House Arrest - K.A. Holt 2015-10-06

Timothy is on probation. It's a strange word—something that happens to other kids, to delinquents, not to kids like him. And yet, he is under house arrest for the next year. He must check in weekly with a probation officer and a therapist, and keep a journal for an entire year. And mostly, he has to stay out of trouble. But when he must take drastic measures to help his struggling family, staying out of trouble proves more difficult than Timothy ever thought it would be. By turns touching and funny, and always original, *House Arrest* is a middlegrade novel in verse about one boy's path to redemption as he navigates life with a sick brother, a grieving mother, and one tough probation officer.

Encyclopedia of Community Corrections - Shannon M. Barton-Bellessa 2012-04-17

In response to recognition in the late 1960s and early 1970s that traditional incarceration was not working, alternatives to standard prison settings were sought and developed. One of those alternatives—community-based corrections—had been conceived in the 1950s as a system that might prove more progressive, humane, and effective, particularly with people who had committed less serious criminal offenses and for whom incarceration, with constant exposure to serious offenders and career criminals, might prove more damaging than rehabilitative. The alternative of community corrections has evolved to become a substantial part of the criminal justice and correctional system, spurred in recent years not so much by a progressive, humane philosophy as by dramatically increasing prison populations, court orders to "fix" overextended prison settings, and an economic search for cost savings. Although community correction programs have been in place for some 40 years now, to date no comprehensive reference resource has tackled this topic. Accessible and jargon-free and available in both print and electronic formats, the one-volume *Encyclopedia of Community Corrections* will explore all aspects of community corrections, from its philosophical foundation to its current inception. Features & Benefits: 150 signed entries (each with Cross References and Further Readings) are organized in A-to-Z fashion to give students easy access to the full range of topics in community corrections. A thematic Reader's Guide in the front matter groups entries by broad topical or thematic areas to make it easy for users to find related entries at a glance. In the electronic version, the Reader's Guide combines with a detailed Index and the Cross References to provide users with convenient search-and-browse capacities. A Chronology in the back matter helps students put individual

events into broader historical context. A Glossary provides students with concise definitions to key terms in the field. A Resource Guide to classic books, journals, and web sites (along with the Further Readings accompanying each entry) guides students to further resources in their research journeys. An Appendix offers statistics from the Bureau of Justice.

Rural Jail Reentry - Kyle C. Ward 2017-03-27

Today's high recidivism rates, combined with the rising costs of jails and prisons, are increasingly seen as problems that must be addressed on both moral and financial grounds. Research on prison and jail reentry typically focuses on barriers stemming from employment, housing, mental health, and substance abuse issues from the perspective of offenders returning to urban areas. This book explores the largely neglected topic of the specific challenges inmates experience when leaving jail and returning to rural areas. Rural Jail Reentry provides a thorough background and theoretical framework on reentry issues and rural crime patterns, and identifies perceptions of the most significant challenges to jail reentry in rural areas. Utilizing three robust samples—current inmates, probation and parole officers, and treatment staff—Ward examines what each group considers to be the most impactful factors surrounding rural jail re-entry. A springboard for future research and policy discussions, this book will be of interest to international researchers and practitioners interested in the topic of rural reentry, as well as graduate and upper-level undergraduate students concerned with contemporary issues in corrections, community-based corrections, critical issues in criminal justice, and criminal justice policy.

Research Methods in Criminal Justice and Criminology - Callie Marie Rennison 2022-01-31

Research Methods in Criminal Justice and Criminology connects key concepts to real field research and practices using contemporary examples and recurring case studies throughout the book that demonstrate how concepts relate to students' lives. Authors Callie M. Rennison and Timothy C. Hart introduce practical research strategies used in criminal justice to show students how a research question can become a policy that changes or influences criminal justice practices. The book's student-driven approach addresses both the "why" and the "how" as it covers the research process and focuses on the practical application of data collection and analysis. By demonstrating the variety of ways research can be used, and reinforcing the need to discern quality research, the book prepares students to become critical consumers and ethical producers of research. The Second Edition includes two new case studies woven throughout, and new expert profiles to highlight contemporary topics. Editable PowerPoint slides and a test bank are available to instructors at: <https://edge.sagepub.com/rennison-research-methods-2e>.

Police Promotion - Joseph A. Murray 1962

Probation and Parole - Howard Abadinsky 1997

The author notes that since the inception of this classic text, the criminal justice system has been plagued by buzz words and "get tough on crime" mandates that require new interpretations for students. To that end, Abadinsky offers the same "insiders" view of probation and parole issues, administration, juvenile courts, investigation, and supervision while defining indeterminate sentences and the latest developments in treatment theory. A new conclusion ties together the material in a summary. Includes sample court documents and review questions. Annotation copyrighted by Book News, Inc., Portland, OR.

Touching Spirit Bear - Ben Mikaelson 2010-04-20

In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscall in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

Who to Release? - Nicola Padfield 2013-03-07

This book is concerned to explore the changing role of the Parole Board across the range of its responsibilities, including the prediction of risk and deciding on the release (or continued detention) of the growing number of recalled prisoners and of those subject to indeterminate sentences. In doing so it aims to rectify the lack of attention that has been given by lawyers, academics and practitioners to back door sentencing (where the real length of a sentence is decided by those who take the decision to release) compared to front door sentencing' (decisions taken by judges or magistrates in court). Particular attention is given in this book to the important changes made to the role and working of the Parole Board as a result of the impact of the early release scheme of the Criminal Justice Act 2005, with the Parole Board now deciding in Panels concerned with determinate sentence prisoners, lifers and recalled prisoners. A wide range of significant issues, and case law, has arisen as a result of these changes, which the contributors to this book, leading authorities in the field, aim to explore.

Responding to Parole and Probation Violations - Madeline M. Carter 2001

Revoked - Allison Frankel 2020

"[The report] finds that supervision -- probation and parole -- drives high numbers of people, disproportionately those who are Black and brown, right back to jail or prison, while in large part failing to help them get needed services and resources. In states examined in the report, people are often incarcerated for violating the rules of their supervision or for low-level crimes, and receive disproportionate punishment following proceedings that fail to adequately protect their fair trial rights."--Publisher website.

A Deadly Wandering - Matt Richtel 2014-09-23

"Deserves a spot next to Fast Food Nation and To Kill a Mockingbird in America's high school curriculums. To say it may save lives is self-evident." —New York Times Book Review (Editor's Choice) NEW YORK TIMES BESTSELLER • A BEST BOOK OF THE YEAR: San Francisco Chronicle, Christian Science Monitor, Kirkus, Winnipeg Free Press One of the decade's most original and masterfully reported books, *A Deadly Wandering* by Pulitzer Prize-winning New York Times journalist Matt Richtel interweaves the cutting-edge science of attention with the tensely plotted story of a mysterious car accident and its aftermath to answer some of the defining questions of our time: What is technology doing to us? Can our minds keep up with the pace of change? How can we find balance? On the last day of summer, an ordinary Utah college student named Reggie Shaw fatally struck two rocket scientists while texting and driving along a majestic stretch of highway bordering the Rocky Mountains. *A Deadly Wandering* follows Reggie from the moment of the tragedy, through the police investigation, the state's groundbreaking prosecution, and ultimately, Reggie's wrenching admission of responsibility. Richtel parallels Reggie's journey with leading-edge scientific findings on the impact technology has on our brains, showing how these devices play to our deepest social instincts. A propulsive read filled with surprising scientific detail, riveting narrative tension, and rare emotional depth, *A Deadly Wandering* is a book that can change—and save—lives.
