My Stories - Janice N. Anderson 2013-08-27

Janice Anderson started writing in high school and never stopped. "I would like to see more of your writing, if I may," said a teacher in 1936. In her memoir, "My Stories," we are lucky to see more of her charming, straightforward writing: Stories of growing up in the Northeast, raising a family in Florida and acting on the stage in California. Along the way, she learned to fly, and she dealt with an unbearable tragedy. Janice

Anderson's stories are the family recollections all of us would like to have, if only we had a writer in the family. Janice Anderson has given us an easy-to-read and engaging example of memoir writing.

Infectious Greed - Frank Partnoy 2010-09-03

First published in 2003, *Infectious Greed* examined how our greed-driven culture led to the generation of massive profits, but also to unprecedented levels of risk, widespread deception, and high profile disasters like Enron and Worldcom. In the wake of the 2008-9 financial crisis, Partnoy's analysis of how major companies obscured the reality from shareholders by disguising risk and side-stepping regulations, is more pertinent than ever. Beginning in the mid-1980s with the introduction of the first proto-derivatives, Partnoy gives an intelligent

and thorough account of the dangerous manipulations that have and continue to come to light.

The Lazy Couponer - Jamie Chase 2011-09-13

“Have you ever received a standing ovation at the cash register? I have.”—Jamie Chase If you’ve ever felt overwhelmed by the world of coupons—and guilty that you can’t seem to nail the “system” to save money—kick back with Jamie Chase, couponing teacher and savvy shopper whom Brian Williams of NBC’s Nightly News dubbed “the Master.” The system is simple: there’s no chasing all over town on a single shopping trip; no stockpiling of items you don’t need; no weekly tracking of item prices, driving you to buy what you don’t need simply because there’s a sale. Chase instructs readers on where to find coupons, how to use them, where to get the most bang for your buck, and how to start thinking like a couponer every time you make a purchase. Sound too easy? With a little practice, you’ll see the savings rolling in while you live your life—stress-free and thousands of dollars per year richer!

Denial - Ilse Nusbaum 2021-05-17

Ilse Nusbaum was four years old in 1938 when Hitler’s soldiers marched into her hometown. Her family was stripped of all that it owned, and her father, Karl Lowy, was denied the right to defend his dissertation. Ten years of academic studies were stolen from him. In 2009, she discovered that the dissertation had survived the war and the Holocaust in his university's library and learned that he was one of the two Jewish students expelled without receiving his doctorate degree. She set forth on a mission of justice on her father’s behalf, a posthumous doctorate. Her efforts resulted in a monument on the campus of his university, honoring all 120 Jewish students at the university in 1938, but she failed in her quest for a degree for her father. Denial tells the story in the form of a labyrinth, with bypaths that include the pandemic and protests of

2020-2021

Rabbits for Food - Binnie Kirshenbaum 2020-09-01

Master of razor-edged literary humor Binnie Kirshenbaum returns with her first novel in a decade, a devastating, laugh-out-loud funny story of a writer's slide into depression and institutionalization. It's New Year's Eve, the holiday of forced fellowship, mandatory fun, and paper hats. While dining out with her husband and their friends, Kirshenbaum's protagonist—an acerbic, mordantly witty, and clinically depressed writer—fully unravels. Her breakdown lands her in the psych ward of a prestigious New York hospital, where she refuses all modes of recommended treatment. Instead, she passes the time chronicling the lives of her fellow “lunatics” and writing a novel about what brought her there. Her story is a brilliant and brutally funny dive into the disordered mind of a woman who sees the world all too clearly. Propelled by razor-sharp comic timing and rife with pinpoint insights, Kirshenbaum examines what it means to be unloved and loved, to succeed and fail, to be at once impervious and raw. Rabbits for Food shows how art can lead us out of—or into—the depths of disconsolate loneliness and piercing grief. A bravura literary performance from one of our most indispensable writers.

Electronic Evidence and Discovery - Michele C. S. Lange 2009

"Pack this one in your beach bag and get ready for nonstop fun." --- Susan Mallery, New York Times bestselling author, on Barefoot in the Sand As a professional gardener, Tessa Galloway can grow anything except the one thing she wants the most - a baby. Finally ready to take a chance on single motherhood by less-than-traditional means, her world is suddenly turned upside down when a sexy, mysterious new chef is hired for the resort in Barefoot Bay. Placed in the witness protection program after identifying his wife's killer, John Brown is on the cusp of getting back the only thing that matters - his toddler twins, taken into protective custody after the high profile crime that killed their mother. But when John learns the system requires him to prove he's married and stable before he can secure his children, he escalates the growing attraction for Tessa to a full-on seduction, leading right to the altar. But when love unexpected blooms between them, will his secret be the thing that uproots their happy ending?

