Thank You for My Service - Mat Best 2019-08-20

NEW YORK TIMES BESTSELLER • The unapologetic, laugh-your-ass-off military memoir both vets and civilians have been waiting for, from a five-tour Army Ranger turned YouTube phenomenon and zealous advocate for veterans Members of the military's special operations branches share a closely guarded secret: They love their jobs. They relish the opportunity to fight. They are thankful for it, even, and hopeful that maybe, possibly, they'll also get to kill a bunch of bad guys while they're at it. You don't necessarily need to thank them for their service—the pleasure is all theirs. In this hilarious and personal memoir, readers ride shotgun alongside former Army Ranger and private military contractor and current social media phenomenon Mat Best, into the action and its aftermath, both abroad and at home. From surviving a skin infection in the swampy armpit of America (aka Columbus, Georgia) to kicking down doors on the outskirts of Ramadi, from blowing up a truck full of enemy combatants to witnessing the effects of a suicide bombing right in front

of your face, Thank You for My Service gives readers who love America and love the good guys fresh insight into what it's really like inside the minds of the men and women on the front lines. It's also a sobering yet steadying glimpse at life for veterans after the fighting stops, when the enemy becomes self-doubt or despair and you begin to wonder why anyone should be thanking you for anything, least of all your service. How do you keep going when something you love turns you into somebody you hate? For veterans and their friends and families, Thank You for My Service will offer comfort, in the form of a million laughs, and counsel, as a blueprint for what to do after the war ends and the real fight begins. And for civilians, this is the insider account of military life you won't find anywhere else, told with equal amounts of heart and balls. It's Deadpool meets Captain America, except one went to business school and one went to therapy, and it's anyone's guess which is which.

Edward Gorey Sticker Book - Edward Gorey 2012-09-01

There are a few things you should know about the artist Edward Gorey, the creator of the creatures in this sticker book! Mr. Gorey (American, 1925-2000) wrote and illustrated over 100 books; he also designed stage sets and costumes, wrote plays, and created the animated introduction for a TV series called *Mystery!* He drew a zoo-size menagerie of fantastic beasts—some creepy, others lovable, others monstrous or just plain odd—as well as a slew of peculiar people. His characters are instantly recognizable, because he always drew them in a pen-and-ink cross-hatch style. Gorey gave his creatures wonderful, playful names; for example, Figbash and Wugglyump. His stories often involved mystery and intrigue; people disappearing and other bizarre mishaps. And Edward Gorey loved the ballet and was VERY fond of cats—something you might already have guessed. Lucky you! With this sticker book, you get to play with 50 of Gorey's characters from several of his books, including *The Black Doll*, *Category*, *Dancing Cats*, *The Doubtful Guest*, *The Epileptic Bicycle*, and *The Gashlycrumb Tinies*. There are 185 stickers in all, with images of Count Dracula, ice skating polar bears and alligators, several Figbashes in ballet slippers, children astride weird dogs, and more. Have fun stickering! 8 page softcover book with 185 reusable paper stickers (50 different designs) featuring artwork by Edward Gorey.

The book includes everything you need to create 10 bright, playful, full-color illustrations—illustrated templates printed on perforated card stock, and

10 pages of stickers to fill in and create the artwork. The fun, vibrant images are rendered in "low-poly," a computer graphics style using geometric polygon shapes to create a 3-D effect. As in paint-by-number, each template is divided into hundreds of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next and voila! It's a rocket ship blasting through space. A Tyrannosaurus rex prowling his domain. A pickup truck hauling its load. A friendly toucan hanging on his perch. Kids will love watching these pictures come to life. Plus, each is suitable for framing or the fridge.
