[The Modern Natural Dyer](#) - Kristine Vejar  
2020-12-15

“Kristine’s book breaks down natural dyeing from both a scientific and creative perspective, making the process feel as approachable as it is beautiful.” —Design\*Sponge  
Thousands of natural materials can produce glorious color—the insect cochineal produces pink, maroon, and purple, and more than 500 species of plants produce indigo blue. In *The Modern Natural Dyer* expert Kristine Vejar shares the most user-friendly techniques for dyeing yarn, fabric, and finished goods at home with foraged and garden-raised dyestuffs as well as with convenient natural dye extracts. Demystifying the “magic,” Vejar explains in explicit, easy-to-follow detail how to produce consistent, long-lasting color. With stunning photography of the dyes themselves, the dyeing process, and twenty projects for home and wardrobe (some to knit, some to sew, and some just a matter of submerging a finished piece in a prepared bath), *The Modern Natural Dyer* is a complete resource for aspiring and experienced dye artisans. “A terrific primer for anyone new to the technique. Kristine walks you through the ins and outs of the process, from defining what scouring and mordanting mean to helping you learn how best

to achieve desired colors.” —DIY Network  
“Vejar’s lovely book is very sophisticated and detailed.” —Library Journal (starred review)  
“Absolutely stunning . . . The projects range from dyeing pre-made items like a slip, silk scarf or tote bag to dyeing yarn to knit a hat, shawl or cardigan . . . exceeded all my high expectations.”  
—Make Something

**Furniture Makeovers** - Barb Blair 2013-04-09

This book offers twenty-six easy-to-follow techniques that can be applied to all different types of pieces, from bookshelves to desks: painting, applying gold leaf, wallpapering, distressing, dip dyeing, and more. In addition to the core techniques, author and Knack Studios founder Barb Blair shares thirty beautiful before-and-after makeovers from her studio and outlines how to achieve each look. With helpful step-by-step photographs, a visual glossary explaining all the tools and materials needed, and a lovely contemporary aesthetic, Furniture Makeovers is a treasure trove of ideas and instruction for the home decorator. “Her amply illustrated book shows why her repurposed furniture is in demand.” —Publishers Weekly

**Mastering Kilns and Firing** - Lindsay Oesterritter 2019-10-22  
Learn the key techniques, tips, and tricks for pit, barrel, raku, and wood firing. Fall in love with flames, wood, and the effect that unique firing methods have on pottery. Move beyond the electric kiln and explore the dramatic surfaces of raku, the flashes of salt firing, and the rustic look of ash rivulets. In this book, Lindsay Oesterritter provides a crash course in the most accessible methods of alternative firing. Raku firing requires minimal equipment and can easily be fueled with a standard propane tank. Likewise, pit and barrel firing do not require much in the way of initial investment. Yet all these techniques provide an immediate glimpse into the magic of firing. Bright reds and blues, dramatic black and white crackle, even metallic luster are instantly possible. For more experienced potters and studios looking to offer more, Oesterritter also explores wood-fired

kilns. Drawing on years of experience and extensive interviews with fellow wood-fire potters, there is no comparable resource on the market. Features on top potters working today get to the heart of specialty techniques and asides show firing variations and traditional kilns in different cultures around the world. A gallery of showstopping work from a diverse group of artists round out the package and inspire you to get started.

**Hand Dyed** - Anna Joyce 2019-03-26

*The Geometry of Hand-Sewing* - Natalie Chanin 2018-05-15

As makers, we tend to learn different stitches over time without thinking much about how they relate to one another. But when Natalie Chanin and her Alabama Chanin and The School of Making teams began to look at needlework closely, they realized all stitches are based on

geometric grid systems—and by using grids as guides, they could make learning stitches, even seemingly elaborate ones, as easy as child's play. In *The Geometry of Hand-Sewing* Chanin presents their breakthrough method, featuring illustrated instructions (for both right- and left-handed stitchers) for more than 100 stitches—from the most basic straight and chain to the more fanciful feather and herringbone; photos of both right and wrong sides; and guidelines for modifying stitches to increase one's repertoire further. To simplify learning, the book also offers downloads for two stitching cards with the grids on which every stitch in the book is based. These printable cards can be used as stencils for transferring grids to fabric.

*The Art of Rush: Serving a Life Sentence* - Hugh Syme 2021-09-21

Newly expanded and updated, this beautiful coffee table book delves into the 40-year relationship between Rush and their longtime artist and illustrator, with a foreword by drummer and lyricist Neil Peart! Containing

original illustrations, paintings, photography, and the incredible stories behind each album that Hugh Syme has designed with the band since 1975. The book's narration was written by music journalist Stephen Humphries and includes in-depth interviews with each Rush band member and the artist. *The Art of Rush* also contains entertaining anecdotes and commentary from a wide array of notable musicians, actors, athletes, writers, radio personalities, and Rush insiders about their favorite Rush album covers, which clearly reveals how vital and impactful the visual representation of their music has been through the years. One of the hallmark's of Rush releases is the considerable care and consideration that goes into each one--including the conceptual artwork. Readers may be surprised to discover just how much effort went into each concept and the execution for every album cover! Some of the regaled stories include furtively crossing the border for a guerilla-style shoot for *A Farewell to Kings*, trying to herd a warren of rabbits for the cover of *Presto*, descending into the depths of an autopsy lab to find a brain for *Hemispheres*, and a stunt involving fire, whiskey, and photographer Deborah Samuel for *Moving Pictures*. But no history of the band's art would be complete without the story of the creation of arguably the band's most iconic image, *The Starman* from *2112*. "From the first time Hugh and I met, we shared a level of communication that would sustain us through all the years of discussing art by long distance," says Rush's Neil Peart. *The Art Of Rush* is a must for fans of Rush, art, and music everywhere.