The Shadow Man - Karin Coddon 2008-09-01

Horses and Horse People. Hauntings & Secrets. They dominate and intimidate Maggie's every waking second in Del Mar's horse country--just as she attempts a last-chance life makeover. At first it's only daylight she

sees: fledgling freedom from her drug-addicted ex-husband, and a rush of empowerment to discover new love, in a new world, at a bustling equestrian center. However, darkness lurks behind the daylight. If only it weren't for the strange shadows, inexplicable noises, and that unwelcoming staircase troubling Maggie and her young daughter Kat's peace in their inherited Del Mar home In this harrowing ghost story, Maggie Flores, is dually haunted by the unexplainable, malignant presence in her new home and by her ex-husband Tim's tragic meth addiction. Tim too, is haunted by toxic, increasingly vicious shadows from his past -- and from beyond the grave -- that threaten Maggie, himself, and their young daughter.

Eco-Park - John R. Feegel 2001-03

To maintain secrecy, but each for its own purposes, Iraq and U.S. enter into joint GermWarfare research at a new Eco-Park in Florida. When deaths occur, the Medical Examiner, using autopsy technique and Forensic Science, solves the case but with the F.B.I., maintains the U.S. secrecy. A strong Jesuit background through Al-Hikma University (closed by Iraq government) provides the moral twist.

Hope on the Horizon - Gail Stoewer 2011

Gail Stoewer was born and raised in San Diego, California. Her journey would travel thousands of miles, with no distance covered, until she found the exit to her true purpose and destiny. Gail's course was set by a deep, early love for God, and then a deeper doubt of Him as she circumvented her life as a human here on earth. Gail faced the battles of human existence, as all her identity and meaning were being stripped away. It became evident, during the battles, what the truth really was and it's significance. When her road was filled with potholes, detours and human discouragement, Gail discovered who was really in charge and the power they held to change her destiny.

How to Shop for Free - Kathy Spencer 2010-11-30

Kathy Spencer can whittle a 267.22 grocery bill down to one penny. How to Shop for Free is Spencer's smart, sassy, step-by-step savings guide that teaches you how to do just that—and more. You'll learn how to find the best savings and combine them with store promotions, rewards programs, and store credit to get almost anything for free—from organic produce to makeup, prescription drugs to clothing. With an eye toward cutting your monthly spending on the basics, Spencer guides you through many popular stores—including CVS, Kohl's, Safeway, Target, and Walgreens—and explains how to maximize your savings. Follow Spencer's plan and, by the end of the book, you'll be shopping for free.

Commercial Contracting: Sales, Leases, and Computer Information - Francis J Mootz III 2008-06-10

This innovative book includes cases, problems, note materials and questions, as well as excerpts from law review articles and other

secondary sources that explain the fit among the contemporary sources of Commercial Contracting Law. While the authors emphasize Uniform Commercial Code Articles 1 (as revised) and 2 (as enacted), but there are liberal references to Article 2A, UCITA, UETA, E-Sign, and the CISG to provide a sophisticated yet accessible presentation of the legal rules and principles that govern contemporary sales, leasing, and computer information transactions. Contemporary commercial contracting presents considerable pedagogical challenges. The authors provide a text that clearly explains the basic commercial context for the rule in question, and then provide materials that enable students to delve into more complex issues. Commercial Contracting: Sales, Leases, and Computer Information includes the cases that have continued to define commercial law for years as well as the most recent decisions that have changed the way we think about commercial contracting. The cases are complemented by extensive problems, permitting the instructor to emphasize either the case or problem approach. The authors have also

integrated text and excerpts from treatises and law review articles that both put the issues in transactional context and test the limits of commercial codification.

Pharmacy Practice and the Law - Kimberly A. Burns 2019-01-23
The Ninth Edition of the best-selling text, *Pharmacy Practice and the Law* goes beyond preparation for the board exam, helping students understand and critically analyze the law that governs both the profession and the products they distribute. The Ninth Edition continues to include the most up to date federal, legal, regulatory, policy developments, as well as new developments to various medical/pharmaceutical programs. Challenging, open-ended discussion questions and edited cases are included in every chapter to facilitate discussion and critical thinking. Critical issues are discussed in non-legal, easy-to-understand language. *Pharmacy Practice and the Law*, Ninth Edition is the most comprehensive and engaging resource for teaching the facts of federal pharmacy law and for encouraging critical thinking and analysis on the issues.
