Stuck under the weight of his parents' expectations, Theo's best shot at leaving Vermont means first ensuring his parents' livelihood is secure. So when a new fusion café threatens both shops, Theo and Gabi realize an unfortunate truth—they can only achieve their goals by working together to cook up an underground bakery operation and win back their customers. Contagious Faith - Mark Mittelberg 2021-10-05

Contagious Faith will prepare you to share God's love with others in a way that's authentic, comfortable, and impactful. As disciples of Christ, we are called to share the gospel, but few of us are naturally comfortable with evangelism. We wrestle with internal fears, a lack of preparation, and the sense that reaching out to others might force us to act like someone we're not. What if we could find a way to talk about Jesus that fits our personalities, makes us feel confident, and ignites a fire in others? In Contagious Faith, bestselling author and teacher Mark Mittelberg introduces five approaches to evangelism and helps you determine which of them fit best with your unique personality and style: Friendship-Building Selfless-Serving Story-Sharing Reason-Giving Truth-Telling He also explains in a down-to-earth fashion several key skills that will help you talk about Jesus effectively, illustrating his message with real-life accounts of ordinary believers who applied these principles for extraordinary impact. With inspiring stories, fresh approaches, and timeless biblical wisdom, Contagious Faith will equip you to make a spiritual impact in the lives of the people around you—even in our

increasingly resistant culture.

Preaching - John F. MacArthur 2005-08-21

Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching. In Preaching: How to Preach Biblically, John MacArthur's well-known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching. Preaching: How to Preach Biblically flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the

sermons preached in a local church. This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching. This book answers these questions and more: What is expository, biblical preaching? What are the theological and historical foundations for insisting on expository preaching? What are the steps involved in preparation for and participation in biblical preaching? What models exist for expository preaching today? The Master's Seminary faculty, with over thirty years' experience in preaching and seminary training of preachers, contributes a treasury of expertise alongside insights from expositor John MacArthur. While united on their commitment to exposition, the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence.

Flake, the legendary keyboardist for the German band Rammstein, takes

readers on a journey of what it is to be a touring musician. The excitement, the boredom, the moments that will be remembered and those that are forgotten. It's The World's Birthday Today is a strange and moody book about life on the road.
