Our Story Begins - Elissa Brent Weissman 2017-07-04

From award-winning author Elissa Brent Weissman comes a collection of quirky, smart, and vulnerable childhood works by some of today’s foremost children’s authors and illustrators—revealing young talent, the storytellers they would one day become, and the creativity they inspire today. Everyone’s story begins somewhere... For Linda Sue Park, it was a trip to the ocean, a brand-new typewriter, and a little creative license. For Jarrett J. Krosoczka, it was a third grade writing assignment that ignited a creative fire in a kid who liked to draw. For Kwame Alexander, it was a loving poem composed for Mother’s Day—and perfected through draft after discarded draft. For others, it was a teacher, a parent, a beloved book, a word of encouragement. It was trying, and failing, and trying again. It was a love of words, and pictures, and stories. Your story is beginning, too. Where will it go?

Alvin could only wonder what was going to be thrown at them next... First, however, a vacation was in order. Returning to Green River, seeing the first settlement he had helped build, and revisiting old friends was cathartic. Alvin knew that he would not be able to stay long, as something was bound to happen to push them back on the road again. Alvin had to decide where they would go next, and had narrowed it down to two choices-south into Texas, or head north and east into Colorado and maybe the Great Lakes. Either choice would mean meeting new friends, new enemies, or both. (This book contains adult situations, in all their horror and glory, including but not limited to: sex, abuse, drug use, and murder. It also contains graphic sex scenes, which portray elements of BDSM and harem. You've been warned.)
