highest bidder. Spier's journey is similar to the thousands that flock to Wall Street every year with their shiny new diplomas, aiming to be King of Wall Street. Yet what Guy realized just in the nick of time was that the King really lived 1,500 miles away in Omaha, Nebraska. Spier determinedly set out to create a new career in his own way. Along the way he learned some powerful lessons which include: why the right mentors and partners are critical to long term success on Wall Street; why a topnotch education can sometimes get in the way of your success; that real learning doesn't begin until you are on your own; and how the best lessons from Warren Buffett have less to do with investing and more to do with being true to yourself. Spier also reveals some of his own winning investment strategies, detailing deals that were winners but also what he learned from deals that went south. Part memoir, part Wall Street advice, and part how-to, Guy Spier takes readers on a ride through Wall Street but more importantly provides those that want to take a different path with the insight, guidance, and inspiration they need to carve out their own definition of success.

Tool of War - Paolo Bacigalupi 2017-10-10

Set in a dark future devastated by climate change, Tool of War is the third book in a major adventure series by a bestselling and award-winning science fiction author and starring the most provocative character from the acclaimed novels Ship Breaker and The Drowned Cities. In this gripping, eerily prescient sci-fi thriller that Kirkus described as "masterful," Tool--a half-man/half-beast designed for combat--proves himself capable of so much more than his creators had ever dreamed. He has gone rogue from his pack of bioengineered "augments" and emerged a victorious leader of a pack of human soldier boys. But he is hunted relentlessly by someone determined to destroy him, who knows an alarming secret: Tool has found the way to resist his genetically ingrained impulses of submission and loyalty toward his masters... The time is coming when Tool will embark on an all-out war against those who have enslaved him. From one of science fiction's undisputed masters comes a riveting and all-too-timely page-turner that explores the intricate relationships connecting hunter and prey, master and enslaved, human and monster. "Suzanne Collins may have put dystopian literature on the YA map with 'The Hunger Games'...but Bacigalupi is one of the genre's masters, employing inventively terrifying details in equally imaginative story lines." --Los Angeles Times

**The King of Crows** - Libba Bray 2020-02-04

The breath-taking finale to the epic New York Times bestseller, The Diviners, from Printz winner and

beloved author, Libba Bray. After the horrifying explosion that claimed one of their own, the Diviners find themselves wanted by the US government, and on the brink of war with the King of Crows. While Memphis and Isaiah run for their lives from the mysterious Shadow Men, Isaiah receives a startling vision of a girl, Sarah Beth Olson, who could shift the balance in their struggle for peace. Sarah Beth says she knows how to stop the King of Crows-but, she will need the Diviners' help to do it. Elsewhere, Jericho has returned after his escape from Jake Marlowe's estate, where he has learned the shocking truth behind the King of Crow's plans. Now, the Diviners must travel to Bountiful, Nebraska, in hopes of joining forces with Sarah Beth and to stop the King of Crows and his army of the dead forever. But as rumors of towns becoming ghost towns and the dead developing unprecedented powers begin to surface, all hope seems to be lost. In this sweeping finale, The Diviners will be forced to confront their greatest fears and learn to rely on one another if they hope to save the nation, and world from catastrophe...

*India Unbound* - Gurcharan Das 2002-04-09

India today is a vibrant free-market democracy, a nation well on its way to overcoming decades of widespread poverty. The nation's rise is one of the great international stories of the late twentieth century, and in *India Unbound* the acclaimed columnist Gurcharan Das offers a sweeping economic history of India from independence to the new millennium. Das shows how India's policies after 1947 condemned the nation to a hobbled economy until 1991, when the government instituted sweeping reforms that paved the way for extraordinary growth. Das traces these developments and tells the stories of the major players from Nehru through today. As the former CEO of Proctor & Gamble India, Das offers a unique insider's perspective and he deftly interweaves memoir with history, creating a book that is at once vigorously analytical and vividly written. Impassioned, erudite, and eminently readable, *India Unbound* is a must for anyone interested in the global economy and its future.

**Zero to One** - Peter Thiel 2014-09-16

#1 NEW YORK TIMES BESTSELLER • "This book delivers completely new and refreshing ideas on how to create value in the world."—Mark Zuckerberg, CEO of Meta "Peter Thiel has built multiple breakthrough companies, and *Zero to One* shows how."—Elon Musk, CEO of SpaceX and Tesla The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In *Zero to One*, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of technological stagnation, even if we're too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in any industry or area of business. It comes from the most important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. Tomorrow's champions will not win by competing ruthlessly in today's marketplace. They will escape competition altogether, because their businesses will be unique. *Zero to One* presents at once an optimistic view of the future of progress in America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places.

*Geeta Vahini* - Bhagawan Sri Sathya Sai Baba 2015-05-01

Bhagawan Sri Sathya Sai Baba wrote a series of articles under the Vahini series, for Sanathana Sarathi, a monthly magazine being published by Sri Sathya Sai Sadhana Trust, Publications Division, Prasanthi Nilayam. These precious articles are brought out now, under the title "Geeta Vahini", in this book, for the benefit of readers. This is not a commentary or summary of the divine message that was given by Lord Krishna to Arjuna. It conveys the same message in a simpler form to us, in order to remove our delusion and confer faith and strength on us, so that we may realise our own reality. Bhagawan says, "Drawing on the Divine that is inherent in us is the lesson of Geeta... Arjuna is the jiva and Krishna is the Deva. When both are in contact, impregnable might results... Krishna had to work in and through Arjuna, so that the reign of Dharma (righteousness) is re-established. Arjuna means white, pure, unblemished. Hence, he is the proper instrument." We too can become proper instruments in restoring Dharma, if we follow the lessons that Bhagawan teaches through this book.

**Mind Gym** - Gary Mack 2002-06-24

Praise for Mind Gym "Believing in yourself is paramount to success for any athlete. Gary's lessons and David's writing provide examples of the importance of the mental game." --Ben Crenshaw, two-time Masters champion and former Ryder Cup captain "Mind Gym hits a home run. If you want to build mental muscle for the major leagues, read this book." --Ken Griffey Jr., Major League Baseball MVP "I read Mind Gym on my way to the Sydney Olympics and really got a lot out of it. Gary has important lessons to teach, and you'll find the exercises fun and beneficial." --Jason Kidd, NBA All-Star and Olympic gold-medal winner In Mind Gym, noted sports psychology consultant Gary Mack explains how your mind influences your performance on the field or on the court as much as your physical skill does, if not more so. Through forty accessible lessons and inspirational anecdotes from prominent athletes--many of whom he has worked with--you will learn the same techniques and exercises Mack uses to help elite athletes build mental "muscle." Mind Gym will give you the "head edge" over the competition.

**Dilip Kumar** - Dilip Kumar 2014-07-28

An authentic, heartfelt and compelling narrative - straight from the horse's mouth - that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another - in his almost six-decade-long career - on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is 'full of distortions and misinformation', he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was Jwar Bhata (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as Jugnu, Shaheed, Mela, Andaz, Deedar, Daag and Devdas. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as Azaad and Kohinoor, apart from a scintillating portrayal as a gritty tonga driver in Naya Daur. After a five-year break he started his 'second innings' with Kranti (1981), after which he appeared in a series of hits such as Vidhaata, Shakti, Mashaal, Karma, Saudagar and Qila.

**Adultery** - Paulo Coelho 2014-08-19

I want to change. I need to change. I'm gradually losing touch with myself. Adultery, the provocative new novel by Paulo Coelho, best-selling author of The Alchemist and Eleven Minutes, explores the question of what it means to live life fully and happily, finding the balance between life's routine and the desire for something new.
